HELP PROTECT OUR ARCHAEOLOGICAL RESOURCES

THE FUTURE OF THE PAST DEPENDS ON YOU! Report Site Location Information to:

Florida Master Site File Coordinator
Bureau of Archaeological Research
Division of Historical Resources
Department of State
The Capitol, Tallahassee, FL 32399

and to your local FAS Chapter Representative. This information will assist in better understanding our historic and prehistoric heritage. It is essential if significant sites are to be protected in land management and comprehensive planning activities. Your contribution is important. Site forms for recording archaeological or historic sites may be obtained by writing to the above address.
