

Florida Yells

1911-12.

Tune, W. & L. Swing

Come cheer for the University boys,
For we win another victory.
The Orange and Blue will forever wave in triumph
For the University, Rah, Rah, Rah.
Fight to the finish—we are with you;
Break through the line on every play;
Carry that ball right down the field,
And we will again today.

CHORUS

Whenever Florida's men fall in line
We're going to win again another time.
Florida I yell, yell, yell:
For the University I yell like hell.
And we will fight, fight for every yard,
Circle the end and hit the line right hard.
And we'll roll Columbia on the sod
With a Rah, Rah, Rah.

THE UNIVERSITY OF FLORIDA.

Tune, "Dixie".

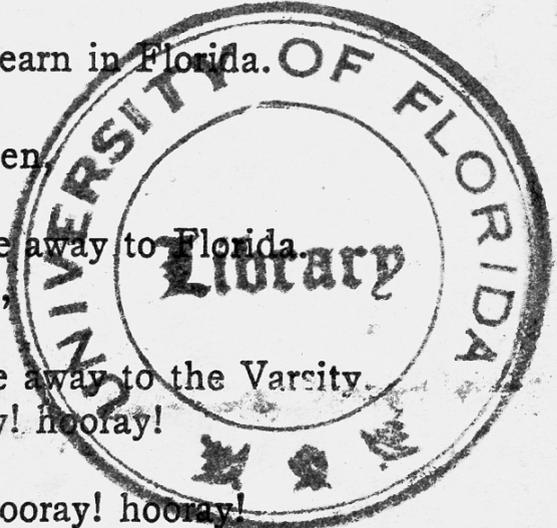

This is the land of fruits and flowers,
Singing birds and leafy bowers:
Come away, come away, come away to Floriday.
She has the land, she has the people,
Farm and school and church and steeple:
Come away, come away, come away to Florida.
Then Florida forever, hooray! hooray!
In Floriday I'll work and play,
I'll live and die in Florida.
Hooray! hooray! I'll live and die in Florida.
Hooray! hooray! I'll live and die in Florida.

2.

Our State is rather long and slender,
But our hearts are true and tender:
Come away, come away, come away to Florida.
Our "Varsity", tho young, is growing,
Faculty alert and knowing:
Come away, come away, come away to Varsity.
Then Florida forever, hooray! hooray!
In Florida I'll make my stay
To live and learn in Florida, hooray! hooray!
To live and learn in Florida.
Hooray! hooray! To live and learn in Florida.

3.

Our Foot-ball team cannot be beaten,
Mess-hall feed is fine for eatin'.
Come away, come away, come away to Florida.
Our students all are wise and witty,
But not handsome—what a pity.
Come away, come away, come away to the Varsity.
Then the "Varsity" forever, hooray! hooray!
At the Varsity I'll make my stay,
To live and learn at the Varsity, Hooray! hooray!
To live and learn at the "Varsity",
Hooray! hooray! To live and learn at the "Varsity".
