

**I** is an Innkeeper, with flagon of ale,  
Which **J** the Joiner will drink with-  
out fail.

**K** a Knife-grinder, sharpens all  
kinds of blades,  
Razors, scissors, and tools for all sorts  
of trades.

**L** a Lamplighter, nimbly skips up  
and down,  
And lights in a twinkling the lamps  
of the town.

**M** is a Milkmaid, whose heart is as  
light  
As her milk is pure and her cans are  
bright.
