

## Table of Contents

Summary .....	i
Table of Abbreviations .....	ii
Introduction .....	1
Materials and Methods .....	4
Virus Cultures and Their Plant Hosts	
Preparation of the Clarified Viral Concentrates .....	4
Standard CVC Procedure .....	4
Variations on the Standard CVC Procedure .....	6
Electron Microscopy .....	7
Results .....	7
Electron Microscopy .....	7
Virion Exclusion: The Competition for Grid Sites ....	15
Discussion .....	17
Literature Cited .....	19
Appendix 1. Preparation of Support Films for Negative Staining .....	21
Appendix 2. Negative Staining Techniques .....	31
Negative Stains and Wetting Agents .....	31
Negative Staining of Virions .....	36
The Staining Procedure .....	37
Negative Staining of Immunosorbent Materials .....	40
Problems with Negative Staining .....	41
Appendix 3. Production of Electron Micrographs .....	43
Selected List of Suppliers .....	44
