Fifteen Thousand Dollars' Worth of Bargains!

THE recent purchase of the extensive and elegant stock of Clothing, Shoes, Hats and Men's Furnishings from J. W. Hodges has filled up all the vacant chinks in our store and made our stock, already a large one, the grandest assemblage of merchandise in this section of the state. Such a matchless variety of dependable goods is not often grouped under one roof, and fairer prices than we offer have never been known here or anywhere else.

Not a "drive" on some small article of little account to us or to you, but low prices at every turn: prices that will save you money and make you glad you visited our store.
