For the love of animals

by Patty Brant
Caloosa Belle

Animal lovers always seek each other out - and what better place to do that than the local humane society?

The Caloosa Humane Society hosted its third annual Gala and Silent Auction on Saturday, Oct. 17, at the Captain Hendry House. Over 100 people came to enjoy a fabulous dinner and bid on an extensive array of silent auction items.

Farewell to Leotis Troutman

Leotis Troutman, resident of LaBelle for over 30 years and a transplant from New York, passed away Oct. 21, 2009. He was a Florida native, born in Jacksonville on January 25, 1923. He was 86 years old.

Submitted photo He came to LaBelle after retiring from Con Edison in New York City, and was employed as an electronic engineer from 1983-93 by Family Health Center.

He joined the LaBelle Kiwanis where he was a dedicated member from 1983-2000, serving as president for a time. Leotis was always easy to find - just look for the kids. He was a dedicated volunteer at many functions for children including Kids Day.

He helped the Key Club sell and deliver Christmas trees and, along with his dear wife, delivered Christmas meals to those in need with the veterans organizations.

He also participated in building Habitat for Humanity homes and in other functions.

He could often be found using his mechanical skills to help his neighbors with repairs.

Leotis was a 32nd degree Mason and a loyal deacon at St. Matthew Missionary Baptist Church under Rev. Kenneth Holley.

Leotis served his country in the US Army during World War II, mainly stationed in Aberdeen, MD.

Priceless information

items. All of the proceeds from this event go directly to helping animals in the shelter.

Once again, the humane society used the gala to recognize some very special animal lovers. This year Hannah Boone and Haley Boone were the dual recipients of the Volunteer of the Year Award. The twins spend many hours at the facility, playing with the animals - a wonderful way to help socialize the dogs and cats and to help keep them emotionally healthy while they wait for the right family to adopt them. One of the twins is allergic to cats so she plays with the dogs and her sister plays with the cats.

Ellen Ferguson received the prestigious Cornelius "Keis" Huijer Award for Philanthropic Efforts for Animals.

Ellen is the humane society secretary, but her involvement only begins there. According to shelter director Suzanne Bonnell, Ellen single-handedly planned and put on the Horse Help 101 seminar as a fund raiser for the shelter this year. She also solicited volunteers and helped with some 80 percent of the fund raisers and activities the humane society put on. In addition, Suzanne said Ellen is "always happy, ready to work and full of information."

Not surprisingly, the shelter is facing tough financial times. That's why the fund raisers are so important. The humane society doesn't make any money on pet adoptions. The facility pays for vaccinations, fecal checks, worming and, of course, food and housing for these animals.

From January through Oct. 23 of this year, Caloosa Humane Society adopted 113 animals out. A few more should find homes between now and the end of the year. Up through Oct. 23, the shelter received a total of 719 animals (including several horses). In addition 285 animals transferred to no kill shelters; 494 transferred in from Animal Control (both Hendry and Glades).

The number of animals euthanized has declined this year. Ms. Bonnell said that is because they now require a fee from owners giving up their pet. "It's unfortunate," she said, "but necessary." The shelter charges \$20 for cats, \$40 for dogs. There is a reduced charge for litters if the owner has the mother spayed.

At this time, all the shelter's volunteer workers are youths, spending time there after school and on Saturdays. The facility averages about ten volunteers per month.

Witch's Brew

Black and white newspaper is one of the best free deodorizers you will find. Put them in stinky shoes, plastic containers that develop musty odors or ball up a few sheets and put in the bottom

of your garbage can. If you want to air out your winter stuff and hang it on the clothes line, for the young whippersnappers that is a piece of rope or wire that goes from

one pole to the other, use two hangers with one facing one way and the other opposite. This keeps them from blowing off the line.

Reheat leftover pizza in a nonstick skillet on your stove burner set at med-low heat until hot. This keeps the bottom crispy.

When you are using store bought, canned frosting, whip it for a few minutes with your electric mixer and it will double in size.

The Chamber of Commerce dinner was, as usual, a success. The food was good, the decorations were unusual and clever and I was having a good time until..... I saw an old friend talking on a cell phone and went over to give him a hug. He didn't respond and the attractive woman next to him looked surprised. After a while, I walked away, puzzled. A few hours later I saw them at a nearby table and realized that I had no clue as to who they were. I WILL wear my glasses more often ... I swear!

Case manager?

County Administration, Court Administration, and Judge Sloan all threw a sales pitch to the county commissioners for the case manager position. The commissioners that support this position do not have a clue about what happens at the courthouse and why the jail is overcrowded. The jail has 193 bed spaces available and will have another 96 available in a couple of months. That means we will have 289 beds available for under 200 inmates. Sheriff Whidden has been giving "notice to appears" on misdemeanor charges until the courts can get their house in order (old stacked up cases). The

problem with Court Administration is, they do not realize that they're the problem. Success to them is measured by the amount of money that they throw away, not the progress they make. Number one, the case manager makes recommendations to the judge on criminal misdemeanor and felony cases that they feel would qualify for release. The case manager will have no authority to arrest and supervise these defendants, the case manager can only attempt to monitor them by telephone. The sheriff's office will be sent out to baby sit and bring them back to jail for any violations (we will need more deputies). Secondly, the case manager will have no authority or ability to speed up the state's attorney or public defender's office to resolve cases, it just will not happen. It's funny that Court Administration just happened to find \$260,000.00 from our court cost fee to throw away on this program, while the current county employees struggle with no raises and possible lay-offs.

So, if you don't get a warm and fuzzy feeling about this proposed program,,,,,just call your Commissioners.

Do you know: What is Red Ribbon Week?

Red Ribbon Week began after the kidnapping, torture and brutal murder of Drug Enforcement Administration (DEA) Agent Enrique "Kiki" Camarena in 1985. Agent Camarena had been working undercover in Guadalajara, Mexico, for over four years. His efforts led to a tip that resulted in the discovery of a multimillion dollar narcotics manufacturing operation in Chihuahua, Mexico. The successful eradication of this and other drug production operations angered leaders of several drug cartels who sought revenge. As a result, they murdered key informants and then, on February 7, 1985, they kidnapped Agent Camarena and his pilot Captain Alfredo Zavala-Avelar (taken separately on the same day).

It is believed that Special Agent Camarena's death actually occurred two days later, but his body was not discovered until March 5, 1985. He was 37 years old and was survived by his wife, Mika and their three children, Enrique, Daniel and Erik. During his 11 years with DEA, Kiki received two Sustained Superior Performance Awards, a Special Achievement Award and, posthumously, the

Administrator's Award of Honor, the highest award granted by DEA.

Shortly after Kiki's death, Congressman Duncan Hunter, and high school friend Henry Lozano launched Camarena Clubs in Kiki's hometown of Calexico, California. Hundreds of club members including Calexico High School teacher David Dhillon wore red ribbons and pledged to lead drug-free lives to honor the sacrifices made by Kiki Camarena and others on behalf of all Americans.

Red Ribbon Week eventually gained momentum throughout California and later the United States. In 1985, club members presented the "Camarena Club Proclamation" to then First Lady Nancy Reagan, bringing it national attention. The campaign was then formalized in 1988 with President and Mrs. Reagan serving as honorary chairpersons. Today, the eight-day celebration is sponsored by the National Family Partnership (previously known as the Federation of Parents for Drug Free Youth), and has become the annual catalyst to show intolerance for drugs in our schools, work places and communities. Each year, during the last week in

Letters to the Editor

Praise for march

After reading negative, name-calling comments in the Letters to the Editor (in the Naples Daily News) concerning the 912 Tax marchers written by individuals that were not there, it appears many people get their opinion from the televised news media. As someone that actually attended this march, I was aware that the mainstream television and cable news stations were biased but was naive as to the extent until I watched their coverage.

The media reported 70,000 marchers. The estimates are up to 1 million according to numerous sources. By noon all the trains were shut down due to over capacity and all roads leading into D.C. were at a standstill. And they kept coming.

Contradictory to the media, I observed the following: All races attended with blacks in leadership positions as speakers and entertainers.

The majority of ages marching were in their 20's through 50's.

Every state was represented from Maine to California. The majority that I spoke with

were from Ohio and New York.

This was totally non-partisan. Democrats, Republicans, Independents, and Libertarians all with the same goals. To support the Constitution and to vote out all corrupt and special interest politicians from both parties.

I have never met a kinder, friendlier, caring, considerate, and more patriotic group of people.

After the inauguration, we taxpayers paid over one million dollars to clean up the trash left behind. Amazingly, there was not a tissue left on the ground by these marchers. Cost to the taxpayers: Zero. Millions injected into the national and D.C. economy: Priceless!

To be or not to be 'NOBEL?'

With all of the controversy circulating around the Globe on Obama's being awarded The Nobel Peace prize, I thought a few words from my deceased Grandfather might have relevance, including that Shakespearean quote, "To be or not to be 'NOBEL?' and the issue that prompted Grandpa's words was the U. S. getting out of Viet Nam.

Grandpa's comments involved a story about an old Cherokee Indian Chief advising his grandson about the battle that goes on inside every human being.

He advised the grandson that there is a battle between two wolves going on inside of each of us. One is Evil and is angry, envious, jealous, sorrowful, regrettable, greedy, arrogant, self-piteous, guilt-ridden, resentful, untruthful, false pride, narcissistic, egocentric, and audacious. The other is Good, joyful, peaceful, loving, empathetic, sympathetic, hopeful, serene, humble, kind, benevolent, generous, charitable, truthful, compassionate, loyal, and faithful.

The grandson listened carefully but after a moment questioned as to which of the wolves wins out in the battles of life? After a moment of thoughtful concern, the Chief simply answered that it is "The one you feed."

Now you can agree or disagree, but it is quite evident that a "Wolf" is alive and ravenously "feeding" in the White House. Is it Wolf one or Wolf two? And how long do we have before he huffs and puffs and blows our country down?

Obituaries

Patricia T. Wilder, 74

DEERFIELD, Ohio — Patricia T. Wilder, 74, of Deerfield, passed away Oct. 26, 2009.

Patty was born in San Juan, Puerto Rico, and grew up all over the country as a result of her father's army career. After marriage and two children, she pursued a career as a laboratory technician. She settled in the Deland, Fla., area in the 1970s and worked in the lab at West Volusia. In 1997, she moved to Ohio to live close to her daughter and grandchildren.

Patty loved the simple things of life: a really good cup of coffee, an interesting book to read, the birdsong out her window. She loved watching the seasons change; autumn and spring were her favorites. Most of all she enjoyed her sewing room. Creating clothes while listening to classical music was an enjoyable pastime for her.

Patty was preceded in death by her son, Thomas Wilder. She is survived by her daughter, Cameron (Derek) Huffman; sister, Cameron (Stanley) Simms; and grandchildren, Carmon Conant, Tina (David) Paroline, and Nathan (Rachel) Huffman.

Per Patty's wishes, cremation has taken place and there will be no services.

Beckwith is finalist for Stevie awards

(Fort Myers, FL) – Samira K. Beckwith, President and CEO of Hope HealthCare Services, has been named a finalist in two categories in the 6th annual Stevie Awards for Women in Business: Lifetime Achievement and Best Executive – Non-profit or Government. More than 1,100 entries were submitted internationally for consideration in 54 categories.

The Stevie Awards for Women in Business honor women executives, entrepreneurs, and the companies they run – worldwide. The Stevie Awards have been hailed as the world's premier business awards.

Nicknamed the Stevies for the Greek word "crowned," winners will be announced during a gala event at the Marriott Marquis hotel in New York on Nov. 13. Nominated women executives and entrepreneurs from the United States and several other countries are expected to attend. The presentations will be broadcast live on radio in the U.S.A. by the Business TalkRadio Network.

As President and CEO of Hope HealthCare Services, Beckwith is a leader in improving health care on the local, state and national levels. She has served in this position since 1991 and has more than 30 years of health care and hospice experience. Under her leadership, Hope's services, programs, staff and volunteers have grown and now provide care for more than 2,300 people each day, through Hope Hospice and other comprehensive care programs for people with serious illness in Lee, Glades, Hendry, Highlands, Hardee, Charlotte and Collier counties. She has led Hope to receive numerous national awards for quality service and innovation.

Beckwith – who recently received The Ohio State University Alumni Association's highest honor, the Alumni Medalist Award – was selected as a finalist for the Stevie Awards in recognition of her lifetime achievements in health care and accomplishments of significance as an executive at a not-for-profit organization.

"Being selected as a finalist for the Stevie Awards shines an international spotlight on the great work of the Hope staff and volunteers," Beckwith said. "We have watched

the needs in our community grow and have worked diligently to provide a continuum of programs and services to meet those needs. It is certainly a privilege to serve those in our care and their families, and it is a true honor to be recognized for our ongoing efforts."

Finalists were chosen by business professionals worldwide during preliminary judging. Members of the Awards' Board of Distinguished Judges and Advisors and their staffs will select Stevie Award winners from among the Finalists during final judging.

"Being named a finalist in The Stevie Awards for Women in Business is an important achievement," said Michael Gallagher, president of the Stevie Awards. "It means that independent business executives have agreed that the nominee is worthy of recognition. We congratulate all of the finalists on their achievement and wish them well in the competition."

Hope Healthcare Services is a not-for-profit, 501 (c)(3)-status community-based agency, nationally recognized as a leader in providing high-quality, innovative care. McAvoy earns excellence award

Gene McAvoy, Hendry County Extension director and a LaBelle-based regional vegetable Extension Agent with the University of Florida's Institute of Food and Agricultural Sciences, has been chosen to receive the 2009 Excellence in Crop Advising Award.

The recognition is presented by the Florida Farm Bureau Federation and the Florida Certified Crop Advisors Program.

He will receive the award at the Farm Bureau's 68th annual meeting, Oct. 28-30, in Daytona Beach.

McAvoy, who has been the SW Florida Regional Extension vegetable specialist for 13 years, says, "I was taken completely by surprise. I am very honored, very appreciative of it."

Mary Hartney, president and chief executive officer of the Winter Haven-based Florida Fertilizer & Agrichemical Association, says she nominated McAvoy because of "his unstinting devotion to providing the ag community with the best information possible."

McAvoy conducts numerous grower, applicator and consultant education sessions during the year — a fact that didn't go unnoticed.

Gene McAvoy

Not only does he organize a lot of meetings, but they are cutting edge and promote professionalism in the field, she says. "Thanks to his efforts, Florida Certified Crop Advisors are armed with the technical and research information they need to help grow Florida agriculture".

The national Certified Crop Advisor program, administered by the American Society of Agronomy, is a voluntary certification program that promotes increased knowledge of

nutrient management, soil and water management, integrated pest management and crop management.

CCAs must pass two exams (international and local) in four major competency areas: nutrient management, soil and water management, integrated pest management and crop management and submit credentials detailing their education, crop advising experience plus two references. They must sign and adhere to a code of ethics. They must then maintain their certification through continuing education programs.

The CCA program is administered locally in 37 states. In Florida, the Florida Fertilizer & Agrichemical Association oversees it.

Cross Country competes at pre-district race

The LaBelle High School Cross Country teams competed at the Pre-District race in Estero (Oct. 20). The race was designed to familiarize runners with the same course and competition they will see on November 6.

Although no team scores were kept, runners times were recorded by their coaches. Among an estimated 15 teams the Cowgirls ran well, placing three girls in the top 25 runners.

Cory Taylor lead the way with a time of 24:12. She was followed by "Coco Puff" Ruiz (24:29) and Ashley "Go Go" Golemme

(24:56).

In the Boys race, Gabriel Barron continued to impress, improving his time almost 30 seconds from Saturday's race at Mariner. He finished second over-all with a time of 16:55. He was followed by four runners who all ran under 20 minutes. They were, dual sport athlete (football) David Miller (19:10), Chris Timms (19:34), Carlos Santillan (19:51) and "Nacho" Acosta (19:54). Both teams' next race is Tuesday, Oct. 27, in Clewiston at 4:00 and finish their regular season with a home race, the Caloosa Chase on Halloween morning at 8 a.m.

JV Cowboys chalk up another big win

by **Patty Brant**
Caloosa Belle

The Junior Varsity Cowboys bested Cardinal Mooney 20-14 on Thursday, Oct. 22.

Patrick Graham came across first with a touchdown, followed by Tyler O'Ferrell on a quarterback sneak. Tyler also had a hand in the two-point conversion, getting the ball to Cory O'Ferrell.

Lenel Jones put things over the top with the third LaBelle touchdown of the game.

Coach McLean noted that his team played "real good" and was on their game.

In the third and fourth quarters the Cowboys held the ball for an impressive 14 minutes, giving up the ball to Mooney only twice in the fourth quarter.

Defensively Zavarius Philius turned in 8 tackles. Ronnie Burton contributed two tackles and one interception to the win. Cade Logan had four tackles and Lenel Jones had three tackles and one pass deflection.

Coach said his team has played hard all season and their dedication has paid off with back-to-back wins. The JV beat Clewiston last week in a close 14-12 win.

Coach McLain praised his team, saying they played tough and disciplined. The JV Cowboys now have a 4-3 record for the season.

The JV Cowboys are looking forward to meeting Evangelica Christian this Thursday. To win, the Cowboys must play hard, Coach McLain said. He hopes to end the season on a good note - the same way it started. He warned that the Cowboys can't underestimate their opponent - they must focus on the job they have to do. Come out to the JV Cowboys' last game of the season at home against ECS Thursday, Oct. 29, 6 p.m.

Cowboys win big against Gateway

by **Patty Brant**
Caloosa Belle

The LaBelle Cowboys got their first taste of victory Oct. 23. It was Homecoming, and a district game against Gateway Charter. The Cowboys walked away with a whopping 42-6 win under their belt.

"It was a good one!" an overjoyed Coach Hal Bennett said. "We played very, very well."

He added that the Cowboys minimized mistakes and played a complete game. Possibly most important, his boys gained confidence as a result of the win. It was the most important ingredient that they lacked, he said.

Coach Bennett still sees "big things ahead of us" and expects to finish the season strong.

As a team, the Cowboys racked up 458 total yards on the night - their best showing of the season. Of those yards, 350 of them were on the ground. "We ran the ball well," coach noted.

Chris Garcia

The Cowboy offensive line and receivers all blocked well, Coach Bennett said. They blocked the right people and stayed on their blocks. Defensively the Cowboys held Gateway to just 150 yards total.

Everybody was on game for this one.

"The kids deserved this one," Coach Bennett said, "They have for a while."

The Cowboys have had several very close ones.

"This win is truly a credit to their preparedness and hard work on the practice field," he added.

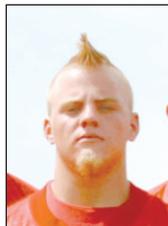

Offensive Players of the Week - sophomore quarterback Jordan Phillips had a "whale of a night," coach said. He carried the ball 12 times for 148 yards rushing; completed 8 of 9 passes for 102 yards, had 3 touchdowns and no interceptions.

He shares the award with junior running back Chris Garcia. Garcia had seven carries for 67 yards rushing; 3 rushing touchdowns and three receptions; 37 yards receiving and caught one touchdown.

Defensive Player of the Week - senior lineman Armando Ayala had ten tackles, two of them for

losses and forced a fumble.

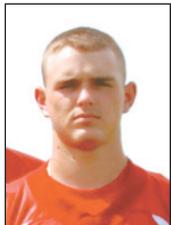

Special Teams Player of the Week - senior place kicker Robert Facundo was six for six on extra points. The coach also credited him with good kick offs. He said the team found a weak link in the Gateway returner and Robert kicked the ball right to him all night.

Practice Player of the Week - Justin Walker can be counted on to help out each week, coach said. He's a first year player and gets more play time weekly. "He jumps in every time," Coach Bennett said.

rival Clewiston Tigers. Coach Bennett commented that it's been a strange year in district play. He noted that Clewiston is struggling. The perpetual powerhouse is having a 2-5 season so far. Both LaBelle and Clewiston recently lost to Lake Placid in district play.

Still, Coach Bennett said the Cowboys will have their hands full against their cross-county rival. The Tigers have talent and are well coached.

The Cowboys are coming off a big win. Both teams will have to refocus. Coach Bennett sees these two teams as evenly matched and expects a "dog fight" for the Hendry County trophy.

Getting a jump on Relay for Life

The Tolar family is in its third year supporting the Relay for Life. Debbie Tolar said they participate because "It's the best way to save lives." As the mother of a cancer victim, Debbie said it's emotional but a "sweet, good feeling" and she loves to get the youth involved. A mock Relay for Life attracted interested folks to the Sports Park Oct. 6 where they could learn what it's all about. For the real Relay the Tolars will set up a "Mash" unit and hope to have hospital bed races and even an appearance from "Hot Lips Hoolihan." She said it takes bravery and a lot of character to face cancer. Their "Mash" unit includes from left: Marie and Cory, Tony and Debbie Tolar, Jana Smith and Brittany Deras. If you would like to have a team at the Relay for Life, please contact Yvette Williams at 675-0136 or Laura Watkins at 239-707-8305. their goal is to have 25 teams this year. Nine teams have already signed up.

Operation Christmas Child

Operation Christmas Child is an annual ministry sponsored by Samaritan's Purse, a non-denominational evangelical Christian organization engaged in crisis relief and community development. Founded in 1970 and active around the world, Samaritan's Purse offers aid to the victims of war, poverty, natural disasters, disease and famine in response to the teachings of Jesus Christ. The organization is based in Boone, NC, and is headed by Franklin Graham, the son of evangelist Billy Graham. Shoeboxes are decorated and filled with age/gender appropriate items and taken to a church for blessings and transported to a "drop off" point for shipping to their final destinations. These local ladies are working to make this ministry a success in our community. If you would like to be a part of this project and donate small items such as toys, toothbrushes, toothpaste, small children's books, etc. please bring them to the Salon Mercedes, 70 Yeomans Avenue. They are also in need of monetary donations for postage (\$7 per shoebox). Share your blessings and make a child smile.
