50¢ Plus tax

Give input on SR 80 access

by **Patty Brant**
Caloosa Belle

Today, Thursday, Oct. 6, Florida Department of Transportation staff will hold a workshop from 4:30-6:30 p.m. at LaBelle Civic Center seeking public input into planning access management for the upcoming four-laning of SR 80.

The workshop includes the next portion of SR 80 to be four-laned - west of LaBelle from Birchwood Parkway to Dalton Lane.

The department is currently in the process of designing the project and placing access points and median openings for side streets and so on.

The PD&E was done in 2005. Now it's time to take a harder look at the particulars of that section of highway and staff wants to hear the community's thoughts about where access points will be most appropriate.

Proposed locations for access points include:

- Birchwood Parkway - full median
- Cedarwood Parkway - full median

Deputies investigate stabbing death

by **Patty Brant**
Caloosa Belle

Twenty-six-year-old Christy Williams of LaBelle admitted to Hendry County deputies that she stabbed her boyfriend the night of Sept. 29 and has been charged with willful premeditated homicide. The victim, 31-year-old Donald Ash Harris, had been stabbed once in the left chest.

According to sheriff's reports, deputies responded to a hysterical 911 call placed at 10:45 p.m. by Ms. Williams at 3609 SR 29S, trailer 1. In it she reportedly said she had stabbed her boyfriend and he wasn't breathing. She also said it was an accident.

Sgt. William Griffin reported that he arrived at the scene about 11:40 p.m. and met Deputy

C. McClelland and Sgt. G. Elver there. EMS personnel had already been there and left.

The report indicates that the victim was lying face up inside a screen door, and at the base of steps leading into the single wide trailer. He had one horizontal stab wound in the left chest about a half inch wide.

The victim was wearing gray sweat pants, a blue T-shirt with brown work-type boots and dark socks. There was a small amount of blood spatter on the concrete by the body.

Inside the trailer, there was a knife with a black handle and serrated edge on a table by the TV. It was about eight inches long with red liquid adhering to it.

The three adults were inside the trailer were each interviewed by officers. Melissa Barrett, 45, Lloyd Crig, 62, and Joseph Coefield, 71.

Officers were told that the victim was drunk, loud and aggressive; that he and Ms. Williams had had previous altercations. Reportedly, none of them heard or saw what happened that night.

Ms. Williams told officers that he had her pinned on the bed and when she got free she went to the table and picked up the knife Mr. Harris had left there earlier. He had been using it to try to remove a wooden lock from the door.

She told officers she took the knife to scare him away and protect herself. She grabbed the knife, turned toward him as he approached and lunged forward. She also told them he had been arrested twice previously for domestic violence.

East county offices to move

by **Patty Brant**
Caloosa Belle

At their September 27 meeting, the Hendry County Board of County Commissioners decided to stop chasing the FEMA "rabbit hole" funding to replace the sub-office in Clewiston. Since 2005, when Hurricane Wilma made the old sub-office unusable, the county has rented space at the old K-Mart Plaza on US 27 to house county officials on the eastern side of the county. The board is taking up a health department offer to share its facility at 1100 S. Olympia in Clewiston.

East County offices

A small committee toured the building and is coming up with a plan to partition the facility in half to accommodate both the county offices and the health department. The committee feels there should be enough space for all the county offices except the sheriff's office. The sheriff's office is expected to relocate to the old health department at 100 E. El Paso in Clewiston.

Peek-A-Boo!

You know it's fall when the temperature finally gets a little more comfortable and the big ol' pumpkins come out! Debbie Tolar enjoyed her excursion around the First Baptist Church's Pumpkin Patch. All are invited to the big grand opening Oct. 8 from 10-6, but it's open Monday-Saturday 10 a.m.-6 p.m. and Sunday 1-5 p.m. Come on out for the family fun - even hayrides! (Hmm - is that a little frost on that pumpkin?)

Join the chamber for its annual banquet

Tickets are on sale now for the LaBelle Chamber of Commerce's annual banquet Oct. 17.

The event will be held at the LaBelle Civic Center at 6:30 p.m. Hendry County Economic Development Council Director Gregg Gillman will be the speaker for the evening.

Make plans now to attend this annual event. Nominations, in the form of signed letters, are being accepted for Citizen of the Year until Oct. 9.

Please write a letter detailing why you feel your nominee should be celebrated as the Citizen of the Year. Please send your nomination LaBelle Chamber of Commerce, Post Office Box 456, LaBelle, FL 33975 or drop it off at the chamber office, 125 Hickpochee Ave. (SR 80). You can also email your nomination letter to: lchamberofcomm@embarqmail.com.

The Business of the Year will also be recognized.

Tickets for the banquet are \$25 each, \$250 to sponsor a table of eight. Tickets are also available from chamber directors or you may call 675-0125.

2011 SCF Princess Ashley Curry and 2010 SCF Queen Kayla Keller will provide some great entertainment that evening.

The evening's menu includes turkey, pork loin, dirty rice, green beans, cranberry sauce, salad and dessert.

Space will be available for local orga-

nizations to highlight their community involvement, so let Sara know if you'd like to set up a display.

Also, the chamber is putting on an Octoberfest/social on Thursday, October 20, at Forrey's Grill.

Come to socialize with your chamber friends and then stay for the dinner special. The social will be from 5:30-6:30 p.m. Door prizes, naturally!

Then on Friday, October 28, head on over to the chamber for a yummy lunch of Sara's chicken and dumplin's for just \$7. Serving time 11 a.m.-1:30 p.m.

Just one more thing. LaBelle's special holiday event, Christmas in the Park, is set for Friday, Dec. 2, following the city-sponsored Christmas parade.

Please help out with this very popular community effort to provide a special treat for LaBelle's kids.

Piles of that wintertime favorite - snow - is the big draw for kids and gives many parents a chance to watch their kids relive the kind of winter fun they had as children. It's a great time for everyone - with or without White Christmas memories.

However, even Santa's getting a little strapped in this economy and, unlike up North, snow in Southwest Florida is mighty expensive.

If you can manage to make a donation for the snow this year, please call Sara at the chamber, 675-0125.

SCF theme chosen for 2012

The SCF Committee chose a theme and poster for the 2012 festival at its Monday night meeting. "Swamp Cabbage Festival Spanning Time" is the theme. The poster, submitted by Dale Conyers and Patty Brant, features the LaBelle Bridge over the waters of the Caloosahatchee. Float builders, start your engines! Serious planning time has begun.

The next step for the committee is to choose the Pioneer Family and Grand Marshal. Candidates for the Pioneer Family should have supported the LaBelle community for 60-70 years. The Grand Marshal is an individual who has made great contributions to the community.

The next SCF meeting will be Monday, Nov. 7, at 6:30 p.m. at city hall. All are welcome.

SCF Pageant information

Meetings for the Swamp Cabbage Festival Queen and Princess contestants will take place Sunday, Oct. 19, at 1 p.m. at the Firehouse Cultural Center. Sign up forms can be picked up at First Bank of Clewiston from Kim or Langford Ford Parts Department from Melinda.

Princess ages: 12-16 (high school juniors)

Queen ages: 17-24

Any questions, please call Jerri Lynn at 239-989-7032.

The Little Mr. and Miss Contest begins December 1 and ends January 23. Votes are counted a penny a point. Ages newborn to ten years of age.

Paperwork can be picked up at Langford Ford Parts Department from Melinda.

Move

Continued From Page 1

County offices in LaBelle have also moved. The board transferred \$595,000 from the disaster fund to purchase the old Alico headquarters on Main Street. This will save some \$300,000 per year the county has been spending to lease offices at the Courthouse Square.

Western Rec District as a model for its restructuring.

A workshop has been scheduled to discuss the possibilities Nov. 8 at 4 p.m. at Clewiston City Hall.

The next regular meeting will be held at the Pioneer Community Center Tuesday, Oct. 11, 5 p.m.

New radio system

The county will use money from its fine and forfeiture fund, MSBU and general fund to pay \$287,549 for a new 800 MHz radio system required by the state for emergency transmissions. First comes a \$29,000 down payment, but the board also plans to apply for grants and appropriations.

In other business:

Commissioner Janet Taylor of District 1 announced she is taking a leave of absence until her throat mends. She continues to struggle with her voice for the past six months after an operation. She said she will come back for a major issue, if necessary.

A special exception was granted to put in a horticulture recycling site at 7261 SR 80W. The facility was authorized by Florida Department of Environmental Protection in 2008, however the county never approved it. Owner Matt Miller said former County Planning Director Lynne Rodriguez told him the operation was permissible in 2005. However, no records could be found from any meeting. The owner will have to complete an application for the special exception and site improvement plan as well as pay advertising costs.

East Rec District

The City of Clewiston asked the county to share costs of the East Hendry County Rec District. Clewiston Mayor Rick Miller told the commissioners that the rec district facilities are mainly used by county residents and asked for a \$50,000 county contribution to the district's bottom line. The request was approved, however, commissioners also want the district to "fix" its finances by next year. The district is considering using the

section of the four-laning project. The next section will be from Dalton Lane to Indian Hills.

FDOT spokesperson Debbie Tower reminds everyone that four-laning will increase the capacity of SR 80, but safety concerns will require that access be somewhat limited.

The key is to balance safety with efficient movement, she said.

Rural Democrats unite in Hendry and Glades

by John Capece

Vice Chair, Glades County Democratic Executive Committee

More than 30 Democratic Party organizers, elected officials and candidates gathered for a pot-luck dinner and election season kick-off meeting at the Indian Hills home of Ellen Hawk Geake, Chair of the Glades County Democrats. The September 29 event was the second joint meeting for the Hendry and Glades Counties Democratic Executive Committees.

Joe Thomas, Chair of the Hendry County Democrats, said that the two county political groups would continue to rotate their monthly meetings between LaBelle, Clewiston and Moore Haven.

Explaining why the combined meetings, Thomas said, "Hendry and Glades County Democrats have a lot in common. We share many issues and organizing challenges. And it's just a lot more fun to get together as a larger group in a more social setting. It

encourages more people to come out and meet one another."

State party leaders Dee Dee Smith and Dave Dew attended to represent Florida Democratic Party Chairman Rod Smith.

Smith emphasized the need for Democrats to work enthusiastically to elect their candidates in the hard-fought political arena that is the American two-party system. But she reminded the group that both parties are citizens working for a better nation and there is no place for hostility between fellow Americans. Dew urged Hendry and Glades County Democrats to take a more active role by attending the Democratic Party state convention scheduled for October 28-30 at the Contemporary Resort in Walt Disney World. The first night of the convention features a dinner with Vice President Biden as the keynote speaker.

Those wanting to participate in Democratic Party events and projects are invited to contact Ellen Hawk Geake at 863-983-2922, info@GladesDemocrats.com or Joe Thomas

at 863-612-0413, info@HendryDemocrats.com.

United Way supplements emergency food, shelter funds

FORT MYERS, Fla. (Sept.20, 2011)-- The United Way of Lee, Hendry and Glades has announced that 17 agencies in Lee, Hendry and Glades counties will receive \$361,342 to supplement emergency food and shelter programs.

The United Way of Lee, Hendry and Glades manages the program and coordinates the distribution of the funds. A local board is charged with allocating the funds appropriated by Congress to expand the capacity of food and shelter programs in high-need areas. The local board determines how the funds awarded to this area are to be distributed among the emergency food and shelter programs run by local human service agencies in the area. Some of the local agencies have already received their funds.

Cliff Smith, President of the United Way of Lee, Hendry and Glades stated, "The emergency food and shelter funds are being put to work where they are needed the

most, and the administrative costs of getting the funds to agencies that actually provide emergency food and shelter is only 2 percent of the total received.

"These funds come to us at a time when the number of local citizens needing services has substantially increased because of high unemployment and serious economic problems in our community. The funds will help feed hungry people, fill food pantries and provide shelter to the men, women, and children who are hurting the most," Smith continued.

The agencies that have received, or will receive assistance include the following: ACT (Abuse Counseling & Treatment) - \$3,996; Amigos Center - \$4,662; Bonita Springs Assistance - \$13,321; CCMI (Community Cooperative Ministries) - \$33,304; Cape Coral Caring Center - \$11,989; F.I.S.H. of Pine Island - \$4,662; F.I.S.H. of Sanibel - \$8,692; Harry Chapin Food Bank - \$128,480.

Hendry County S.H.I.P. - \$6,699; Glades County S.H.I.P. - \$1,973; Hope Health Care/Hope Connections - \$2,500; Interfaith Caregivers of South Lee - \$7,327; Lee County Human Services - \$66,606; Lee Mental Health Center - \$ 11,989; Lehigh Community Ser-

vices - \$21,583; Nations Association - \$3,996; The Salvation Army of Lee, Hendry and Glades \$40,560.

The United Way and its network of 70 partner agencies serve a diverse range of needs in our community.

Bring lawmaking back to citizens

Maybe it's not the number of laws that get passed or the parties that are responsible for passing them, that is important.

Maybe lawmaking should be brought back to the citizens as opposed to having so-called "representatives" doing the bidding of special interests of themselves or of a few others.

When the recreation board convened recently, the audiences of both locations (LaBelle and Clewiston) were in unanimous agreement that the proposed tax increase would have more of a negative impact upon the citizens of Hendry County than the imagined benefits.

But both boards decided that the people's interests and desires were not as wise as their own.

It's understandable that if I were receiving money or favors from such a program I might be tempted to sport that same special wisdom that the board members exhibited. But that would mean that I would have to ignore all those who represented the unemployed, poor or just fed-up.

Just maybe, we could pass a law that would buy hearing aids for all the board members and binoculars that would allow them to see past their own noses and figure out that these meetings are attended by citi-

zens who need responsive representatives and not governmental bullies.

There are enough bullies in the world already. We don't need them in government in such a position to threaten us by taking our homes if we don't or can't give them the gold they have such a fever for.

Now, they have increased the property tax, when other counties' commissioners under similar circumstances have listened to their citizens and decided that this just might be a bad time to do so.

Maybe we should also buy a tv set or a newspaper subscription for the commissioners so they can keep up with the rest of the world.

Aren't they able to realize that if the other counties who have less unemployment than we do, have given their citizens a break, maybe our commissioners who have the most unemployed in the entire state can do likewise?

Please help out a county commissioner by sending them a hearing aid, binoculars, paper subscription or tv (I think we might be pressing our luck if we sent them a book on "Logic").

And if that fails, maybe we can help them out at election time, if you get my drift.

Career Corner

Farmworkers Program by Matt Kindermann

The Florida Department of Education Farmworker Jobs and Education Program (FJEP) is designed to pay for vocational education and training for seasonal and migrant farm workers and their family members. Funding is provided by the Department of Labor and is used to pay for tuition, books, fees, required materials and other costs associated with attendance at programs sponsored by non-profit agencies, local governments, school districts, technical centers and colleges. To be eligible for the program you must be a US Citizen or a Registered Alien and have received wages from farm work within the last two years. Visa holders are not eligible.

Matthew Kindermann

To be screened for services, you should make an appointment to see the LaBelle area Facilitator, Maribel Perez at 863-612-9863. Maribel is bilingual and available in LaBelle on Mondays, Wednesdays and Fridays by appointment. Applicants should bring their identification, along with proof of eligibility such as pay stubs, W-2s, 1099s or employment verification letters. Family

members must also provide the same verifications as there are family income guidelines for eligibility.

Maribel currently has 45 people receiving services in Hendry County that are enrolled in programs such as culinary arts, LPN, business management, early childhood development and heavy equipment maintenance. If you are a farm worker, or a family member of a farm worker, and are interested in pursuing vocational training or GED completion, make an appointment today.

The seasonal and migrant community makes up about 3,000 to 4,000 local workers annually. Including their family members, this community could account for up to 23 percent of the entire County population. Most people in this community live below the poverty line and some depend on social assistance. Imagine the positive economic impact on the region if even a small portion of this community were helped towards economic self-sufficiency, better pay and a stable employment future. If you know of someone who could benefit from this program, please pass the word.

To find our free computer classes and employment workshops, visit www.swflworks.org, and for any other career assistance you may have, call me at 863-675-1412 or e-mail me at mkindermann@swflworks.org.

October is Breast Cancer Awareness Month - did you have a mammogram?

by Pat Dobbins

You may start seeing more of the pink ribbons around town to help with the education about breast cancer and its prevention. October is recognized as Breast Cancer Awareness Month. According to the Centers for Disease Control and Prevention (CDC), more than 190,000 new cases of breast cancer were reported nationwide in 2006 and more than 41,000 women died from the disease. Breast cancer is the most common cancer among adult women in the United States and the second leading cause of cancer

Patricia Dobbins

death among women.

It is estimated that one of every eight adult women will get breast cancer in her lifetime.

Breast cancer is an uncontrolled growth of breast cells. The growth becomes uncontrollable without treatment, ultimately resulting in the formation of a tumor. A tumor can be either benign (noncancerous) or malignant (cancerous). Additionally, a cancer growth can also be considered "non-invasive," which means that it is confined to the infected area or "invasive," which means that it has spread to surrounding breast tissue. This can determine the severity of disease upon detection.

Breast cancer can be preventable with early detection.

It is recommended that all women from the ages 50-74 should have a mammogram every two years, and women between the ages of 40-50 years should talk with their health care provider about when to start screening. It may be necessary for you to have earlier screening or more frequent screening if you have a family history of breast cancer. Breast cancer risk is linked to age, ethnicity and family history of disease.

The risk of cancer increases with age. Research has shown that although white women are more likely to get breast cancer, African American women are the most likely to die of it. Minority women are most likely to have advanced breast cancer when the cancer is first discovered. Studies have shown that women of other ethnic back-

grounds such as Asian, Hispanic and Native American have a lower risk of developing and dying from breast cancer than white women and African American women.

Please get to know your family health history. If a close family member (such as your mother, father, grandmother, sister or aunt) has had breast cancer, the risk for other family members getting breast cancer may be higher. If you think you may be at increased risk, talk to your health care provider. It may be decided that you should be tested earlier or more frequently than the standard recommendations.

For more information about breast cancer or to find out how to get a free or low-cost mammogram, go to www.cdc.gov/cancer/breast or call the CDC at 1-800-CDC-INFO.

There will be a revival Oct. 23-26 at 7 p.m.

Busy days coming up at Venus Methodist Church!

This is a very busy time of the year at our little country church in Venus!

- Pumpkins will be delivered Saturday, October 15

- Cemetery Clean-Up day Saturday, October 15, at 8 a.m.

- Fall Festival Saturday, October 29, beginning at 3:30 p.m.

5th Annual Pumpkin Patch: It's been a great pumpkin growing season in New Mexico and we'll be getting lots of big, fresh, pumpkins. If you would like to help unload the truck, we would love to have you! All volunteers will be greatly appreciated! Proceeds from the pumpkin patch will go directly to our church's food pantry ministry.

The Pumpkin Patch will be open Monday-Friday from 3 p.m. till dark, on Saturday from 10 a.m. and Sunday afternoon from 12 p.m. till dark. The church is located at 962 County Road 731 in Venus. If you need directions or additional information, please call Barbara

at (863) 441-3146.

Cemetery Clean-Up Day: Saturday, October 15, from 8 a.m.-noon the Venus United Methodist Church will be sponsoring a clean-up day in the cemetery. We are asking everyone with loved ones interred there to help with the clean up. Bring your weed-eaters, push mowers, riding mowers, blowers, rakes or any other equipment you might have.

Fall Festival: Saturday, October 29, starting at 3:30 p.m. we will have games for the kids, a hayride through Venus Trick-or-Treating, a chili cook-off, story-time in Pumpkin Patch and lots more!

Please mark your calendars for all these great opportunities at the Venus Methodist Church located at 962 County Road 731. If you have any questions, please call the church at (863) 465-5043. Hope to see you in Venus soon!

ICA begins second year

International Christian Academy (K-12), 233 Clark Street, has started its second year of school in LaBelle. ICA goals are to offer the best Christian education which meets the individual child's educational needs. ICA has small numbers, allowing students to receive special attention and instruction. ICA offers a strong academic, Bible based curriculum, balanced with 21st century technology and the arts.

ICA is a ministry of International Christian Fellowship. ICA is registered with the Department of Education and in compliance to receive both the McKay scholarships and Step Up For Students scholarships. Step Up For Student scholarships have reopened their application process for the 2011-12 school year. Both of these scholarships make it possible for ICA students to receive a high quality, private school education, at little or no expense to their families. Additionally, these scholarships are a great savings to Florida taxpayers. For more information, please, contact Tracy Co, M.Ed, at (863) 675-4227 or (863) 675-1112.

FTC scholarship reopens

Great News! Step Up For Students (K-12th grade) Scholarship has reopened its applications process. This is a wonderful opportunity for many families in this community to receive a scholarship to pay or

help pay for private school. What is it? www.stepupforstudents.org says the following:

It is an initiative of the Florida Tax Credit (FTC) Scholarship Program. The innovative program provides K-12 education scholarships for qualifying low-income students who are entering kindergarten or first grade or who attended public school the previous year. The scholarships give low-income parents the opportunity to choose the K-12 school that best meets their children's needs. The scholarships cover up to a projected \$4,011 for private school tuition and books or up to \$500 in transportation costs to an out-of-district public school. The supply is limited and will be awarded in the order by which completed applications are received.

For more information, please, visit and apply at www.stepupforstudents.org or call Tracy Co, M.Ed, principal of International Christian Academy of LaBelle at (863) 675-ICA-7 (4227).

First Baptist to celebrate centennial

First Baptist Church has formed a committee to celebrate its 100th Anniversary of February 12, 2012. The 100th Anniversary Steering Committee members are: Lonnie Howard, Ron Zimmerly, Lisa Sands, Lucy Heflin, Paul Martin, Tara Sherrod, Paul Puletti, Lynda Rider, Martha Raye Humphries, Preston Long, Jr. and Pastor Frank Deerey, Jr.

The committee is asking for old pictures or newspaper clippings concerning First Baptist Church LaBelle history. If anyone has some pictures or clippings that they would share please bring them to the church office or one of the committee members so we can scan or copy these pictures or clippings. If you any questions, please give us a call at 863-675-2171.

Ed center plans future

The board of directors of the Education Center of Southwest Florida held their monthly business and biennial strategic planning meetings in September. The strategic planning meeting was facilitated by Gregg Gillman, Hendry County Economic Development director. Directors confirmed their commitment to keep the Education Center operating and build the campus on Helms Road. At the facilitator's direction the board was encouraged to enhance the existing resources and focus on the ECSWF's mission and vision.

The board reviewed those businesses and agencies and continues to build those partnerships. The first step identified by the board was the need to improve public relations and market the school's mission to the community over the next two months. The Captain Hendry Dinner, scheduled for the evening of December 1, 2011, is the main fundraiser for the ed center and provides funding for day to day operations. Local support for that event is of paramount importance.

You are encouraged to purchase a ticket and donate items for the live and silent auctions. To find out more about this and how you can support it go to educationcenterswfl.com or call 239-860-6722. Call 675-6800 to enroll in the construction, computer or the Social Media classes scheduled as needed.

Cowboys fall to Dunbar

The LaBelle Cowboys fell to district foe Dunbar 34-13 this past Friday. While playing tough for most of the game the Cowboys made too many mistakes and allowed too many big plays. The Tigers were fueled by an 84-yard scoring pass on the first play of the game and they continued to attack the Cowboys through the air en route to their win.

The Cowboys struggled with errant punt snaps and one blocked punt that gave Dunbar great field position.

Some highlights for the Cowboys were David Antunez's season long field goal (42 yards) and kick return (90 yards). Also Noel

Gutierrez intercepted an option pitch and raced 63 yards to set up Antunez's second field goal. The Cowboys' touchdown was scored by Devante Ray on an 8-yard pass from Tyler O'Ferrell after Antunez's long kick return.

The Cowboys travel to Buckingham field in Riverdale to face Gateway Charter School this Thursday at 7:30 pm. Come out and support the Cowboys.

The JV Cowboys lost to Lemon Bay at home last Thursday and are in the middle of their bye week as they prepare to return to the field October 13 at 7:00 p.m. as they take on the Clewiston Tigers at home.

LHS Boys golf team wins championship event

The LaBelle Boys Golf Team won the inaugural Hendry/Glades County Championship at Clewiston Country Club on September 27.

The team was led by Nick Wegscheid's 49, Mark Sloan and Ronnie Burton each shot 50 and the scoring was rounded out with Ander Hernandez's 53. Alton Burton and Jerrod Miller also posted a 62 and 63, respectively.

The team beat Ahfachkee 235, Clewiston 240 and Moore Haven 252. This will become an annual event and the team hopes to hold on to the title for a while.

The golf team is now 8-4 and working to get better. This year we have 12 players forming one of the biggest teams ever. Team Members are:

Varsity: Nick Wegscheid, Alton Burton, Mark Sloan, Ander Hernandez, Ronnie Burton and Jarred Miller.

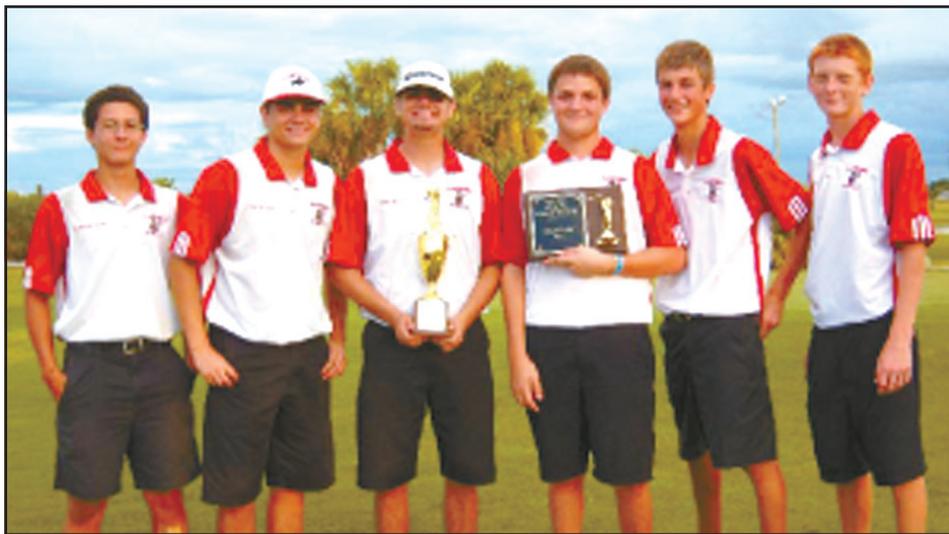

Junior Varsity: Jessie Imhoff, Brandon Herrero, Jonathon Pfriendr, Jerry Schauer, Christian Gause and Zach Alaimo.

Photographer: Kailane Hernandez.

Coaches: Jeff Burton, Scott Wegscheid and Josh McCardell.

The golf team would like to take this time to thank the management and owners of The Glades Resort and Scotty Farquharson for their continued support of our golf program.

The players would also like to thank their teachers for their understanding and cooperation with the class time they have missed.

A 'tip of the hat' to the LHS cross country team

by Steve Hein

LHS Assistant Coach Cross Country

It always fascinates spectators to see the mass of humanity being launched as the gun fires at a cross country meet. Envision if you can; the field awash in multi-color splendor as each school proudly displays their uniform colors, as runners charge out from the starting line. It is an unbelievable burst of color and a feast for the eyes as a herd of runners rumble by. This is cross country racing.

Here at LHS we have two great coaches. In fact, last year's varsity boys' team went to the Florida State Cross Country Championship under the tutelage of Head Coach Jef Frost.

That's huge LaBelle, huge, for a small school of this size to go all the way. Coach Frost is now in his 17th year of coaching and teaching at LaBelle High School. The girls team is led by Coach Jenny McClain, who herself is a tremendous runner, as one of the varsity boy runners claimed "she is a beast to run with." Coach McClain runs right alongside the varsity boys on all their long run days.

This year has shown a tremendous increase with the girls' team participation. In fact, it is up over 200 percent as the running bug has hit the girls hard. Girls went from six runners in 2010 to 20 in 2011. Coach McClain believes that the "increase in team numbers could be attributed to the team going to the state championship last year." The truth is Coach Frost has carefully created a culture of distance running at LHS. "It is a pleasure to coach all the great kids we have this year. It makes my fall season," relays Frost.

Cross country training involves a lot more than just running. Weight training, stretching, plyometrics, with core/abdominal workouts (that use a small medicine ball) are all included in Coach Frost's weekly workout regimen. Bring in the "form running," speed workouts, running the bleachers and charging up sandhills, you begin to get the picture of what cross country training is all about! Temporary soreness can be a distinct by-product from a Frost workout. New this year is also the early morning runs for the boys twice a week. Remember, by the end of cross country season the boys' varsity will have logged almost four hundred miles.

On Thursday, Sept. 21, LHS won the cross country meet at Lake Placid High School. Hats off to senior Ashley Golemme and Junior Erick Medina as our top finishers. Then again on October 1 Erick Medina finished first overall in the meet at Mariner High School with a time of 16:46. With much of the season to come things are going to get harder yet, said Coach Frost. One highlight

of the year will be LaBelle running in the Walt Disney World Invitational this month, where the competition will prove to be extremely tough with teams from around the country participating.

If you would like to experience the thrill of cross country for yourself, the 17th annual Caloosa Chase 5k Run will be held on Saturday, October 22, at 8 a.m. This is an "open" race for anyone from the community. Runners are known to come all the way from Ft. Myers to run this event. This is a fund raiser for the cross country team here at the high school and all registered runners will receive a beautiful tee-shirt!

For more information, please call the high school at 674-4120 or stop by for a registration form. So lace up, bring the kids to run (or watch!). If history is any indicator, the Caloosa Chase 5k often signals one of the very first cool mornings of the year. Let's hear it for great running weather yet to come.

Friday, Oct. 14: Teacher Work Day - No Students

FCAT Retake week is a regularly scheduled week at LaBelle High School. While some 11th & 12th graders will be taking FCAT Retake tests, all other 9th-12th grade students will be attending regularly scheduled classes. Students are required to attend all week.

Seniors who have passed the FCAT Math should not come to school on Wednesday,

Oct. 12. All 9th, 10th and 11th graders will be taking the PSAT in their first period classes on Wednesday, Oct. 12. All students who complete the PSAT test will be enrolled in a drawing to win a new \$150 iPod Nano Touch.

Attention adult FCAT retakers

Adult FCAT retakers must call LaBelle High School to sign up for the FCAT math or FCAT reading retake tests. Both tests are computer based. Test takers must be re-enrolled online and must complete a practice test the night of their test.

Adult FCAT retakes will be as follows:

Monday, Oct. 17, FCAT math, 6 p.m. UF Gator Lab

Tuesday, Oct. 18, FCAT reading, 6 p.m., UF Gator lab

Please call Jane Hatfield at LaBelle High School, 674-4120 ext. 228 with questions.

Nature Center to open early

NAPLES, Fla. (September 21, 2011) – Clarification: Please note that the planned opening for Conservancy of Southwest Florida Nature Center is now early 2012. Once we have an actual date, it will be posted on www.conservancy.org and we will notify everybody and send out a media release.

Access to various activities and features throughout the Conservancy Nature Center campus will be phased in throughout 2012, leading up to a grand re-opening tentatively scheduled for November, 2012.

Current Conservancy of Southwest Florida members will be receiving invitations for members-only "Sneak Preview" events to be scheduled on certain days in November and December, 2011 to view work in progress. Conservancy members will also be receiving information and will have first access to registering for Winter Camp. Winter Camp offers three days of eco-adventures for aspiring naturalists in grades 2-5: December 26th, 27th and 28th, 2011.

For more information about Winter Camp registration and the status of the Conservancy of Southwest Florida Nature Center opening date and hours of operation, please check back often to www.conservancy.org.

servancy.org. About the Conservancy of Southwest Florida:

The Conservancy of Southwest Florida began in 1964 when community leaders came together to defeat a proposed "Road to Nowhere" and spearheaded the acquisition and protection of Rookery Bay.

The Conservancy is a not-for-profit grassroots organization focused on the critical environmental issues of the Southwest Florida region -- water, land and wildlife. This is accomplished through the combined efforts of environmental education, science and research, policy and advocacy and wildlife rehabilitation. The Wildlife Rehabilitation Clinic treats more than 2,400 injured, sick and orphaned animals each year and releases about half back into their native habitats.

The Conservancy of Southwest Florida and Nature Center is located in Naples, Florida at 1450 Merrihue Drive, off Goodlette-Frank Road at 14th Avenue North.

For information about the Conservancy of Southwest Florida, call 239-262-0304 or www.conservancy.org.

Witches Brew

by Pudge Lehman

The holidays are fast approaching. I know this because Christmas is appearing in all the stores. I noticed this and said, I guess out loud, "Did I miss Halloween? and Thanksgiving? Nobody even noticed my outburst. I guess we're getting used to it. Anyway, I planted my usual two rows of candy corn. It never produces any candy corn bushes but every year I bravely try.

Y'all know I was born on Halloween and my first tooth looked identically like a candy corn. I truly love them.

To light candles deep in a jar use a piece of uncooked spaghetti or for a birthday cake with a lot of candles, let's say 76 or so, do the same. Otherwise you use up a whole book of matches.

To give gravy a nice deep color use left-over coffee instead of water.

Pet of the Week

October is Adopt-A-Shelter Dog Month: All dogs that have been in the shelter's care 30 days or longer prior to September 1, 2011, will have a special adoption fee of \$50 through October. We would love for you to come visit with Tia, she is a beautiful, fun loving girl. Tia does well with other dogs and children, has been spayed and is ready to join a loving family. Tia has an interesting story and we would love to share it with you, so please come to the shelter for a visit with Tia. Her adoption donation is \$50. With an approved adoption application, you can take Tia home with the following additions covered: Spayed, Rabies, DHPPC, Heartworm Test, Fecal Test, Heartworm Prevention, Deworming, Flea/Tick Prevention and a Microchip. Anyone interested in Tia or any of our other homeless pets can come to Caloosa Humane Society at 1200 Pratt Blvd. and fill out an adoption application or call 863.675.0997. You can also check out our Web site at www.caloosahumane-society.org for more information on our adoptable animals.

Thank You LaBelle Nature Park Volunteers

Eleven volunteers came to the LaBelle Nature Park on Saturday September 24 armed with tools, a mower and supplies ready to help with trail maintenance and to clean park benches. In two hours the group successfully filled a trailer with debris removed from the trails. Thanks and appreciation are extended to Hendry/LaBelle Recreation, LaBelle Rotary (Matthew Kinderman and John Capece), Intelligentsia International interns (Lutz Walter – Germany, Cedric Falcou – France, Mickael Meignant – France and Frezghi Zeresselassie – Eritrea), CRCA "Riverwatch" (Marti Daltry and David Bogert), LaBelle Kiwanis (Margaret England) and Hendry-Glades Audubon (Ann Stark and Meredith Marcum). Groups and individuals are invited join volunteers for next Trail Maintenance Days: Saturday Oct. 8, Nov. 19 and Dec. 10 from 8-10 a.m. The ten acre park located at Fraser and Hardee Street in LaBelle is open to the public during daylight hours. For information about volunteering at the Park or to schedule a guided walk call: Margaret England 863-674-0695

HENDRY COUNTY SCHOOL BOARD
Pupil Progression: Promotion/Retention

No student may be assigned to a grade level based solely on age or other factors that constitute social promotion. Florida Statute 1008.25 requires that any student who exhibits a substantial deficiency in reading, based upon locally determined or statewide assessments conducted in kindergarten, grade 1, grade 2, or grade 3 must be given intensive reading instruction immediately following the identification of the reading deficiency. The student's reading proficiency must be reassessed by locally determined assessments, or through teacher observations at the beginning of the grade following the intensive reading instruction. The student must continue to be provided with intensive reading instruction until the reading deficiency is remedied.

If a student's reading deficiency is not remedied by the end of grade 3, as demonstrated by scoring at Level 2 or higher on the statewide assessment test in reading for grade 3, the student must be retained.

The parent of any student who exhibits a substantial deficiency in reading must be notified in writing of the following:

1. That his/her child has been identified as having a substantial deficiency in reading.
2. A description of the current services that are provided to the child.
3. A description of the proposed supplemental instructional services and supports that will be provided to the child that are designed to remediate the identified area of reading deficiency.
4. That if the child's reading deficiency is not remedied by the end of grade 3, the child must be retained unless he/she is exempt from mandatory retention for good cause.
5. Strategies for parents to use in helping their child succeed in reading proficiency.
6. That the Florida Comprehensive Assessment Test (FCAT) is not the sole determinant of promotion and that additional evaluations, portfolio reviews, and assessments are available to the child to assist parents and the school district in knowing when a child is reading at or above grade level and ready for grade promotion.
7. The districts criteria and policies for mid-year promotion.
8. Each school district shall provide written notification to the parent of any student, who is retained because his/her reading deficiency is not remedied by the end of third grade, that his/her child has not met the proficiency level required for promotion, and the reasons the child is not eligible for a good cause exemption as provided by Florida law. The notification must include a description of proposed interventions and support that will be provided to the child to remediate the identified areas of reading deficiency.

Successful Progression for Retained Readers

The 2004 Legislature amended section 1008.25, Florida Statutes, to create a new paragraph (7) that provides that all students who are retained in third grade must be provided intensive interventions in reading to ameliorate the students' reading deficiency, as identified by a valid and reliable diagnostic assessment. This intensive intervention must include effective instructional strategies, participation in the school district's summer reading camp, and appropriate teaching methodologies necessary to assist those students in becoming successful readers, able to read at or above grade level, and ready for promotion to the next grade.

This section also requires each school district to establish at each school, where applicable, an Intensive Acceleration Class for retained third grade students who subsequently score at Level 1 on the reading portion of the Florida Comprehensive Assessment Test (FCAT). The focus of this class shall be to increase a child's reading level at least two grade levels in one year. The school is required to report the following:

Mid-Year Promotion

According to provisions in the Hendry County School District Pupil Progression Plan, students who were retained the previous year may be considered for mid-year promotion provided the student has demonstrated the ability to read at grade level and shows mastery of the state standards for the grade level in which he/she was retained. The student must have the skills necessary to successfully function at the grade level to which he/she is being promoted mid-year.

Good Cause Exemption from Mandatory Retention

The Hendry County School Board may only exempt students from mandatory retention for good cause as stated in Florida Statute 1008.25. According to this statute, good cause exemptions shall be limited to the following:

1. Limited English proficient students who have had less than two years of instruction in an English for Speakers of Other Languages Program.
2. Students with disabilities whose individual education plan indicates that participation in the statewide assessment program is not appropriate, consistent with the requirements of State Board of Education rule.
3. Students who demonstrate an acceptable level of performance on all alternative standardized reading assessment approved by the State Board of Education.
4. Students who demonstrate, through a student portfolio, that he/she is reading on grade level as evidenced by demonstration of mastery of the Sunshine State Standards in reading equal to at least a Level 2 performance on the FCAT.
5. Students with disabilities who participate in the FCAT, and who have an individual education plan or a Section 504 plan that reflects that the student has received the intensive remediation in reading for more than two years but still demonstrates a deficiency in reading, and was previously retained in kindergarten, grade 1, or grade 2.
6. Students who have received the intensive remediation in reading for two or more years, but still demonstrate a deficiency in reading, and who were previously retained in kindergarten, grade 1, or grade 2 for a total of two years.

The district school board must annually report to the parent of each student the progress of the student toward achieving state and district expectations for proficiency in reading, writing, science, and mathematics. Student results on each statewide assessment must be reported to the parent. The evaluation of each student's progress must be based upon the student's classroom work, observations, tests, district and state assessments, and other relevant information.

Learn about natural wonders

The Hendry-Glades Audubon is hosting a program at the Clewiston Museum on Monday, October 10, at 7 p.m. Elston Chavarria will be featured as guest speaker. Mr. Chavarria holds a degree in forestry and worked for several years doing reforestation in the northwest.

During the last 12 years he has been exploring the natural wonders of Central and South America (Mexico, Belize, Guatemala, Nicaragua, Costa Rica, Panama and Brazil), becoming very knowledgeable on the local geography, wildlife and culture of these many countries.

In 2006, Mr. Chavarria started the Aventuras Naturales (Natural Adventures) company, which focuses most of its tours in countries where eco-tourism is still in its infancy.

The philosophy of his company is simple: explore and enjoy nature, while leaving it as undisturbed as possible.

The company is proud of its "Give Back" program, which donates a portion of all trips to local, national or international environmental organizations.

Mr. Chavarria enjoys sharing his experiences and wealth of knowledge with audiences.

Tales of exotic places and beautiful wildlife makes for an informative and entertaining presentation, so make plans to come and spend an enjoyable evening at the Clewiston Museum. The Hendry Glades Audubon program and refreshments are free to the public.

Please contact Margaret England at 517-0202 or Butch Wilson at 863-983-2870, if you have questions or wish to make reservations.

Benefit for Billy Hanes

Billy is a lifelong resident of LaBelle best known for his many years cooking at the Log Cabin Bar-B-Q. He has a brain tumor and has not been able to work since January. There will be a spaghetti dinner Oct. 14 at Barron Park from 11 a.m.-2 p.m. to help with expenses - only \$6.

Tickets will be available before the dinner, which will include spaghetti with meat sauce, salad and bread. Delivery will be available for orders of more than five dinners.

Response to Shirley Dooley at 675-2915 is necessary.

Sit! Stay! Heel!

Thanks to such a positive response, Caloosa Humane Society is offering another six-week dog training program! Classes are on Mondays from 6:30-7:30 p.m. for \$100. We will offer basic obedience skills like sit, stay, heel, no jumping, etc. Advanced classes will be offered to the graduates of the Basic Training Classes. There will be separate classes for puppies and adult dogs. Proof of rabies (dogs over four months) and DHPPC vaccination are required to be in the program.

Necessary vaccinations are offered at the shelter and can be done prior to the class for only \$20 for both.

Bringing your four-legged friend will not only be fun but will be a great bonding experience for you both! We do ask that the

humans be 13 years old or older and under 18 year of age must have a parent present. Call (863)675-0997 to book your spot and get complete details.

Space is limited! So come, gain bragging rights on your well-behaved pet plus a portion of the proceeds will go to the wonderful dogs (and cats too) at Caloosa Humane Society. Thank you for your support LaBelle and see you soon!

Royal Palm nursery group supports horticulture team

The Royal Palm chapter of the Florida Nursery, Growers and Landscape Association (FNGLA) recently donated \$1,000 to support Hendry County's state winning 4-H Horticulture Identification and Judging team as the team competes in the National contest October 7-10 in San Diego, California. Comprised of Wolfgang Lynn, Andrew McAvoy, Harry Plamondon and Stephen Woosley, the team will be tested on 180 fruit and nuts, vegetables, ornamentals or flowers found in all 50 states. In addition to identifying samples, contestants must complete a

written test which will factor into their overall score.

FNGLA represents professionals across the state involved in the nursery, landscape and horticultural industry. This not-for-profit association takes a stand on behalf of members representing its motto: "In Unity There is Strength." In Southwest Florida, the Royal Palm FNGLA chapter stays involved in the community by raising funds for charitable organizations, offering scholarships and providing a common voice for the areas horticulture industry.

Florida's horticulture ("Green") industry encompasses wholesale nursery and greenhouse producers, lawn and garden supplies, landscape design, installation and maintenance services as well as retail/garden centers. Florida is a leader in the industry, second only to California in the United States. Nursery plants are one of the largest agricultural commodity groups in Florida, along

with fruits, vegetables and forest products.

The Royal Palm FNGLA chapter congratulates these young men and their coaches on their success and wishes them well in their future endeavors. To learn more about Florida Nursery, Growers and Landscape Association (FNGLA), visit: www.fn gla.org. To learn more about 4-H, visit: www.4-h.org.
