## Water rates rising

by Patty Brant  
Caloosa Belle

LaBelle water customers have a few weeks to get used to the idea of paying more for city water and sewer. The city commission held a public hearing on increasing the fixed demand commodity water rates 20 percent across the board, not including meter repairs and locks. Wastewater rates are up five percent.

The increase is aligned with the city's agreement with the USDA. The increase in rates is part of the arrangement for RUS funding to build the new reverse osmosis water plant. To ensure repayment of the loan, rate increases must eventually reach 90 percent. The city plans to increase rates incrementally over several years rather than almost double them at one time.

The resolution is set to be passed at the Nov. 10 city commission meeting.

## Smiles all around

LaBelle Chamber of Commerce President Maureen Jordan and Director Lamar Youmans, center, were all smiles at the annual chamber banquet Monday, Oct. 17. Although Citizen of the Year Meredith Marcum could not be present, Oscar Langford accepted the Business of the Year award for his dealership, Langford Ford. The award recognized many decades of generosity and service by Langford Ford and staff to the community of LaBelle.

## Legislative Delegation

Florida House Representative from District 77 Denise Grimsley, right, spoke with Hendry County Administrator Judi Kennington-Korf and Rep. Grimsley's assistant Marti Milke after the Legislative Delegation meeting last week. With term limits ending her tenure in the House, Rep. Grimsley will be running for the Florida Senate next time around.

## Voting districts evolving

by Patty Brant  
Caloosa Belle

Hendry County Board of County Commissioners has begun taking on one of its biggest and most far reaching chores - redistricting. By law, the government districts must be redrawn every ten years, after the census, to reflect changes in the population distribution. Redistricting must be completed by the end of December.

At the October 11 commission meeting, County Attorney Mark Lapp recalled a bit of county history for the board. A federal lawsuit going back to 1991 requires Hendry to set up the Harlem area as a "minority plurality." There are several such counties in Florida.

Districts are to be set up so that there is no more than a ten percent population difference between the most and least populous districts.

There are several redistricting proposals in front of the county commission, prepared by County Attorney Lapp and Supervisor of Elections Lucretia Strickland.

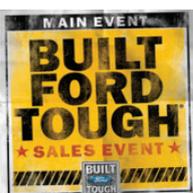

Ms. Strickland explained her choice for the best redistricting plan

She feels it's best to simply finetune two districts, straightening some jagged boundary lines between districts and making sure interior communities like Pioneer Plantation and LeDeca are represented as a whole, not divided between more than one commissioner. She said this plan ensures that the five districts are as equal as possible in population. Several districts will exchange some territory to even things out.

The board will have several opportunities to work its way through the proposals.

Ms. Strickland is to have her finetuning

complete and turned in to the commissioners by October 25. The board is planning a joint meeting with the school board Nov. 8 at 5 p.m. in Clewiston City Hall. Final adoption will be in December. The county and school districts do not have to coincide but they have been in past years for clarity and ease.

Once the redistricting is complete, the Supervisor of Elections will combine voting districts to form "super precincts." This is a cost cutting move that will reduce the number of polling places as well as the number of poll workers necessary.

The January 31 Presidential Preference vote will be held according to the current districts. The new district plan will be in place for the August 12 Primary. The General Election will be Nov. 6 of next year.

Ms. Strickland also took the opportunity to encourage residents to take advantage of early voting to avoid long lines at the polls.

## East County Rec

The board listened to allegations of "gross mismanagement" with regard to some \$60,000 in recurring expenses for the East Hendry Rec District budget.

County Administrator Judi Kennington-Korf explained that, by law, all government budgets must be balanced and provided a quick overview of the district's history.

In 2002-03 two separate MSBUs, Harlem and East County, merged into the East County Rec District. At that time, there was approximately a \$30,000 difference between their budgets.

In 2008 the BOCC provided both the

West and East Rec Districts with a \$100,000 appropriation and offered each a loan of \$100,000.

The West Rec District declined the offer; the East Rec District accepted it.

MSBUs are self funding. That is, all the assessments collected for that MSBU must be used there, for their intended purpose. However, Ms. Kennington-Korf explained that the amount of money in an assessment is not necessarily the amount you get. For instance, in years past USSC used to donate to East Rec. That doesn't happen any more.

On the negative side, East Rec residents have not all paid their entire assessment, leaving a deficit. For several years, the board has made up for these deficits in the East Rec District budget through the general fund. In 2007-08 the East Rec District logged about \$60,000 in delinquent assessments.

The county has made up for this deficit, mainly with the general fund.

Office of Management and Budget Director Jennifer Davis said the East Rec District's budget had approximately \$54,000 in delinquent taxes in 2007 and 2008 that have contributed to the overall balance.

Every year during the budget process, Ms. Kennington-Korf said the board discusses East Rec's funding issues and concerns.

The Board, Ms. Kennington-Korf and Ms. Davis are continuing their efforts to sort out the many contributing factors surrounding the East County Rec's budgetary issues.

A workshop will be held at 4 p.m. November 8th at the Clewiston City Hall.

Mayor Paul Puletti said he realizes this is a big increase, but it will give residents good water. He said the board lowered property taxes recently, anticipating this increase.

## Bike Fest

Commissioners approved the American Legion Riders' request to operate a Bike Fest for the second year. The event is planned for Saturday, Nov. 12, from 11 a.m.-5 p.m. at Barron Park. Some 1,500 bikers are expected to come to the event, with 1,000 motorcycles. Once again, beer will be available at the event along with live music and bike games.

Beer will be sold under the American Legion Post 130 permit only through the pavilion and in cups of a certain color so consumption can be monitored and contained to the park. Park Ave. will be closed from Bridge Street to Lee Street for the event.

## Urgent care center coming

The city commission approved a special exception to allow a new urgent care health facility to move in at 981 Anvil Way, off Cowboy Way.

Owner Mickey Jones said his Optimum

Rehab Systems is already in business in LaBelle and he also owns the Convenient Care Center of Lehigh. With the board's approval, Mr. Jones expects to open the new urgent care center in a few weeks.

Originally planned as an industrial park, this section already is home to the South Florida Work Force, Goodwill Job Link and Edison State College's vocational education

# COMPUTER CORNER

## Beware of electronic spikes and lulls

Welcome to another edition of Computer Corner, the place to go for valuable tips aimed at keeping your computer healthy and hopefully saving you money. Feel free to write to us at [computercorner@cprtools.net](mailto:computercorner@cprtools.net) - you might just see the answer to your question in the Caloosa Belle!

This week we'll discuss the importance of protecting your system from spikes and lulls in electricity.

We're all used to the occasional glitch in the flow of energy from the power company especially here in southwest Florida. Did you know that our computers and other electronics are very sensitive to this and need to be protected?

Power spikes, lightning strikes, gentle brown-outs or just the sudden 'everything's on' after a blackout can all do damage to a computer system.

Any piece of electronic equipment, from computers to televisions, stereo equipment, etc..., should be protected. It's easy to do and while the solution does cost a bit of money, the amount you'll spend now will be FAR less than if you had to replace the equipment being protected.

Battery backup units with surge protec-

tion are the way to go.

There are many on the market, and you should use common sense when purchasing one for your equipment. Manufacturers like APC, TrippLite, CyberPower and others, all offer these battery backup systems.

They're meant to give you a few minutes of uninterrupted power so that you can turn off the equipment when there's an outage. Most also include surge protection that can help smooth out the power flow as it reaches your equipment.

Some even come with an insurance policy for your computer!

A little research and small cost now can really help save you heartache (and cash) later.

Next week, Computer Corner will talk about operating system updates and why they're important.

# Think SCF

With a theme like Spanning Time, float builders can let their imaginations take off for the 2012 Swamp Cabbage Festival parade.

The next step for the committee is to choose the Pioneer Family and Grand Marshal. Candidates for the Pioneer Family should have supported the LaBelle community for 60-70 years. The Grand Marshal is an individual who has made great contributions to the community.

The next meeting will be Monday, Nov. 7, at 6:30 p.m. at city hall. All are welcome.

## SCF Pageant information

### Applications

#### by Matt Kindermann

According to Monster.com, submitting five applications a day will net 2-8 interviews a week; which can be thought of by saying you will get, on average, one interview for every six applications. There are several ways to improve these odds including: having a professional resume, targeting your job search, submitting a dynamic cover letter, working your contact network and returning a quality application. However, like the lottery, you won't win if you don't play; so apply, apply, apply! Whether it is an 'old fashion' paper application or a modern electronic application, the rules for submitting a quality application for employment are similar.

**Matthew Kindermann**

First, do not leave any blanks. Even that block that asks if you have ever been known by another name, write N/A or, more appropriately, write out Not Applicable. Make sure to capitalize the first word of every block and use proper pronunciation and grammar.

Have someone you trust read the entire application before you send it to double check for errors. Second, never answer "no" or "none" to questions that ask if you have a certain skill or experience. Even if you do not, give something. For instance, if an application question asks "List your arc welding experience," but you only have Tig experience, give an example of your skills such as: "Over a year of welding experience using Tig techniques to tack red iron and sheet metal on commercial projects." Do not let the lack of certain skill or experience prevent you from submitting an application. Let the employer decide if they don't want to talk to you, don't do this

for them.

Submitting a paper application has its benefits for both applicants and employers. For employers, you'll quickly be able to assess the applicants' writing, organization and direction following abilities. Having a clean looking application, with all the required documentation neatly organized, speaks of the candidates intangible qualities. Applicants also have an advantage with written applications and can make several copies, using one as a working draft for practice, and a second copy as a final product which is free from error. If you have horrible handwriting, ask someone who has fine writing skills to write the final product from your draft. If you can find a typewriter, type the final copy instead of hand writing it, but do not submit with correctional tape or fluid. If you had to use correctional tape, make a copy of the application to hide the corrections and sign the copy. A signature should never be copied!

Submit the application in the following order: cover letter, resume, application and supporting/required documentation such as transcripts, reference letters or copies of your driver's license and birth certificate if applicable. Go the extra mile by enclosing the packet in a report cover which can be purchased for less than a dollar at any office supply store. Never fold the packet, and if you have to mail it, mail it in a large envelope remembering to stamp "do not fold" on the front. Print the address on the envelope using an address label, never hand write it. Remember, from the point where the application is delivered to a hiring manager, your application is under scrutiny and is being considered against many others! If it shows that you don't care about the application, why should an employer care about reading it? For more help or for answers to any other questions, call me at 863-675-1412 or e-mail [mkindermann@swflworks.org](mailto:mkindermann@swflworks.org).

for the American people.

It is being demonstrated throughout the country that there is greater wealth inequality today than there has ever been before.

Ninety-five percent of all the wealth is owned by only one percent of our population. I felt proud that for the last seventy-five years that our economy has functioned very well with a balance of both capitalism and socialism; an untold truth.

Most of us have been totally in favor of having private property, but at the same time having public schools, libraries, roads, police, military, Social Security; etc.

Today there is no fair and equal balance in the inter-operation of the two systems and our economy is on the brink of collapse.

Much of the wealth imbalance that we have is the result of wealth that was acquired through profit from investment interest that has been made by profiting on other people's labor, goods and services; this is money that is made on money itself instead of directly through profits from actual labor, goods and services. It is fictitious wealth that has nothing to do with how productive our nation is.

There is much disenchantment and unrest in our society, many people are suffering in ways that we previously thought unimaginable.

Hopefully we will be able to pull through our present difficulties in a unified and peaceful manner. One of the Republican candidates for president has essentially said, "If you don't have a job, then it's your fault."

But another point of view presented is a polar opposite.

President Obama is not able to do by himself what Congress and America will not do.

**James Thatcher**

### Kudos to Mr. Darrell Bair, reference "Bring Lawmaking back to the citizens" published 10-6-2011

I agree totally with your correct observation about some of our government leaders. They act like the boys up on the Beltway, the voters and tax payers don't want more spending but it goes to deaf ears.

The County has been chopping ben-

efits, lowering salaries and all kinds of other negative issues on its workers and crying poor mouth. Now they buy a building for \$595,000 and it comes off the tax roll so we lose \$20,000 plus per year in taxes.

This money came out of the disaster fund, guess the powers to be decided that there will be no disasters allowed in Hendry County, 'cause we done spent da money!

They had ten years to get on board with the 800 MHz system, but waited till recently to decide what to do, so the money that was there years ago, was spent on more important things, and now in the worst economic crisis they find money (\$287,000) or take it from other needed places to accomplish what should have been done years ago.

These people are bordering on the genius status.

Now they have so much money they give Clewiston \$50,000 for the Clewiston East rec District, with the orders "to fix your finances by next year."

Are you kidding me? Hendry County government is telling another agency to fix something, especially money matters. Really! I guess my math is off.

The County says buying the old Alico building is saving \$300,000 a year. Well that might be true in year three, since the first two years savings of \$300,000 each will just cover the cost of the Alico building, (\$595,000) not including the lost taxes, and not including any disaster that might happen in the next year. Guess that's "new math the government way," and with this crew in charge who knows what they'll buy with all that \$300,000 saving each year.

You can bet the farm it will not go into any saving account for the future. As soon as the new Ball Park, Pool, Play area and Golf course on Forrey Drive are done, the economic crisis will be over.

People will be standing in line to play golf and hang around LaBelle. I assume that the Davis Pratt Community Ball Park off Cowboy Way has outlived its usefulness, and we needed to spend tax money on new things.

Oh, then there's the old we'll apply for a grant idea.

Fuel goes up, food cost goes up, Utility rates go up, property values go down, salaries are reduced or stay the same, benefits are reduced or the cost goes up but, hey, let's spend tax dollars and not worry about the small things.

### Mary Mozell Griffin

### Rund Barnett,

NAPLES, Fla. — Mary Mozell Griffin Rund Barnett, beloved companion of Ovid Barnett, passed away peacefully on Saturday, Oct. 8, 2011.

After raising their families and each losing their spouses of over 59 years in 2005, high school sweethearts, Ovid and Mozell reconnected. They were able to spend the past five years together, enjoying fishing off Marco Island, bird hunting in Tifton, Ga. and "doing lunch" anywhere from Savanna to Apalachicola, to Branson to Galveston and back, all the while enjoying every moment of their time together.

Mozell leaves three children, four grandchildren, and a great-grandchild scheduled to arrive in November. Ovid's children, grandchildren, and great-grandchildren are grateful for the difference she made in his life, she will be missed by all.

Services were held Oct. 15, 2011, in Jacksonville, Fla.

directly to our church's food pantry ministry.

The Pumpkin Patch will be open Monday-Friday from 3 p.m. till dark, on Saturday from 10 a.m. and Sunday afternoon from 12 p.m. till dark. The church is located at 962 County Road 731 in Venus. If you need directions or additional information, please call Barbara at (863) 441-3146.

Cemetery Clean-Up Day: Saturday, October 15, from 8 a.m.-noon the Venus United Methodist Church. Bring your weed-eaters, push mowers, riding mowers, blowers, rakes or any other equipment you might have.

Fall Festival: Saturday, October 29, starting at 3:30 p.m. we will have games for the kids, a hayride through Venus Trick-or-Treating, a

chili cook-off, story-time in Pumpkin Patch and lots more! If you have any questions, please call the church at (863) 465-5043. Hope to see you in Venus soon!

### ICA begins second year

## Two LHS seniors earn National Merit recognition

LaBelle High School Principal Lucinda E. Kelley has announced that Andrew McAvoy and Conor Coderre have been recognized in the 2012 National Merit Scholarship Program. A Letter of Commendation from the school and National Merit Scholarship Corporation (NMSC), which conducts the program, will be presented by the principal to these scholastically talented seniors.

About 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Although they will not continue in the 2012 competition for National Merit Scholarships, Commended Students placed among the top five percent of more than 1.5 million students who entered the 2012 competition by taking the 2010 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®).

"The young men and women being named Commended Students have demonstrated outstanding potential for academic success," commented a spokesperson for NMSC. "These students represent a valuable national resource; recognizing their accomplishments, as well as the key role their schools play in their academic development, is vital to the advancement of educational excellence in our nation. We hope that this recognition will help broaden their educational opportunities and encourage them as they continue their pursuit of academic success."

# Cowboys continue to tough out the season

by Jordan Odaffer

The Tornadoes of Sarasota Booker High School defeated the Cowboys 30-0. While the Cowboys hung tough for most of the first half, the Tornadoes took a 12-0 lead into halftime.

To start the second half the Tornadoes scored another 12 points in two minutes and finished the scoring with their fifth touchdown in the third quarter.

The Tornadoes improved their record to 2-1 in district play while the Cowboys fell to 1-3 in district play. Booker will play Avon Park this week and the Cowboys will utilize

their bye week to reload for the rest of the season.

## JV improves

The JV Cowboys showed marked improvement in their second game with the Clewiston Tigers.

While the Cowboys played much more competitively this time around, they still fell 19-7.

They will travel to Avon Park this Thursday kickoff is scheduled for 7 p.m. Go Cowboys!

# Youth athletics: Build a Field of Dreams

Imagine a stunning sports complex where the youth of LaBelle could unite to build teamwork skills, sportsmanship and respect for teammates through various athletics.

This is the hope of LaBelle Youth Athletics (LYA), Incorporated, an organization comprised of many business and community members devoted to providing these opportunities through facilities for our local youth.

The project began in November 2006 with the formation of the LYA organization.

The group consists of many local businesses, volunteers and community members who may not have children involved, but do have a heart set on providing safe and enjoyable recreational facilities for all of our children.

Baseball, basketball, football, soccer and softball fields are included in the plans for the sports complex.

Countless hours were spent in planning and preparing for the site. Once the non-profit organization was established, plans were submitted and donations sought.

A site was approved, and the Forrey Road property became the new home of the complex.

As planning commenced, the complex began to take shape in 2010. Federal and state grant money continues to support the stages of growth for the complex. However, these weren't the only contributors to the site.

Special recognition for the project is deserved by many of our very own community members. Financial contributors include: A. Duda & Sons, The Liquid Plant, Lazy H Baits and U. S. Sugar Corporation. Jobco,

Chad Mudge Hedging & Mulching; Cooper Hauling; Barraco and Associates; Boy, Miller, Kisherm and Perry; Paul Inc.; and Lou Marrotti donated volunteer hours and work efforts.

In addition, LaBelle High School computer class students Angel Luna and Miguel Rodriguez have given their time to maintain the organization's Web site.

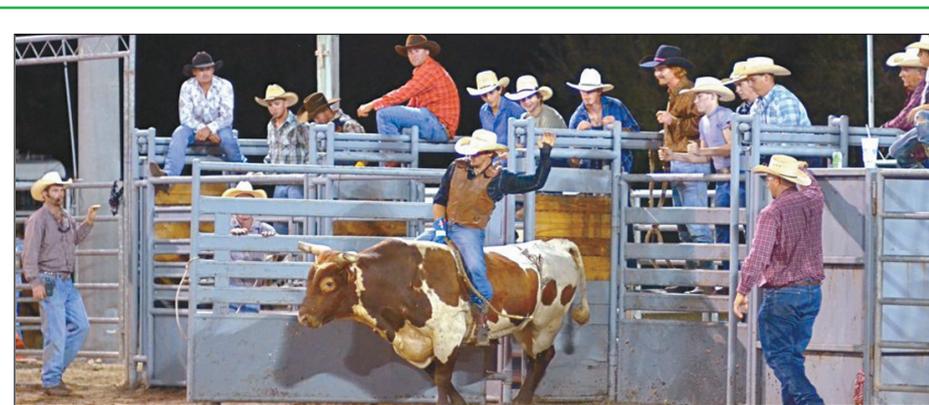

"We were fortunate enough to gain a great deal of grants, donations and volunteers in the initial stages of planning," said Ricky Bass, (President, LYA).

"However, we still require further contributions to make this dream a reality for our children of Hendry County. The City of LaBelle, Hendry County Commission and Hendry-LaBelle Recreations Department have helped a great deal with their support of the complex from the beginning."

Community members interested in making this dream a reality are necessary to complete this centerpiece for our community. Individuals interested in the "Brick Fund Raising Project" listed on Web site below can purchase an engraved brick for \$100 with family name to be placed at entrance of complex.

An additional \$2 million will be required to build the additional phases of the project. Those willing can contact Ricky Bass at 863.673.1940.

More information about the complex can be found at [www.labelleyouthathletics.com](http://www.labelleyouthathletics.com).

## Rodeo fun!

Things got mighty exciting at the Gathering of Christian Men open rodeo. Experienced cowboys and cowngirls from all around came out to test their saddle bronc riding, barrel racing, calf roping, break away roping, team roping, bareback bronc riding and bull riding skills. It all happened at the LaBelle Rodeo Grounds on SR 29S.

# Homecoming Week at LHS is approaching!

Homecoming Week begins on Monday, October 31, and ends with our annual Homecoming Dance on Saturday, November 5. Each day at LHS will be special with theme days, trivia contests and nighttime events. Halloween Monday is Costume Day. It should be a "spooktacular" day as students and faculty are invited to dress up in their favorite costume. Ghosts and witches should be out early on this day. Remember, though, no attached masks as we want to see who you really are! Tuesday is Pajama Day. Wear your favorite, but school appropriate, bedtime apparel. Slippers are fine but let's leave the pillows at home! Wednesday is the always popular Sports Day. Wear your favorite team's clothing and support your favorite team. Rivalries will be front and center today! On Thursday, we are introducing a new theme day at LHS. We are calling it Rubix Cube Day. The colors of the cube will be visible today as Seniors dress in blue, Juniors dress in Green, Sophomores dress in Yellow and Freshmen dress in Orange. Friday is traditionally Spirit Day and time to show your Cowboy pride. Proudly wear the red and white. There will be a pep rally in the afternoon in the gym with a chance for each class to show which class has the most school spirit.

This is just the beginning, though, as we have a lot more planned for Homecoming Week. Tuesday is a big sports day as the annual Boys VolleyBall and Girls PowderPuff football games are played. Bragging rights for the entire year are at stake in these events. Beginning at 4:30 p.m. in the LHS gym, the Freshman boys take on the Sophomore boys. Who has the best team? The boys must win two out of three games to prove who is best. Come and find out for yourself for the low price of a \$2 admission fee. Be sure to stick around for the second set of games as the Senior boys take on the Junior boys. Starting time is approximately 5:15. These young men have met for the last two years, and this is the last chance for the Seniors. Who are the big dogs and who should have stayed on the porch? You are guaranteed at least four fun filled games and maybe six. Plus, if time allows, there will be a championship round to determine the best Boys VolleyBall team at LHS in 2011.

Following the conclusion of the last VolleyBall game there is the extremely popular Girls PowderPuff football game. Game time is approximately 6 p.m. and will be played on the LHS football field. The girls check their manners at the gate and come in ready to play hard. The action begins with the Freshmen girls taking on the Sophomore girls. The girls in class of 2015 get to play in the games for the first time ever instead of just watching from the stands. Are they too much for the Sophomores? You can find out for another small admission fee of \$2. The final game of the night features the Junior girls and the Senior girls. How hungry for victory are the Seniors in their last game? Are the Junior girls ready? Will there be a championship round? So many questions and they will all be answered on this fun-filled evening. Vendors will be selling hot dogs, Frito pies, drinks, baked goods and much more. Fun and food for the whole family! Friday will also be a very enjoyable part of

## The 2011 Homecoming Court of LaBelle High School.

Homecoming Week. During all lunches, we will have Karaoke in the cafeteria. Time to quit singing in the shower and show everyone what you can do! This is a fourth year we have provided this entertainment for the students and it is always a lot of fun. At 4:00 there will be the annual Homecoming Parade down Main Street and into Barron Park. There will be class floats, Homecoming Court members, an honored alumnus, and a few surprises. Come and join in the fun! At 7:30 the annual Homecoming football game will begin against arch rival Clewiston High School. Halftime will feature the introduction of the Homecoming Court and the crowning of the King and Queen. This is sure to be a

very special night.

Homecoming Week concludes Saturday night with the Homecoming Dance. Members of Student Government will transform the LaBelle High School cafeteria into the sweetest place on Earth. This year's theme is "Candy Land." It is a semiformal event and tickets go on sale October 26. Be sure to buy them before the Dance for the low price of just \$15. each. Tickets will be available at the door on the night of the event, but the price goes up to \$25 each. The dance is open to all current students at LaBelle High School. Contact Mr. Greenleaf at 674-4120 for more information.

## The curtain goes up!

Murder and suspicion prevail as the Firehouse Community Theatre is please to open their 19th season with "Death and Taxes" by Pat Cook, on Friday, October 28, at 7 p.m. Death and Taxes is presented by special arrangements with Dramatic Publishing. The weekly town council meeting at Hendricks High School turns out to be an inquest into the death of the local IRS agent. Was it the sheriff? The council secretary? Or the mayor? This show is certain to keep you guessing until the end. Solving the mystery are Jim Bishop, David J. Johnson, Tina Kirby, Cate Moon, Jeffrey Schmidt, Michael Shough, Lori M. Shula, Deana Shuler and Julie Craichy Wilkins under the direction of Joel Hawkins. Show times are October 28, 29, November 4 and 5 at 7 p.m. and October 30 and November 6 at 2 p.m. Tickets are \$12 in advance or \$14 at the door. To order tickets, please call our ticket hotline at (863)675-3066 or email us at [info@firehousecommunitytheatre.com](mailto:info@firehousecommunitytheatre.com). The Firehouse Community Theatre is located at 241 North Bridge Street in LaBelle in the old LaBelle firehouse. Additional information about our theatre is at [www.firehousecommunitytheatre.com](http://www.firehousecommunitytheatre.com).

## Pet of the Week

Please come over and visit with sweet Della. She is a Domestic Medium Hair/Mix. Della is three months old and would love to have a family to call her own. She does well with all the other kittens in the kitten room and is just a fun loving little girl! We have many loving homeless pets in need of a forever home. With an approved adoption application and a \$75 adoption donation, you can take Della home with the following additions covered: Spayed, Rabies (four months of age), FVRCP vaccine, Heartworm/Feline Leukemia Test/FIV Test, Fecal Test, Deworming, Flea and Tick Prevention, and a Microchip. Anyone interested in Della or any of our other homeless pets can come to Caloosa Humane Society at 1200 Pratt Blvd. and fill out an adoption application or call 863.675.0997. You can also check out our Web site at [www.caloosahumane-society.org](http://www.caloosahumane-society.org) for more information. Thank you for your interest in our animals.

Kids, school bus safety - Know the Danger Zones

The week of October 17-21 is recognized as National School Bus Safety Week. This year's theme, "Be Aware-Know the Danger Zone," reminds students to be cautious any time they must cross the street. Students need to cross where they can be seen by the school bus driver and they also need to watch for traffic. The greatest risk to our

children is when they are outside the school bus. Student injuries and fatalities can occur as a result of motorists who attempt to pass a stopped school bus.

"The school bus is a natural extension of the classroom and Hendry County school bus drivers frequently remind students how to ride and wait safely for buses." Parents

can help by regularly reinforcing the safety message. Hendry County school bus drivers safely transport over 4,700 students each day for a total of over 900,000 miles a year. We are very proud of their professionalism and remarkable efforts to transport our students every day.

Motorists approaching a stopped school bus from either direction are required to stop 300 feet from the bus while students are boarding or exiting. Bus drivers will activate yellow warning lights prior to the stop to warn traffic, and will display red flashing lights and a stop sign while the bus is stopped. Motorists should be especially vigilant around any stopped school bus-with or without flashing lights. If a school bus is stopped on a road divided into four or more lanes, only the traffic driving in the same direction as the bus must stop.

"While school buses remain the safest mode of travel on the nation's highways, school bus crashes do occur. With the cooperation of motorists, parents, and children, we can all help make the school bus ride to and from school as safe as possible for our children, and make this a safe school year in Hendry County. We appreciate the dedicated drivers, bus attendants and our transportation maintenance personnel."

School Briefs

New date for PSAT at LHS

The PSAT test will be given to all 9th, 10th & 11th graders at LaBelle High School on Wednesday, October 26. Each year, more than 3.5 million high school juniors, sophomores, and younger students take the PSAT/NMSQT to:

- Prepare for the SAT
• Enter competitions for scholarships
• Receive information from colleges
• Begin college and career planning
• Help assess academic skills necessary for college-level work

The original PSAT date was October 12, but the power outage at LHS disrupted testing. We are fortunate to have been granted a retake testing date next Wednesday, October 26, is a regular school day for 9th-11th graders. Students will report to 4th & 5th period after the PSAT test. Seniors will not report to school on October 26.

LHS students who take the PSAT on October 26 are eligible to win a new IPOD Nano Touch and iTunes card. Also, first period classrooms with perfect attendance for the PSAT will be eligible to win a pizza party for their class.

For more information about the PSAT call Jane Hatfield at (863) 674-4120, ext. 228.

### Firehouse ramps up activity

The Firehouse Community Theater is set and ready to begin its 19th season with "Death and Taxes" by Pat Cook October 28, 29, 30 and November 4, 5, 6. Directed by Joel Hawkins. Murder, mischief and suspicion take over a small town where everybody knows everybody—or do they?

Join us for this comedy/mystery that includes audience participation!

Now the group is looking toward its Christmas show "The Christmas Toyshop," December 2, 3, 4, and December 9, 10, 11. This original fantasy will appeal to the entire family with the enchantment and excitement of Christmas. Christmas musical selections will be performed by the Firehouse Singers under the direction of Nick Fidanza.

Auditions for "Arsenic and Old Lace" will be Saturday, November 12, at 3 p.m. and Monday, November 14, at 6 p.m. at the Theatre.

Productions are Friday and Saturday nights at 7 p.m. and Sunday at 2 p.m. Tickets are \$14 at the door or \$12 if prepaid in advance. Call today to reserve your seat! Unused tickets are not eligible for a refund.

If you have any questions, please call the Box Office at (863) 675-3066 or email us at [info@firehousecommunitytheatre.com](mailto:info@firehousecommunitytheatre.com).

### VFW annual steak dinner

### Please spay or neuter pets!

Caloosa Humane Society has announced new dates for its low-cost spay/neuter clinic: November 4, 11 and 18, please call today to make an appointment to have your pet spayed or neutered. CHS also offers a low-cost vaccination clinic on these same dates from 10 a.m.-2 p.m. on a walk-in basis. Caloosa Humane Society is pleased to announce that Heartgard is currently available at the shelter. Heartworm disease is a serious illness that can rob your dog of its health and its life. Heartgard can protect your pet from this deadly disease so please call CHS for more information at 863.675.0997. [www.caloosahumanesociety.org](http://www.caloosahumanesociety.org)

### Sit! Stay! Heel!

Thanks to such a positive response, Caloosa Humane Society is offering another six-week dog training program! Classes are on Mondays from 6:30-7:30 p.m. for \$100. We will offer basic obedience skills like sit, stay, heal, no jumping, etc. Advanced classes will be offered to the graduates of the Basic Training Classes. There will be separate classes for puppies and adult dogs. Proof of rabies (dogs over four months) and DHPPC vaccination are required to be in the program. Necessary vaccinations are offered at the shelter and can be done prior to the class for only \$20 for both. Bringing your four-legged friend will not only be fun but will be a great bonding experience for you both! We do ask that the humans be 13 years old

or older and under 18 year of age must have a parent present. Call (863)675-0997 to book your spot and get complete details. Space is limited! So come, gain bragging rights on your well-behaved pet plus a portion of the proceeds will go to the wonderful dogs (and cats too) at Caloosa Humane Society. Thank you for your support!
