LHS student qualifies for Florida State Band Competition

On February 4, Cody Suchomski went to Lehigh Senior High School to perform in District Solo and Ensemble. He performed a solo of Grade 5 difficulty, for a judge who then works with him on elements of his playing and gives him a rating. Cody received a Superior Rating and has now qualified for State Solo and Ensemble because of the difficulty of his piece. He will travel to Broward Community College on March 30, where he will perform his solo again for State Solo and Ensemble. It is a great achievement and he is the only student who participated in solo and ensemble who qualified for State.

Juveniles charged in jewel theft

Four people, including two juveniles, were arrested Feb. 17 and charged in connection with the theft of jewelry valued at \$2,800. Stolen pieces included a snake chain, cancer charm, ruby and diamond, pearl ring, wedding ring, ying and yang ring, tennis bracelet and a silver charm with diamonds.

According to the sheriff's report, the jewelry was left in a handbag on a table outside a residence at 660 Comanche St. The victim had asked two juveniles to help her round up chickens in her yard about 7 p.m. Feb. 16. She stated she had left the handbag containing the jewelry on a table under her carport.

Checking it the next day, she realized the jewelry was missing.

A witness said she saw Paula Ferrer and Johnathan Cavazos leaving Capital Pawn Shop the next morning. A hold was placed on items at the pawn shop matching the description of the missing jewelry.

Johnathan Lyn Cavazos, 20, and Paula Elizabeth Ferrer, 28, were both charged with dealing in stolen property.

Two juveniles, Allen Scott Ferrer, 12, and Tyler Ferrer, 9, were arrested and charged with grand theft \$300-\$5,000 and dealing in stolen property.

Photo catches crime in progress

Quick thinking by a citizen with a ready camera helped deputies find suspected of stealing a storm cover grate off a drainage box in the area of Palm Ave. and CR 78 on Feb. 13.

Resident Waddy Thompson snapped photos of a man and a woman attempting to load stormcover grates into the back of a brown van. The photos also showed the van's tag, which was used to identify the vehicle's owner. The vehicle was located at Asheley and Son's Scrap Yard.

Yesenia Montalvo, 20, and Antonio Arenivar, 20, were both arrested and charged with grand theft \$300-\$5,000 by Deputy H. Bledsoe. The report states that Arenivar admitted taking the grates, saying he lost his job and

needed money to buy milk and pampers for his baby.

The grates were identified as belonging to Hendry County Road and Bridge.

Blood drive March 8

The LaBelle Community Blood Drive was January 12 at American Legion Post 130 and had a very good turnout. The next drive will be March 8 at the post from noon till 6 p.m.

January's workers included Ida May Wragg, Ann Schall, Mary Bartoshuck, Barbara Cochran and Diane Davis. The food was prepared by Bill Davis and cake provided by Mary Bartoshuck. Thanks to all donors.

Public health: What does it mean to you?

by **Pat Dobbins**

Public Health means your health. Most people don't understand what public health is or how it impacts their daily lives.

By definition, Public Health is the science and practice of protecting and improving the health of a community, as by preventative medicine, health education, control of communicable diseases, application of sanitary measures and monitoring of environmental hazards.

Many people think of the Public Health

Patricia Dobbins

Department when they need to get immunizations for their children and family, but public health is a field geared toward serving others.

Public health professionals serve local, national, and international communities. They are leaders who meet the many exciting challenges in protecting the public's health today and in the future.

The Centers for Disease Control and Prevention named the ten greatest public health achievements of the 20th century.

Ten Great Public Health Achievements -- United States, 1900-1999

- Vaccination. Eradicates life threatening diseases such as smallpox and polio
- Motor-vehicle safety. Reduces death

and disability due to unintentional injuries through the formulation of policies designed to protect the safety of the public, such as seat belt and worker safety laws

- Safer workplaces and prevents pollution of our air and land through enforcement of regulatory controls and management of hazardous wastes

- Control and prevention of infectious diseases (Measles, HIV/AIDS, tuberculosis, etc.)

- Decline in deaths from coronary heart disease and stroke. Promotes healthy lifestyles to prevent chronic diseases such as cancer, heart disease, and diabetes

- Safer and healthier foods.
- Healthier mothers and babies
- Family planning. Educates populations at risk to reduce sexually transmitted diseases, teen pregnancy and infant mortality
- Fluoridation of drinking water and as-

ures our drinking and recreational waters are safe

- Recognition of tobacco use as a health hazard

Seatbelt laws, flu vaccines and fluoride in our drinking water are all achievements of public health.

Public health debates are in the news everyday, whether it be the latest outbreak of swine flu or the eradication of trans-fats from entire cities.

The vision of the Florida Department of Health is to "Promote, protect, and improve the health of all people in Florida" and their mission is "A healthier future for the people of Florida."

Stop and think about what Public Health has done for you and the possibilities of what it can do for you in the future.

Career Corner

W-2 Woes

by **Matt Kindermann**

January 31st was the employer deadline for mailing 2010 W-2's as set by the IRS. If you have not yet received a W-2, don't get too worried yet. You still have until April 17 to file your return or file for an extension. Typically, the deadline for federal tax returns is April 15.

However, this year the 15th falls on a Sunday and the 16th is Emancipation Day in Washington D.C., so everyone gets two extra days to file.

If you have not yet received a W-2, the first step is to contact the employer. Because some employers have gone out of business, or relocated, start with calling the phone numbers you have, use the phone book or look up the employer on www.YellowPages.com.

Other sites that have business listings are the Better Business Bureau at www.bbb.org and www.freeerisa.com. If you are able to get in touch with the employer, be patient and allow a reasonable amount of processing time to receive a W-2 in the

Matt Kindermann

mail.

If you still have not received your W-2's, or cannot locate a defunct employer, call the IRS at 1-800-829-1040 and be prepared to give your name, address, phone number, dates of employment and an estimate of your wages for the period missing. The estimated wages are important as we will discuss later.

The IRS will instruct you to fill out a Form 4852, which can be found at www.irs.gov/pub/irs-pdf/f4852.pdf. This form is a W-2 substitute which you will fill out and submit with your tax returns as you would a regular W-2. If using a Form 4852, your refund may take a little longer to be returned to you as your reported wages are being verified.

If you receive your W-2's after you have already submitted your Federal tax returns, you will have to file an amendment using a Form 1040X, which can be found at www.irs.gov/pub/irs-pdf/f1040x.pdf. If the reported wages on your W-2's are significantly different from what you estimated, you may find yourself either receiving the positive difference in the refund, or paying the negative difference.

For more assistance in locating employers or employment forms, find a career representative nearest you by going to www.swflworks.org and click on "Locations."

Alzheimer Association Memory Bus coming

The "Memory Bus" one of the Alzheimer Association's initiatives and it is a mobile clinic that is open to anyone who is concerned about their memory or that of a family member or friend.

The vehicle is an innovative way of bringing the issues of memory loss and dementia to the public and it has travelled county wide. It is a simple test and takes a few minutes. The idea is to detect the earliest stage of Alzheimer's. It is not only for seniors but for people of all ages. No appointments are necessary.

The memory bus will be available at the following Hendry County Health Department Locations

February 27, 2012

Time: 9:30 a.m.-2 p.m.

Hendry County Health Department
1140 Pratt Blvd, Labelle, FL 33935

February 28, 2012

Time: 9:30 a.m.-2 p.m.

Hendry County Health Department

1100 S Olympia Street, Clewiston, FL 33440

According to the Alzheimer's Association, 1 in 14 people over the age of 65 has some form of dementia and that number can increase to 1 in 6 for those over the age of 80. Early diagnosis and care for people with dementia, as well as educating those that care for them, is one of the strategic priorities for improving a person's health and wellbeing.

Memory problems can be common as people get older. Tiredness, stress, depression and certain medications can all affect memory.

The important thing is for people to seek help if they have any concerns about memory loss.

This event will allow people to talk, in confidence, with an expert. For more information, the national number is 1-800-272-3900 for Alzheimer's Association.

Obituaries

Bud (Harold) Marshall

MOORE HAVEN — Bud (Harold G.) Marshall, born March 2, 1923, in Chicago, Ill., to Harold and Emma (Dittmer) Marshall. Bud was a World War II Army veteran of Merrill's Marauders in the Asia Pacific Theater.

Upon return to the states, Bud learned carpentry and married Frances Vorel. As a contractor in the greater Aurora, Ill., area, Bud built many homes and small commercial buildings, including four houses for his growing family. Later the family moved to Seven Acres in Big Rock, Ill., where Bud pursued his dream of farming. Bud raised sheep, geese, ducks, hogs, calves, rabbits, honeybees, corn, fruits and vegetables and three children. In 1975, he built a 31-foot trimaran and took it down the Mississippi River to retire in Florida. For the last 30 some years Bud lived on his boat or nearby, enjoying nomadic freedom to go where he wanted, when he wanted. His three children—Sharon Hoerr, Steven Marshall, John Marshall—his five grandchildren, his many friends, and his dog CrackerJack survive him.

A memorial service will be noon, March 1, at

the Meadowlark RV Resort, 1880 Williams Rd SW, Moorehaven, FL 33471.

Condolences may be sent to www.brettfuneralhome.net.

In lieu of flowers, donations may be made to the Humane Society in his name www.humanesociety.org/.

Thinking about private school for your child, but can't afford it? Does your child qualify for free or reduced lunch? Great News!

Step Up For Students (K-12th grade) Scholarship may help your family to accomplish this. What is it? www.stepupforstudents.org says the following:

It is an initiative of the Florida Tax Credit (FTC) Scholarship Program.

The innovative program provides K-12 education scholarships for qualifying low-income students who are entering kindergarten or first grade OR who attended public school the previous year.

The scholarships give low-income parents the opportunity to choose the K-12 school that best meets their children's needs.

The scholarships cover up to a projected \$4,011 [2011-12] for private school tuition and books or up to \$500 in transportation costs to an out-of-district public school...the supply is limited and will be awarded in the order by which we receive completed applications. So don't delay.

Step Up For Students has begun accepting renewal applications for the 2012-13 school year.

New applicants may apply in March. International Christian Academy of LaBelle (K-12th) accepts the Step Up For Students

scholarships (www.stepupforstudents.org) and the McKay scholarship (www.floridaschoolchoice.org).

International Christian Academy is a private school meeting the needs of the individual student, by placing each child where he or she will learn, grow, be challenged and succeed. International Christian Academy is a ministry of International Christian Fellowship. It is located at 233 Clark Street. Family Eye Care sells electronic focusing prescription glasses

Family Eye Care has always been an innovator in offering the newest technology in eye care to the residents of LaBelle and surrounding areas. They are very proud to announce that they now have available Pixel Optics' revolutionary emPower! eyeglasses, the world's first electronic focusing prescription eyewear. They are the first and currently the only vision care practitioners in Hendry County to offer this new technology.

The eyeglasses feature composite lenses with a thin transparent LCD-like layer, microchips, micro-machine accelerometers and miniature rechargeable batteries. With all this they have the same weight, feel and look of your everyday high fashion eyewear designs. The eyewear cost about \$1,350 for a complete pair, which includes the frame, lenses, coatings, and all electronic components including a charger.

"We are happy to offer our patients this cutting edge vision correction option. Bifocals or the reading power in progressive lenses often interfere with daily activity. Walking up and down steps is a perfect example. Being able to turn the reading power off to reduce it is a real breakthrough," says Drs' Parrish and Youmans.

The microchip, micro-accelerometers, and miniature batteries are hidden discreetly in the temples of the frames. The transparent liquid crystal layer in each lens is able to electronically change and activate the near focus zone of the lens only when needed without making a sound or change in the appearance of the lens. Just touch the frame to adjust your view, or set it to do it automatically. emPower! offers instant, automatic vision correction for all ranges of sight, less distortion and wider fields of view compared to a traditional progressive lens. This gives you unprecedented control over you vision!

Wearers can choose to operate the eyeglasses in three different modes: manual on, automatic and manual off. emPower! is shock resistant and waterproof. One charge of the battery allows operation for two to three days of use.

Stop by the optical at Family Eye Care and let Tom, Natalie or Tracy give you a no obligation demonstration. No appointment necessary. Office hours are Monday-Friday 8:30-5:00, except Thursday 7:30-7:00. We also have hours on some Saturdays.

COMPUTER CORNER

Upgrading your System Memory

Hi and welcome to another edition of the Computer Corner, where our goal is to help you have the best possible computing experience.

Today we'll discuss memory and how increasing your system's memory can often be the best upgrade you can perform.

To begin, let's distinguish between storage and memory because it is easy to confuse the two. When we talk about memory, we're talking about RAM - Random Access Memory. The memory in your system is inserted into special slots on your computer motherboard. RAM chips are measured in megabytes or gigabytes.

When we talk about storage, we're talking about your hard drive. The hard drive is where you save documents, settings, game scores, etc... Additionally, your operating system (Windows/Mac/Linux) is also on the hard drive. Hard drive capacities are measured in gigabytes.

Getting more RAM into your system is a great way to increase performance, especially if you typically do many things at the same time when at your computer. Every time you launch a program like a word processor, spreadsheet program, internet browser etc..., the program is loaded into RAM. The more RAM you have, the more quickly programs will launch. The faster programs launch, the faster you'll be able to interact with them.

The amount of RAM your system can accommodate is dependent upon the motherboard manufacturer's specifications. If you have a name brand computer, the manufacturer's website may be able to tell you what types and how much RAM your system came with as well as how you can maximize the amount of RAM in the system.

Upgrading RAM is not difficult but it does require you to work directly with the hardware of your computer - yes, that means inside the 'box'. As always, if you have questions or are in doubt, contact a qualified computer technician.

That's it for this edition of Computer Corner. Remember - if you have questions or comments, please email computercorner@cpertools.net. Who knows? You may have your questions answered in a published article.

Bengston opens new family practice office

Nurse Practitioner Susanne Bengston wants all her patients be aware that she has just opened her new office, Bengston Family Practice, at 870 W. Hickpochee Ave. in Grandeur Oaks Town Center, Suite 1700.

Susanne has built up an enviable reputation as a nurse practitioner since 1997. Before that she was a registered nurse and started out as a paramedic in Hendry County in 1981. She received her RN from the University of the

Susanne Bengston

State of New York and her Masters in Family Nursing Practitioner from USF in Tampa.

In addition to primary care, Susanne can treat lacerations, minor burns, sprains, strains, do sutures and minor surgical procedures, and will see sick children of all ages.

Susanne is offering more services as well. She can do labs for Cleveland HeartLab, to check inflammation levels in the arteries, a main contributor to heart attacks and strokes.

She is also adding a weight loss management component to her skills. She said she is very excited about being able to offer the all natural PenTabz appetite suppressant and weight loss pill to her patients.

Patients will recognize Paulita Urbanowski at the front desk.

Their office is open Monday through Thursday 7:30 a.m.-6 p.m. and by appointment on Friday. You can call at 675-0550.

Free health care fair March 4

Sunday March 4 from 10 a.m.-4 p.m., (registration closes at 3 p.m.) Hendry Regional Medical Center will host the Hendry/Glades Community Health Fair. Since the first health fair was held in 2003, thousands of residents of Hendry, Glades and surrounding communities have benefited from the free services that are offered.

Approximately 130 medical students from Nova Southeastern University College of Osteopathic Medicine as well as students from various Allied Health Divisions will attend to provide free medical services to our residents. NSU-COM Physicians, Community Physicians and other NSU faculty will be supervising the students. In the past, these students have discovered shocking numbers of newly diagnosed cases of diabetes, high blood pressure and other medical conditions identified by the health care volunteers. Follow-up information will be provided for individuals who will need continued care.

Among the medical services offered are Anemia Screening, Tobacco Cessation, Vision, Blood Pressure, Bone Density, Mammogram Vouchers, Cholesterol Screening,

Diabetes Screening, HIV Screening and Education and much more. The Hendry Glades Health Department will be on hand to give out free safety helmets for the children.

In addition to the free medical services, vendors will have educational materials and products. Participants can find out how to apply for free medication and other valuable information. A free bounce house will be available for the children to enjoy. Our local radio station, WAFC, will do a live remote from the event. Free food will be provided for everyone who takes advantage of our free services.

Sponsors of the event are Ace Home-care, Everglades Area Health Education Center (AHEC), Florida Community Health Care Center, Hendry Regional Medical Center, Hendry Glades Health Department, Lake Okeechobee Rural Health Network (LORHN), Nova Southeastern University and WAFC Radio.

Come to Hendry Regional Medical Center, 524 W. Sagamore, Clewiston. For more information call 863-983-1123.

'Glades losing native mammals

Altamonte Springs, FL — Florida Nature Conservancy Scientist Kris Serbesoff-King called the drastic loss of common mammals in the Everglades due to Burmese pythons, reported by the Florida Academy of Sciences, "really scary" and worries about the repercussions for all wildlife and for Everglades restoration.

The Nature Conservancy not only trains responders through the Python Patrol to capture pythons in an effort to contain the spread but is also working with national partners to develop U.S. policies designed to fend off the next big invasion.

"Right now imported species are innocent until proven guilty," Serbesoff-King said. "As a nation, we need to focus on pre-importation screening -- that is to say looking at what will likely be a small number of non-native imported wildlife that could go on to be harmful to the lands and waters life depends on."

Nature Conservancy scientists for years have been working on "risk assessments" for plants and animals coming into the U.S., a series of questions that determines an import's probable impact on native species. It's already been shown with plants that accurate results are possible with little interruption to trade.

"For example, the U.S. Department of Agriculture has just started in the right direction for plants," she said. "There is no pre-screening right now for wildlife."

The Florida Academy of Sciences report, called The Effect of Burmese Pythons on the Mammals of South Florida, was released Monday.

"Prevention is critical as this report clearly shows," Serbesoff-King said. "We have to figure out what the next Burmese python could be. Unfortunately, it might already be out there."

The Nature Conservancy is a leading conservation organization working around the world to protect ecologically important lands and waters for nature and people. To date, the Conservancy and its more than one

million members have been responsible for the protection of more than 18 million acres in the United States and have helped preserve more than 117 million acres in Latin America, the Caribbean, Asia and the Pacific. Visit The Nature Conservancy on the Web at www.nature.org.

Photographer wins portrait competition

Ft. Myers portrait photographer Jay Buchanan was named Southwest Florida's 2011 Photographer of the Year! Buchanan's win in the Portrait Category comes from the Professional Photographers of Southwest Florida for top scores he's earned over three salon print competitions in 2011.

Buchanan's prized composition – one proudly dubbed Stand by Me - also scored top merits for a portrait entry at the Florida Professional Photographers state salon competition in Orlando. His score of 92 is a personal best earning Buchanan yet another prestigious state merit.

About the 4th FPP Merit Portrait "Stand By Me," he said, "This is a really big moment for me," said Buchanan. "This portrait so perfectly embodies what I call the SHE factor," says Buchanan: Simplicity, Harmony and Emotion. Jay Buchanan is a native of Ft. Myers specializing in portraits of high school seniors, families, children, business executives and pets in-studio, in-home or on location. He is the official photographer for LaBelle High School.

Jay Buchanan Photography is celebrating its 22nd year as a Ft. Myers business. He is available to capture your most beloved images and looks forward to serving you.

2012 Parade Grand Marshal is Nikki Yeager

by **Patty Brant**
Caloosa Belle

This year's SCF Grand Marshal seems to be everywhere. A quick glimpse at most community events will reveal that Nikki Yeager is not only there, but she is likely providing a very capable helping hand.

A registered nurse and active real estate broker, Nikki has an extensive background in business, having been director, dorm mom and trainer of the Texas Summer Gymnastics Camp and teacher/coach of gymnastic clinics and workshops throughout the Southwestern US. She was director and half owner of private gymnastics clubs in Texas from 1972-86. She also served as president of Gymnastics Association of Texas from 1984-85 and was installed in the Texas Gymnastics Hall of Fame in 1991.

In Florida, she turned her talents toward real estate and has been devoting many hours to civic activities. For instance, she has used her RN experience to help the elderly with their medications and helped many change their bandages as well as transported those who are alone and in need.

She has circled Aqua Isles Mobile Home Community daily, tossing newspapers from the grass or street onto porches for the elderly so they don't have to use their steps.

This special lady attributes her participation in so many activities to her high energy level. "It's what keeps me going the way I am," she explained. She continues by saying that money has never been a prime motiva-

tor for her. "I just see what needs to be done, and I do it." Nikki is a natural born organizer. Case in point – the recent American Legion Community Christmas dinner that served over 600 holiday meals on Christmas Day. Nikki organized the routes for delivering the meals and soon had things humming along.

Her favorite activities, though, are the ones where she can get her hands in the dirt. As a member and past president of the LaBelle Garden Club, Nikki has helped beautify many areas, including the City of LaBelle, Aqua Isles and Bob Mason Park. Her favorites are the bromeliads, she said, because they're so easy and so colorful. Her love of plants inspired her to plant and landscape all around the City of LaBelle. She even arranged with Ace Hardware to donate aging and excess plants for her to distribute to those who would like to have them. Bob Mason Park on the north side of the Caloosa-hatchee is a much cheerier place because of the beautification project Nikki helped with.

She even trained and became certified as an Emergency First Response Team member, again as a Registered Nurse.

A transplant from Texas, Nikki didn't take her time about jumping into LaBelle activities. She just rolled up her sleeves and got to know other folks who make good things happen. Nikki credits her mother with raising her to be independent and to understand that she "can do anything she wants to."

Mostly, for Nikki, that means putting out the effort to be of help and to encourage oth-

ers to do what they can for the community.

As an active member of American Legion Auxiliary Unit 130, Nikki helps prepare meals and routings for Christmas deliveries.

Nikki's love of children and animals inspired her participation in many Barron Park activities for children and her support for the Caloosa Humane Society for homeless and abused animals.

This newly-chosen Grand Marshal is no stranger to the Swamp Cabbage Festival, having worked at many festivals, including providing service to the Pioneer Families and Dignitaries.

In addition to her other civic activities, Nikki has been a Kiwanian, serving a term as president and as a director. She is active in all its charitable and scholarship efforts.

Her big heart has also led her to be major participant in planning the annual Relay For Life, funding research for cancer.

She has assisted with planning for the annual Chamber and other nonprofit dinners.

She has a long association and involvement with LaBelle Woman's Club and has been active with the LaBelle Heritage Museum, serving as a volunteer hostess when needed; and has been a major contributor to the Old Timers Dinners and its booklet.

Nikki has even been an active volunteer with the Firehouse Community Theatre and in the Gourmet Dining Club where she assists in scheduling the rotating gatherings.

City and county affairs have not escaped her notice and she keeps abreast of what's happening through the many meetings she

attends.

As his primary caregiver, she has even taken up the mantel for her significant other, Paul Roser, in many Rotary Club events, spaghetti dinners for schools, Nature Park cleanups, etc., as his health is failing.

The time is short, though, for Nikki to share her considerable talents with LaBelle. She and partner Paul Roser are packing up to begin a tour in a big motor coach. They plan to travel around, visiting relatives and friends they haven't seen for quite a while.

Still, they're not completely breaking their ties. They plan to keep in touch via computer and expect to visit LaBelle now as snowbirds while staying active in real estate.

It may be time for a change for Nikki and Paul, but this 2012 SCF Grand Marshal has surely left her mark on LaBelle and its residents' hearts.

Nathan's Barber Cuts open for business Man

Some men will recall the luxury of going to an old fashioned barber, others may only be familiar with it through old movies.

Nathan's Barber Cuts, located at 455 W. Hickpochee Ave, across from the Log Cabin

in the old Goodwill store, is bringing back that special feeling.

Nathan Powers is well-known as a long-time LaBelle barber. He is opening his own barber shop again, Nathan's Barber Cuts,

along with Rick Pope, combining their skills to give you a pleasurable barber experience. Nathan has 17 years experience and Rick has 13.

Nathan learned the business from his father, Frank Powers, a master barber in LaBelle for many years. In fact, he is a link back to the good old ways his dad taught him. Nathan is one of the few barbers anywhere who can still give you an impeccable flat top, freehand.

He's also proud to say that he can "fix anything," so if you have a hair disaster, go see what Nathan can do for you.

Many will recognize Rick from local shops. Nathan said Rick has superb and precise cutting skills and is a specialist in old-fashioned hot shaves with a straight razor. The shop offers \$3 off on any style cut for senior citizens.

And get this - Nathan's Barber Cuts is the only shop in town that offers shampoos.

Nathan invites old and new customers to come in for the "finest master barber cuts in the area." At Nathan's all cuts are vacuum cuts.

Nathan's Barber Cuts is open M-F 8-6, Saturday 8-3. Just come on in and take a seat - no appointment necessary.

critical after crash

A Clewiston man was transported to Raulerson Hospital February 19 after a one-car crash on SR 78 south of Banana Grove Road in Glades County.

According to Florida Highway Patrol, Larry McClennan, 46, of Clewiston was driving a 2006 Nissan SUV northbound on SR 78E when the vehicle suddenly departed the roadway. The vehicle entered the east grassy shoulder of the road and continued northeast across a service road before coming to a final rest against a group of small trees. He was transported by Glades EMS with critical injuries. Passenger Shirley McClennan, 59, was uninjured.

The FHP indicates that alcohol was not a factor in the crash and seatbelts were in use.

Rick Pope and Nathan Powers will be opening Nathan's Barber Cuts.

Edwin and Lydia O'Bannon 2012 Pioneer Family

From the early 1900s and into the 21st Century, the Edwin and Lydia O'Bannon Family has held fast to the determination and community spirit that has marked its success.

Missouri brothers Frank, Albert and Edwin had been looking for a place with a better future for their families and they found it right here. Edwin and his wife, Lydia, came to LaBelle in 1914.

It was the right place for Frank's sawmill. It was the right place for Albert's medical practice and it was the right place for Edwin to raise his family. The fourth brother, Phannon, came for a while but never took to Florida the way the others did.

A jack of all trades, Edwin worked as a farmer, grader operator, became a foreman with the State Road Dept. and for a while was a truck driver for a prison near the intersection of SR 80 and Ft. Denaud Road.

It was Edwin who left the deepest impression on his adopted town. He was elected to the school board in 1926 and appointed Town Marshal in 1930. He preached at various churches and was a longtime member of the Methodist Church. Brother Albert was known as the "praying doctor" and some of

the O'Bannon family were founders of the LaBelle Church of God.

All the O'Bannon children attended LaBelle schools and have continued their family's contributions to the community.

In 1923 Frank's son, Herbert, was an inspector in the first election held in the newly formed Hendry County.

Thelma, born in 1924 to Edwin and Lydia, graduated from LaBelle High School in 1941 and got a job at Riddle Field in Clewiston, where British cadets were trained for the war raging in Europe and the South Pacific. Her brother, Ralph, also worked at the base. Their sister, Irene, went to Georgia to work in a naval plant making ammunition. Lloyd had returned to Missouri but joined the Merchant Marines when the war started. Irene and Lloyd both eventually returned to LaBelle and remained here until their deaths. Mavis and Herbert also entered the service of their country.

Paul's sawmill was considered vital to the war effort and his wife, Oddis, opened the Courtview Restaurant catering to workers and servicemen from nearby bases. Paul was also a rancher, grew citrus and was a minister.

Frank, Phannon, Edwin and Albert O'Bannon made their future in LaBelle.

In fact, military service goes back a long way in the O'Bannon family. Presley Neville O'Bannon served in the Marines during the First Barbary War. According to Wikipedia, "During the combined operations with the U.S. Navy, he led the successful attack in the Battle of Derna on April 27, 1805, giving the Marines' Hymn its line 'to the shores of Tripoli.'" A sword presented to him by Prince Hamet Karamanli was the model for the dress sword still worn by US Marines. Three naval vessels have been named in Presley O'Bannon's honor.

Phannon was involved in building the Herbert Hoover Dike around Lake Okeechobee. He eventually returned to Missouri. Her-

bert worked for EE Goodno before going off to the war. When he returned he became Mr. Goodno's assistant supervisor. Ralph was also in the citrus business.

Many of the O'Bannon descendants still live in the LaBelle area and have contributed to the growth and well being of this community. Although some left to attend college or pursue careers, many returned to teach or open businesses.

The O'Bannon family has been a vital part of LaBelle for almost 100 years. The O'Bannon brothers came to LaBelle looking for a better life for their families. In return, they helped make LaBelle a better place for all who came after them.

From Nashville to LaBelle

Are you ready for some foot stompin' Country music? Well, dust off your dancin' boots, cuz Mississippi-based Crossin Dixon is ready to rock Barron Park this Saturday. The group has made a name for itself in only a short time playing the college and club scene across the country.

These guys burn up the roads, averaging more than 100 shows a year. They've shared the stage with numerous high profile and national touring artists. You can enjoy them this weekend then watch their careers soar!

NOTICE OF INTENT TO USE UNIFORM METHOD OF COLLECTING NON-AD VALOREM ASSESSMENTS

Hendry County, Florida (the "County") hereby provides notice, pursuant to Section 197.3632(3)(a), Florida Statutes, of its intent to use the uniform method of collecting non-ad valorem special assessments to be levied within the Seven K Estates Subdivision Municipal Services Benefit Unit, within the unincorporated area of the County, for assessments on properties for drainage purposes within that area commencing with the Fiscal Year beginning on October 1, 2012, and continuing each year until discontinued by the County. The County will consider the adoption of a resolution electing to use the uniform method of collecting such assessments authorized by Section 197.3632, Florida Statutes, at a public hearing to be held at 5:00 p.m. on February 28, 2012, in the Commission Chambers, Hendry County Courthouse, 25 E. Hickpochee Ave., LaBelle, Florida. All interested persons are invited to attend and be heard. Such resolution will state the need for the levy and will contain a legal description of the boundaries of the real property subject to the levy. Copies of the proposed form of resolution, which contains the legal description of the real property subject to the levy, are on file at the County Administration Office, 640 S. Main Street, LaBelle, Florida.

In the event any person decides to appeal any decision by the County with respect to any matter relating to the consideration of the resolution at the above-referenced public hearing, a record of the proceeding may be needed, and in such an event, such person may need to ensure that a verbatim record of the public hearing is made, which record includes the testimony and evidence on which the appeal is to be based. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the County Clerk at (863) 675-5217, seven days days prior to the date of the hearing.

Cowboys open season with win at Immokalee

The 2012 LaBelle High School baseball season got under way last week with the Cowboys defeating Immokalee 5-1, but losing to a tough Riverdale squad 10-7!

Tyler O'Ferrell

On Tuesday, Feb. 14, the Cowboys used a fine pitching performance from two juniors to shut down the Indians from Immokalee in their home

opener.

Austin Garcia went five strong innings giving up three hits, one run, while striking out five for the victory. Tyler O'Ferrell finished the final two innings with an outstanding performance, giving up only one hit and striking out four.

On Thursday, Feb. 16, the Cowboys jumped out to a quick 5-1 lead in the first inning against the Raiders from Riverdale, but watched it slip away in the late innings for their first loss of the season.

Senior Steven Sodrel took the loss on the mound, allowing six hits and only three earned runs before giving way to sophomore Jarred Miller in the fourth inning. Miller gave up six hits and only one earned in his first varsity appearance.

Austin Garcia, Tyler O'Ferrell and Steven Sodrel all had two hits apiece for the Cowboys at the plate.

Swamp Cabbage Shootout

On Feb. 25, the Hendry County Motorsports park will host the second annual Swamp Cabbage Shootout.

This year's event will again feature winged sprint cars and the awesome ground shaking power of the Buddy' Home Furnishing United Dirt late Models.

Some of the drivers that will be on hand include the defending series champion and one of the winningest late model drivers in Florida dirt track racing history from Valrico, Florida, Keith Nobsch, 2011 Series runner Up and 16-year-old sensation from West Palm Beach, Christian Augspruger, two time series champion Johnny "the Locomotive" Collins from Jacksonville and the defending national late model series champion and 2010 United Dirt Late Model challenge series champion from Middleburg, Florida, Mark "the Magic Man" Whitener.

There will be many classes of local cars

and stars in action including street stocks, pure stocks, mini stocks, sportsman, open wheel modifiers and a powder puff race for the ladies.

Also, remember to bring your kids' bicycles for the kids bike races. All ages are invited to participate and all kids will receive an award.

The race track is located 1/4 mile north of the intersection of Hwy. 80 and Hwy. 27. Gates will open at 4:00 for fans and racing action will begin at 7 p.m.

There will be a large variety of food and beverages available. Tickets can be purchased in advance at Central Mobile Homes of LaBelle, Okeechobee and Clewiston, as well as at the Barron Park in the festival.

For more information call 863-673-4325 or go to HendryCountyRacing.com or call the speedway office Saturday at 863-983-3478.

FLW's top fishermen

The FLW National Bass Tournament started its 2012 season on Lake Okeechobee Thursday-Sunday, Feb. 9-12. They started out with approximately 300 anglers and narrowed the field to the top 20 for Saturday's fishing. The final 10 fished Sunday to determine the first place prize of \$125,000. The winner was Randall Tharp from Alabama who weighed in 20 fish over the four-day tournament for a whopping 101 lbs. Former Clewiston angler Roland Martin came in 7th. Brandon McMillan and Scott Martin (Roland's son) both from Clewiston came in 3rd and 8th.

LHS Cowgirls softball one and one this week

by **Jerri Lynn Merritt**

The LHS Cowgirls softball team had a week of comebacks and missed opportunities. The first game of the week pitted the Cowgirls against the Golden Gate High Titans at Cowgirl Field. The Cowgirls fell behind early 1-0 after a triple by the Titans lead off hitter and an RBI groundout. Gennifer Raulerson then settled in and got the next

two outs to limit the damage.

The Cowgirls would bounce back in the bottom of the second with a single by Racheal Reinbott, followed by a booming double to the left field wall off the bat of Elainee Marroquin, that would score Reinbott and tie the game at 1-1. A couple of hits by the Titans and some shoddy defense by the Cowgirls would allow the Titans to retake

the lead 3-1 in the bottom of the third.

However, the Cowgirls would not quit as they held the Titans and scored a run in the fifth and three in the sixth. Big hits from several Cowgirls including Sidney Nunez, Andrea Lutkenhaus and Abbie O'Ferrell captured the lead for good at 5-3.

For their next game the Cowgirls would travel to Arcadia to take on last year's region champions and state finalist Desoto Bulldogs Thursday night.

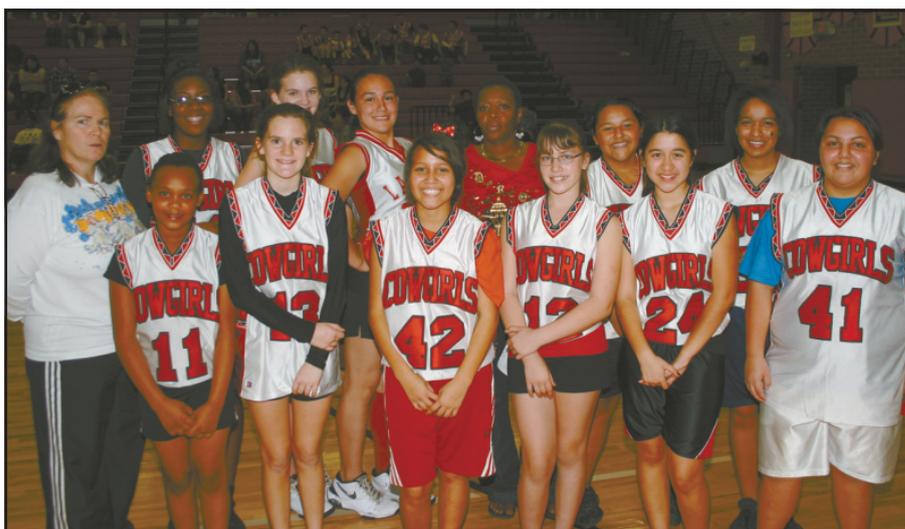

The Cowgirls jumped out to an early lead over the Bulldogs after a single to right center from Gennifer Raulerson, a walk by Beatriz Cardoza and an RBI by Racheal Reinbott.

The Bulldogs then took the lead 3-1 in the bottom of the first inning on a two-run homerun and an error. The score would stay 3-1 until the bottom of the 6th when the Bulldogs pushed across three more runs.

The Cowgirls never let up, though, and scored two more runs of their own in the top of the 7th with RBI's from Cory Taylor and Andrea Lutkenhaus.

It would not be enough as the game would end with Cowgirl runners on second and third with the final score 6-3. The Cowgirls' record is now 3-1 and they were to host Dunbar on Tuesday before traveling to Sebring on Thursday night.
