Scott: 'Show me a return, I'll get you the money'

by **Patty Brant**
Caloosa Belle

Gov. Rick Scott's visit to Roland Martin's Marina in Clewiston June 7 should have long lasting repercussions in Hendry County. The meeting was intended to show that the governor is not just focusing on coastal communities, but has a strong interest in inland areas as well. As the key to growth, economic development was the main topic of discussion.

Hendry County Economic Director Gregg Gillman was impressed with the visit. Though short, it focused on the economic needs and potential of rural Florida. Mr. Gillman said the governor is anxious for the state to become an economic destination as well as a tourism destination. Economic development is a priority, he noted, and discussion focused on how to make the area's climate better for business. Gov. Scott took questions and talked with several local representatives.

The importance of Airglades in supplying future jobs may show the most immediate promise at this time, Mr. Gillman said, but

it's only part of the equation.

"The governor wants to make deals," he said, "he is looking for a "serious" return on state funding for the state and local residents." Cities and counties must make a good case that state incentive money will produce results in the form of economic development.

Mr. Gillman said he's excited about the "awesome" things about to happen in Hendry County and believes that there is "more incentive money for Florida than ever." Funding for economic development is a priority, he added, and he wants to make sure Hendry County gets its fair share. That will happen because Hendry County has some very promising projects on the horizon and show a prospective healthy return on them.

The important projects about to take shape at Airglades will bring the county closer together, Mr. Gillman believes, and there are a number of other projects brewing in both LaBelle and Clewiston that will usher in a better economic future.

LaBelle Mayor Paul Puletti was glad he attended the meeting. He said he felt the gover-

nor is "genuinely committed" to improving employment in Florida. He said Gov. Scott explained why LaBelle did not receive fund-

ing from the Legislature this year for most of

New park exciting for pets, owners

by **Patty Brant**
Caloosa Belle

People just love their dogs. Everywhere you look people have their dogs along with them whenever they can - small dogs, large dogs and everything in between. Soon, dog owners will have their own park set aside to exercise their best friends, thanks to some forward looking LaBelle Woman's Club members and the Hendry-LaBelle Rec Department.

Sharyn Schlitter of the Woman's

Club recently turned over a \$4,000 check from the LaBelle Community Woman's Club to the Parks and Rec. Board to erect and equip a pet park on Pratt Blvd. across from the Caloosa Humane Society. The board voted to match the donation for the work that needs to be done, she said. The Woman's Club donation funds were set aside from the annual Pet Fest proceeds over the last six years. The Pet Fest gives

people and their animals a chance to have fun, show off their skills and interact with others.

The dog park facility will include a security fence with separate areas for large and small dogs. There will be water, trash bags and containers available to clean up after the dogs.

You can expect to see some obstacles and play equipment like dog slides and tunnels for the dogs as well. The city will be planting trees to help shade the animals and pavilions and benches will be available for the comfort of the humans.

Animal Control will be stopping by from time to time to make sure the rules and regulations are being observed. Rules will be posted for all to see.

Dogs will be required to have all their immunizations and tags so they can play nice with the others. Dogs must be under the control of an adult over 18 years of age at all times. Rec Director Ramiro Rodriguez said, at least in the beginning, that means all dogs will have to remain on a leash. He said that may possibly be relaxed at a later date, depending on how everything works out. He feels that pet owners may need a little time to get familiar with the way the facility will work and to make sure their animals are sufficiently socialized.

There will also be one or two holding pens so owners can use the rest room at the nearby Sports Park without leaving their pet

on its own.

Only non-aggressive, socialized animals will be allowed.

The entire complex will be maintained by Parks and Rec.

Mr. Ramiro said the two-acre area is fenced and all that really remains to be done is to set it up. Folks can expect a grand opening event quite soon.

Sharyn Schlitter of the LaBelle Woman's Club was a main force in making the park a reality. "It's great to see it finally come to fruition," she said.

Mr. Ramiro feels the dog park will be a valuable asset to the community, especially since dogs are not allowed at other Parks and Rec facilities. He added, "I think the response will be overwhelming. A lot of people are excited."

Glades candidate forum planned

The first of the summer series of forums for candidates for political office in Glades County will be hosted by the Ortona Community Association on Thursday, June 28 at 7:00 p.m.

The forum will be held at the Ortona community hall on Hwy 78A (Ortona Locks Road). Each candidate will be invited to speak for five minutes. If time allows following the presentations, questions will be taken from the audience.

All are welcome.

its projects and how to improve its chances next time around. He added that there are still funding opportunities this year through the Caloosahatchee Basin Initiative to access and the city will be taking advantage of them.

Mayor Puletti said that was the most valuable part of the meeting for him. Now they know where the city fell down in its applications. The governor is a businessman - he wants to see the return for the state's investment in local projects, the mayor added. "We're going to take his word and go after the funding." The Firehouse Culture Center was the only project the City of LaBelle received funding for this year.

Armed with this new information, Mayor Puletti said the city will mainly seek money for the proposed Sports Park. It will be easy to show its potential return through hosting tournaments, filling motel rooms etc., the mayor said.

For the State of Florida, these Florida returns will mean additional sales tax and property taxes.

"I couldn't be any more excited about his visit," the mayor admitted. He said the governor "respects" the inland's ag base and his admin business-friendly administration is looking for projects for Florida and private investment to help support.

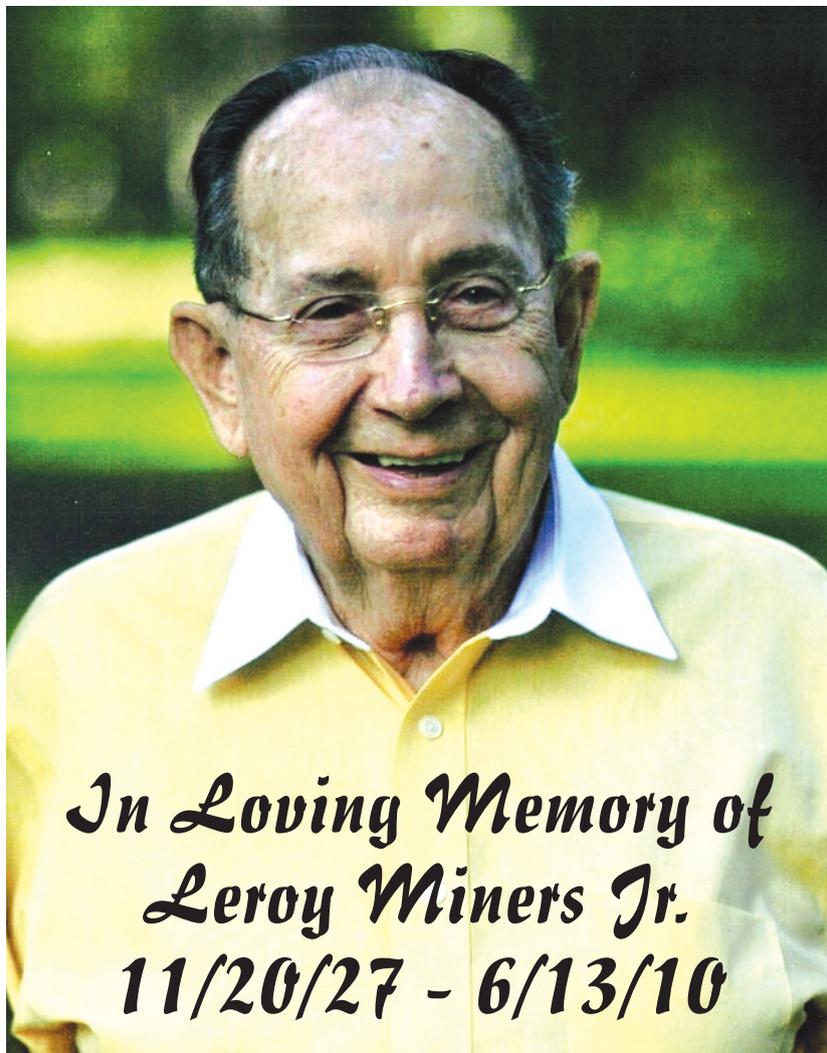

County Commission Chairman Tris Chapman is in complete agreement with both Mr.

Gillman and Mayor Puletti. Gov. Scott's visit was intended to talk about education and helping improve Florida's rural unemployment rate, saying his overall message kept coming back to jobs, jobs, jobs. This theme was well received by the 30 business and government leaders in attendance. They are well aware that while some improvement in our employment has been made, it's still Hendry county's biggest challenge.

Judi Kennington-Korf, Hendry County Administrator, asked the Governor about funding for our significant transportation needs: four lanes for SR-80 and expansion of Airglades Airport. Florida's Governor responded: "Show me a return and I will get you the money."

Commissioner Chapman reinforced the importance of improved education to promote and enhance economic development. He pointed out that a task force of community business leaders had attended the Florida Sterling conference in Orlando last week. The Governor said, "I'm supportive of the Florida Sterling process and am a long-time advocate for best practices whether it's in business, education or government. I have implemented a series of rankings that I also used in my business career and you know what? Two things always happen: First, no one likes the rankings but guess what - things always get better."

According to Mr. Gillman, the governor has a vision to change Florida from a vacation destination to a business destination "in line what what we've been working on for the past year. It's bigger than Airglades. What's good in Clewiston is good for the whole county.

REMEMBRANCE

Remembrance is a golden chain
Death tries to break, but all in vain.
To have, to love, and then to part
Is the greatest sorrow of one's heart.
The years may wipe out many things
But some they wipe out never.
Like memories of those happy times
When we were all together.

Interview Tips for Employers

by Matt Kindermann

Generally, a personal interview is scheduled for candidates after their application has been screened against the required skills, education and experience.

Matt Kindermann

Some qualities cannot be judged from a personal interview, such as customer service skills, technical skills, work ethic and dependability. However, interviews are designed to allow the potential employer an estimation of the candidate's "fit" for the position.

For positions requiring effective communication, consider scheduling telephone interviews before personal interviews.

Interview questions, whether traditional or behavioral based, should attempt to gauge the ability of the candidate to mesh with the culture of the business, including existing employees and customers, in order to facilitate productivity.

Interviewing is a skilled activity and should be conducted by managers or employees with organizational responsibility.

The more you interview the better you become, so having dedicated interviewers should improve results over time.

Interviewers should be aware of the personal prejudices that everyone has, and work to overcome those prejudices

by structuring the interview where common questions are given to each candidate so that answers may be objectively compared.

Ensure that questions are asked clearly and avoid overly simple questions that candidates may read into, or overly complicated questions.

Take notes on candidates' answers so that you remember what was actually said, not what you thought you heard or wanted to hear, and keep in mind that the candidate will be nervous.

Listening is also a skilled activity, your spouse will agree! Some questions will naturally require thought out answers, while others will require spontaneous answers.

Control the flow of the interview by allowing candidate to say all they have to say within reason.

Try to estimate a confident answer from a run-on answer, but never lead a candidate to any answer.

Stick to the time limit of the interview as candidates may have had to work in the interview around work or other appointments. Conscientious employers will thank the candidate for their time, let the candidate ask questions and advise them what will happen next and what to expect.

Top Ten Things You'll Never Hear a Dad Say

10. Well, how 'bout that?... I'm lost! Looks like we'll have to stop and ask for directions.

9. You know Pumpkin, now that you're thirteen, you'll be ready for unchaperoned car dates.

Won't that be fun?

8. I noticed that all your friends have a certain "up yours" attitude ... I like that.

7. Here's a credit card and the keys to my new car -- GO CRAZY.

6. What do you mean you wanna play football? Figure skating not good enough for you, son?

5. Your Mother and I are going away for the weekend ... you might want to consider throwing a party.

4. Well, I don't know what's wrong with your car. Probably one of those doo-hickey thingies -- you know -- that makes it run or something. Just have it towed to a mechanic and pay whatever he asks.

3. No son of mine is going to live under this roof without an earring -- now quit your belly-aching, and let's go to the mall.

2. Whaddya wanna go and get a job for? I make plenty of money for you to spend.

1. Father's Day? aahh -- don't worry about that -- it's no big deal.

Father's Day is this weekend. Are you ready?

"Ready?" you say? "Ready for what?"

One young sage reminded us all of one key difference between Mother's Day & Father's celebration when he said, "It's just like Mother's Day only you don't spend so much."

Bill Cosby, an expert of defining parental roles, wisely summed up what a new father will soon discover about being a dad. He

said, "A new father quickly learns that his child invariably comes to the bathroom at precisely the times when he's in there, as if he needed company. The only way for this father to be certain of bathroom privacy is to shave at the gas station."

While we chuckle about Father's Day, we do find it is an important truth in Scripture. In fact, it is part of the original "top ten" (AKA: the Ten Commandments.) The Fifth Commandment states clearly, Honor thy father and thy mother: that thy days may be long upon the land which the Lord thy God gives you." (Exodus 20:12) Jesus repeated this when in Matthew 19:19 he quoted the fifth commandment. Solomon, writer of three books in the Old Testament, issued this advise: "A wise son makes a glad father." -- Proverbs 10:1

Kid Rock, the musician who is a long way from Biblical affirmation, seems to have had a "wake up" call recently. He said, "Being a father helps me be more responsible... you see more things than you've ever seen."

Being a dad is a serious responsibility. While it is nice to have Bill Cosby's remarks and Kid Rock's thoughts, let's not get too far from what God Himself declares it is a powerful accountability.

If you are a father, let me encourage you to meet your unique role with passion. Often the way your children relate to you will be how they will perceive God Himself.

Rise to the occasion, Dad. While you are worthy of the respect as a father, likewise respect is to be earned, over and over again.

Dr. Les Morgan is pastor of Caloosa Baptist Church in LaBelle, across the street from City Hall on Highway 80.

Speak Out

Postal Service Blues

Over the weekend I went to the post office for a family member. I was appalled that there is no vending machine for stamps!

I told my family member that this is not acceptable. She could easily get her mail delivered at home for free!

I also instructed this family member to close her POB account in protest! Every year service gets more expensive and the Post Office gives less bang for your buck! Most

of your bills, banking and shopping can be done online!

The U.S. Postal Service has not kept up with the times and they find more and more excuses to give us less value for the money we spend on them.

I ask that 49 other people close their POB accounts in protest for them removing the stamp vending machine.

Perhaps this may get their attention, that we will not be ignored and get the service we deserve!

Sign up for Vote by Mail no long lines Election Day

With Hendry County consolidating its twenty-three precincts into ten, there is even more reason for Hendry County voters to sign up for Vote By Mail.

Precinct 1 in Clewiston already has over 3,000 registered voters, and LaBelle's Precincts 2 and 3 are fast approaching that number.

The wait in line to vote will become longer and longer depending on the number of candidates and issues on the ballot, particularly in those hotly contested elections.

The advantages of signing up to Vote By Mail already include saving gas since there will be no driving to a polling place that could be miles out of the way.

You can add to that the convenience of not having to hunt for a parking spot once you get there.

Voting at home means the voter can leisurely sit at the kitchen table and go over the ballot without feeling rushed or use a computer to research issues and candidates with the ballot in hand if there are unanswered questions.

Remember, the voter does not have to rush to the polls after a long day at work to make certain he is in line by the time the polls close.

Vote By Mail means never having to miss

an election, the voter will get a ballot weeks before Election Day.

If the voter decides to actually go to Early Voting or to vote on Election Day, all that needs to be done is take the mail ballot to the polls and surrender it with no questions asked.

Vote By Mail means no questions asked about your name, address, or having the proper photo ID.

However, if your handwriting has changed for any reason it is always a good idea to re-register to have a current signature on file since signatures are checked.

Those annoying political campaign phone calls will stop within a day or two of the Vote By Mail ballot being received at the Elections Office.

There is no better way to make certain your vote is counted than Vote By Mail.

All Hendry County voters need to do is call the Elections Office 863-675- 5230 in LaBelle or 863-983-1592 from Clewiston,.

Tell whoever answers they want to sign up for Vote By Mail, and then just answer a few simple questions.

NOTICE OF PUBLIC HEARING ON COMPREHENSIVE PLAN AMENDMENT

The Hendry County Board of County Commissioners proposes to adopt the following by ordinance. Public hearing on the ordinance will be held by the Hendry County Board of County Commissioners on **June 26, 2012, at 5:05 p.m.**, at the Hendry County Courthouse, Commission Chambers, 25 E. Hickpochee Ave, LaBelle, Florida.

The purpose of the hearing is to consider adoption of remedial amendments to the Future Land Use Element Text and Maps and the Traffic Circulation Element of the Hendry County Comprehensive Plan, in accordance with a previously approved Stipulated Settlement Agreement pertaining to the County's Evaluation and Appraisal Report.

ORDINANCE 2012-_____

AN ORDINANCE OF HENDRY COUNTY, FLORIDA AMENDING THE HENDRY COUNTY COMPREHENSIVE PLAN, ORDINANCE 91-05, AS AMENDED, BY SPECIFICALLY AMENDING THE TEXT AND MAPS IN THE TRAFFIC CIRCULATION ELEMENT AND THE FLD COMMUNITY OVERLAY AND TRANSITION LAND USE CATEGORIES (INCLUDING CHANGING DESIGNATION FROM TRANSITION TO MULTI-USE) OF THE FUTURE LAND USE ELEMENT; PROVIDING FOR CONFLICT; SEVERABILITY; CODIFICATION; SCRIVENER'S ERRORS; AND AN EFFECTIVE DATE.

All interested parties are invited to appear and be heard. Oral and written comments will be accepted. A copy of the proposed ordinance is available for inspection at the Hendry County Planning and Zoning Department, 640 South Main Street, LaBelle, FL between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, and at the Clerk to the Board of County Commissioners' office, 25 E. Hickpochee Ave., La Belle, FL between the hours of 8:30 a.m. and 5:00 p.m., Monday through Friday.

If a person decides to appeal any decision made by the board, agency, or commission with respect to any matter considered at such hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Any questions pertaining to these documents should be directed to the Planning and Zoning Department, either by phone (863-675-5240), email (scatala@hendryfla.net), U. S. mail (P. O. Box 2340, LaBelle, FL 33975) or by fax (863- 674-4194).

NOTICE OF PUBLIC HEARING FOR ADOPTION OF LARGE SCALE COMPREHENSIVE PLAN AMENDMENT

The Hendry County Board of County Commissioners proposes to adopt the following by ordinance. Public hearing on the ordinance will be held by the Hendry County Board of County Commissioners on **June 26, 2012, 5:05 p.m.**, at the Hendry County Courthouse, Commission Chambers, 25 E. Hickpochee Ave, LaBelle, Florida.

The purpose of the hearing is to consider adoption of the Western Oxbow amendment to the Future Land Use Element and Map of the Hendry County Comprehensive Plan.

ORDINANCE 2012-_____

AN ORDINANCE OF HENDRY COUNTY, FLORIDA AMENDING THE HENDRY COUNTY COMPREHENSIVE PLAN, ORDINANCE 91-05, AS AMENDED, BY CHANGING THE FUTURE LAND USE MAP, MORE SPECIFICALLY BY CHANGING APPROXIMATELY 146+/- ACRES OF LAND DESIGNATED AS RESIDENTIAL/SPECIAL DENSITY AND USE TO A NEW MIXED USE DISTRICT TO BE KNOWN AS THE WESTERN OXBOW MIXED USE DISTRICT; PROVIDING FOR CONFLICT; SEVERABILITY; CODIFICATION; SCRIVENER'S ERRORS; AND AN EFFECTIVE DATE.

All interested parties are invited to appear and be heard. Oral and written comments will be accepted. A copy of the proposed ordinance is available for inspection at the Hendry County Planning and Zoning Department, 640 South Main Street, LaBelle, FL between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, and at the Clerk to the Board of County Commissioners' office, 25 E. Hickpochee Ave., LaBelle, FL between the hours of 8:30 a.m. and 5:00 p.m., Monday through Friday.

If a person decides to appeal any decision made by the board, agency, or commission with respect to any matter considered at such hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Any questions pertaining to these documents should be directed to the Planning and Zoning Department, either by phone (863-675-5240), email (scat-ala@hendryfla.net), U. S. mail (P. O. Box 2340, LaBelle, FL 33975) or by fax (863-674-4194).

HENDRY COUNTY SPECIAL DISTRICTS

DID YOU KNOW...

East Hendry County Drainage District (EHCCDD) maintains the canals, ditches, and storm water treatment areas in the area shown on the left. As part of the Federal Clean Water Act, Florida Department of Environmental Protection (FDEP) determined that EHCCDD needed a National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer Systems (MS4) permit. The NPDES permit is a reporting tool that FDEP and EPA use to ensure that municipalities and special districts are properly implementing storm water pollution prevention programs. These programs utilize Best Management Practices or BMPs which are storm water pollution prevention activities or storm water pollution controls. These can take the form of structural components, like the pump station in the area operating at the proper stages or silt fences around construction sites. They can also take the form of community clean ups and education. This flier is a reminder that everyone plays a part in keeping our water resources clean. The storm water from the EHCCDD flows north to Lake Okeechobee via the Clewiston Canal. The lake replenishes water storage areas, helps to irrigate agricultural lands, provides backup water for urban areas, and plays a major role in supplying water for the Everglades.

Illicit discharge or illicit storm water discharge means any discharge into the MS4 and/or waters of the United States that is not composed entirely of storm water, except discharges made in accordance with a county issued development order consistent with the MS4 permit, an independent NPDES permit, or as a result of fire fighting activities.

Many seemingly harmless household activities, such as dumping yard waste, draining swimming pools, or household waste water from washing machines, dishwashers or water softening devices into ditches, storm drains and canals are also classified as illicit discharges.

These activities can and do cause severe problems in our waterways. Ditches and storm drains are not connected to the sanitary sewer system. They flow directly into streams, lakes, rivers, estuaries, bays and eventually the Gulf of Mexico.

All residents of Hendry County can do their part by properly disposing of wastes and reporting any illicit discharges or illegal dumping to the Hendry County Waste Management office at 863-675-5252.

ILLEGAL DUMPING ORDINANCE NUMBER 88-9

“No person shall throw, place or deposit, or cause to be thrown, placed, or deposited any solid waste of any kind into or on any of the public streets, roads, highways, bridges, lands, or upon the premises of any other person within the unincorporated area of the County except as specifically authorized by the Board for the disposal of such solid waste. It is unlawful for any person to collect or transport solid waste for hire or remuneration or other consideration in any form without first having a County franchise agreement or securing permission from the franchise hauler. All disposal required by this Ordinance shall be done only at a County designated or approved Solid Waste facility.

Muse Kids Invited to Ortona Recreation Program

Ortona Community Association president Hugo Geistman has announced that the OCA board of directors voted to invite children from the Muse area to enroll in the Ortona's kids summer recreation program. The program will run from 10 a.m.-2 p.m. Monday through Thursday, beginning on June 18 and ending August 9.

Ortona's recreation program has been expanded to match the summer food service program sponsored by the Glades County School District. Meals will be prepared at the Moore Haven school and delivered to eight sites throughout the county, including Ortona. The meals are free of charge to all Glades County children 18 years and younger. Lunch hour will be 11:30 a.m.-12:30 p.m. Monday through Thursday.

Geistman commented, "Our Association considers the children in our community our highest priority. OCA has had a kids' summer recreation program since 1993. This year we made a special appeal for funds to expand the program from 12 to 32 days. Our beautiful new community park, playground and children's building make an ideal site. We are excited to be a part of this new effort

to bring healthy meals to all Glades County children. This is important because during the summer school breakfasts and lunches are not available to them. We feel strongly that children's minds should also be nourished during the summer. We have planned a stimulating and fun program for them."

While registration is not required to participate in the free meal program, parents interested in enrolling their children in the full recreation program should contact children's coordinator Amanda Billings 863-234-4288 or Fran Way 883-675-7880.

Muse Community Events for June

June 21 will be the regular monthly meeting beginning at 7 p.m. All events are open to the public and will be held at the Muse Community Center Bldg. on Loblolly Bay Road (Hwy. 720). Come out for a fun evening and meeting your neighbors. For further information call 863-674-0467.

Learn to make soap at museum

LaBelle Heritage Museum offers a designer soap making class on Monday, June 25, from 9 o'clock until noon at its 360 North Bridge Street location in LaBelle.

Pat Newell Johnson will teach a class of eight students the art and science of making designer soap. Students must be at least 14 years-old since the process involves the use of chemicals.

Mrs. Johnson will give each student a bar of designer soap at the end of the session as the soap made by the class needs to be cured for a minimum of thirty days. There is a good possibility the soap made at the class will make its way to the LaBelle Heritage Gift Shop by August or September with its creator's name on the package.

The cost for the class is \$10. Space is available on a first come, first served basis. To register, call (863)674-0034 or e-mail labelleheritagemuseum@comcast.net.

Hendry, Glades Dems to hold unity dinner

The Hendry County and Glades County Democratic Executive Committees have joined together for a Democratic Unity Dinner to be held on Saturday, June 16, 2012. Congressman Alcee Hastings, representing Florida's 23rd Congressional District, will be the keynote speaker.

Congressman Hastings' legislative priorities include continued efforts to create jobs and provide training and re-education for displaced workers which is a priority in our area. He is a senior member of the powerful House Rules Committee and serves as a Se-

nior Democratic Whip. Mr. Hastings continues to be a leading voice in the Democratic Caucus, underscoring his commitment to work closely on a bipartisan basis with his colleagues in both the House and Senate.

Representative Ron Saunders, Florida House Democratic Caucus Chair, will be the Master of Ceremonies. The dinner will be held at the Clewiston Country Club. Tickets are available for \$40 each. Advertising space is available in the Souvenir Journal. Tickets can be purchased by sending payment to the Glades County DEC, PO Box 1015, Moore Haven, FL 333471.

4-H annual banquet held at the LaBelle Civic Center

The Hendry County 4-H Program held its Annual 4-H Awards Banquet at the LaBelle Civic Center. Members received award pins in the different 4-H project areas from cooking and arts and crafts to steer, swine and dairy goats. Moreover, Junior, Intermediate and Senior 4-H members received awards for placing in the top two in the LaBelle Youth Livestock Show Record Book competition and placing in the top three in the Hendry County Fair Record Book competition.

Leaders and other adult volunteers were recognized for their many years of service and dedication to the 4-H program from one year to thirty-three years of service. Ms. Patricia Johnson was awarded the Outstanding Leader Award after receiving letters of recommendation from her 4-H club members. This is Ms. Johnson's first year providing leadership to the Hendry County 4-H Horticulture Program.

Several 4-H members received special recognition for their accomplishments in 4-H: Landon Sutton received the Outstanding Junior 4-H Award plaque with Rebekah Lopez achieved the Outstanding Intermediate 4-H Award plaque and Harry Plamondon was awarded the Outstanding Senior 4-H Award plaque. These awards were based on letters received from 4-H leaders outlining their accomplishments in the overall 4-H program.

Jarad Plair and Dalton Rose received the Pro Steadman 4-H Scholarship in the amount of \$1,000 each. Chelsea Barrineau, Joy-Anna Bryan, Braxton Ford, Lane Goodwin, Andy McAvoy, Bo Meador and Gennifer Raulerson received a one-time scholarship ranging from \$500 to \$250.

The Hendry County 4-H staff would like to express their appreciation to the parents, leaders and volunteers who attended the Awards Banquet in support of the 4-H program. Without all of you, giving your time and talents, we would not be able to reach the lives of many youth in Hendry County. Last but not least, the Hendry County 4-H Staff would like to thank Mr. Mike Boyle, Mr. Paul Puletti and their staff for allowing the 4-H Awards Banquet to be held at the LaBelle Civic Center.

Storm custom boat facility open in Moore Haven

by **Patty Brant**
Caloosa Belle

Lake Okeechobee, the Caloosahatchee River - fishing and boating have been a natural part of this area for longer than anyone can remember.

In fact, it's a big draw for fishermen from all over.

So, it's a natural place for Storm High Performance Boats to find a home.

Owners Steve Ellyson and Sander Entus have done just that.

Local fishermen know about Storm boats - custom bass and bay boats now manufactured right here in Moore Haven.

The company began in 1978 and moved to Fort Myers several years ago. That's where Steve said he really got involved in the business.

He and Sander, both Storm boat "groupies," spent lots of their free time just hanging around the operation, soaking it all in.

When they got a chance, they bought the business and moved it to Moore Haven.

Steve brings to the operation some 14 years experience in custom fiberglass work and admits to being great at troubleshooting wiring problems.

The company employs three full time veteran boat manufacturing workers and will be looking for two part timers to do fiberglass work and general boat rigging.

In addition to manufacturing custom boats, Storm also provides professional repairs on all makes and models of boats and has an awesome retail store packed with boating accessories like trailers, power poles, upholstery, custom lighting - even apparel and tackle.

By the way, they will also customize aluminum boats.

Steve said their two-year goal is to expand the operation to include 22-24' bay boats, 18-18.5' bass and flats boats and airboats.

Steve is proud that Storm provides hand-built boats, one at a time, for each individual customer.

They can modify the standard layout in any number of ways, all from scratch using raw materials.

Storm is also working with a group to manufacture custom boats for veterans and other fishermen who need wheelchairs, who have prosthetics or other special requirements.

Boating is a way of life among the fishing population around Lake Okeechobee, Steve commented.

He said Storm Boats has a reputation among the locals and, as professional, that's where he wants to be - "back with the core boat owners."

He also said Storm is planning to sponsor four tournaments per year: two open tournaments; one for Storm owners and their guests and a kids tournament. Storm High Performance Boats has the committed angler in mind.

This Saturday, June 16, 4-8 p.m., Storm High Performance Boats will have a grand opening with information, raffles and lots more. Steve and Sander are looking forward to meeting area fishermen.

The facility is located at 213 Florida Ave. in Moore Haven, at the foot of the bridge, two blocks directly behind the new fire station.

However you want your boat - "from mild to wild" - Storm Boats is aiming to get you into your custom boat and out on the water.

Hendry Regional Convenient Care
LaBelle - (863) 675-2356
Tuesdays and Wednesdays

Hendry Regional Medical Center provides first-class MRI services in Clewiston and LaBelle. Our mobile MRI Unit is now available for residents throughout the week in Clewiston and LaBelle.

MRI is a means of creating images of your body, which do not use X-rays or radiation. The MRI machine acquires images by utilizing strong magnetic fields and radio frequencies that excite the hydrogen molecules in the body. These images show the soft tissues of the body (muscles, nerves, brain, discs, ligaments, etc.). In many situations, MRI offers unique information to assist your doctor in better planning of your treatment and care.

At Hendry Regional, we want you to be comfortable and feel safe during your MRI scan, which should last between 25 to 60 minutes. While lying inside a large tubular machine, the technologist will talk to you through an intercom system and guide you through the procedure.

Aerial mosquito spraying to commence

Hendry County will be conducting aerial adult mosquito control operations over the county as mosquito population levels warrant. These operations will continue throughout the remainder of the year. The treatments will be performed during evening hours, weather permitting. The insecticide to treat for adult mosquitoes is approved for application by the Environmental Protection Agency and the State of Florida. This operation will be conducted by Clarke.

If you have questions concerning this operation, please call Clarke at 800-443-2034 between 8:00 am and 5:00 pm Monday through Friday.

If you have requested a "no Spray," that will be honored.

If you have questions concerning this operation, please call Clarke at 800-443-2034 between 8 a.m. and 5 p.m. Monday through Friday.

Control de mosquitos adultos

El Condado de Hendry conducirá operaciones de control de mosquito adultas aéreas sobre el condado como niveles de población de mosquito justifican. Estas operaciones continuaran a través del resto del año. Los tratamientos serán realizados durante las horas de la tarde, siempre y cuando el tiempo lo permita. La insecticida para tratar para mosquitos adultos es aprobado para la aplicación por la Agencia de Protección Ambiental y el Estado de Florida. Esta operación será conducida por Clarke.

Si usted ha solicitado un "Ningun Spray," se honrará.

Si usted tiene preguntas acerca de esta operación, por favor llame a Clarke al 1-800-443-2034 entre las horas de 8 a.m.-5 p.m. lunes por el viernes.

NOTICE
Independent Newspapers will never accept any advertisement that is illegal or considered fraudulent. In all cases of questionable value, such as promises of guaranteed income from work-at-home programs - if it sounds too good to be true, chances are that it is. If you have questions or doubts about any ad on these pages, we advise that before responding or sending money ahead of time, you check with the Better Business Bureau at 772-878-2010 for previous complaints.

Some 800 and 900 telephone numbers may require an extra charge, as well as long distance toll costs. We will do our best to alert our reader of these charges in the ads, but occasionally we may not be aware of the charges. Therefore, if you call a number out of your area, use caution.

PUBLIC NOTICE OF INTENT TO ISSUE AIR PERMIT

Florida Department of Environmental Protection
Air Resource Section, South District Office
Draft Air Construction Permit 0510015-025-AC
Southern Gardens Citrus Processing Corporation, Clewiston Facility
Hendry County, Florida

Applicant: The applicant for this project is Southern Gardens Citrus Processing Corporation. The applicant's responsible official and mailing address are: Mr. Tristan Chapman, Vice President, General Manager, Southern Gardens Citrus Processing Corporation, Clewiston Facility, 1820 County Road 832, Clewiston, Florida 33440.

Facility Location: Southern Gardens Citrus Processing Corporation operates the existing Clewiston Facility, which is located in Hendry County at 1820 County Road 832, Clewiston, Florida 33440.

Project: This project modifies the authorized fuels burned by the boilers (emission units (EU) 001, 002, 008 and 010) and the peel dryers (EU003 and EU019). The boilers and peel dryer No. 1 (EU003) are proposed to burn natural gas as the primary fuel. Peel dryer no. 2 will only burn No. 2 (with a maximum 0.1% sulfur content by weight). The boilers will also be authorized to burn fuel oil No. 2 (with a maximum 0.1% sulfur content by weight), d-limonene, cold pressed oil, and ethanol or blends of these fuels only during periods of loss of natural gas supply or during periods of natural gas curtailment. This project also increases the heat input of peel dryer no. 1 (EU003). The heat input limit of peel dryer no. 1 will increase from 99 mmBtu/hr to 110 mmBtu/hr. As a result of the fuel change for the peel dryers, the Department's previously imposed continuous monitoring for SO2 and annual testing requirements will no longer be required for the peel dryers. The SO2 emissions as a result of this project are projected to decrease by 33.5 tons per year. Emissions are projected to increase for nitrogen oxides, carbon monoxide, particulate matter and volatile organic matter. The facility is major for prevention significant deterioration (PSD). A PSD applicability review indicated that this project did not trigger a PSD review. These emission units are subject to Title 40 Code of Federal Regulations (CFR) Part 60 Subpart A (General Provisions) and Subpart Dc (Standards of Performance for Small Industrial/Commercial/Institutional Steam Generating Units).

Permitting Authority: Applications for air construction permits are subject to review in accordance with the provisions of Chapter 403, Florida Statutes (F.S.) and Chapters 62-4, 62-210 and 62-212 of the Florida Administrative Code (F.A.C.). The proposed project is not exempt from air permitting requirements and an air permit is required to perform the proposed work. The Permitting Authority responsible for making a permit determination for this project is the Department of Environmental Protection's Air Resource Section in the South District Office. The Permitting Authority's physical address is: 2295 Victoria Avenue, Suite 364, Fort Myers, Florida 33902. The Permitting Authority's mailing address is: P.O. Box 2549, Fort Myers, Florida 33902-2549. The Permitting Authority's telephone number is 239-344-5600.

Project File: A complete project file is available for public inspection during the normal business hours of 8:00 a.m. to 5:00 p.m., Monday through Friday (except legal holidays), at the physical address indicated above for the Permitting Authority. The complete project file includes the Draft Permit, the Technical Evaluation and Preliminary Determination, the application and information submitted by the applicant (exclusive of confidential records under Section 403.111, F.S.). Interested persons may contact the Permitting Authority's project engineer for additional information at the address and phone number listed above. In addition, electronic copies of these documents are available on the following web site:
<http://www.dep.state.fl.us/air/emission/apps/default.asp>

Notice of Intent to Issue Air Permit: The Permitting Authority gives notice of its intent to issue an air construction permit to the applicant for the project described above. The applicant has provided reasonable assurance that operation of proposed equipment will not adversely impact air quality and that the project will comply with all appropriate provisions of Chapters 62-4, 62-204, 62-210, 62-212, 62-296 and 62-297, F.A.C. The Permitting Authority will issue a Final Permit in accordance with the conditions of the proposed Draft Permit unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57, F.S. or unless public comment received in accordance with this notice results in a different decision or a significant change of terms or conditions.

Comments: The Permitting Authority will accept written comments concerning the proposed Draft Permit within 14 days from the date of publication of this Public Notice. Written comments must be received by the Permitting Authority by close of business (5:00 p.m.) on or before the end of the 14-day period. If written comments received result in a significant change to the Draft Permit, the Permitting Authority shall revise the Draft Permit and require, if applicable, another Public Notice. All comments filed will be made available for public inspection.

Petitions: A person whose substantial interests are affected by the proposed permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed with (received by) the Department's Agency Clerk in the Office of General Counsel of the Department of Environmental Protection at 900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000 (Telephone: 850/245-2241). Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), F.S. must be filed within 14 days of publication of this Public Notice or receipt of a written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who asked the Permitting Authority for notice of agency action may file a petition within 14 days of receipt of that notice, regardless of the date of publication. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts upon which the Permitting Authority's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address and telephone number of the petitioner; the name address and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial rights will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency action or proposed decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so state; (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action; (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action including an explanation of how the alleged facts relate to the specific rules or statutes; and, (g) A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the agency to take with respect to the agency's proposed action. A petition that does not dispute the material facts upon which the Permitting Authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Permitting Authority's final action may be different from the position taken by it in this Public Notice of Intent to Issue Air Permit. Persons whose substantial interests will be affected by any such final decision of the Permitting Authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation: Mediation is not available for this proceeding.

Cowboy Closet looking for electronics

The Cowboy Closet, our student-driven thrift store at LaBelle High School, would love to take your electronics from you. We could use computers, and other useful items that you are upgrading or replacing.

Our students are looking forward to refurbishing them, and getting them in homes that want them. We all win! A tax-deductible receipt will be given if requested. Contact Kevin Lutkenhaus at 863-674-4120 or email the Cowboy Closet at cowboycloset@hendry.k12.fl.us for more information. We also can be followed on Twitter at @cowboy-closet, and Facebook. Like us, and help us.

Pioneer scholarship

Scholarship for Edison grads

The Rotary Club of LaBelle is offering a scholarship to two students who have graduated from Edison College (or will graduate by August) and will be attending a public university or college in the State of Florida in the Fall. There are some specific requirements applicants must meet. For more details and to receive an application, send an e-mail to MarkLapp@embarqmail.com.

Register for Summer VPK

Hendry County Schools is offering a free VPK summer program again this year. If you have a child that will be entering Kindergarten in August and will be 5 years old by September 1, 2012, he/she is eligible to attend a VPK program. Children must be residents of Florida to be eligible, but they may go to any school at the completion of VPK. The program at COES is an excellent way to prepare your child for regular school routines.

The program runs until August 2 from 7:30 a.m. until 3:30 p.m. each day. Breakfast and lunch are provided at no cost. Please call Richard Talada at 674-4140 for information or stop by Country Oaks 7:30 a.m. to 3:30 p.m. to register.

Students participate in art activities and music activities as well. We look forward to working with your child this summer.

Glidden, South Florida Mason awarded 70-year pin

By Phillip H. Keyes, LaBelle Lodge #379 F&AM

On a warm Saturday afternoon in early June 94-year-old Brother Kenneth D. Glidden and his wife Betty hosted a delegation of Southwest Florida Masons in their Naples, Florida, home. The occasion was to commemorate Brother Glidden's 70th year as a Mason. Appropriately, he was given a gold lapel pin by the Grand Lodge of Florida and a framed certificate. The presentation was made by R.W. Ed Lanham, II, District Deputy Grand Master of the 29th Masonic District.

In addition to Mrs. Glidden, a daughter, granddaughter and grandson, along with five Brothers from LaBelle Lodge #379 – Ray Navor, Master Pro-tem, Secretary Jerry Hubbard, Chaplain Herb Hollenbeck, and Brother Phillip Keyes. Accompanying R.W. Lanham was Fred Wright, secretary of the Fort Myers Beach Lodge.

Over a light luncheon, Brother Glidden amazed everyone with his wit and humor. "It wasn't hard for me to get to 70 years," he told R.W. Lanham, "all I had to do was wait."

Brother Glidden easily recalled being initiated on July 19, 1941, just after his 23rd birthday. On November 8 that year he was Passed and was already beginning flight training in the Army Air Corps. Less than a month later the U.S. declared war on Japan following the attack on Pearl Harbor. He became a MM on April 11, 1942.

His military service was spent stateside as a bombardier instructor due to his poor health and an ulcer. After the war he returned to a career as a farmer and became a husband to Betty. The farming venture, in partnership with his brother, expanded in his native Indiana and in the early 1950s moved to the South Florida farming community of Immokalee and later included an area north of Naples.

"I probably cleared the land where this house is now located," he said. "I was out in this area one day and a man drove up and said he wanted to build houses out here."

Brother Glidden demitted his Masonic membership from Indiana to Immokalee in 1953 and sat in all but the Master's chair. The year he was to become Worship Master, the ulcer once again emerged, forcing him to decline the nomination. He continued being active in Immokalee and in 1994 moved his membership to LaBelle 379 when it and Immokalee merged.

"Becoming a Master Mason was a very important step in my early life and Masonic teachings have provided me with a good solid basis for all the key events in my life," he said. "if I could give all the 21-year-old men in the country today some advice it would be to seek membership in the Masonic Fraternity."

"One not only has to be a good guy to get started, you have to continue to be a good guy to stay."

Skydiving?

Amy Rouskey, right, shared with the Rotary Club of LaBelle seven reasons Skydiving will make you dive into life, however there was not a rush of volunteers to take her up on her offer in the near future. Here are a few of the reasons Amy offered: facing your fears; it's mentally and physically cleansing; creating confidence; it changes your view. At this point the Rotarians were ready to accept the reasons, but found armadillo racing less challenging. Pictured with Amy is Michelle Brunetto, Rotary President.
