Principal moves to district

by Sarah Lapp

After five years as LaBelle High School's Principal, Lucinda Kelley will be stepping down. In July she will start her new job as the Hendry County Director of Exceptional Student Education (ESE).

Kelley has been a Hendry County School Board employee since 1997. She has worked as Principal of Clewiston High, Assistant Principal of LHS and Central Elementary, and as an Administrator of LaBelle Youth Development Academy.

Ms. Kelley reports that she became Principal of LHS in October of 2008. At the time, she was employed as a Dean at Edison State College and was itching to get back into the "k-12 atmosphere." This epiphany involved a last minute job application submission and a thrilled Kelley upon notification of landing the Principal position.

"My job allows me to witness incredible accomplishments. I love seeing students take advantage of opportunity. I love hearing them talk about being accepted into college, or getting that job, or receiving a well-deserved scholarship. I

Black Heritage: Welcome home!

Caloosa Belle/Patty Brant

This year's Black Heritage Festival again started off with the powerful dancing of Judah Praize, three dedicated young ladies who use dance as their means of preaching. The young ladies' choreographed moves to Mark 28 were much appreciated by the audience. The festival is held every year at Kid Jones Park.

Bottom right: Shywon Williams will be taking over the main coordinating duties for the festival next year as Nora Ned announced that she was stepping down after many years of building up the event. Ms. Ned offered her appreciation to a number of assistants, including: Shirley Johnson, Ray Field Johnson, Earnest Smith, W. Baird III, Raegina Williams and Rodney Gregory. She expressed her love of and pride in her community and advised her successor to work with everyone for the greater good and to put "you" aside. She also warned of stinging criticism that can follow people who step up for their community. "I love my community," Ms. Ned told the group, "there's nothing I wouldn't do for this community." Sheriff Whidden presented her with flowers and the community offered its thanks.

Left: Members of the LHS Class of 2013 from Ford/Sunset Park were recognized as well as other residents who have reached academic milestones. Julissa Mobley earned her AA degree from Edison State College, Patricia Deese received her LPN certificate and Chandeya Thomas earned a BS in social work. Ellis Johnson has enlisted in the US Army as well.

Memorial Day: It's a day made for gratitude

by Patty Brant

America has always had a large number of veterans among its citizens - a group of people to whom the entire population owes a huge debt.

As a disabled veteran, LaBelle's Tina Noel understands what it means to serve your country and to honor the debt we have all incurred.

In January 1975, Tina had every intention of continuing her career in the Army in logistics, until a car crash left her with a medical discharge and a chronic back problem in

December 1986. In the years since, that back problem has gotten steadily worse. Now she has a 100 percent service connected disability through the Veterans Administration.

She has continued to serve her community, even with her back problems. Tina felt led to teach, and went back to school for her degree. For eight years she taught ESE and eighth grade language arts at LaBelle Middle School, until her back injury forced her to retire.

Tina brought her passion for service to the school and is a former president of

Children's Book Week at WES

West Glades School is celebrating Children's Book Week (May 13-19) with several special events. Our kick-off event was an author presentation by Donna Shirley who read her book "The Land That Lost Its Green" that encouraged students to take care of the world around them. Additionally, there will be a daily theme for the week that includes "Be Cool at School" and wear sunglasses to be a bright reader, "T-Shirt Tuesday", "Sock-it-to-Me Day", and "Be a Good Sport and Read". On Friday, students and staff are encouraged to dress as their favorite book character. West Glades School Panthers love to join in this celebration that had its beginning back in 1919.

the Hendry County Education Association where she focused on teacher retention and proper certification so teachers would not be teaching out of field.

Outside of the classroom she has worked hard with the LaBelle Woman's Club as secretary and makes quilts for veterans in Oakbrook and Douglas Jacobson State Veterans Home in Port Charlotte.

She is heavily involved in collecting Christmas gifts for Bay Pines Veterans Hospital patients and nursing home at Bay Pines.

She is involved in the homeless coalition - an activity that again provides her with a way to help her beloved fellow veterans.

Three years ago, Tina did some family research and found she was eligible to join the Daughters of the American Revolution.

She joined the nearest chapter, the Estero Island Chapter Daughters of the American Revolution (DAR) and has been busy educating them about what it means to be a veteran - particularly a veteran with problems the community cannot always see

and does not understand. Tina's position as chairman of the chapter's Service to Veterans Committee is the perfect venue for her passion.

For her work, Tina earned the organization's Outstanding Service to Veterans award, presented at Florida State Congress in Orlando.

Writing a DAR newsletter column about veteran's issues was just the beginning of her advocacy through the DAR.

Tina's own struggle to secure her veteran's benefits have put her in a unique position to help her brother and sister veterans. She uses this opportunity to educate her fellow DAR members on the seriousness of veterans' problems. Her goal is to deepen their sensitivity to vets issues and put real face on them.

She points out that there is an increasing number of homeless vets and the numbers of returning combat vets committing suicide.

She said many veterans return with invisible wounds that sometimes are not appar-

love celebrating everyone at what they do best," she said.

One of the students she has impacted is Class of 2013 member, Jocelyn Renteria, who says that "Mrs. Kelley has been a great role model for me. She pushed me to continue taking Dual Enrollment classes, even when I was overwhelmed and wanted to quit. She always wants the best for her students, in whatever area they wish to succeed in."

Ms. Kelley has a fervent "rah-rah" attitude when it comes to athletics. She is omnipresent at home games, oozing with an unmistakable school spirit. She lists students Joshua Rimes, Andrea Lutkenhaus, Diana Rodriguez, Ana Arreola, Austin Garcia and Erick Medina as just of the few athletes she has been especially impressed with.

As principal Ms. Kelley has witnessed scholastic accomplishments as well; the West Point Military Academy accepted John Marrotti in 2011 and Morgan Pepitone in 2013.

ent right away.

When a veteran decides to reach out for help, he or she often finds it to be a long painful process. Just securing their benefits adds another high level of frustration to their stress.

She explains that female veterans with children are the fastest rising category of homeless.

Tina's work in both the DAR and LaBelle Woman's Club are a great platform for her two passions: working in the community and helping veterans.

"I feel blessed to be able to do this," she said, but claims no special talents.

"It's not about me," she insists, "Any ordinary person can (help). Just do the best you can do every day; bring out the positive every day," she said, "Try to help others, be a role model. Everyone can do something."

Perhaps Memorial Day is the perfect time to think about what our veterans mean to us and what we can all do to diminish a debt we can never truly repay.

McAvoy and Conor Coderre (in 2011) became National Merit Scholars due to their outstanding performance on the PSAT.

Class of 2013 Co-Valedictorian Derek Bass pointed out that "Mrs. Kelley is great at connecting to her students on a personal level. She has done an excellent job at LHS and I am sad to see her go."

Ms. Kelley's new job as Hendry County Director of ESE involves the overseeing of speech therapists, nurses and staffing specialists.

Ms. Kelley is the essence of calm and collected, her desk, piled mountain-high with 'to-do's', as she wraps up the 2013 school year. "Superintendent Paul Puletti asked me if I would become Director of ESE. I was glad to; I will do anything to help the District. But, a part of me will always be at LHS," smiled in conclusion.

Fourth 2013 fatality for Glades

Glades County has experienced its fourth fatal crash of 2013, equal to the total number of traffic fatalities in Glades County for all of 2012.

An Orlando man died on US 27 (SR 25) Saturday, May 18.

According to the Florida Highway Patrol, Sheldon HA Martinez, 43, was driving a 1998 Buick Century westbound on US 27 when he allowed the vehicle to travel into the grass median. He continued to travel in a southwest direction and crossed both east-bound lanes, onto the south grass shoulder and overturned into a canal.

The vehicle came to a final rest on the south shoulder of US 27 in the canal, on its roof.

Mr. Martinez was transported to Hendry Regional Hospital by Glades County EMS but had suffered fatal head injuries as a result of this crash.

He had been wearing a seatbelt at the time of the crash. It is unknown if it was alcohol related.

Driver ejected

A LeHigh Acres man was seriously injured in a one-vehicle crash in Glades County May 16.

According to the Florida Highway Patrol, 26-year-old Joseph Raymond Navarro II was driving north on CR 731 at 9:16 a.m. when his 2007 Ford F-150 ran off the right side of the roadway as he was negotiating a left hand curve. He over corrected and ran off the left side of the road, overturned several times and was ejected.

He was not wearing a seatbelt and alcohol was not a factor in the crash, according to the FHP report. He was taken to Lee Memorial Hospital

Arrest Reports

LaBelle

Three people were arrested May 19 in connection with stealing meat and groceries from Winn-Dixie. The sheriff's office reports that two women, Thelma Jeannette Davi, 32, and Janice D. Daniels, 33, were seen by a store employee taking meat and other groceries without paying for it.

David Edward Hummel, 42, reportedly remained outside the store watching the vehicle. All three were arrested and charged with grand theft \$300-\$5,000. Some 4617.52 worth of meat and groceries were returned to the store. The items had been placed in bags and also concealed under the women's clothing. J. Ewing was arresting officer.

Armando Vargas, 32, was arrested May 18 and charged with robbery residential - home invasion at 62=15 Comanche Street. He reportedly threw a rock at the house, then broke in through the door. When Vargas demanded money and threatened the victim with a rock, he handed Vargas a \$20 bill. Vargas left on a bike but was found later and arrested. J. Ewing was arresting officer.

Tryan Matisse Paseler, 37, was arrested May 18 and charged with aggravated battery with a deadly weapon. A fight between two women was attracting a large crowd and Paseler was reportedly attempting to

intervene when he struck two victims with a silver colored gun, one in the face and one in the head. One victim said he shot the gun off just inches from her face. A .45 shell casing was found on the road but no weapon was found.

Devarius Lamar Paseler, 21, was also arrested and charged with fleeing/eluding police failure to obey a law enforcement order to stop. He was driving a vehicle away from the scene with Tryan as a passenger. R. Maldonado was arresting officer.

Jose Angel Jaimes, 44, was arrested May 17 and charged with grand theft \$300-\$5,000. Officers working a traffic accident Jaimes was involved in, checked a load of steel blades he was pulling. He said they were discarded blades he took from USSC to sell for scrap. A call to USSC confirmed they did belong to that company and that Jaimes did not have permission to take them. The blades were worth some \$1,532. Sgt. J. Olvera was arresting officer.

Jason Alexander Branch, 33, was arrested and charged with marijuana production schedule I, marijuana production with intent to sell, manufacture, deliver, etc., marijuana trafficking in excess of 25 pounds or 300+ plants and possession of drug equipment. The plants were discovered on B Road.

Suspicious fire

LaBelle firefighters worked from 8:45 p.m.-1 a.m. over the night of May 15-16 battling the blaze that destroyed this home at 4090 Rainbow Circle. The structure was fully involved and the roof partially collapsed as firefighters arrived, five trucks from LaBelle and a tanker of water from Pioneer Plantation. No one was injured in the blaze. According to Fire Chief Clint Walker, the residence was abandoned and there was no power hookup. The fire is considered suspicious and under investigation by the State Fire Marshal. Anyone with information regarding this fire is asked to call 1-877-662-7766.

Skin cancers can be dangerous, disfiguring and deadly

According to The Skin Cancer Foundation, an estimated 3,170 deaths from non-melanoma skin cancers will occur in the US in 2013.

New York, NY (May 17, 2013) – May is Skin Cancer Awareness Month, and while the dangers of melanoma are well known, it is important not to neglect the warning signs of the two most common types of

skin cancer: basal cell carcinoma (BCC) and squamous cell carcinoma (SCC), which can also become disfiguring and even deadly if not diagnosed and treated promptly. Because about 90 percent of nonmelanoma skin cancers are associated with exposure to ultraviolet (UV) radiation from the sun, The Skin Cancer Foundation encourages everyone to practice proper sun protection

and learn how to spot nonmelanoma skin cancers.

“Melanoma is the most talked about skin cancer because it’s the most deadly; however, basal and squamous cell carcinomas should be taken seriously as well,” says Perry Robins, MD, President of The Skin Cancer Foundation. “Most nonmelanoma skin cancers are preventable, if a complete sun protection regimen is followed. This is why protecting sun-exposed areas, such as the ears, nose and lips, and learning the warning signs of these common skin cancers, is so important.”

Between 40 and 50 percent of Americans who live to age 65 will be diagnosed with either a BCC or an SCC at least once. The Skin Cancer Foundation urges everyone to learn the facts about nonmelanoma skin cancers:

Basal Cell Carcinoma is the most common form of skin cancer, with an estimated 2.8 million diagnosed annually in the US.

• What causes it: BCC is usually caused by a combination of cumulative UV exposure and intense, occasional UV exposure, the kind you might experience on sunny vacations.

• Interesting fact: BCCs sometimes resemble noncancerous skin conditions such as psoriasis or eczema.

• What to look for: Warning signs include an open sore, a reddish patch or irritated area, a shiny bump or nodule, a pink growth, and a scar-like area.

Squamous Cell Carcinoma is the second most common form of skin cancer, with an estimated 700,000 cases diagnosed in the US each year, resulting in approximately 2,500 deaths.

• What causes it: SCC is mainly caused

by cumulative UV exposure over the course of a lifetime.

• Interesting fact: SCCs are most common in areas frequently exposed to the sun, such as the rim of the ear, lower lip, face, bald scalp, neck, hands, arms and legs.

• What to look for: Warning signs include a scaly red patch, an elevated growth, an open sore, or a wart-like growth, and these lesions may sometimes bleed.

To properly protect against the dangers of skin cancer, follow The Skin Cancer Foundation’s Prevention Guidelines:

• Seek the shade, especially between 10 AM and 4 PM

• Do not burn.

• Avoid tanning and UV tanning booths.

• Cover up with clothing, including a broad-brimmed hat and UV-blocking sunglasses.

• Use a broad spectrum (UVA/UVB) sunscreen with an SPF of 15 or higher every day. For extended outdoor activity, use a water-resistant, broad spectrum (UVA/UVB) sunscreen with an SPF of 30 or higher.

• Apply 1 ounce (2 tablespoons) of sunscreen to your entire body 30 minutes before going outside. Reapply every two hours or immediately after swimming or excessive sweating.

• Keep newborns out of the sun. Sunscreens should be used on babies over the age of six months.

• Examine your skin head-to-toe every month.

• See your physician every year for a professional skin exam.

Environmental health - pay online

TALLAHASSEE - The Florida Department of Health (DOH) has launched a new online billing system for environmental health-related permits. Approximately 150,000 permit holders will be able to use a secure online system to pay permit renewal fees for swimming pools, biomedical waste facilities, food hygiene facilities, onsite sewage treatment and disposal systems (OSTDS), tanning facilities, migrant labor camp housing, limited use public water systems, body piercing facilities, community-based residential facilities, tattoo establishments and mobile home parks.

“Improvements like these reflect the Department’s commitment to provide customer-oriented services,” said William Reinhold, IT/Preparedness Director, Bureau of Environmental Health.

The Online Billing Permitting System will enable permit holders to pay their permit renewal invoices online, thus reducing costs

to the state, county and the permit holder. Efficiencies and cost savings will be realized in both payment processing and permit delivery. By centralizing the administrative functions of processing payments and issuing permits, DOH personnel in Florida’s counties now have more time to conduct necessary inspections, work with permit holders on any local issues and protect overall public health.

Current Florida permit holders will receive a printed invoice this year, but will be encouraged to pay online and create an account so that future invoices can be emailed to them directly. Permit holders can create their account online at www.myfloridaeh-permit.com.

For more information on the number of environmental health permits issued (by type), visit www.myfloridaeh.com/ephdata/index.html.

Letter to the Editor

Firefighters on duty

The house next door to us burned down Wednesday night (May 15). We live in Port LaBelle where the houses are fairly close together, so there was a real danger that our house would also go up in flames.

We want to thank the LaBelle Fire Department for saving our house. The men were efficient and thorough. They worked until

after we felt safe enough to take our eyes off of it and go to bed.

I believe these men are all volunteers who jumup and run whenever there is a fire. It is such a wonderful service to our community. We thank them for doing this important job.

Sincerely,
Tom and Vicki Chipman

Thank You

Festival appreciation

I would like to begin by thanking everyone for everything throughout the Festival, beginning on Thursday night at the Old-Timers Dinners, hosted by The Intermediate Women. Thanks to everyone who brought and presented the t-shirts to our Senior Citizens. Thanks for those who showed up and supported the Talent Show, hosted by Al Gary. The ‘70s dance was a big success as usual.

Special thanks to our local officials that came out: Brenda Hoots – Supervisor of Election, Dave Lyons, Mayor of the City of LaBelle, Greg Boone one of our City Commissioners and candidate for his position on the July 16, 2013 City Election. We thank

Paul Puletti our Superintendent of Schools, Mr. Don Davis our County Commissioner, Sheriff Whidden and Mr. Luckey. We thank you all for attending. I apologize for you not being able to introduce yourselves and talk but I’m sure you will at our upcoming events.

I thank everyone for the special presentations made to me. I really appreciate everything that was done. I thank Shywon for stepping up and wanting to be a part of things to perhaps give me a chance to work on other things that I would like to see done in our community.

Sincerely,
Nora Fagin-Ned

GLADES COUNTY

State Roadways: SR 29 from Collier County Line to US 27, SR 80 from Lee County Line to US 27 (except construction areas): Maintenance project: Crews are restriping the lines along the state roadways (this order is not necessarily sequential). This will be a nighttime/overnight slow moving operation from 7 p.m.-5 a.m., weather permitting, and continuing for a month. Expect slow moving traffic and possible delays.

US 27, between SR 78 West to Wayman Road: Maintenance project: Crews are working on the crossovers in the median area. No lane closures are expected, but motorists should use caution and watch for vehicles entering and exiting the work area.

SR 78 (Ortona Road), from Hall City Grade to the County Landfill Road: Maintenance project: Work begins May 28 from 8 a.m.- 5 p.m. to clean the roadside ditches. No lane closures are expected, but motorists should use caution and watch for vehicles entering and exiting the work area.

SR 78 (Lakeport Road), just north of Roberson Drive: Maintenance project: Work 8 a.m. to 5 p.m. to repair guardrail. Motorists can expect lane closures and should use caution and watch for vehicles entering and exiting the work area.

SR 29, from the Hendry/Glades County Line to Pollywog Crossover Road: Maintenance project: Work 8 a.m. to 5 p.m. to clean the roadside ditches. No lane closures are expected, but motorists should use caution and watch for vehicles entering and exiting the work area.

SR 29, from SR 78 to York Branch: Construction project: Crews are working on roadside ditches. No lane closures are expected, but motorists should use caution and watch for vehicles entering and exiting the work area. Project completion is estimated by spring 2013, weather permitting.

HENDRY COUNTY

US 27, from CR 720 to the Railroad Tracks: Maintenance project: Work begins on Monday, May 20 from 8 a.m. to 5 p.m. to repair guardrail. Motorists can expect lane closures and should use caution and watch for vehicles entering and exiting the work area.

SR 80, from east of CR 833 to west of US 27: Construction project: Work expands two-miles of SR 80 to four lanes from east of County Road 833 to west of US 27. Crews are installing drainage, and placing asphalt. Drivers should pay attention to traffic signs and barricades throughout the construction project, stay alert, and use caution in the work zone. Estimated completion is spring 2014. The contractor is C.W. Roberts Contracting, Inc.

SR 80/US 27: Interchange improvements: Construction project: Work continues to modify the intersection with construction of an overpass for SR 80 traffic eastbound to US 27 northbound and for US 27 traffic northbound to SR 80 westbound. The project also realigns US 27. Crews also will widen approximately 3/4 mile of SR 80 to four lanes approaching the intersection, add a traffic signal at the overpass, and install lighting at the interchange. Work currently involves placing fill dirt, installing drainage, and constructing the new over-

pass and roadways. US 27 traffic is using the newly constructed lanes. The SR 80/US 27 intersection is temporarily shifted to the north. Expect intermittent lane closures on US 27. Motorists travelling east and west on SR 80 must use caution at the US 27 intersection and follow the posted speed limit of 25 MPH. Be aware of construction vehicles entering and leaving the work zone and to use caution driving in this area. Project completion is estimated at end of year 2013.

SR 80, from Birchwood Parkway to Dalton Lane: This project expands five miles of existing two-lane roadway to four-lanes. Crews are constructing two new 12-foot lanes to the south of existing roadway, installing drainage and building new bridges over the C1 Canal. Cedarwood Parkway is closed at SR 80 till May 25 while crews install drainage pipes and reconstruct the intersection. Use Birchwood Parkway or Cowboy Way to access SR 80. Estimated completion is summer 2014.

LES hosts county spelling bee

Ten schools were represented Tuesday night, May 7, at the Hendry County Spelling Bee held at LaBelle Elementary School. (Central Elementary, Clewiston Christian, Clewiston Middle, Country Oaks Elementary, Eastside Elementary, Harvest Academy Christian, LaBelle Elementary, LaBelle Middle, Upthegrove Elementary and Westside Elementary). Each of these schools sent two spellers to compete for the title of Spelling Champion ranging from grades 3-8. Participating students are as follows: Elvis Amaya and Michael Johnson from CES, Dustin Nguyen and Macy McDonald from CCS, Kathy Gomez from CMS, Gianni Perez, and Laelynn Bottoms from COES, Dakota Ali, and Priscila Contreras from EES, Edrick Thomas from HACS, Raymond Zamora and Kevin Luna from LES, Shareefa Saheed and Jocelyn Dzuong from LMS, Mario Bustamante and Rhett Conly from UES, and Kyla Baldonado and Dawnyelle Jeudy from WES. Students were thinned out one by one until after more than 20 rounds, Kyla Baldonado, a third grader at Westside Elementary was declared the Spelling Bee Champion. second place was Jocelyn Dzuong, a 6th grader from LaBelle Middle and third place was Raymond Zamora, a 5th grader from LaBelle Elementary. All the students in the bee did an exceptional job. A Special Thank You to all those that contributed to the success of this special evening.

Stories of LaBelle

Years ago, the city of LaBelle had a project to video tape many of the 'old timers'

who told very interesting stories of life of years gone by.

Museum member Pat Johnson has put them all on individual DVDs to preserve them.

Again, they are filed, safe in today's technology in the museum, but there is so much history, and so many interesting stories that need to be available to everyone - sitting at a computer - in their own home - or in book form.

This is a project that we, as today's residents, now have the opportunity to see, hear and write these stories - for future generations to try to imagine life so long ago!

It was an enjoyable day for kids and adults as the new golfers learned about the game and practiced new-found skills at The Glades Resort. Seated front row from left: Hannah Boon, Haley Boone, Kala Howard, Jacob Howard. Back row: Zachary Reyna, Matthew Reyna, Joe Vidaurri, Enrique Hernandez. Standing in the rear is golf instructor Gary McDaniel.

Another successful golf clinic for kids planned at Glades Resort

A golf clinic for kids, 10-18 years of age, was held at The Glades Resort Saturday, May 11. L.W. Howard coordinated the event with Gary McDaniel, certified golf instructor.

Instruction in driving, chipping, putting and golf etiquette was taught. The kids had a great time and were very responsive to the instruction.

Great appreciation to Porterfield Oil Company, LaBelle Ranch Supply and Free Beer Custom Rods for their generosity in helping sponsor this clinic.

Another clinic will be scheduled later this summer with the LaBelle Recreation Department as hosts. The schedule and time will be announced and will be held at the new driving range at the LaBelle Sports Complex, located on Forrey Drive, north of Edison State College. All kids ages 10-18 will be invited and it will be free of charge.

Thank you, Kenny McDaniel, and all of the employees at the Glades Resort for your help and support.

Independent Newspapers will never accept any advertisement that is illegal or considered fraudulent. In all cases of questionable value, such as promises of guaranteed income from work-at-home programs - if it sounds too good to be true, chances are that it is. If you have questions or doubts about any ad on these pages, we advise that before responding or sending money ahead of time, you check with the Better Business Bureau at 772-878-2010 for previous complaints.

Some 800 and 900 telephone numbers may require an extra charge, as well as long distance toll costs. We will do our best to alert our reader of these charges in the ads, but occasionally we may not be aware of the charges. Therefore, if you call a number out of your area, use caution.

Fishing Camp at Riverside

Riverside Retreat is proud to announce its newest offering! In addition to this year's "Faith Alive" summer program, the camp is partnering with the Florida Youth Conservation Centers Network to facilitate a week-long day camp that focuses on fresh-

water angling and ecology. Children in the 3rd-8th grade will get to experience a week of hands-on activities covering topics such as habitats, species ID, choosing and catching bait, basic boating safety, casting/reeling techniques, and preparing their catch! At the end of the week, families are invited to come to camp as their children show off their skills and enjoy a fish-fry! Pick-up and drop-off for families will be available via the LaBelle/Hendry County Recreation bus at the former

U-Save parking area in LaBelle. Scholarships are available! Contact Chelsey Hernandez at 863-675-0334 or RiversideRetreatPrograms@gmail.com for more information.

LHS Classes of the '80s

Public Notice

PUBLIC NOTICE OF INTENT TO ISSUE AIR PERMIT

Florida Department of Environmental Protection
South District Office, Engineering and Permitting Section,
Draft Minor Source Air Construction Permit
Project No. 0510003-055-AC
United States Sugar Corporation, U.S. Sugar Clewiston Facility
Hendry County, Florida

Applicant: The applicant for this project is United States Sugar Corporation. The applicant's authorized representative and mailing address is Neil Smith, Senior Vice President and General Manager, Sugar Manufacturing, U.S. Sugar Clewiston Facility, 111 Ponce De Leon Ave., Clewiston, Florida 33440.

Facility Location: United States Sugar Corporation operates the existing U.S. Sugar Clewiston Facility, which is located in Hendry County at W.C. Owens Avenue and S.R. 832 in Clewiston, Florida

Project: Currently a single baghouse (S-4) serves the sugar refinery packaging lines. U.S. Sugar is planning to add an additional packaging line. To accommodate this new packaging line, and also to provide greater flexibility to the refinery operations, U.S. Sugar is adding a new baghouse to replace the existing packaging line baghouse that serves the packaging operations, and use the existing packaging line baghouse to serve the bulk loading operation. (S-17). The new baghouse for the Sugar Packaging Lines (S-4) is designated as emission unit EU-022. It is rated at an outlet gas flow rate of 16,500 (acfm) with emissions of particulate matter (PM) at 0.38 lb/hr and a maximum annual emission rate of 1.68 tons per year (TPY). The existing baghouse is re-designated as emission unit EU-045 and is re-located to serve the Bulk Loadout Operations (S-17). It has a gas flow rate of 10,600 (acfm) with emissions of particulate matter (PM) at 0.21 lb/hr. The combined emissions of both baghouses is 2.58 tons per year. These emission units (EU) are part of a facility that is major for prevention significant deterioration (PSD). However, this project is not subject to PSD review.

Permitting Authority: Applications for air construction permits are subject to review in accordance with the provisions of Chapter 403, Florida Statutes (F.S.) and Chapters 62-4, 62-210 and 62-212 of the Florida Administrative Code (F.A.C.). The proposed project is not exempt from air permitting requirements and an air permit is required to perform the proposed work. The Permitting Authority responsible for making a permit determination for this project is the Department of Environmental Protection's Engineering and Permitting Section in the South District Office. The Permitting Authority's physical address is 2295 Victoria Avenue, Suite 364, Fort Myers, Florida 33901. The Permitting Authority's mailing address is P.O. Box 2549, Fort Myers, Florida 33902-2549. The Permitting Authority's telephone number is (239) 344-5600.

Project File: A complete project file is available for public inspection during the normal business hours of 8:00 a.m. to 5:00 p.m., Monday through Friday (except legal holidays), at the physical address indicated above for the Permitting Authority. The complete project file includes the Draft Permit, the Technical Evaluation and Preliminary Determination, the application and information submitted by the applicant (exclusive of confidential records under Section 403.111, F.S.). Interested persons may contact the Permitting Authority's project engineer for additional information at the address and phone number listed above. In addition, electronic copies of these documents are available on the following web site:

<http://www.dep.state.fl.us/air/emission/apds/default.asp>

Notice of Intent to Issue Air Permit: The Permitting Authority gives notice of its intent to issue an air construction permit to the applicant for the project described above. The applicant has provided reasonable assurance that operation of proposed equipment will not adversely impact air quality and that the project will comply with all appropriate provisions of Chapters 62-4, 62-204, 62-210, 62-212, 62-296 and 62-297, F.A.C. The Permitting Authority will issue a Final Permit in accordance with the conditions of the proposed Draft Permit, unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57, F.S. or unless public comment received in accordance with this notice results in a different decision or a significant change of terms or conditions.

Comments: The Permitting Authority will accept written comments concerning the proposed Draft Permit for a period of 14 days from the date of publication of this Public Notice. Written comments must be received by the Permitting Authority by close of business (5:00 p.m.) on or before the end of the 14-day period. If written comments received result in a significant change to the Draft Permit, the Permitting Authority shall revise the Draft Permit and require, if applicable, another Public Notice. All comments filed will be made available for public inspection.

Petitions: A person whose substantial interests are affected by the proposed permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed with (received by) the Department's Agency Clerk in the Office of General Counsel of the Department of Environmental Protection at 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000 (Telephone: (850) 245-2241). Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), F.S. must be filed within 14 days of publication of this Public Notice or receipt of a written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who asked the Permitting Authority for notice of agency action may file a petition within 14 days of receipt of that notice, regardless of the date of publication. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Permitting Authority's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address and telephone number of the petitioner; the name address and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial rights will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency action or proposed decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so state; (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action; (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action including an explanation of how the alleged facts relate to the specific rules or statutes; and, (g) A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the agency to take with respect to the agency's proposed action. A petition that does not dispute the material facts upon which the Permitting Authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Permitting Authority's final action may be different from the position taken by it in this Public Notice of Intent to Issue Air Permit. Persons whose substantial interests will be affected by any such final decision of the Permitting Authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation: Mediation is not available for this proceeding.

Pack 9 goes 'sailing'

Cub Scout Pack 9 put on its first Raingutter Regatta Saturday, May 18, at the pavilion in Barron Park as part of its final meeting of the year. Regatta awards went to: Joel Joreski for Most Creative, third place to Bryce Johnson, second place to Gage Sluder and first place to Tyler Nisbet. The troop wishes to thank the LaBelle Kiwanis Club for presenting them with the regatta trough and boat kits.

Bridging to their future

On May 9 nearly 80 Girl Scouts from Hendry/Glades County participated in a long-standing Girl Scout tradition of "bridging." The Bridging Ceremony is where the girls move from one Girl Scout level to the next, although every girl participates. Girl Scouting in the area has enjoyed a successful year, with even more planned for next year. Girls involved with Girl Scouts have fun making new friends, learning new things, camping and helping in the community. This year alone the girls served our community by decorating the Hendry House for Christmas, supplying peanut butter to our local LaBelle Salvation Army, helping during Kiwanis Kids Day and helping at the United Way Open House just to name a few. Girl Scouting begins at the kindergarten level as a Daisy (K-1), moving to Brownie (2-3), Junior (4-5), Cadette (6-8), Ambassador (9-10), Senior (11-12), and finally to adult. Contact Jenifer Welch 239.561.1800 ext. 407 or jeniferw@gsgcf.org for girl membership and adult volunteering opportunities.

Short Sales... Know your options!

It's no secret, in today's economy many homeowners are faced with financial difficulties. The monthly mortgage payment continues to increase due to interest rate adjustments, increased homeowners insurance and property taxes. At the same time, market values have decreased due to the rising rate of foreclosures in Florida. All this combined can be very overwhelming! So if you are faced with this situation, it is crucial to know your options.

Chelo Lopez

With a short sale, you sell your property for a discounted price which is acceptable to your lender. The price is usually determined by an appraisal or a Broker's opinion of value. Once the sale is complete, the lender agrees to remove the existing mortgage. The unpaid balance of the loan or "Short Fall" is called a deficiency.

Now, not all short sales are the same and not all have the same outcome. Just because the lender agrees to release the lien on the property, does not necessarily release the homeowner from their obligation to pay back the balance or deficiency. However, in many

cases, this may be negotiated and the lender may possibly waive the deficiency. To be considered for Short Sale, the lender will require documentation from the homeowner proving financial hardship. If you qualify, the lender may also offer an incentive such as relocation funds.

Attempting to navigate the Short Sale process without proper guidance can be challenging. Be sure to contact a professional Real Estate agent to guide you and assist you in achieving a successful Short Sale on your home. Don't wait until the foreclosure date is set or you've been served with eviction documents.

If you owe more than your home is worth in today's market or you are behind on payments, you may want to consider a "Short Sale". A "Short Sale" may have less of an impact on your credit than a foreclosure.

If you would like more information regarding the Short Sale process contact Riverside Real Estate, Inc. at 863-675-2718 for a confidential meeting.
