MICH CANNOT AFFORD CHILDREN

Bester Class Have Too Much Taxes to Pay, Says Woman.

New York, Nov. 16.-The better class of people in New York cannot afford families. They have too much to pay in taxes to support the large famflies of the thoughtless poor."

Tals was the bomb which Mrs. S. B. Corey exploded yesterday at the Society for Political Study in a resume of the evils patent now New Yorkers stand, created the greatest sensation in the society's history.

"New York property owners," said Mrs. Cory, "pay increasingly large taxes every year, due mainly to the smormous immigration. 'Who, may I mak, would wan tto pay taxes to edmeate children that should never have been brought into the world? Why should the thrifty pay for the shift-Sess?"

"I am not so un-Christian as to say the children who come here cannot be cared for; but just so long as the taxpayers pay for expensive play grounds, etc., the children of the poor will increase like rabbits in a burrow. No wonder our houses of refuge and reformatories are filled."

No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. J. W. McCollum & Co.

Silver Service For Cruiser.

Washington, Nov. 16 .- The navy department has ordered the cruiser Charleston recently commissioned, to proceed to sea from Norfolk, for a "shake-down" cruise outside the Virginia capes. The Charleston will be kept in wireless communication with the coast during her stay at sea. The Charleston will then go to Charleston S. C., to receive a silver service to be presented by the city.

Montgomery Street Railway Sold.

Montgomery, Ala., Nov. 16 .- It is understood here that the Montgomery Traction company has bought the lines of the Mantgomery street ranway. Not long ago \$600,000 were refused for the saystem from the same people, and the presumption is that the price is in exseess of that fifters.

Constipation.

Health is absolutely impossible if constipation be present. Many serious cases of liver and kidney complaint have sprung from neglected constipation. Such a deplorable condition is unnecessary. There is a cure for it. Herbine will speedily remedy matters. C. A. Lindsay, P.
