FIRST PEACHES SHIPPED NORTH

They Were Shipped by Gainesville Peach Orchard Conpany.

THE FRUIT WAS HANDSOME

Was of the Jewel Variety, Very Large, Fine and Firm, and Will No Doubt Bring Good Prices in the Northern Markets.

The first peaches of the season moved Wednesday, making the season about two weeks earlier than last year. While the crop will be short, the fruit has matured somewhat earlier, which enabled the Gainesville Peach Orchard Company, who nave a magnificent orchard at Palmer, to ship several days earlier than any other orchard in the South.

Superintendent George L. Taylor had a good force of pickers at work during Tuesday and Wednesday, and Wednesday had picked and packed several crates, which went by express to the Northern markets. They were of the Jewel variety, and being the first on the Northern market, will no doubt realize handsome prices.

The orchard of the Gainesville Peach Orchard Company is not only one of the largest, but one of the finest and best managed in the State, and had it not been for the continued drought would have made a big showing this season. As it is, they will not come short of making the best yield in this section of the State. They have several varieties, all of which are the best, coming into bearing at various seasons, which will give them a crop throughout the entire season.

Mr. Stewart Returns.

D. H. Stewart, one of the best known and most efficient railway clerks in the country who has been in Fernandina for the past few years, has returned to Gainesville, and is now connected with the Seaboard at this point.

Mr. Stewart was here several years ago, and his many friends are glad to welcome him again.

MARSHAL ARNOW MADE GOOD HAUL

Arrested Small Colored Boy in Act of Robbing Postoffice.

IMPLICATED TWO WOMEN

As Soon as Boy Was Locked Up He Confessed to Everything, and Accompanied Officer to Home of Minnie Small, Where Traces Were Found

Marshal Benj. T. Arnow on Tuesday evening made another important arrest, this time being William Small, who is not only "Small' in name, but very small for the age he gives—ten years. At any rate, he is a young criminal faced with a grave charge, for he was detected in robbing the postoffice, and must answer to the Federal grand jury upon this charge.

Marshal Arnow was in the postoffice Tuesday evening, when he noticed the boy open two boxes. He was immediately placed under arrest, and in his shirt bosom there were numerous letters addressed to the Singer Sewing Machine Company and The S. J. Thomas Company, the renters of the boxes which he had just entered. One of the envelopes had been torn open, and therein Marshal Arnow found a money order for $8.75.

The boy was placed in jail, and soon confessed to everything. He implicated Minnie Small and Carr Bingham, and told the officer if he would let him out and accompany him to the Small woman's house he would show where she put the letters, and afterwards burned them. The officer accompanied him, and placed the two women implicated under arrest. They were placed in prison, and Wednesday morning the trio were arraigned before Justice Colman. The boy was remanded to jail to await the action of the grand jury, Minnie Small was released under bond and Carrie Bingham, against whom there appeared to be no evidence, was released.

This was a great victory for Marshal Arnow, who is making a most excellent officer.

Are Measuring Immigrants.

Copenhagen, May 22—The authorities throughout Scandanavia, have begun to measure immigrants by the Bertillon system in accordance with instructions from the government issued at the request of the United States. These steps were resented by the immigrants who declared they were not thieves or criminals, but free citizens and thought they were going to a free country. A number demanded the return of the money they had paid for transportation, and it was given them.

Many Injured Near Opelika.

Columbus, Ga., May 22.—While rounding a curve at Buck Creek fill, 50 miles from Columbus, near Camp Hill, Ala., at 11 o'clock Monday morning, traveling 30 miles an hour, Central of Georgia railway passenger train No. 2, from Birmingham to Columbus, flew the rails, and two passenger coaches tumbled down the embankment. While no one was killed, there were over thirty passengers injured. The engine and two baggage cars were not derailed.

Vatican's Scheme of Financial Reform

Rome, May 22.—It is stated on good authority that the vatican's scheme of financial reform provides that expenditures be limited to the income derived from landed property and invested capital. Hereafter the vatican will not rely upon the Peter's pence fund. The application of the reform is immediate. It is hoped that it will increase the independence of the Holy See and prevent attempts at financial pressure.
