CURED ITCHING PAINFUL HUMOR

Which had Spread Over Face, Body and Arms—Swellings were as Large as a Dollar—When they Broke, Sores would Not Heal—Suffered 3 Years.

MADE SOUND AND WELL BY 3 SETS OF CUTICURA

"My trouble began about three years ago with little black swellings scattered over my face and neck. They would disappear but they would leave little black scars that would itch at times so I couldn't keep from scratching them. Larger swellings would appear in the same place and they were so painful I could hardly bear it and my clothes would stick to the sores. The first doctor I went to said the disease was scrofula, but the trouble only got worse and spread. By this time it was all over my arms and the upper part of my body in big swellings as large as a dollar. It was so painful that I could not bear to lie on my back at night. The second doctor pronounced my disease inflammation of the lymphatic glands. He stopped the swellings, but when they would break the places would not heal. He tried everything that he could but to no effect. He said I might be cured but it would take a long time. I bought a set of the Cuticura Remedies and used them according to directions and in less than a week some of the places were nearly well. I continued with the Cuticura Remedies until I had used three sets, and now I am sound and well. The disease lasted three years from the time it commenced until I was cured. Before Christmas something broke out on my seven year old brother's hands in the form of large sores. I tried everything I could think of but to no effect until I happened to think of Cuticura and one application cured him. Also, not long ago, my sister got a bad burn on her ankle. I have been using Cuticura on that and it gave her scarcely any trouble. O. L. Wilson, Puryear, Tenn., Feb. 8, 1908."

Warm baths with Cuticura Soap, gentle anointings with Cuticura Ointment and mild doses of Cuticura Pills, afford immediate relief and point to a speedy cure of torturing, disfiguring humors of the skin, scalp and blood of infants, children and adults, when all else fails.

Cuticura Soap (25c.) to Cleanse the Skin. Cuticura Ointment (50c.) to Heal the Skin and Cuticura Resolvent (50c.), (or in the form of Chocolate Coated Pills, 25c. per vial of 60) to Purify the Blood. Sold throughout the world. Potter Drug & Chem. Corp., Sole Props., Boston, Mass.

Prospective Settlers.

Messrs. Avery, Henderson and Brown, three capitalists of Fort Valley, Ga., were in the city two or three days last week prospecting in farming lands, with a view of making purchases and locating energetic farmers in Alachua county. They were driven over various sections of the county by J. W. Patton, and expressed themselves as being well pleased, declaring the lands as a whole to be the best they have visited so far. They may decide to purchase several tracts in the vicinity of Gainesville.

WORD FROM LIEUT. TAYLOR.

Writes Father From Honolulu, Stating That He Is Well and Hearty.

Lieutenant H. LeRoy Taylor, U. S. A., who left San Francisco some time ago for the Philippines, where he has been assigned to duty, writes his father, H. E. Taylor, from Honolulu, Hawaiian Islands, under date of October 13th, that he is "well and hearty," and that the voyage so far has been very pleasant.

Lieutenant Taylor is making the voyage aboard the Government transport Thomas, and states that he is associated with the most genial company. The distance covered is not quite half way to Manila, where the party will disembark, but inasmuch as the letter stated that the transport would remain in the port of Honolulu for several days, no definite schedule was announced as to the time the Thomas was expected to arrive at destination.

Lieutenant Taylor's numerous friends in Gainesville and throughout the State will be pleased to learn that he is enjoying good health.

The pineapple growers of Saint Lucie county are very much interested in the subject of marketing their crops, and an active campaign is being conducted by R. K. Goodwin of Fort Pierce, who is an enthusiastic advocate of the Florida Citrus Exchange. As a result of the campaign five local associations of growers have been formed. The crop of this county is about 600,000 crates.

SPITTING NUISANCE.

Hawking and Spitting Is Caused by Catarrh Germs.

If the local authorities want to stop the disgusting habit of spitting mucous on the sidewalks, they had better instruct the people as to the best method of killing the catarrh germs and curing catarrh.

You can easily tell by reading the symptoms below whether you have catarrh or not:

Offensive breath, frequent sneezing, discharge from nose, stoppage of the nose, huskiness of voice, tickling in throat, droppings in throat, a cough, pain in chest, loss of strength, variable appetite, spasms of coughing, low spirited at times, raising of mucous, difficulty in breathing, loss of vital force.

J. W. McCollum & Co. have a sensible remedy (money back if it fails) for catarrh, called Hyomei, which is a vaporized air so antiseptic that when it is breathed over the inflamed and germ-infested membrane, it kills all germ life and cures catarrh.

The price, including hard rubber inhaler, is only $1.00, and money back if it doesn't cure. Extra bottles, 50 cents.

"I have tried almost every catarrh cure on the market without benefit. Have been using Hyomei for one week and feel like a new man already."—Wm. V. Goode, Newark, Ohio, June 21, 1909.
