MARION COUNTY FAIR WAS A GRAND SUCCESS

FARMERS AND OTHERS MANIFESTED DEEP INTEREST.

Live Stock Exhibit Was Especially Fine, and Races Attracted People From Every Section.

The Sun representative visited the Marion County Fair at Ocala on Friday and can state that it was even a greater and better success than could have been anticipated at the beginning of the season.

One very noticeable feature for the management was the absence of so many of the side show attractions that always congregate at such places for the purpose of graft, but it can be said that the dozen or more attractions that were on the grounds were far above the ordinary.

It was the intention of the managers and promoters of the fair to make a showing of the products of the soil as well as the advancement in live stock, poultry and the like, and in this they were entirely successful, for no grander showing could have been made by a number of counties.

Corn was king at the fair, and the many exhibits on display showed what a marked improvement had been made in this direction by the farming element.

Potatoes, cane, hay, and in fact everything in the way of products of the farm, was there, and in great quantities, while the individual booths of the live and progressive firms of Ocala were all neatly and tastefully arranged and reflected great credit upon the exhibitors.

During the past three months Secretary Williams and President Robinson have been hard at work soliciting exhibits and preparing the grounds, and the large additional space they had made for the reception of the exhibits was taxed and the places were crowded to the utmost.

If our sister county can make such a grand showing, the question is asked, how much more would it be to have the two counties combine next year and give a fair that will eclipse everything that was ever attempted in the State.

Large crowds of Alachua county people were present during the fair, but this would have been greatly increased had the special train service that was agreed upon been given, and not annulled at the last moment on account of the Jacksonville carnival.

Marion county has, through the fair association, made a grand showing, and one that will do much to advance her interests.

One of the special features of the fair was the horse racing, which attracted a great deal of attention. These races included some of the finest horses in the country, and formed a part of the great success of the fair.

NEWS OF CITY AND COUNTY CONDENSED

Ted Schiradaressi, the clever day clerk at the Brown House, left yesterday for Jacksonville, where he will visit friends. Ted will be missed behind the counter at this popular hostelry, but his vacation is well earned, and friends trust that he will have a "big time."

When a cold becomes settled in the system, it will take several days' treatment to cure it, and the best remedy to use is Chamberlain's Cough Remedy. It will cure quicker than any other, and also leaves the system in a natural and healthy condition. Sold by all druggists.

W. B. Alexander of Baltimore, who sells shoes and has a large number of friends in this section of the State, has been in the city for the past day or two in the interest of his firm. Mr. Alexander says he always likes to come to Gainesville, because it's the best town on his route.

The old, old story, told times without number, and repeated over and over again for the last 36 years, but it is always a welcome story to those in search of health—There is nothing in the world that cures coughs and colds as quickly as Chamberlain's Cough Remedy. Sold by all druggists.

Mesdames C. R. Wood and E. E. Prince, and Miss Mamie McGrew, who have been in Jacksonville for the past three or four days on a visit to friends, returned to their home here last night. They have many friends in Jacksonville who were glad to greet them and show them over the numerous carnival attractions.

Croup is most prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Many mothers are never without it in their homes and it has never disappointed them. Sold by all druggists.

Attention is directed to the advertisement of the Wilson Company, which appears elsewhere in this issue. This enterprising firm is desirous of reducing the big stock of millinery, and is offering extra inducements for the next few days. The firm is also offering a special reduction in tailor-made skirts for the next few days.

C. D. Dennis, the clever mine superintendent of the Dutton Phosphate Company, after a brief visit to Jacksonville and the carnival, was in the city yesterday. Mr. Dennis makes his headquarters at Dutton, from which point he directs the extensive movements of the Dutton Company's mines, the most important phosphate mines in the State.

Chas. W. Bartleson, formerly of this city but now residing in Jacksonville, has returned to his home, after a couple of days pleasantly spent here. Mr. Bartleson attended the football game between Florida and Stetson, and, while he declared it was a fine game, he preferred to see Florida win. This was natural, as Mr. Bartleson still feels that he is "one of us."

Edwards & Flowers, the furniture people who are located on East Liberty street, are very anxious to close out their business, in order to engage in some other line, and are offering exceptional bargains, even on the installment plan. They have a line of fine goods, and it would pay those contemplating making purchases to call and look over the stock.

Col. Geo. D. Martin and wife of Petersburg, Indiana, are in the city, and will be located with Mrs. Tinsley for the season. Col. Martin is well pleased with Gainesville, which he declares to be one of the best towns he has ever seen. He is pleased with the residences and business houses, which he says are up-to-date, and in all Gainesville is up to date in every way.

DELIGHTFUL RECEPTION

Tendered at the Home of Miss Eula Clarke Friday Afternoon.

Friday afternoon between the hours of four and six the hospitable home of Miss Eula Clarke was the scene of unusual beauty, when the doors were thrown open for many friends to have the pleasure of meeting her sister, Mrs. D. M. Clarke, and Miss Bert Faircloth, of Dothan, Ala.

The guests were ushered in by Misses Otelia Medlin and Lillian Clarke, where they were met by Mrs. T. P. Hay and Mrs. Geo. Brumley, who presented them to the receiving line, Miss Clarke, Mrs. D. M. Clarke, Miss Faircloth, Mrs. Ed Clarke, Mrs. Dora Clarke and Mrs. Chas. Faircloth. A bevy of beautiful women standing under a spreading Florida palm presented a charming scene.

The hostess was beautifully gowned in pink messaline; Mrs. D. M. Clarke looked regal in a draped model of yellow messaline with crystal trimmings; Miss Faircloth, a pretty brunette, looked charming in blue messaline; Mrs. Ed Clarke, in a handsome gown of wisteria cloth; Mrs. Dora Clarke, the mother, was gowned in black satin; Mrs. Chas. Faircloth was her usual charming self in a beautiful crepe-de-chine.

Mrs. Davis and Mrs. Jim Dell, Mrs. W. M. Johnson and Miss Dennis, received the guests in the dining-room, where they were served to a delicious salad course. The color scheme was white and green. The table was in cluny with crystal and silver appointments with a magnificent centerpiece of white chrysanthemums and lilies of the valley.

Mrs. J. D. Stringfellow and Mrs. Rachael Haile served coffee and cream, assisted by Mrs. Oscar Morris and Mrs. Evans Haile, and Misses Pedrick, Sadler, Eddins, L. Vidal, E. Vidal, Burkhim, McDowall and Whilbrow of Spartanburg, S. C.

From here the guests were invited into the drawing-room by Mrs. W. J. Denby. This room was banked in pink roses, and here delicious punch was served by Misses Hochstrasser and King. The punch bowl was in a bower of grapes and leaves, and was a thing of beauty.

Music was dispensed during the afternoon, lending a delightful charm to the occasion.

The bride, by her charming manner, has won the hearts of all who had the pleasure of meeting her, and all hope that she will decide upon Gainesville as her future home.

Coburn's Minstrels.

Davis Brothers, musical comedians and instrumentalists, are one of the strong features with Coburn's Greater Minstrels this season. They are musicians of a very high order, and present many novelties in their specialty which are new to the usual run of musical acts. George Davis, the comedian, is the funmaker and his droll humor and ridiculous capers keep the audience in an uproar while his instrumental work is of the very best quality. They were for two seasons a feature with the Hi Henry Minstrels and are an acquisition to Manager Coburn and his big show. Don't forget the date, next Friday, at the Baird Theatre.
