It is expected that work on the extension will begin at an early date.

The eating of Hamburger steak caused intense suffering among members of the family of John Rhodes of Tampa a few days ago. At dinner they ate heartily of the meat, giving the residue to the pet dog of the house, and within a very short time all were taken with violent cramps and nausea, even the canine becoming so seriously affected as to mourn pitifully and act as if sea sick. All have recovered from the poisoning, however.

A peculiar accident occurred at the fort near Pensacola a few days since while the Twenty-Second Company of artillery were at practice. After firing the trial shots smoothly enough, the first projectile, which weighed 417 pounds, was touched off, and exploded while within twenty or thirty feet of the muzzle of the gun. The explosion was of such force that the windows and sashes in the power-house at the fort were shattered and the dynamo stopped. Pieces of the projectile went in all directions, but fortunately none hit where the officers and men were located, which is considered almost a miracle.

A HARD STRUGGLE

Many a Gainesville Citizen Finds the Struggle Hard.

With a back constantly aching,
With distressing urinary disorders,
Daily existence is but a struggle.
No need to keep it up.
Doan's Kidney Pills will cure you.

Gainesville people endorse this claim:

Mrs. Eliz. Ratherree, 201 W. McCormick street, Gainesville, Fla., says: "For years I suffered from dragging pains in my back, often so severely that I could not move. The secretions from my kidneys were also irregular in passage and caused me further annoyance. Any cold I contracted aggravated my trouble and at such times I was in misery. A friend finally advised me to try Doan's Kidney Pills and I did so. The first few doses gave me relief and when I had taken the contents of one box, the pains disappeared and my kidneys became normal. Doan's Kidney Pills cured me and I am glad to give them the credit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

UNIVERSITY PLACE SUB-DIVISION

Gainesville, Florida, Dec. 19th, 1900.

DEAR MR. SANTA CLAUS—

The other day we heard a bright child say that you could make his heart glad by leaving in his stocking a Bond for a Lot in Gainesville. He preferred the Lot to be in UNIVERSITY PLACE, but he would leave the location to you, trusting in your wisdom to know that UNIVERSITY PLACE Lots would be something that on each coming Christmas he could remember that you gave him something really worth while and in later years when ready for his higher education, the profits from this one Lot would pay his tuition through the University of Florida.

Give the boys and girls their candies and toys and then something really worth while. They will thank you for it in the days to come. It's up to you, St. Nickolas.

Sincerely yours,
THE HAMPTON-WATSON CO.

REV. WILSON COMES HERE.

Is One of Most Earnest Workers of the Methodist Conference.

Rev. Edgar S. Wilson has been assigned to the Gainesville church of the Methodist denomination, and he will no doubt prove a hard and efficient worker in the cause of Christ.

Rev. F. R. Bridges, who has served the church here for the past year, desired a change, and was given the Plant City church for the coming year, which he will no doubt fill to the satisfaction of that congregation.

Rev. Wilson brings with him a reputation of being a very earnest worker and was transferred from the Hyde Park church at Tampa. He was formerly pastor for the Methodist church at Tallahassee and his work there was most satisfactory, all of which will be most gratifying to the large congregation he comes to serve.

MADE TWENTY-FIVE BARRELS.

Commissioner Dampier Gets Fine Returns From Cane Patch.

Commissioner J. G. Dampier, who is chairman of the board, is somewhat of a good farmer and besides the numerous other products he raised upon his well adapted farm during the past year, has succeeded in making a great deal of syrup from a small acreage.

During the season just closed he was busy for some five weeks grinding cane and making the same into syrup and sugar and succeeded in making twenty-five barrels of choice syrup, besides a large sugar barrel of the best brown sugar.

Most of the syrup put up by Mr. Dampier was bottled and by this process it required a great deal more attention than it would have ordinarily if placed in barrels, but he finds this method the most successful for he has customers distributed in all sections of the State.
