Putnam county will build a \$40,000 court house by the payment of \$2,000 in notes annually for twenty years, and not bond.

Orlando held a very successful horse race meeting last week, although the track did not suffer any damage from being burned.

Daniel Martin, colored, was arrested at Ocala and taken to Jacksonville on a charge of assault with intent to murder Laurie Thomas, last Christmas.

While the political "fences" in many localities are being put in condition, Daytona is making improvements on her bridges. They are needed at that place.

T. H. Albritton of Chicora, Polk county, is 88 years old and has so many living relatives (170) that he can't bear the thought of dying, for fear any trouble in settling up his estate would cause a general war.

Among the trophies to be offered in the Atlantic-Pablo Automobile tournament early in April is one presented by Sara Bernhardt. It is a gold and silver statuette of herself and will be given to the winner of the great event, the sixty mile race for a record.

The West Hillsborough Press says of Clearwater: "Are we going to bond the town for sewerage and other improvements? It's up to the property owners. These improvements are needed, yes, but whether they are forthcoming right away remains to be seen."

J. O. Ryals of Branchton, Hillsborough county, was shot by his son on Sunday. The boy had a gun in his hands which he didn't know was loaded, and called to his father, "Hands up, or I'll shoot." Veteran Engineer Killed. Atlanta, March 13.—H. D. Spinks, perhaps the oldest railroad engineer on the Southern railroad between Atlanta and Washington, was killed Sunday 6 miles this side of Greenville, S. C. Mr. Spinks fell or was thrown from his cab in a manner of which his family here had not been informed. He was 60 years of age, and had been running between Atlanta and Greenville for thirty-five years. He is known to every railroad man on the Division, and to nearly all in Atlanta.

Do Not Be Imposed Upon. Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. McCollum & Co.

TWO OPEN LETTERS

IMPORTANT TO MARRIED WOMEN

Mrs. Mary Dimmick of Washington tells How Lydia E. Pinkham's Vegetable Compound Made Her Well.

It is with great pleasure we publish the following letters, as they convincingly prove the claim we have so many times made in our columns that Mrs.

Mrs. Mary Dimmick

Pinkham, of Lynn, Mass., is fully qualified to give helpful advice to sick women. Read Mrs. Dimmick's letters.

Her first letter: Dear Mrs. Pinkham:— "I have been a sufferer for the past eight years with a trouble which first originated from painful periods—the pains were excruciating, with inflammation and ulceration of the female organs. The doctor says I must have an operation or I cannot live. I do not want to submit to an operation if I can possibly avoid it. Please help me."—Mrs. Mary Dimmick, Washington, D. C.

Her second letter: Dear Mrs. Pinkham:— "You will remember my condition when I last wrote you, and that the doctor said I must have an operation or I could not live. I received your kind letter and followed your advice very carefully and am now entirely well. As my case was so serious it seems a miracle that I am cured. I know that I owe not only my health but my life to Lydia E. Pinkham's Vegetable Compound and to your advice. I can walk miles without an ache or a pain, and I wish every suffering woman would read this letter and realize what you can do for them."—Mrs. Mary Dimmick, 50th and East Capitol Streets, Washington, D. C.

How easy it was for Mrs. Dimmick to write to Mrs. Pinkham at Lynn, Mass., and how little it cost her—a two-cent stamp. Yet how valuable was the reply! As Mrs. Dimmick says—it saved her life. Mrs. Pinkham has on file thousands of just such letters as the above, and offers ailing women helpful advice.

ORANGE HEIGHTS.

Beautiful Birthday Gathering—Personal and Local News Items.

Orange Heights, March 13.—A. Jolly is suffering with a cancer on his face. He is being treated by Dr. McKee of Melrose, and his son is here from Oklahoma, who is also a physician. Mr. Jolly is quite old and his friends are very anxious about him.

Orange Heights was well represented at Campville last Friday. Mrs. Bryan, Mrs. Hall, Mrs. Daugherty and son, Harry, Mr. and Mrs. Patterson and Tommy Yancy drove over to attend M. E. Quarterly Conference and do some visiting and shopping.

Several are going from here to Jacksonville Wednesday, to see Sarah Bernhardt.

Mr. Standley of Fairbanks was visiting friends here over the Sabbath.

Mr. and Mrs. Ward of Hawthorn spent a few days with their daughter, Mrs. J. A. King.

Mr. Daugherty has sold his business—furnishing wood to the railroad company at this place—to a Mr. Thomas from Earleton, who has already taken possession.

The writer just peeped into the commodious diningroom of our neighbor, R. E. DASHILL, where twenty-six children between the ages of three and twelve were assembled to celebrate the third birthday of their little son, Leonard. The table was beautifully decorated with roses, honeysuckle and ferns, as only a Floridian can decorate in March. The refreshments were ice cream, candy, cake and nuts. Many and beautiful were the little tokens of remembrance and many indeed were the wishes that Leonard might have many birthdays, and that his life might be a very useful one, and that roses instead of thorns grow in his pathway.

Argentina President Dead.

Buenos Aires, March 13.—Dr. Manuel Quintana, president of Argentina, died Sunday.

TO GROW PEACHES.

Big Orchard To Be Started Near Warm Springs.

Columbus, Ga., March 13.—Another big peach orchard is to be planted on Pine Mountain, near Warm Springs, Ga. An Ohio gentleman has just made an investigation of the situation there, and, after studying the soil and climate and noting the success attained by the others engaged in fruit culture in that section, has decided to woo Queen Alberta himself.

The Pine Mountain Fruit company, of which Captain J. J. Stranahan, formerly of Ohio, superintendent of the fish hatchery at Bullochville, is manager, has 30,000 Elberta trees on the site of Pine mountain, and will ship from 10,000 to 20,000 crates of peaches this season.

The Warm Springs hotel property comprises 2,100 acres, and 600 acres of this consists of a high plateau on Pine mountain, which is said to be ideal for peach-growing purposes. The big Stranahan orchard is not far from this 600-acre tract. It is predicted that it will not be long before these 600 acres are planted in Elbertas.

G. B. Burhans Testifies After 4 Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured, and heartily recommend Foley's Kidney Cure to anyone suffering from kidney or bladder trouble." J. W. McCollum & Co.

Michael Breman Nabbed.

Kittanning, Pa., March 13.—Michael Brennan said to be wanted in connection with the murder of lieutenant of police at Birmingham, Ala., was arrested and placed in jail here on requisition papers from the governor of Alabama, which were received here last September.

THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
