

**CRAZED MAN ATTEMPTS TO KILL TWO PEOPLE**

**WAS BOARDING AT THE MAN'S HOME AT TIME.**

**Old Colored Woman Had Been Employed as a Nurse to Wait on Sick Wife.**

J. M. Verner of Micanopy is now confined in the county jail, having attempted to kill T. W. Wynne and a negro woman by the name of Sanderson at his home near Micanopy on Tuesday night about 12 o'clock.

From what could be learned it seems that the man was crazed. He stated to Sheriff Ramsey when en route to this city that he had attempted to kill both parties and gave a credulous story to substantiate what he said: He was awakened at about 12 o'clock by the screams of his wife, he said, who was sleeping in an adjoining room, together with the old darkey woman, Sanderson, she being employed as a nurse, and that T. B. Wynn was also sleeping in the same room on a pallet at the time. On his entering the room he found Wynn in an uncompromising position with his wife. He at once struck at the man, knocking out a large piece of his head from the left forehead, and afterwards hit the negro on the head.

The wound received by Wynn will prove serious, so the doctors state, but in the case of the negro woman she will recover, and a preliminary hearing will be held in this city as soon as the wife can attend, and the fate of the man Wynn is known.

Verner also stated to Sheriff Ramsey after learning of his wife having made a statement, that he took a bottle and beat it up into small pieces and took several doses of it, but the physician at Micanopy gave him some medicine and up to a late hour last night he had shown no ill effects of having taken glass.

All parties are new-comers to the Micanopy section, and Verner was employed here as a drayman for J. E. Thrasher, while the man Wynn was boarding at his home. The negro woman had been employed as a nurse to wait on his wife during the next few weeks and was there for the pur-

**Do You Get Up With a Lame Back?**

**Kidney Trouble Makes You Miserable.**

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver, or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

pose of looking after her during her coming sickness.

It is the general opinion of a number who have been communicated with that Verner was crazy, and that he has been mentally unbalanced for the past few weeks, in fact since his recovery from a case of typhoid fever.

**IN MEMORIAM.**

B. F. Dawkins, born in Union District, S. C., Jan. 21, 1849, died at his home in this city of paralysis the 28th inst., at 12:19 a. m. He was married Sept. 1, 1892, to Miss Adaline, daughter of E. A. Jeffords, late of this city. He leaves a wife and two girls, Misses Mary and Sarah, and also a sister, Mrs. John W. Tenen. He was one of Major Joshua Dawkins and wife, Sarah (nee) Davidson, both of Union District, and the nephew of Judges James B. Dawkins of this city and Thomas N. Dawkins of South Carolina, and grandson of General Elijah Dawkins of the war with England in 1812. He was also a nephew-in-law to Congressman General James Rogers, a fast friend and contemporary of Andrew Jackson, and Hon. William T. Nuckolls, the friend and compatriot of John C. Calhoun and McCreary.

In the spring of 1865 he had just arrived at the age to be a junior reserve in the Confederate army and went out with Captain, now Judge, Townsend of Union District. He was reared in the Presbyterian faith, but since his marriage had affiliated with the Episcopal Church.

Being raised in affluence he bore the flings and arrows of outrageous fortune since the war patiently and labored as he was able to raise and educate his family. Wrongs he waived aside and pursued the even tenor of his way. He was not a man without faults, but having known him for forty and five years intimately, I can truthfully say that the good in him was immeasurably greater than the bad, for he was loyal always to his friends and charitable to all. May he rest in peace with all his kith and kin who preceded him through the shadowed valley, is the hope of his BROTHER-IN-LAW.

**A Golden Wedding**

Means that man and wife have lived to a good old age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 365. The only way to do this is to keep Ballard's Herbine in the house and take it whenever your liver gets inactive. 50 cents per bottle. Sold by W. M. Johnson.

Some article that is simply "in the way" at your house might, if advertised, be sold to someone who is anxiously looking for it.

Feel languid, weak, run down? Headache? Stomach "off"?—Just a plain case of lazy liver. Burdock Blood Bitters tones liver and stomach, promotes digestion, purifies the blood.
