

**GREAT LEAGUE BALL
LAST OF THIS WEEK**

SERIES OF THREE GAMES WITH
SANFORD BEGIN THURSDAY.

Olympics Are On for a Game Tuesday Afternoon—Have Been Playing "Some Ball."

The coming week will witness the best games of ball that will probably be played here this season, owing to the fact that we will have Sanford here for the three last days of the week.

Besides Bridges, the South Atlantic pitcher, there are a number of other good men in the aggregation, and it is one of the very strongest teams of South Florida and could easily rank with the other teams of the State leagues and be among the leaders at that.

These games will be played, the weather permitting, on Thursday, Friday and Saturday, July 29-31, and parties from nearby places that would like to see the National game played right can come here with the assurance that they will see it.

Manager Davis stated Saturday that he really expected some close scores on this occasion, and that at no time during the series would the score run above three for either team. To come right down to the matter, if a steady game is played throughout the series, it will be 1 and 0 games, or 1 and 2.

The Olympics, one of the strongest of the Jacksonville teams, is coming here for one game on Tuesday afternoon, then the boys get a rest on Wednesday before entering the hard battle that will be against them for three successive days.

BALL DOPE.

Smiling Hendricks got the skates—he had three good clean ones.

Pop Watson says he is off for Jacksonville, but the boys say its Monticello.

Too bad, Hines can't get any tele-

grams—pitch ball, old boy—your time will come yet.

My, but the fans missed Jack in Tuesday's game! He's a good one, but his ankle kept him out.

Soldier Boy Taylor—Gee, wasn't he there in right, and mighty fine at the bat—two hits and a sacrifice.

Harry Denton, the ice cream kid, was there in Tuesday's game and had a "tough" proposition to make those muddy holes to get with us.

Chappell, one of the most popular ball players that ever worked in the South Atlantic League, continues to win games for Albany in the New York State League. Hogan Yancey also continues to hit that ball.—Times-Union, 23rd.

Less than 500 people saw yesterday's game, which is a rather poor showing for this live city. The club has played two good games since returning home and there is no reason why larger crowds should not attend the games. The directors say they can't give the fans a good team without the support of the people and they speak the truth in this matter. It is rather hard to believe that less than 500 people turn out to witness a ball game in Jacksonville, the big city of the State. In Ocala, Gainesville, Palatka, Sanford, Orlando and other Florida towns, the attendance

BURKHIM'S BIG SALE.

Has Full Page Advertisement Announcing the Bargains to Be Had.

L. J. Burkhim, the east side clothier and furnisher, has a page-advertisement in this issue announcing his Prosperity and Remodeling Sale.

He states that his trade has increased more during the past year than ever in the history of the business, and as a result he is going to divide his profits with the people who have traded with him by offering them his tremendous stock of goods at about cost for the next twenty-three days, for the store must be cleared.

He intends making extensive improvements in August and in order to make room for the carpenters will sell the goods as quoted in his advertisement, which will be at 60 cents on the dollar, a discount of 40 per cent.

at ball games often reaches the 1,000 mark, and when you stop and think that less than half that number are turning out to the Jacksonville games, it is not speaking well for the city.—Times-Union, 23rd.

A Golden Wedding

Means that man and wife have lived to a good old age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 365. The only way to do this is to keep Ballard's Herbine in the house and take it whenever your liver gets inactive. 50 cents per bottle. Sold by W. M. Johnson.

Roads in Bad Condition.

J. W. May, county commissioner from Wacahoota, was a visitor here yesterday. He states that the public road which has recently been built in that section is in a bad shape. For the past two weeks there have been a number of automobiles stuck there which had to be pulled out with mule teams, and as a result the road team have been busy.

Soreness of the muscles, whether induced by violent exercise or injury, is quickly relieved by the free application of Chamberlain's Liniment. This liniment is equally valuable for muscular rheumatism, and always affords quick relief. Sold by all druggists.

THE MOTHERS' MEETING.

Interesting Meeting Held at the Residence of Mrs. A. J. DaCosta.

On Monday afternoon, July 21st, the regular Mothers' Meeting was held at the home of Mrs. A. J. DaCosta.

The meeting was opened at thirty by a chorus, "We Are Out for Prohibition." This was followed by a Scripture lesson, and by prayer by Mrs. Hartsfield.

The program for the afternoon was as follows:

Song—"Woman's Cause Shall Win."

Reading—Mrs. Daughtry.

Duet—Mrs. Bridges and Miss Harrington.

Reading—"President Lincoln as a Temperance Man"—Mrs. Starke.

The song, "My Mother's White Ribbon," touched the hearts of all present, and strengthened the realization of the influence of this little emblem of purity and temperance worn by the truest and best women in our land.

The reading, from one of the leading magazines of the day, of an article dealing with the deleterious influence of Coca-Cola was intensely interesting. This article, read by Mrs. Henderson, described the effects of coca, of cola, and the effects of the combination of these two into the beverage now so generally used. To some of the mothers the facts brought out by the article and the discussion that followed came as a revelation, while other members were already familiar with the dangers involved in the use.

One of the members of the society has for years used her pen and her voice in warning mothers of the injurious effects, and as a result of the discussion many of the members resolved and promised to use their influence against the manufacture, sale and use of Coca-Cola.

"A Girl's Crusade Against Corsets," was the subject of a reading by Mrs. Durst. This was followed by a discussion, and a duet by the Misses Bell and May Floyd.

The last number on the program was a reading by Mrs. Gross, which delighted all present, "Tom's Return to the Old Home."

The meeting closed with a social hour during which the hostess served dainty refreshments of cream and wafers.
