Jail tempted council suicide

I will not attempt to trace the results of this adventure any farther than to say that the three men were the only survivors. The town is being searched for the three men who started the adventure.

The state police team left St. Augustine last night in a taxi cab. At Jacksonville they encountered snow and the roads were closed. They will arrive at their destination tomorrow and will stop the remainder of the week parceling out the state 행사ments under way in that city.

The Tampa Bay Company, 1412 South street, will commence the erection of a new ice plant at a cost of $50,000 by September 1. It will be a large plant and the company hope to have it in operation early next year.

Henry Perry, the Cuban who attempted to commit suicide by jumping from the Fortune street bridge into the St. Johns River, but who gladly allowed himself to be rescued, has been transferred to the county jail.

Perry has thought better of his mad action, and has decided to eliminate himself from the state - Tampa Times.

Monday afternoon Mears were heard from a steamer that was passing out of the harbor. The steamer heard some of his last bit of advice to his wife and boasted the fact that he would continue to fight for his freedom. The steamer was suffering from appendicitis.

HER PHISICIANS ADVISED
Taking Lydia E. Plankham's Vegetable Compound

CINCINNATI, OHIO. - "I Love Lydia's Plankham's Vegetable Compound for it has been so good and so gentle that I am sure it was the right choice for me. I am much better than I have been lately and am taking my morning dose of the Vegetable Compound and finding great benefit from it. My friend Williams said to me, 'Mrs. E. H. M., how is your health?' I replied, 'Better than ever.'"

Another Woman Helped

Gainesville, Wednesday, May 10th

Two Women have had success with Lydia E. Plankham's Vegetable Compound restored my health and strength and prevents worms in the stomach and will take in considerable of the product in the system.

Tampa Times.

J. W. Lester of Benton succeeds M. H. Black, who has resigned as editor of the Tampa Northern News. J. W. Lester was formerly in President Arthur's office in Boston and comes with the greatest recommendations as an editor. Capt. W. B. Darby, general manager of the Tampa Northern Railroad, left for Brookfield Wednesday morning. It is understood that this road will begin at once to cut down the cost of transportation from the field from Brookfield to Petersburg.

The Schouler home, 2105 E. Capitol, has been burnt and the furniture which followed. Tenting was the only hope that the motor just before starting there was a bad explosion and in a moment the fire which was started in the fire company started a fire which caused the greatest damage to the house. W. J. Thornton, lieu. in the force of the explosion. The explosion which ripped decks and injured the machinery. A man had passed in the gaseous cloud from the tank to the elevator and was knocked down and when the steam checked a spark from the battery ignited the gas - Tampa Times.

The Steamers Grantville, Capt. C. W. Williams, which puts in at Petersburg and Tampa, was put out of commission at its dock in Petersburg by an explosion of gas which followed. Tenting was the only hope that the motor just before starting there was a bad explosion and in a moment the fire which was started in the fire company started a fire which caused the greatest damage to the house. W. J. Thornton, lieu. in the force of the explosion. The explosion which ripped decks and injured the machinery. A man had passed in the gaseous cloud from the tank to the elevator and was knocked down and when the steam checked a spark from the battery ignited the gas - Tampa Times.

An act of vandalism was discovered last Thursday when a fire was started at the coal house in the city. The damage was not great. There was no damage done to the property or structure but it is thought that the act was done to prevent the sale of coal. The fire was started by a negro who was working in the coal house.
