NATURE'S WARNING

Gainesville People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously. But nature always warns you. Notice the kidney secretions. If there are settlements and sediment. Passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes. Doan's have done great work in this county.

Mrs. J. L. Warren of Starke, Fla., says: "For some time I was a victim of kidney trouble. The kidney secretions were too frequent, in passage, causing me the greatest annoyance and I suffered constantly from backaches and dull pains through the kidneys. I could not rest well and in the morning arose feeling tired and worn out. My back became very lame and I often found it difficult to get around. I at length read about Doan's Kidney Pills and procured a box. Since using them, I have been free from backaches and the soreness and lameness has disappeared. The annoyance from the kidney secretions also ceased and I am able to sleep well. Doan's Kidney Pills benefited me wonderfully and I can recommend them as the best kidney remedy I ever used."

GEO. MORRIS IS HOME.

Enjoyed a Fine Trip to Alexandria Bay and Other Points.

George P. Morris, special agent of the Prudential Life Insurance Company, has returned from a most delightful and beneficial outing to Alexandria Bay, New York, points in Canada and along the famous St. Lawrence river, where he went as a guest of the company he represents.

This free trip was offered by the company to a certain number in various sections of the country who wrote the greatest amount of insurance, and Mr. Morris was one of the fortunate, out of nearly two hundred successful representatives, with the result that all his traveling and hotel expenses were paid. He was delighted with the trip, and declares that the upper New York and Canadian country is the finest in the world during the summer season.

Perfectly Moulded Figures

Another Medical Discovery.

To get out of condition is detrimental to beauty of form as well as to health. There is a certain flabbiness which robs a good figure of charm and grace. Those who are beginning to grow fat rapidly are never in the sink of condition.

But here medical science has slipped in with a very wonderful remedy—one which not only restores a perfectly moulded form but renews health and strength. We give the recipe in full for the benefit of our stoutish friends: 1/2 oz. Marmola, 1/2 oz. Fluid Extract Cascara Aromatic and 3 1/2 oz. Peppermint Water.

Any druggist will make up this prescription, or supply you with the ingredients which you can mix yourself. The dose is one teaspoonful after each meal and at bedtime.

The great virtue of this harmless remedy is that whilst the excess fat is being expelled, the person under treatment has a healthy appetite and does not need to study dietics or go in for tiresome exercises. The whole system is "refreshed" and reinvigorated, the blood renewed and muscular development restored.

IN COUNTY JUDGE'S COURT.

Prominent Autoist Found Guilty of Reckless Driving of Machine.

There was an interesting case in the County Judge's court Friday, especially to owners and drivers of automobiles, as it was a case in which was to be settled the rights and privileges of these vehicles on the public highway.

The case was that of the State vs. Dr. M. H. DePass, who was arraigned upon a charge of exceeding the speed limit, or in plain words, reckless driving on the public road. The complainant was Robt. L. Barton of Rocky Point, who cites in the charge that the defendant met him on the road some time ago, the defendant in his auto, the plaintiff driving a horse attached to a buggy. The petition further cites that the defendant, being cognizant of the fact that the two vehicles must meet, did not exercise the proper precaution, thereby causing his horse to become unmanageable.

The case was tried by a jury, of which Major John W. Tench was foreman, and the verdict was rendered in favor of the plaintiff.

Sentence was suspended in the case, as attorneys for the defense gave notice that they would argue for a new trial on Tuesday or Wednesday.

MISS TEBEAU'S SCHOOL.

Thirty-Sixth Annual Term Will Begin Monday Morning.

The Sun notes with pleasure the opening of such an educational institution as Miss Tebeau's school, located at 300 West Main street S., which will occur tomorrow morning.

This is not only one of the best schools in the State, but probably the oldest private school, entering now in its thirty-sixth year under one management. Many men and women of the city and State have acquired an education there, and today the children of many of these graduates are learning under the same tutorship.

This famous school has been recognized for its superiority by the Episcopal Diocese, which body has officially endorsed it as the Diocesan School of Florida.
