Drive-thru store robbery suspects arrested

By Nena Bolan
Glades County Democrat

MOORE HAVEN -- GCSO Deputy A. Blachowski responded to a robbery with a firearm complaint at the Kountry K Drive-Thru, 385 U.S. 27, on Oct. 6, about 8:49 p.m.

According to the arrest report, Ashley Patison, store clerk, was on the phone to store owner, Geary Adams, who was at the time viewing a live-stream surveillance video. Adams informed the clerk that a guy with a black shirt over his head was coming into the store.

Ms. Patison explained that two

suspects rushed into the store with a long barreled revolver. A suspect pointed the firearm at her face, grabbed her arm and demanded money from the cash register. The store clerk explained that she was in fear for her life, and she opened the register. The suspects fled on foot with a sum of money, according to an arrest report.

The clerk and witnesses described the two suspects to deputies. Fingerprints were taken at the scene, and surveillance video was reviewed. Later that evening, Detective Sergeant M. Pepitone interviewed one suspect, John Edward Cox, Jr., 18. His confirmed

fingerprints had been located on the store's cash drawer. Mr. Cox was placed under arrest for armed robbery, grand theft, battery and aggravated assault.

The next day, Oct. 7, more testimonies to the event were taken, and lineup photos examined. The store surveillance video was again reviewed and details of the second suspect's apparel and appearance were examined.

The next day on Oct. 8 about 9 p.m., the store clerk called Detective Sergeant Pepitone to tell him that a man resembling the second suspect had just come to the store. The surveillance video of this inci-

dent was reviewed and an arrest warrant was issued for alleged suspect, David Scott Jones, 18, for armed robbery and grand theft.

A third unidentified suspect was alleged to have been a "look-out" during the robbery.

On Oct. 28, Deputy Victor Alvarez made contact with the alleged suspect, David Scott Jones, who ran when the deputy tried to talk to him.

The deputy observed that David Jones ran into a residence at 428 Railroad Avenue. Additional units arrived to the house, and

Glades County Democrat launching community sports web site

Youth, adult leagues, and schools encouraged to participate

Youth and adult recreation leagues and sports teams in the Glades County area will soon have a new outlet for submitting their game results, team news and photos online.

Youth and adult recreation leagues and sports teams in the Glades County area will soon have a new outlet for submitting their game results, team news and photos online.

Sports teams, players, and their families have long pasted newspaper accounts of their athletic accomplishments in dusty scrapbooks.

But many athletes who compete, especially in youth leagues and less well known sports, have not received the attention that college and high school athletes do.

That's about to change. A new web site, "Glades County Sports

Network," will debut in the next few days and provide local sports teams and leagues with an online sports page and a resource they can call their own. The Glades County Democrat has teamed with Community Sports Desk, a national sports software and service company headquartered in Kenosha, Wisconsin. The goal is to shine a spotlight on local sports.

"This is a chance for every team, every league, every kid or adult sports participant, no matter their athletic ability, to make their mark," said Matt Serpe, business manager for Community Sports Desk.

"GladesCounty Sports Network" will be available on demand for team representatives to

Pahokee Blue Devils forced to forfeit district games

Ineligible player reportedly causes Pahokee to lose District 7-2B title

By **Naji Tobias**
INI Florida

PAHOKEE - The Florida High School Athletic Association (FHSAA) discovered last week that the Pahokee Blue Devils used an academically ineligible player on its team.

With the finding, the FHSAA stripped Pahokee of two of its District 7-2B wins, as the team found themselves in a must-win situation for its final district game against University on Nov. 6. It was determined that the unidentified ineligible player played in Pahokee's two district wins over Inlet Grove and Cardinal Newman.

It has been rumored that a Pahokee High

School representative changed the player's grade point average (GPA) from a 1.8 to a 2.1, but upon being told of it, Principal Ariel Alejo could not confirm the alleged happening. According to FHSAA rules, an athlete must have at least a 2.0 GPA to play in any high school sport.

That had to be particularly upsetting, since Pahokee defeated these two fellow District 7-2B opponents by scores of 45-0 in Week 2 and 41-0 in Week 4, respectively.

In a brave and stunning move, Ariel Alejo, the Pahokee High School principal, went ahead and self-reported the incident to the FHSAA. At first, the school found out the player appeared in its home game against Cardinal Newman. When Principal Alejo found out about it, he said "we immediately reported it to the FHSAA and sent a letter to Cardinal Newman High School' on this incident."

"We self-reported because that is the right thing to do," Alejo said. "We realize that we had inadvertently had a young man that wasn't eligible. The player is no longer on our team."

Not long after that discovery, Alejo reportedly ordered Blaze Thompson, the head coach, and his coaching staff to look carefully at all the season's game tapes to make sure the player didn't appear in any more games. Unfortunately for them, the opposite was found to be true.

"We found out he (the ineligible player) played in other games as well, so we reported that to the state as well," Alejo said.

Alejo confirmed that the Inlet Grove game was the other one in which the ineligible player appeared. Once that happened, Pahokee suddenly found itself in a bind as it went from 5-0 to 3-2 in District 7-2B play.

If Pahokee didn't commit this self-inflict-

ed violation, it would have won the district with a 6-0 record, with the team smashing University, 33-0, on the road Nov. 6.

However, those two losses put Pahokee's playoff hopes in jeopardy and effectively gave North Broward Prep (5-1 in District 7-2B play) the District 7-2B title.

A letter was sent to Inlet Grove High School on Nov. 4 in Pahokee's effort to apologize for the infraction.

"We're bringing everything out in the open and are complying with the FHSAA procedures," Alejo said. "We have nothing else to say about it until we receive a reply from the FHSAA."

Alejo reportedly barred Thompson, Athletic Director Tom Mejia and any other school representative (player, coach or administrator) from commenting on this matter.

The incident is still reportedly under further investigation by the FHSAA.

Ladies Auxiliary needs your help thanking America's troops

The Ladies Auxiliary to the Veterans of Foreign Wars (VFW) in Clewiston is asking for your help in collecting 1,000 Thank You cards that will be sent to troops in Iraq and Afghanistan for Christmas.

Starting with the Revolution people have fought for this country to ensure that everyone enjoys the freedoms America offers.

Citizens have shown their loyalty by flying the Flag, by honoring our veterans and by supporting our troops.

Since the horrific attack on the United States on Sept. 11, 2001 men and women have volunteered to fight for this country.

They have left the safety of their home, they have left their families and friends so that we here can live as free people.

We honor our veterans and remember them on Patriotic Days, such as Memorial Day and Veterans Day.

Thousands of people collect items to send to the brave men and women to ease their pain while they serve our Country.

Holidays are especially hard on them. Here we give thanks and give gifts to express our love and friendship.

Christmas in particular is a sad time for many when they are separated by thou-

sands of miles.

Our soldiers need to know that we care about their mental as well as physical well being.

The Ladies Auxiliary to VFW is asking everyone to help us collect 1,000 Thank You Christmas cards for our troops.

We need your help. We are asking that everyone, from the very youngest to the very oldest please make a card (even if you are not creative it is the personal touch that means so much).

Or if you prefer you can buy a card, add a few words of encouragement and thanks

sign your name and add your city and state.

You can deliver them to the VFW Post or drop them in mail slot or mail them to the Ladies Auxiliary to VFW Post 4185 at 501 S. Francisco, Clewiston, FL 33440.

The deadline is Nov. 30, to ensure they get these cards in time for Christmas.

Please help us put a smile on the faces of those so far away from home and let them know that America supports them.

Please help us make our goal of 1000 cards.

Lou Jinkins, 69

OKEECHOBEE — Lou Jinkins, age 69, passed on to our Lord Tuesday, Aug. 25, 2009.

Lou is survived by his mother, Lois Jinkins Harper; brothers, Maynard, Jack and Bob; three daughters, Luanne, Sherry, Shana and their husbands; six grandchildren; and stepson, Jesse. He is also survived by his wife of 25 years, Claudia Wellner Jinkins; and his best buddy, Pe-tey. He was so loved and will be missed by all of his friends and family.

There will be a small memorial for Lou, Saturday, Nov. 14 at 10 a.m. His remaining ashes will be spread across The Monkey Box on Lake Okeechobee. Boats will be leaving from Harney Pond Ramps. Those with airboats are all welcome and those without will be offered rides from others.

Robert A. 'Bob' Miller

CLEWISTON — Robert A. "Bob" Miller went to be with his Lord on Nov. 1, 2009. Bob was born Oct. 15, 1933, in Tampa to Charles and Myrtle Miller.

Leaving his loving wife of 55 years, Bobbie, they have sons, David, wife Kim, Gainesville, Daniel wife Patti, Sebring, and Richard wife Lisa from Clewiston; eight wonderful grandchildren, Julia, Andrew, Drew, Brooke, Joshua, Kayla, Robert and Emily; also leaving a sister, Carol Green. Bob was preceded in death by his brother Charles.

Bob was an Army veteran and was employed by U.S. Sugar Corp. for 30 years and Vice President Engineering his last 10 years. Always active in his church serving as a Deacon for over 40 years at Baptist churches at Clewiston and at Lake Placid. Bob loved golf and was a member at Placid Lakes Country Club where he was twice Club Champion.

The family will receive friends Tuesday, Nov. 3, at the Scott Funeral Home 504 W. Interlake Blvd. Services were Wednesday, Nov. 4, at Faith Baptist Church, 660 Holmes Avenue, Lake Placid, with Pastor Bill Cole officiating. Graveside services followed at Ridge Lawn Cemetery in Clewiston.

In lieu of flowers, the family suggest donations be made in Bob's memory to Good Shepherd Hospice 4418 Sun 'N Lake Blvd., Sebring, FL 33887; or Faith Baptist Church Spanish Mission.

Clewiston Tigers fall from playoff picture

By Jeff Barwick

A group of Tigers won on Friday night at Cane Field but it was the wrong bunch.

Dunbar swept Clewiston right out of the Class 2B post-season playoff picture with a 29-0 victory and also ruined the Homecoming celebration.

A Clewiston win would have given them the district championship.

Clewiston (3-6) will travel to Okeechobee this Friday to close out their 2009 campaign against the Brahms with kickoff scheduled for 7 p.m.

The local Tigers took the opening kickoff and marched right down the field with freshman tailback Virthavious Robinson getting 43 yards on 3 carries and starting tailback Chris Herring gaining the rest on the 67 yard drive that ran out of steam at the Dunbar 13.

Kicker Grant Polhill's 29-yard field goal attempt was tipped as it got airborne.

The teams then exchanged punts with the advantage to Dunbar after a short Clewiston punt gave them the ball at the Tiger 34.

With the short field and in spite of two penalties, Dunbar quarterback Chris James hooked up wideout Joel German on a 15 yard scoring pass with 4:09 left in the opening period.

Dunbar then lined up in a sneaky offensive formation and didn't shift into a extra point kick alignment and Alante Smith took the direct snap and scooted across the line for a 2-point conversion.

Those 8 points proved to be all that Dunbar needed for the victory.

Clewiston had a second quarter drive that sputtered at the Dunbar 33 and then used interceptions by defensive backs Randy Massie and Damion Smith to kill two other Dunbar drives. The locals went to intermission trailing 8-0 but still in the ball game.

Unfortunately, the second half scoring was all for Dunbar.

The visiting Tigers scored two third quarter scores and picked up another in the closing quarter.

Clewiston started a late third period rally trying to climb back into the game and were aided by three Dunbar penalties for 35 yards and senior fullback Fred Washington's burst up the middle for 1 yards to give them a first and goal at the 10.

Robinson went off the left side for 8 yards on the first play but then Dunbar shut down the Clewiston running attack on three consecutive plays to get the ball on downs.

Dunbar's win gave them the District 2B-6 runner-up berth and they'll travel to Tampa Catholic in the first round of the playoffs next week.

Moore Haven's season ends in loss to Bradenton

Pahokee, Glades Central clinch playoff spots; Glades Day grabs shutout win

By **Naji Tobias**
INI Florida

MOORE HAVEN - For the second time in three years, Moore Haven finished its season with a 4-6 record. The Terriers disappointing year concluded with a three-game losing streak, with its latest defeat handed to them by fellow District 6-1B opponent Bradenton Christian. Senior Night couldn't have been much worse for Moore Haven, as Bradenton Christian raced to a 35-0 halftime lead.

On Bradenton Christian's first three scoring drives, quarterback Sean McCarthy threw touchdowns to three of his favorite targets in Colton Goodwin, Josh Thomas and Chase Carter. The Panthers later scored a defensive touchdown, thanks to a 45-yard fumble return by Tucker Owen. To complete the meltdown, David Schopfher rushed in for a Panther touchdown on a 7-yard run.

Hall (18 carries, 126 yards, 1 TD) scored Moore Haven's first touchdown on a 12-yard run in the third quarter. With that score, Hall finished his senior season with 21 rushing touchdowns (22 overall).

He also finished his year with 1,539 yards on 186 carries, which amounts to 153.9 yards per game. Going back to the game, Moore Haven would score again on a 30-yard interception return for a touchdown by Terry Hallback, as Moore Haven scored 14 points in the third frame. But a 35-14 Moore Haven deficit quickly spread to 49-14, courtesy of McCarthy fourth touchdown pass of the game - this one to Egan Friedberg on a 35-yard strike later in the third. Bradenton Christian completed its scoring on a 1-yard run by Colton Goodwin.

Moore Haven tacked on its last touchdown of the year with a 18-yard touchdown pass from Keonte White to Hallback in the fourth quarter. White's touchdown pass, unfortunately, was his only completion of the game, as he went 1-for-9 with 18 yards and an interception. For the season, White finished with nine touchdown passes, seven interceptions and 806 yards.

Hallback was Moore Haven's leading receiver with 18 receptions for 360 yards and three touchdowns (eight overall).

Moore Haven lost all five of its District 6-1B games, with the last win overall coming against Merritt Island Christian in its homecoming game on Oct. 16.

Pahokee 33, University (Fort Lauderdale) 0: Forced to forfeit two of its District 7-2B games due to an ineligible player, the Pahokee Blue Devils came out swinging in its final district game.

With the Blue Devils needing to win just to make the Class 2B playoffs, they wasted very little time in dispatching their district foe, thanks to a slew of big plays from some key playmakers.

Chris Dunkley began Pahokee's scoring onslaught in the first quarter off a 31-yard punt return for a touchdown to put the Blue Devils up 7-0 on University.

Then Merrill Noel, who was supposed to begin the season as Pahokee's starting run-

ning back, added to Pahokee's lead in the second frame on his first of two rushing touchdowns. Noel's first score was a 2-yard run, which put Pahokee up 13-0.

Fred Pickett (18 carries, 192 yards) scored a rushing touchdown on a 40-yard run later in the second quarter for a 19-0 Blue Devils lead. Noel (16 carries, 54 yards) ran in a two-point conversion on that drive to put Pahokee up 21-0. To complete Pahokee's first half scoring, Dunkley (two catches, 64 yards) dealt in a 32-yard touchdown pass from De'Joshua Johnson (12-for-20 passing, 208 yards, 2 TD, 2 INT). Dunkley's touchdown sent Pahokee into halftime with a 26-0 lead. Noel scored Pahokee's final touchdown on a 5-yard run in the third quarter.

Pahokee has now completely destroyed University for the third year in a row, eliminating this team from the playoffs each time. With that being said, Pahokee's margin of victory for the last three years over University is 140-6.

That's combined with Pahokee's 62-0 thrashing of University in 2007's Class 2B first round playoff game and last year's 45-6 blowout win in the Class 2B second round of the playoffs. Pahokee (4-2 in District 7-2B; 6-3 overall) is this week's No. 2 team in the Associated Press Class 2B High School Poll.

The Blue Devils next game after the Muck Bowl is a road matchup with Chaminade in the first round of the Class 2B playoffs on Nov. 20. Pahokee is the District 7-2B runner-up, while North Broward Prep (5-1 in District 7-2B play) won this district.

Glades Central 27, Suncoast 8: The Raiders completed District 7-2A play win a district championship win over the Suncoast Chargers. L.J. Thomas, who just a few days ago made an oral college commitment to Hampton University, threw for three first half touchdowns to lead Glades Central to another blowout win.

Thomas (13-for-24 passing, 238 yards, 3 TD) lobbed his touchdown passes to Greg Dent, Demetrius Evans and Clive Walford in the game. Dent, a University of Miami commit, began Glades Central's scoring off a 45-yard punt return for a touchdown in the first quarter. Then the next and final three Glades Central touchdowns came off those Thomas passes to the aforementioned playmakers.

Glades Central (2-0 in District 7-2B play; 9-0 overall) go into Saturday's (Nov. 14) Muck Bowl against Pahokee with a No. 1 ranking in the AP's latest Class 2A poll and a No. 20 Rivals100 national ranking - down one spot from last week.

Glades Central's next game after Pahokee will be a home matchup with Cardinal Gibbons in the Nov. 20 Class 2A first round playoff game.

Glades Day 64, Zion Lutheran 0: Glades Day (3-1 in District 7-1B play; 7-2 overall) notched its most impressive win of the season, courtesy of six rushing touchdowns in this game. Kelvin Taylor and Will Zipperer scored two touchdowns each, while Joe Jenco and Taylor Mann added one rushing score each.

Tanner Redish (5-for-6 passing, 116 yards, 2 TD) threw for his touchdown passes to Johntavious Brown and Clint Johnson.

Glades Day's next game is its home finale against District 7-1B opponent Master's

Academy. Since the Gators clinched a playoff berth as the District 7-1B runner-up, its Class 1B first round playoff game will be on the road against MacArthur North (Miami) on Nov. 20.

Week 11 games

Glades Day vs. Master's Academy - Friday, Nov. 13 at 7:30 p.m. Glades Central vs. Pahokee (**MUCK BOWL**) - Saturday, Nov. 14 at 6 p.m.

A lesson to be Learned in the Seminole War

By Butch Wilson
Clewiston Museum

For the third time in four months the United States military forces had engaged the Seminoles in the field of battle. The first engagement had all but annihilated Major Dade's force of 108 men. In a second engagement, General Clinch's army of 250 was separated from the main force of volunteers and almost overwhelmed. A third engagement left General Gaines' army of 1,100 men surrounded and besieged for over a week.

Dade's destroyed force and the two other near disastrous encounters with the Seminoles came as a surprise to both the United States government and its citizens. Americans began asking the same question, "How could an Indian nation that numbered 4,000 to 5,000 inflict such havoc on an army that belonged to a nation of 15 million?"

It was a question that for centuries had already echoed many times through the annals of mankind because history repeats itself. Countless times, countries superior in arms and technology had misjudged their weaker opponents and reaped a whirlwind. In 1835, the United States had, unknowingly, underestimated the Seminoles and was now paying the price.

The United States did indeed have a much larger population than the Seminoles, but the blunt of the fight would fall not on the nation, but the nation's military forces. When the Second Seminole War started in 1835, the United States army consisted of 603 officers and 6,595 enlisted men. Its navy had 746 officers and 4,801, while the Marine Corp consisted of 68 officers and 1,349 en-

listed men. The army was distributed at 53 posts across the nation with only a small remnant stationed in Florida.

In 1835, the small and inadequate military forces posted in Florida were faced with the Herculean task of patrolling thousands of square miles of wilderness, protecting civilians and fighting a cunning foe that was better armed and trained in wilderness fighting.

John Bemrose, who served with an American medical unit in Florida, was an eye witness before and during the Second Seminole War. He wrote the following, "But where I stood amongst a group of them watching our men at target practice, I could not help but see their (the Indians) faces would express to each other a sense of the ridiculous, intuitively conveying to me their knowledge of our inferiority if opposed to them in the native wilds. And I cannot help thinking that during these five peaceful moons they saw too much and formed their plans accordingly. How common it is for the civilized and the trained combatant to teach themselves to despise these wild men, thereby entailing upon themselves defeat and disaster! The true policy is never to despise an enemy."

When the Second Seminole War began, American generals were still adhering to European tactics that employed well in the open fields of Europe, but failed miserably when used against the Native American. The United States Army's use of inefficient tactics was further offset by the enlisted men who joined the army. Many were illiterate and dredged from the not so promising elements of society. The enlistment problem

was further compiled by the large percentage of soldiers that were foreigners who enlisted in the army because the transition into America culture from the old world was simply too hard. In 1835, Bemrose listed the following nationalities around Fort Drane: Nova Scotian, Swedish, Canadian, Polish, Scot, Irish, French, German, and Minorcan. It should also be noted that out of 104 men killed in the Dade Massacre, 43 were foreigners.

Most of the American soldiers were armed with the 1816 army muskets (69 cal), which were inferior to the Cuban Spanish rifle, a breech-loader (small bore rifle, but caliber unknown) that could be loaded and fired much faster than the 1816 army musket. The soldier's musket ball would wobble out of the fired musket and lose its accuracy quickly, while the Seminole's rifle had grooves in the barrel that made the lead ball spiral, thus maintaining a much more accurate path.

The deadly accuracy of the Spanish rifle placed a man's life at stake up to several hundred yards, while the musket's killing zone was limited to a mere one hundred yards. Some soldiers' journals reported the Indians were shooting and hitting soldiers at ranges, which rendered the army muskets useless.

The Spanish Cuban rifle did have its faults. After the Battle of Withlacoochee, Bemrose said, "Had the bore of the Indian rifle been a large one the tale would have been different. As it was, the wounds were dangerous and vitally situated, to wit, in the lungs, head, face, and abdomen, but owing to the smallness of the balls only one out of more than

100 cases (and having possibly 250 wounds) caused death."

The army purchased the M1819 Hall rifle, which was a fast breech loading rifle (Loaded from the breech and not the barrel), but it was reported to be distributed among the troops at a ratio of one M1819 rifle to every 20 muskets issued. The M1819 Hall rifle was a fast loader, but sometimes jammed, rendering it useless in battle.

The Seminoles were determined and prepared to do battle at the beginning of the Second Seminole Indian War. They started with adequate arms and manpower, much like the later Confederate Army did in the Civil War, but the tide of battle would change. The Seminoles were soon outnumbered, while their weapons of war and supplies became hard to secure, due to blockades, forcing them to fight a guerilla war, rather than an offensive war against the United States forces.

I hope you have enjoyed this story. Please contact the Clewiston Museum if you have questions, artifacts, pictures, or a "Whale of a Tale" that you would like to share. The Museum's hours are Monday through Friday from 9 a.m. to 4 p.m.

The museum provides an interesting fossil display of prehistoric animals that once roamed the Glades thousands of years ago and artifacts that reflect the heritage of Clewiston. Its theater has a 65-seat capacity and presents movies on the history of Clewiston, sugar cane harvesting, and the orange industry. Stop by and enjoy a 45-minute group-tour for only \$2 per person.

Museum Presents Author Andy Huse speaking on Florida Cuisine

Author and connoisseur of great Florida food Andy Huse will make a presentation at The Clewiston Museum at 7 p.m. on Thursday, Nov. 19. Huse, who is a librarian at the University of South Florida, is a frequent contributor to publications in the Tampa Bay area and has recently published the famous Columbia Restaurant's centennial cookbook.

The presentation for this event is entitled Florida's Delicious History: A Gastronomic Journey through Modern Florida. Florida's food and restaurants are as diverse as its people, and have changed throughout the 20th century. Huse offers an hour-long gustatory romp through modern Florida's cuisine, with a look back at union soup houses, African-American jook joints, shady speak-easies, drive-in burger stands, barbecue pits, fish fries, and palaces of luxurious leisure. From the rarefied cuisine of the super-rich to the humble home-style foods of city and hamlet, food habits queasy and quirky, timeless and trendy, are explored.

Following the presentation, attendees can meet Mr. Huse and share some of their favorite food stories. Complimentary tours

A Carriage without a Horse

The Horseless Carriage Club of America is showing vintage cars at the Clewiston Museum parking lot on November 14, 2009, from 2 p.m. to 4 p.m.

Please come out with your family and friends to see; Ford Model T's, 1908 early model Ford, 1909 early model Ford, 1913 Stanley, 1915 Hudson, 1925 Buick and other antique cars that once shared the highways of America with the horse and carriage.

The term "Horseless Carriage" applied to the early automobiles of yesterday because for centuries the horse was the main mode of transportation in America.

It was the invention of the combustible engine in the early 19th century that ushered in a new technological age, one which reinvented the carriage without the horse.

The car show is free to the public, so come out and enjoy. Please contact the Clewiston Museum, if you have questions.

Show Him No Mercy

By Pastor John Hicks
First United Methodist Church

The more I've learned about eagles, the more amazing I find them to be. They mate for life, they build nests that will last a lifetime, and they ride the storm instead of hiding from the storm.

The eagle teaches its young to fly on their own. The parent pushes the baby bird out of the nest and the eaglet tumbles helplessly through the air, plummeting to earth and certain death.

But then, just in time, the parent-eagle swoops under its young, catches the bird on its own strong, spreading wings, and bears it aloft again on sturdy pinions to try once more to fly.

There's really only one enemy that is a serious danger to eagles. Snakes. A snake will attempt to climb wherever the eagle nest is and attack the little eaglets.

But pity the poor snake that gets caught by Mama or Papa Eagle. They will show the serpent no mercy! They may rip it to shreds or pick it up with their beak and violently shake it to death.

They also might pick it up in their talons, fly high and drop the snake to its death on the rocks below. Bottom line: they are not about to let the serpent have what it came for.

The eagle shows the serpent no mercy and makes that serpent sorry he ever attacked.

It's no wonder the Bible encourages us to take note of "the way of an eagle." Like that eagle, we have a serpent that's trying to strike out at us.

The devil's first appearance to humans came in the form of a snake in the first book of the Bible. In the last book of the Bible, God still calls him "that ancient serpent called the devil."

You may or not believe in the devil, but either way he's actively trying to ruin your life. In fact, he likes it better when you don't believe in him. You won't fight an enemy you don't believe is there.

Much of the hurt, heartache; and shame in our life is because we've given into Satan's subtle promptings and to his sinful opportunities.

If we belong to Jesus Christ, we belong to the One the Bible says came "to destroy the devil's work." We are told to "Submit yourselves, then, to God. Resist the devil, and he will flee from you." May we claim that victory Christ has given us over Satan.

Like the eagle with the snake, let us show Satan no mercy when he comes slithering towards us.

Also, like the eagle, let us make that old serpent sorry that he ever got close to our nest! No compromise. No giving in. No accommodation.

Preserving our Thanksgiving Heritage

By Jackie Miller, Evangelist
First Christian Church

Thanksgiving is a thoroughly American holiday and a thoroughly religious one as well. It was begun by early European set-

tlers to this continent as an act of devotion to the God whom they loved and who they believed had provided for them through difficult times.

In recent times, however, the holiday has fallen on hard times, as our country has turned more and more away from the God our Puritan forefathers loved and worshiped.

The Pilgrims are characterized today as political dissenters who are lauded for their bold break with a repressive political regime in England. But their Christian foundations and their desire to seek a place where they could worship the God of the Bible are almost totally ignored by textbooks and removed by law from the attention of the American people. We are being sold a politically correct bill of goods.

The truth is that the Pilgrims and many of the other early settlers in America were devoutly religious people. They were concerned about the lack of spirituality in the countries, and they desired to bring a new vitality to their new spiritual lives.

When forbidden by their governments to worship as they saw fit and when persecuted because they continued to do so, they fled to a place where they thought they would be safe from governmental interference in their lives.

In the "New World" they laid the foundation of a Christian way of life that thrived for 200 years.

Now that spiritual foundation is being threatened by the very people who have benefited so much from the principles they now decry.

We must be firm in our convictions that our founding fathers were not wrong in their commitment to Jesus Christ.

If we are to remain strong and free to worship God as our forefathers intended, we must cling firmly to the values and traditions that gave our forefathers their courage.

And we must seek after the God who alone can keep us holy and blameless before Him.

Veteran's Day: Honoring those who come to faith by a difficult path

By The Reverend Samuel S. Thomas, Ph. D. +
Saint Martin's Church, Clewiston

Yesterday was Veteran's Day, something that is related to all of our population if we think of all who have or had kinfolk in the military services.

There is a park in Palmyra, New Jersey named after one of my family that "didn't come back." Others have come back, bearing the marks of their experiences.

When asked, I try to put a perspective and give meaning both individually and collectively.

I have reflected on the name of the Church I serve: Saint Martin's. He was a part of the Roman Legions, following in the footsteps of his father, also a Roman legionnaire.

It was on a cold night near Tours, France that he encountered a beggar who was freezing and Martin cut his own legionnaire's cloak in two; sharing it with the beggar.

Little by little he began to understand his actions as the kind of thing the Lord would have done, and gradually moved away from the profession he inherited.

Finally, he resigned his commission and entered the ministry of the Lord, serving Him the rest of his life. Apparently, he carried some of his "rough-and-tumble" ways with him as he served people in the rural France but his faith, sincerity, loyalty, and love for God and his people was never questioned.

Today, many have adopted him as the "patron saint" of the military and chaplaincies. He was well chosen as an example for the Church I serve; in a rural area and for people who show faith, loyalty, sincerity and the love of the Lord. I have often reflected on another Roman legion officer, a Centurion (Matthew 8:5ff) who comes to Jesus asking for help for his sick servant.

The Lord does not put conditions on him; this warrior who has invaded Israel; nor does he ask him to change from the often-brutal and destructive life of a Roman soldier. Instead, Jesus notes "I tell you the truth. I have not found anyone in Israel with such great faith! (v.10)"

In spite of his profession and his being of the "enemy camp", the man's prayer is granted. Faith sometimes comes by trials and winding up in difficult situations; by being caught up in things that challenge our sensibilities and consciences. My observation is that those who turn to God in the most difficult of times or situations have something to teach us about faith.

They have learned that there is no other place to go; and their faith is very real, very solid. The Lord accepted him where he was, for what he was and who he was without conditions.

No doubt the Centurion was a spiritual predecessor of Saint Martin and I can't help but believe that he continued to grow in grace and faith.

Lest we forget those who find themselves in the hard places of life, we need to remember their great capacities for faith, where it comes from and the costs they have paid so that we can witness to our own.

Garbage bills could rise in Glades County

By Charles M. Murphy

INI Florida

Glades County could increase tipping fees at their landfill near Ortona.

Auditors suggested the county study the existing tipping fees in their annual report because the landfill has created a financial drain on the County budget.

Globex Engineering and Development, Inc. will be paid \$13,650 to conduct a study which will determine how much residents must pay to drop off their waste at the landfill.

The analysis will include an examination of operational costs, such as recycling, leachate treatment, long term care, maintenance, environmental compliance costs, and recycling.

County Manager Wendell Taylor said the existing tipping fee is \$50 per ton. The City pays \$32 per ton for their tipping fee.

Chairman Russell Echols said the County

must get their financial house in order when it comes to the landfill.

In other business the Commission voted (4-1) to rezone three acres at 29513 US Highway 27 in Moore Haven from industrial to open use agriculture.

The A.C.L. Group, Incorporated property was cited by code enforcement on May 19, for having livestock breeding, stabling and grazing on the property which were not permitted in industrially zoned areas.

Glades County Code Enforcement Officials said the property is now in compliance.

Some neighbors still objected to rezoning the property for a hog operation in an area commonly used for industry.

Commissioner Donna Storter argued against the rezoning. She said a code violation existed and that the proposed hog farm would be a nuisance, "We don't need three more acres of agriculture in Glades County."

The commission also delayed a vote to convey seven acres near County Road 720 and State Road 78 to the City of Moore Haven so they can construct a water storage and processing facility. The city agreed to allow the county to connect water service free of charge for the new health clinic.

Commissioner Paul Beck questioned why the County would give away property to the City without compensation. Beck said he didn't think all county residents, like residents in Lakeport and Buckhead Ridge, should have to support the Moore Haven water system.

Commissioner Butch Jones suggested the County trade for a smaller parcel in the City of Moore Haven that currently houses the water tower.

Commissioner Echols said he thinks there would be significant benefits for many residents of Glades County if potable water service is extended outside the city limits.

The Commission also scheduled votes on

ordinances that rescind all impact fees for new development through February, 2011. The public hearing was scheduled for Nov. 23 at 6 p.m. The Commission approved four ordinances in 2008 to rescind the impact fees until December, 2009.

The Commission approved a resolution that supports the development of large solar energy facilities in Florida and in Glades County.

The Commission also approved a \$480,000 contract with Aim Engineering to provide professional services related to a widening of County Road 731, Rainey Slough Road, from Route 74 to Highlands County. The money will come from a grant from the Florida Department of Transportation.

The Commission also approved a contract with Wright Construction of Fort Myers to serve as the Contract Manager for the construction of the new Public Health Clinic.

Local anglers report positive fishing results

Lake Okeechobee clarity, natural grasses, and large numbers of fry and bait fish improve

By Nena Bolan

Glades County Democrat

GLADES COUNTY -- Recently, anglers on Lake Okeechobee's west bank and along the Caloosahatchee River have reported positive fishing results. Glades County borders the west side of the big lake from Moore Haven to Buckhead Ridge.

Moore Haven is a river town where Lake Okeechobee connects to the Caloosahatchee, and Buckhead Ridge is a fishing community on the big lake near the Kissimmee River.

David Dannenhauer, Moore Haven, is a bait and tackle store owner who has hope for the health of the lake. He commented that bass are being caught in pretty good

numbers at the Monkey Box, the north shore, in grass lines and out front off Observation Shoal.

The chosen baits are skinny dippers, ultra-vibe speed worms, senko type baits and flukes. Last year's slot limits continue for all bass. Bass must be released if they are less than 18 inches. Five bass per angler may be kept if over 18 inches. However, only one may be kept if it is over 22 inches.

Crappie, or speckled perch, have started to bite but the going is slow. Anglers are trying the traditional crappie areas using jigs or minnows.

Last year's slot limits continue with the release of crappie that are less than 10 inches. There is a limit of 25 per angler.

According to Mr. Dannenhauer, bluegill and cichlids are still being caught on warm days with crickets or worms.

The fall snook season is in full swing and ends Nov. 30 at midnight. Most are caught at the Ortona spillway on the Caloosahatchee, but it is slower at the Moore Haven spillway due to lack of releases. Spring snook season begins on March 1.

Catfish are being caught in the Caloosahatchee River with nightcrawlers, chicken liver and bait cut from shiners or shad. Frog hunters report a fairly good harvest in marshes on the lake inside the main grass line. Sometimes it is necessary to use an airboat.

Billy "Bluegill Bill" Proctor of Moore Haven mentioned that crappie anglers should be vigilant and listen carefully to reports of crappie biting. There is the possibility that a weather change could encourage their feeding habits.

The Cheers & Beers establishment in Lakeport commented that patrons are enjoying the improved bass fishing in the lake and canals since the weather has been milder. Lakeport is located on Lake Okeechobee near Fisheating Bay and Harney Pond Canal.

David Dannenhauer mentioned he has received a lot of positive comments referring to the effect of the slow rise in lake water level that was due to regular rainfall instead of a major storm. Anglers have seen very large numbers of fry and bait fish.

"Clarity of water and natural grasses are the highlight of the comeback for the lake," said Mr. Dannenhauer of Mickey's Bait and Tackle.

He further explained that the lake is right at 14 feet in depth. It is not a lot considering the approach of winter which is the driest season. It would be best if the level was 15 to 15.5 feet.

If water is held to a sufficient level, anglers look forward to a spring season that will be better after several years of drought. However, if the lake is set for a lower water level and there is little rain, then the lake may have another stressful year and natural grasses will be exposed.

Gun hunting season for deer began Oct. 31 and ends Jan. 10. The fall turkey hunt begins Nov. 14 and ends Nov. 29. Dove season starts a second phase from Nov. 14 through Nov. 29.

The first phase of the regular duck season is Nov. 21-29. The second phase hunt for regular duck will be Dec. 12 to Jan. 31.

Two arrested in aggravated battery and robbery

Victim taken to hospital with head injury

By Nena Bolan

Glades County Democrat

MOORE HAVEN -- Glades County Sheriff's Office responded to a possible robbery at 714 8th Street about 8:42 p.m. on Oct. 10. The victim, Willard Melear, 64, was found outdoors with lacerations and contusions to

his face. According to an arrest report, the victim was disoriented and taken to the Hendry Regional by Glades EMS. At the hospital Mr. Melear discovered that approximately \$820 and his cell phone were missing.

A witness had called in the incident and advised law enforcement officers that she was outdoors and heard noises. The witness saw two unidentified suspects standing over the victim, and they appeared to be hitting and kicking the victim, according to an arrest report.

On Oct. 5, Detective Sergeant R. Baker talked further with the victim who explained that on the night of the incident he came home and soon afterwards heard a noise at the back of his house and he went to see what happened. Due to the victim's exhaustion from a head injury, the detective sergeant concluded his interview at that time. Detective Sergeant Baker resumed the interview with the victim on Oct. 13.

At that time two alleged suspects were identified from several photo lineups. The

detective sergeant determined that there was probable cause to arrest alleged suspects, John Edward Cox, Jr., 18; and David Scott Jones, 18.

The suspect, John Edward Cox, Jr. was arrested on Oct. 16 for the charges of aggravated battery-cause bodily harm or disability, and of robbery-no firearm. Bond was set at \$55,000. David Scott Jones, suspect, was later arrested on Oct. 28.

Fellowship of Christian Athletes remembers Amy Lundy

People of all ages can become organ donors

By Nena Bolan

Glades County Democrat

MOORE HAVEN -- On Nov. 3, the local chapter of Fellowship of Christian Athletes (FCA) held a memorial at Moore Haven High School in honor of Amy Lundy, who passed away one year ago. The event was a celebration of her life and an appreciation for her

decision to be an organ donor. Fellow members of FCA spoke about Miss Lundy.

Lindsey Swaford reminded those present of Amy Lundy's accomplishments in her high school career which included an active involvement in FFA. She was a cheerleader for four years, a varsity soccer player and a member of Beta Club.

Warner Ward commented on her decision to be an organ donor. According to statistics, one organ and tissue donor can save or improve the lives for as many as 60 people. More than 3,700 Floridians are waiting on a transplant.

"Organ donation is a very selfless act and one that many of us here today have committed to since Amy's death as a way to honor her," he said.

Cale Rives explained to the audience how his father was present at the memorial because he received a life saving kidney and pancreas transplant last year. Cale's father thanked Amy's parents, Judge Lundy and Mrs. Lundy, for following through with their daughter's wish to be an organ donor.

Pink balloons were given to members of the audience as they left the memorial. Once they were outside, Amy's family re-

leased their balloons. Then others released their balloons to the sky as a symbol of their love and remembrance. Florida residents can register to become organ donors by visiting online at donatelife.org and creating a profile.

FCA is a Bible-based Christian ministry created in 1954. Over one million young people are impacted every year on school and college campuses; at summer camps, retreats, banquets and coaches outreach events.

Apply now to work with FWC on anchoring regulations

The Florida Fish and Wildlife Conservation Commission (FWC), in consultation with the Department of Environmental Protection, wants to work with city and county governments on the best way to regulate boats that anchor outside of permitted mooring fields. Currently, local ordinances for anchoring are unenforceable outside of mooring field boundaries.

The FWC is collecting letters of interest until Nov. 13 from those local governments that have an interest in establishing moor-

ing ordinances. Of those governments, the FWC will choose five locations throughout the state to participate in a pilot program. The five sites will be selected prior to July 1, 2011.

Under the pilot program, the FWC will work with the selected local governments, who may establish and enforce FWC-approved mooring ordinances outside of a mooring field. The program does not include ordinances for live-aboard vessels.

"We want to engage all local govern-

ments to consider this," said Maj. Paul Ouellette, leader of the FWC's Boating and Waterways Section. "It is important to promote boating rights and accessibility, but it is also important to protect the marine environment and maritime property, and reduce the number of abandoned or derelict vessels. We hope this pilot program will help us shape uniform and consistent regulatory regimes that do not overburden the recreational boater."

The FWC will submit a report on the pilot

program to the governor and Legislature by Jan. 1, 2014.

A mooring field is an area of water set aside with delineated boundaries marked with permitted uniform waterway markers. It must have permitted mooring buoys in which boats are required to attach, in lieu of dropping an anchor.

For more information on the mooring program, visit MyFWC.com/Boating, or send inquiries to anchoring.mooring@myfwc.com.

IRS - Millions in refunds for thousands of Florida residents

IRS has over \$15 Million in Refund Checks for 10,024 Florida Residents

The Internal Revenue Service is looking for 10,024 Florida taxpayers who are due refund checks worth more than \$15 million. The checks were returned to the IRS by the U.S. Postal Service due to mailing address errors.

"In Florida, the average undeliverable refund is \$1,538," said Mike Dobzinski, IRS spokesman for Florida. "Last year, the average was \$1,408. We'd like to get this money back to taxpayers as quickly as possible. All we need is an updated address and we can reissue the check."

Nationwide, 107,831 refunds totaling \$123.5 million were returned to the IRS.

Undeliverable refund checks average \$1,148 this year, compared to \$990 last year. Some taxpayers are due more than one check.

Average undeliverable refunds rose by 16 percent this year nationwide. Several changes in tax law likely played a role in boosting refunds, including the First-Time Homebuyer's Credit and the Recovery Rebate Credit.

Taxpayers can find out if they are due a tax refund by visiting the IRS Web site at www.irs.gov and clicking on "Where's My Refund." To use this feature, enter information from the 2008 tax return including the Social Security number, filing status and refund amount. Taxpayers will get the status of their refund check and in some cases also get instructions to resolve potential account

problems.

Taxpayers can also check on the status of the refund by calling 1-800-829-1954. Taxpayers checking on a refund by phone will be given instructions on how to update their address.

Dobzinski said refund checks go astray for reasons that vary with each taxpayer. Many times it's because a life change – such as a marriage or divorce – causes an address change. If a taxpayer moves and does not notify the IRS or the U.S. Postal Service, a check sent to their last known address is returned to the IRS.

After moving, taxpayers can ensure the IRS has their correct address by filing Form 8822, Change of Address, with the IRS. The

form is available on the IRS Web site at www.irs.gov or by calling 1-800-829-3676.

The vast majority of checks mailed out by the IRS reach their rightful owner every year. Only a very small percent are returned by the U.S. Postal Service as undeliverable.

Dobzinski said taxpayers can avoid undeliverable tax refunds by choosing to have their refunds deposited directly into a bank account. Direct deposit guards against undelivered, lost or stolen refund checks. It's available for both paper and e-filed returns.

IRS also encourages taxpayers to e-file their tax returns. E-file reduces errors and speeds up refunds.

When the Saints coming marching in

Children from Saint Theresa of the Child Jesus Catholic Church in Buckhead Ridge dressed as saints for a procession before the Sunday Mass on All Saints Day, Nov. 1. At the Spanish Mass, represented saints included Saint Theresa, Saint Ceceila, Saint Juan Diego, Saint Sebastian, St. Adelaide, St. Helena and St. George. At the English Mass saints represented included Saint Joseph, Saint Juan Diego, Saint Kateri, Saint Francis, Saint Sebastian and Saint Cecelia. Children's parents or grandparents made some of the costumes. Sunday school teachers provided some extra costumes. The procession was a hit at both Masses and may become an annual tradition.

NOTICE

Independent Newspapers will never accept any advertisement that is illegal or considered fraudulent. In all cases of questionable value, such as promises of guaranteed income from work-at-home programs - if it sounds too good to be true, chances are that it is. If you have questions or doubts about any ad on these pages, we advise that before responding or sending money ahead of time, you check with the Better Business Bureau at 772-878-2010 for previous complaints.

Some 800 and 900 telephone numbers may require an extra charge, as well as long distance toll costs. We will do our best to alert our reader of these charges in the ads, but occasionally we may not be aware of the charges. Therefore, if you call a number out of your area, use caution.

Public Notice

NOTICE OF INTENT TO USE UNIFORM METHOD OF COLLECTING NON-AD VALOREM ASSESSMENTS

Hendry County, Florida (the "County") hereby provides notice, pursuant to Section 197.362(3)(a), Florida Statutes, of its intent to use the uniform method of collecting non-ad valorem special assessments to be levied within the Banyan Village area, Port Labelle Plat Units 10-13, within the unincorporated area of the County, for capital costs associated with construction of water lines for Banyan Village and service assessments for maintenance of such water lines commencing with the Fiscal Year beginning on October 1, 2010, and continuing each year until discontinued by the County. The County will consider the adoption of a resolution electing to use the uniform method of collecting such assessments authorized by Section 197.362, Florida Statutes, at a public hearing to be held at 5:00 p.m. on December 8, 2009, in the Commission Room, Clewiston City Hall, 115 West Ventura Avenue, Clewiston, Florida. Such resolution will state the need for the levy and will contain a legal description of the boundaries of the real property subject to the levy. Copies of the proposed form of resolution, which contains the legal description of the real property subject to the levy, are on file at the County Administrator's Office, 165 S. Lee Street, LaBelle, Florida. All interested persons are invited to attend.

In the event any person decides to appeal any decision by the County with respect to any matter relating to the consideration of the resolution at the above-referenced public hearing, a record of the proceeding may be needed and in such an event, such person may need to insure that a verbatim record of the public hearing is made, which record includes the testimony and evidence on which the appeal is to be based. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the County Clerk at (863) 675-5217, seven days days prior to the date of the hearing.

Area H1N1-Swine Flu Mass Vaccination a success

By Pat Dobbins

The Hendry and Glades County Health Departments held their first H1N1-Swine Flu mass vaccination clinic last Thursday evening at West Glades Elementary School. Over 140 people were vaccinated within two hours. The lines started forming at 4 p.m. and the vaccinations started promptly at 4:30 p.m. Those in line included parents with young children and adults that met the target groups to receive the vaccine.

The Hendry and Glades County Health Departments had a team of fourteen people which included five nurses and other well trained staff to assist those waiting in line. There were strategic stations lined in the hallway within the school to help with the flow of people. The first station was identified as "triage" where people were interviewed to make sure they met the target group to receive the vaccine. Then they proceeded to "registration" where they filled out paperwork. Once the registration process was complete, they received a short medical screening to decide the dosage and type of vaccine they would receive. The next step in the process was the "vaccination station". Some parents chose the nasal mist for their child while other children braved the needle.

Area residents, Annette Spargo, her son Hunter Spargo and her daughter Holly Stevenson all braved the needle together. They were within the target group to receive the vaccine. They all left with a smile on their face saying that the whole process seemed to go very smoothly and quickly. Several people thanked the Health Department workers for setting up at the school to provide this service to the community. Pat Dobbins, Administrator for the Hendry and Glades County Health Departments stated "We are working hard to ensure that the children in our communities have the opportunity to get vaccinated for H1N1. We want to thank the West Glades Elementary School for partnering with us for this very important mass vaccination campaign."

Additionally, the Glades County Sheriff's Department provided a deputy at the site to assist with security and crowd control but there were no issues. The vaccine will be provided at other scheduled locations over the next few weeks, so please look for schedules in the newspapers and on posters throughout the communities in Hendry and Glades Counties.

The Hendry County Health Department has designated two different days and times that we can accept "walk-ins" to the clinic for H1N1 vaccinations. LaBelle: Wednesday afternoons and Friday mornings. Clewiston: Tuesday mornings and Friday afternoons.

The Center for Disease Control and Prevention provides the guidance for the issuance of the vaccine, and the Health Departments can only vaccinate the targeted groups which include healthy children over 6 months through 24 years of age, pregnant women, healthcare and emergency service personnel, individuals who live with or care for an infant under 6 months, and those who are 25 years and older who have a chronic health condition. If you have any questions regarding the H1N1-Swine Flu vaccine, you can call any Health Department or 1-877-352-3581.

Haynes given 16-year prison stint

By Eric Kopp
INI Florida

MOORE HAVEN -- A Moore Haven man with a history of prior drug convictions was sentenced to 16 years in prison Monday, Oct. 2, during a hearing in the Glades County Courthouse.

Because of his prior convictions Chauncey Allen Haynes, 31, was classified as a habitual felony offender and was looking at a total of 60 years in prison.

Even though Judge Jack E. Lundy agreed with Assistant State Attorney Jonathan Martin that Haynes "has a pretty lengthy history" he elected to go against the state's recommendation of a maximum sentence.

Without the habitual felony offender classification Haynes could have been sentenced to a maximum of 30 years in prison.

Haynes' attorney said while he felt Judge Lundy was a fair-minded judge, he didn't agree with the sentence.

"I was a little bit surprised, actually," he said. "Typically, sale (of cocaine) charges are a little less than that."

According to an arrest affidavit by Detective Sergeant Ronny Baker, of the Glades County Sheriff's Office (GCSO), Haynes was last arrested in January of this year on felony charges of sale of cocaine within 1,000 feet of a church, business or school and possession of cocaine with intent to

sell within 1,000 feet of a place of worship, business or school.

That sale, stated the affidavit, was within 1,000 feet of the Bethel Church and the Miracle Deliverance Church.

The affidavit states Haynes sold a substance suspected of being crack cocaine to a confidential informant during a controlled operation staged in Moore Haven. Sgt. Baker's affidavit states the suspected substance was field tested and indicated a positive result for the presence of cocaine.

Sgt. Baker said the weight of the suspected cocaine was less than 1 gram.

Records indicate that among his prior convictions Haynes was found guilty in Glades County of possession of cocaine in January of 2006. He was also found guilty on a felony charge of throwing a deadly missile on April 3, 2000.

Mr. Sullivan said after Monday's sentencing that he didn't know yet if there will be an appeal. "That will be up to my client," he said.

Chauncey Haynes.

update scores and stats, as well as add photos and news for players, family, friends and all local sports fans to view. Each league or sports group that participates will have dedicated web pages that will include results, schedules, stats, photos and more. There will absolutely no charge to participate in "Glades County Sports Network." While the service is perfect for youth and adult rec leagues, local schools are encouraged to use the site as well, which will be supported by advertising.

"Glades County Sports Network" won't be limited to football, baseball and basketball. The site can support virtually any sports or team activity including soccer, cheerleading, rodeo, bowling, golf and many more. In addition to appearing on the web site, selected league and team information will be collected and published in the Democrat print editions.

"This will add to the coverage and service we are providing at a time when others are cutting back," said Glades County Democrat publisher Tom Byrd. "It's a professional

format to showcase our community sports and provide teams with a very useful tool to share information with athletes and parents. I'm especially excited that the site is free to the teams and leagues, and that it gives back to help community sports. They are such a vital part of our communities."

"Our editors are providing contact information for area leagues and teams to Community Sports Desk, and they will gather all the information necessary to build each team's profile on Glades County Sports Network," Byrd said. Community Sports Desk will demonstrate to each league or team representative how easy it is to submit information and use the site."

Community Sports Desk's support staff will also provide information on how participation on "Glades County Sports Network" can provide a financial benefit to leagues and teams using the site. A portion of all ad sales and sponsorships will be redistributed to the participating leagues.

"Glades County Sports Network" is expected to be fully operational in the next two to three weeks. Interested teams and leagues can contact Renee Hawley by e-mail at rhawley@communitysportsdesk.com Or call her toll free at 888-853-7904 for a demonstration or to get started right away.

Robbery

Continued From Page 1

resident Jessica Alvarez was asked if David Jones was there.

According to an arrest report, Jessica Alvarez, 20, advised that no one else was in the house. Since David Jones was seen entering the house, it was searched by law enforcement officers. The suspect was located in the bathroom, and escorted out of the house.

According to the arrest report, Jessica

Alvarez caused a disruption when deputies were exiting the house. She was restrained and placed in the patrol car; later she was charged with accessory after the fact of a first degree felony.

An unidentified male then became very belligerent towards law enforcement officers as they escorted Ms. Alvarez to the patrol car. The unidentified male refused to stop yelling and go back to the house. He was arrested for resisting arrest without violence.
