What's your opinion?

Editor's note: Readers are invited to post their comments for this column on the Glades County Democrat web site. Go to www.newszap.com, click on "Glades County." On the Glades County page, click on "Local issues post your opinion," to comment on a current discussion thread or start a new one. You may also leave comments on the Glades County Democrat page on Facebook or email your comments to gcdnews@newszap.com. Comments on all issues of local interest are welcome. Some of the topics currently under discussion include the following:

Volunteer firefighters

• Glades County Public Safety, Division of Fire Rescue is comprised of six fire stations, one of them being the firehouse in Muse. All of our firehouses are separated into "Districts." The State of Florida has recently imposed a State Certification for anyone who is a firefighter, whether paid or not. Despite popular belief, there is a lot more to learn than squirting wet stuff on the hot stuff. Volunteers, however, are not held to the same standard as career Firefighters. The Firefighter I certification (for volunteers) is roughly 200 hours and can be completed part time, two nights a week for three months. Any resident of Glades County can become a firefighter by simply contacting the station closest to their home.

Catfish festival

• We made it to the Buckhead Ridge Catfish Festival just in time. We were sitting down to eat when we heard they just ran out of catfish and could not sell any more dinners. Guess we got some of the last fish that was cooked. It was delicious. Seems they had a bigger turn out this year than last year and by 1 p.m., they had sold out of catfish dinners. One suggestion—how about adding hush puppies? Hush puppies would really be great with that fish. We will certainly be back to support the fire department and to get some more of that tasty fish.

• It was a lovely day for the festival. I agree about hush puppies. I would be willing to pay extra for those. Maybe next year they will consider it.

Dogs in the trash

• Why can't the Dog Catcher keep stray dogs from tearing up trash in everyone's yards. I thought there was a leash law in Glades County. We have reported this problem to several agencies, several times and nothing has been done to correct the situation.

• I had this problem with stray dogs getting into the trash. I solved it by getting trashcans with locking lids. I know the homeowner should not have to go to this expense, but it was less stressful to me than it was to have to clean up the mess in front of my home every week.

Presidential race

• What a mess the presidential race is this year. I wish the ballot had "none of the above" as a choice. I don't like any of the candidates—Republican or Democrat.

- Choose JESUS then.
- It's 2012! Remember the Myans!

The Y generation

• Something all parents should understand.... People born before 1946 were called The Silent generation. People born between 1946 and 1964 are called The Baby Boomer, People born between 1965 and 1982 are called Generation X, And people born between 1983 and 2010 are called Generation Y. Why do we call the last group Generation Y?

"Y should I get a job?"

"Y should I leave home and find my own place?"

"Y should I get a car when I can borrow yours?"

"Y should I clean my room?"

"Y should I wash and iron my own clothes?"

"Y should I buy any food?"

• I have read that they are calling the current generation of young people "the delayed generation." Because those leaving college cannot find jobs that pay enough for them to set up their own households, they are delaying leaving home. Many of those leaving college cannot find work at all, or else they are taking minimum wage jobs because there are a lot of experienced workers competing with them for what would previously been considered "entry level" jobs.

Inland Birding Fun: Purple Martin (PUMA)

PHOTO / MARTY VALIENT

Male Purple Martin.

BY MARGARET ENGLAND
Hendry-Glades Audubon

The Purple Martin is the largest of the North American swallows. This medium-sized songbird has a large head, thick chest, and broad, pointed wings. The adult male is blue-black above and below.

Margaret England

The adult female is bluish on the back with a dingy gray brown chest, pale dirty gray belly, and gray collar around the neck. The immature Purple Martin has markings similar to the female but less bluish on the back and its underparts are a dirty white. Their song is a series of musical chirps interspersed with raspy twitters.

These aerial insectivores catch a variety of winged insects for food. They rarely come to the ground to eat. Purple Martins get their water by skimming the surface of the pond or other bodies of water by scooping the water up with their lower bill. Native Americans hung up empty gourds for Purple Martins before Europeans arrived in North America. The Eastern Purple Martins now nest almost exclusively in gourds and man-made boxes. Currently, the older Purple Martins are returning to inland Florida to locations where they have nested before.

Breeding pairs of Purple Martins will line their nests with soft materials like grass, leaves, paper, or mud. Between March and June, four to five white eggs are laid which are incubated solely by the female for 15 to 18 days. Both adults feed the young until they are ready to leave the nest when 24 to 28 days old. Become a "Citizen Scientist" and help report Purple Martins and other bird species during the 2012 GBBC. Just submit your daily 15 minute or more observations for any or all days during the Feb. 17 to 20 to the GBBC web site at www.birdsource.org/gbbc.

You are invited to join Hendry-Glades Audubon volunteers for birding trips to STA5 located 20 miles south of Clewiston. To reserve these free trips or to request information about Great Backyard Bird Count contact Margaret England at sta5-birding@embarqmail.com or call 863-674-0695. Visit the HGAS web site at www.hendrygladesaudubon.org or the Hendry-Glades Audubon.

The Big "O" Birding Festival will be held Mar. 28 to 31. Join us for the largest bird-themed event in South Central Florida, located on the Southwest shores of Lake Okeechobee, the state's largest lake. Wide vistas of blue skies, oak-canopied rivers, quaint small antique towns and farming communities offer visitors a taste of inland Florida.

Some of the state's rarest plants and animals are found here including the Snail Kite, Florida Scrub Jay and Florida panther. For information or to volunteer, call 863-675-5264 or e-mail bigobirding2012@gmail.com.

Family Eye Care sells electronic focusing prescription glasses

Family Eye Care has always been an innovator in offering the newest technology in eye care to the residents of LaBelle and surrounding areas. They are very proud to announce that they now have available Pixel Optics' revolutionary emPower! eyeglasses, the world's first electronic focusing prescription eyewear. They are the first and currently the only vision care practitioners in Hendry County to offer this new technology.

The eyeglasses feature composite lenses with a thin transparent LCD-like layer, microchips, micro-machine accelerometers and miniature rechargeable batteries. With all this they have the same weight, feel and look of your everyday high fashion eyewear designs. The eyewear cost about \$1,350 for a complete pair, which includes the frame, lenses, coatings, and all electronic components including a charger.

"We are happy to offer our patients this cutting edge vision correction option. Bifocals or the reading power in progressive lenses often interfere with daily activity. Walking up and down steps is a perfect example. Being able to turn the reading power off to reduce it is a real breakthrough," says Drs' Parrish and Youmans.

The microchip, micro-accelerometers, and miniature batteries are hidden discreetly in the temples of the frames. The transparent liquid crystal layer in each lens is able to electronically change and activate the near focus zone of the lens only when needed without making a sound or change in the appearance of the lens. Just touch the frame to adjust your view, or set it to do it automatically. emPower! offers instant, automatic vision correction for all ranges of sight, less distortion and wider fields of view compared to a traditional progressive lens. This gives you unprecedented control over your vision!

Wearers can choose to operate the eyeglasses in three different modes: manual on, automatic and manual off. emPower! is shock resistant and waterproof. One charge of the battery allows operation for two to three days of use.

Stop by the optical at Family Eye Care and let Tom, Natalie or Tracy give you a no obligation demonstration. No appointment necessary. Office hours are Monday-Friday 8:30-5:00, except Thursday 7:30-7:00. We also have hours on some Saturdays.

RELIGION COLUMNS

Measuring Love

BY JACKIE MILLER, EVANGELIST
First Christian Church

Gold is measured by the ounce, steel by the ton, wheat by the bushel; but how can you measure LOVE? Love resists being poured into a measuring cup.

It will not lie down alongside a yardstick. Chemical analysis has been unable to separate love's constituent elements.

Love has to be measured by what it does. Love for friends, love for the family, love for our nation, our home, our God -- all have to be measured by what we do for each one.

You see, love is more than a pleasant feeling or even a sensual thrill. Love is deliberately putting yourself out for someone else. This is why we sacrifice

for a home, or why a mother gives herself for her little ones.

We have been conditioned into believing that love is what others do to us, that when others are attractive to us, or make us feel good, we can love them. But love is not what others do to us. It is what we do for them; Love is understanding your companion through the years. Love is teaching a child to walk. Love is doing.

No wonder Jesus could command us, "Love one another, as I have loved you." He was not asking us to cultivate warm feelings, but to go out and do. His commandment was not to discuss love, but to demonstrate it!

Jesus told us that the two great commandments were to "Love the Lord, thy God, with all thy heart, with all thy mind, with all thy strength, and with all thy soul." And He said the second commandment was like unto it, "Love thy neighbor as thyself." He said, "On these two commandments hang all the law and prophets.

The "love" that Jesus was talking about is "agape" love, which means "to seek the HIGHEST good;" and it is "Intelligent, unselfish, active, good will." If we all practiced this "love" it would solve all our problems.

Valuable Advice

BY PASTOR JOHN HICKS
First United Methodist Church

As a pastor, I receive a lot of sometimes informative information which just calls out to be shared. For instance, someone has collected a list of Fatal Things to Say to Your Pregnant Wife which I feel compelled to share with my brethren. Following are seven fatal things to say to your wife when she is pregnant.

#7: "I finished the Oreos." #6 "Y'know, looking at her, you'd never guess that Pamela Lee had a baby!" #5: "Well, could they induce labor? The 25th is the Super Bowl." #4 "Whoa! For a minute there, I thought I woke up next to Willard Scott!" #3: "I'm jealous! Why can't men experience the joy of childbirth?" #2: "Are your ankles supposed to look like that?" and the #1 Fatal Thing to Say to Your Pregnant Wife: "You don't have the guts to pull the trigger."

And then there's the question, "Is the glass half full, or half empty?" It depends on whether you're pouring, or drinking.

Other words of wisdom: "Women and cats

will do as they please; men and dogs should relax and get used to the idea." "Always keep your words soft and sweet, just in case you have to eat them." "Always read stuff that will make you look good if you die in the middle of it."

Speaking of cats, imagine having to wash one. I had to once, and it was an experience! Years later, I received the following instructions on how to do it properly: Dear P.J., To bathe the cat:

1. Put both lids of the toilet up and add 1/8 cup of pet shampoo to the water in the bowl.

2. Pick up the cat and soothe him while you carry him towards the bath room.

3. In one smooth movement, put the cat in the toilet and close both lids. Following this activity, you may need to stand on the lid.

4. The cat will self-agitate and make ample suds. Never mind the noises that come

John Hicks

from the toilet, the cat is actually enjoying this.

5. Flush the toilet three or four times. This provides both the "Power Wash" and "Rinse."

6. Have someone open the front door of your home. Make sure that there are no people between the bathroom and the front door.

7. Stand behind the toilet as far as you can, and quickly lift both lids.

8. The cat will now rocket out of the toilet, streak through the bathroom, and run outside where he'll dry himself off, cat-fashion.

9. Both the commode and the cat will be sparkling clean. "Hope this helps!" Sincerely, Rover.

"Blessed is the man who finds wisdom, the man who gains understanding, for it is more profitable than silver and yields better returns than gold. It is more precious than rubies; nothing you desire can compare with it." Proverbs 3:13-15.

Valentine's Day: Made in the Image of the Greatest Lover

BY REV. SAM S. THOMAS, PH. D.+
Saint Martin's Church

Valentine's Day is few days away (you have a few days to get something for someone special-don't forget!). It's one of those holidays rooted among the early Christians ("holiday" itself comes from "holy day").

Valentine was a clergyman arrested, tortured, and beheaded under the Roman emperor Claudius II in the 3rd century. Before being executed, he brought healing to his jailor's daughter.

Such an act, of course, was unusual; doing good for the very people who are being hurtful,

threatening, executing those you help, working against everything you stand for. This is the kind of love we don't see too often today as well.

It deserves to be celebrated. It is about love; selfless love, outpouring love, love that expects or gets no return, love that makes no demands, love that is different than the kind seen in the tabloids or gossiped about.

The love Valentine knew was that outpouring kind of offering to another; a human who was suffering and an inward call to help. It had to do with making another person whole; that's a big part of what love is all about.

Paul writes about it in 1 Corinthians 13; patient, kind, not self-seeking, keeps no record of wrongs, protects, trusts, hopes, perseveres -- and then adds "love never fails (v.8)" I believe such relationships do not come overnight; they

require work on the part of all who ever attempt to have true love -- but it's worth it.

It's not easy to be patient, it's difficult to return kindness for provocations, human beings expect at least something in return for their efforts. People who hurt us make us wary and untrusting, and the temptation to throw in the towel is always around.

Then, there are those who seem to make it -- no easy road, no stress-free life, no arriving at some plateau and saying that there is no more work required. The First Epistle of John deftly intertwines our love and God's love. He notes that "perfect love casts out fear, "There is no fear in love.

But perfect love drives out fear...(ch 4, vs 18)" Lovers speak openly to those they love and who love them; they share intimacies and are not afraid of ridicule, They can expect understanding of their side of things when nobody else seems to do so. They can know there will be support when they're about to undertake something that may have serious consequences.

They can accept each other's imperfections and are happy to be called on to help. These certainly are the things that cast out fear; and are worth seeking.

Valentine must have known these things; he lived by them and why he gave himself is remembered these eighteen hundred years later. It's work; but it's still worth seeking.

The world still seeks it. When we get to see it, then we know "God is love(1 John 4:8)" We, who are made in His image are meant to be, give and share love too.

Truly worth being and having!

Sam Thomas

Lake Okeechobee Fishing Report

SUBMITTED PHOTOS

BY MARK KING

When I hear the words "world famous," the first thing that comes to mind is this awesome lake that is my back yard: Lake Okeechobee.

If you want to catch a lot of bass or are looking for that trophy bass for bragging rights, then Lake Okeechobee is the place to come fishing now.

Catching 50 bass a day is not uncommon and most of them are from three to seven pounds. We have been live bait fishing these past few weeks with wild shiners – we have been using up over six dozen shiners in as little as four hours.

Or, if catching bass on artificial lures is your thing, then 35 pounds with just five fish should be as well. That would be enough to win a one-day tournament, so, I hope that catches your attention. If catching bass is a passion of yours, now is the time to plan a trip to Lake Okeechobee where the weather is hot and so is the fishing.

As I mentioned before, the live bait fishing has been crazy and the lake is fishing so big right now; that means you can catch bass almost anywhere. I have been fishing areas like Long Point, Bay Bottom, East Wall, West Wall, and up around Turner Cove area.

If the wind will let you fish on the outside grass closest to the main lake, then that is where you should be fishing. When fishing on windy days, just move in off the main lake far enough to be able to fish and where the water is clean.

"As I mentioned before, the live bait fishing has been crazy and the lake is fishing so big right now; that means you can catch bass almost anywhere."

— Mark King

With the full moon almost upon us the bass are making a push toward spawning areas. We have been catching a lot of buck bass and the big females should be close behind moving in to spawning areas.

I'm not sure how far back in off the main lake these bass will move but, as of now, they are not back in too far off the main lake.

The FLW tournament this week should be awesome with hopes of breaking last year's record of more than 106 pound of bass with a limit each day of five bass for four days. Charlie's Worms Zipper Dipper has been my bait of choice for my artificial trips with a Charlie's Flippin' Bug being my next choice.

Make sure you are using braided line and a good heavy action rod to get these fish out of the heavy cover.

The crappie fishing is still about the same with most just catching a few a day. I have started to fill up my calendar for tarpon fishing in the Keys during May and June. If you are looking to catch a giant tarpon give me a call and we can get a trip set up. Until next week good luck, tight lines, and I hope to see everyone on the water soon.

Capt. Mark King is a full time guide out of Roland Martin's Marina and Resort in Clewiston. Give him a call at 863-677-0983 or go to www.markkingfishing.com or www.tarponinthekeys.com to book a trip.

Mary E. Dooker 

To My Love And My Wife

Mary, this is my Valentine message to you.

There are rhymes and riddles, and the lines are all true.

As you know, since the seventh grade I have sought out your love.

And through it all I have prayed for guidance and help from above.

This will be our forty-eight Valentine Celebration as husband and wife.

You are the happiness, the joy, and the excitement that makes up my life.

Through God's guidance for forty-eight years you and I have been one.

Our Love is made up of all the many things for me you have done.

Your love, your kindness, your thoughtfulness, and your smiles

they all carry me through life's many challenging miles.

Through the years we have become wiser and older.

And yet, through it all, I say I would do it over.

And so as you read this love statement

May you know it is meant.

Happy Valentine's Day

To you I say

I Love

You!

North Lake Estates Quilters plan annual quilt show

North Lake Estates Quilters, North Lake Estates RV Resort, 12044 E. SR 78, Lakeport, will host their Biannual Quilt Show on Saturday, Feb. 18, from 9 a.m. to 3 p.m. Admission is \$2. Quilts and quilted items will be displayed. Homemade fabric goods will be on sale. There will be quilting demonstrations and a drawing for a quilt as well as door prizes. Lunch will be available.

North Lake Estate Quilters was begun in 2002 when a group of women living in the North Lake Estates RV Resort decided to work together to teach each other to quilt. The group membership fluctuates from a dozen to 25 or more. The ladies assemble quilts individually and as a group. They also hand quilt their own and others' quilts much like the old time quilting bees. This is the 6th quilt show; the first was in 2003. Since 2004, the group has had a show every other year. Additionally, the group made over 50 lap quilts for Grace Healthcare in Clewiston, do-

nated two \$500 scholarships to Moore Haven High School, and donated to the Lakeport Volunteer Fire Department.

February is American Heart Month

Heart disease is the leading cause of death in Hendry and Glades Counties

BY PAT DOBBINS

Hendry/Glades Health Departments

According to the Centers for Disease Control & Prevention (CDC), heart disease is the leading cause of death in the United States.

About every 25 seconds, an American will have a coronary (heart) event and about one every minute will die from one. Heart disease is the leading cause of death in Hendry and Glades counties.

Here are a few tips to help you to become "heart healthy".

- Eat a healthy diet. Choosing healthier meals and snacks can help you avoid heart disease and its complications. Be sure to eat plenty of fresh fruits and vegetables.

- Eating foods low in saturated fat and cholesterol and high in fiber can help prevent high blood cholesterol. Limiting salt or sodium in your diet can also lower your blood pressure.

- Maintain a healthy weight. Being overweight or obese can increase your risk for heart disease. To determine whether your weight is in a healthy range, healthcare providers often calculate a number called the body mass index (BMI).

Sometimes your waist and hip measurements are used to measure your excess body fat.

- Exercise regularly. Physical activity can help

you maintain a healthy weight and lower your cholesterol and blood pressure. It is suggested that adults should engage in moderate-intensity exercise for at least 30 minutes each day.

- Quit smoking or don't start smoking. Cigarette smoking greatly increases your risk for heart disease. So, if you don't smoke, don't start.

If you do smoke, quitting will lower your risk for heart disease. Talk to your healthcare provider about ways you can quit smoking.

- Limit alcohol use. Avoid drinking too much alcohol, which can cause high blood pressure.

Prevent or Treat Your Medical Conditions: If you have high cholesterol, high blood pressure, or diabetes, there are steps you can take to lower your risk for heart disease.

- Have your cholesterol checked. Your health care provider should test your cholesterol levels regularly. Talk with your healthcare provider about this simple blood test.

- Monitor your blood pressure. High blood pressure has no symptoms, so be sure to have it checked on a regular basis.

- Manage your diabetes. If you have diabetes, closely monitor your blood sugar levels. Talk with your health care provider about treatment options.

- Take your medications. If you're taking medication to treat high cholesterol, high blood pressure, or diabetes, follow your healthcare provider's instructions carefully. Always ask questions if you don't understand something.

- Talk with your health care provider. You and your healthcare provider can work together to prevent or treat the medical conditions that lead to heart disease.

Discuss your treatment plan regularly and bring a list of questions to your appointments.

Know your signs and symptoms. Some heart attacks are sudden and intense, however, most heart attacks start slowly and you may only feel mild pain or discomfort.

Many people aren't sure what's wrong and wait too long before getting help. Here are signs that can mean a heart attack is happening:

- Chest discomfort. Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness, or pain.

- Discomfort in other areas of the upper body. Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw, or stomach.

- Shortness of breath. May occur with or without chest discomfort.

- Other signs. These may include breaking out in a cold sweat, nausea, or lightheadedness.

A healthy diet and lifestyle are the best weapons you have to fight heart disease.

- Choose lean meats and poultry without skin. Prepare them without added saturated and trans fat.

- Select fat-free, one percent fat, and low-fat dairy products.

- Cut back on foods with partially hydrogenated vegetable oils to reduce trans fat in your diet.

- Cut back on foods high in dietary cholesterol. Try to eat less than 300mg of cholesterol each day.

- Cut back on beverages and foods with added sugars.

- Select and purchase foods lower in salt/sodium.

- If you drink alcohol, drink in moderation. That means no more than one drink per day if you're a woman and two drinks per day if you're a man.

- Keep an eye on your portion sizes. Physical activity in your daily life is an important step to preventing heart disease.

You can take a few simple steps at home, at work, and at play to increase the amount of physical activity in your life.

Start taking steps to be heart-healthy. For more information about Heart Month and heart health, visit www.cdc.gov/Features/HeartMonth.

ELECTION

Continued From Page 1

"My poll workers were on the ball and it went just like clockwork," she said.

The office finished counting the ballots and sent the final elections results to the state at 8:30 p.m.

Glades County had a 34 percent turnout of the county's 1,789 registered Republicans. Ms. Whiddon said she thought this was a good turnout since only those registered in one political party could vote and since there were no local races or issues on the ballot.

None of the political candidates in the race visited Glades County during the campaign.

Most Glades County voters cast their ballots on election days. Absentee ballots accounted for 93 votes cast. Forty Glades County voters took advantage of early voting.

Of the votes cast in Glades County, Newt Gingrich took the lead with 297 votes and Mitt Romney was in second place with 237 votes.

Statewide, Mr. Romney won the election with 46 percent of the votes. Since the Florida primary is a "winner takes all" election, Mr. Romney received all 50 of Florida's delegates to the Republican National Convention, to be held Aug. 27-30 in Tampa. However, since the election, Newt Gingrich has since challenged Florida's "winner takes all" status with the Republican National Committee.

Glades County Arrests

The following individuals were arrested on felony or driving under the influence (DUI) charges by the Glades County Sheriff's Office (OCSO), the Florida Highway Patrol (FHP), the Florida Fish and Wildlife Conservation Commission (FWC) or the Department of Corrections (DOC).

- Yanquis Perez, 28, Tropicana Blvd., Naples, was arrested Feb. 1 on a felony warrant. His bond was set at \$2,000.

- John Luc Torres, 21, was arrested Feb. 1 on two counts of sexual assault. He is being held without bond.

- Jared Franklin Woodward, 33, Florida Ave., Moore Haven, was arrested Feb. 3 on an out-of county felony warrant. He is being held without bond. He was also arrested on a charge of possession of a weapon or ammunition by a convicted felon. His bond on that charge is \$5,000.

This column lists arrests and not convictions, unless otherwise stated. Anyone listed here who is later found innocent or has had the charges against them dropped is welcome to inform this newspaper. The information will be confirmed and printed.

Gilbert Chevrolet scores a goal for area youth soccer

Gilbert Chevrolet donates more than \$2,100 in cash and sports equipment to Moore Haven Junior Senior High School

Gilbert Chevrolet, one of six Chevrolet dealers from the West Palm area that partnered with local youth soccer leagues for the 2011 season, raised nearly \$21,900 in total donations from the dealership and private parties. In addition to monetary support, Gilbert Chevrolet provided Moore Haven Junior/Senior HS with equipment donations, an opportunity to raise and keep up to \$10,000 through a unique fundraiser, and participation in an instructional soccer clinic.

"Chevrolet has a long history with youth sports and we're glad we were able to bring that commitment to our youth soccer leagues in Okeechobee where our customers and their families live, work, and play," said Kevin Hatfield, Fleet Sales Manager for

Gilbert Chevrolet. "We've been part of this community for over 78 years and enjoy supporting our youth sports teams."

Moore Haven Junior/Senior HS had the opportunity to raise as much as \$10,000 through a fundraising opportunity. One lucky winner in each region won his or her choice of a 2012 Chevy Cruze or Equinox. Another lucky winner in the West Palm-area received a home entertainment package. One hundred percent of the proceeds of the fundraiser went directly to the league.

"We are delighted to be involved with youth soccer," said Hatfield, of Gilbert Chevrolet. "Sponsoring Moore Haven Junior/Senior HS gave us the opportunity to illustrate our commitment to the youth and families in and around Okeechobee and we're glad to have achieved such a positive outcome for the community."

In 2011, more than 700 Chevrolet dealers participated in Chevy Youth Soccer across the USA.
