Community Health Fair to be held March 3

Special to the Glades County Democrat

The Hendry Glades Community Health Fair will be held on Sunday, March 3, from 11:30 a.m. to 4 p.m. at the Hendry Regional Medical Center in Clewiston. Each year the Hendry Glades Community Health Fair has had over 500 area residents taking advantage of the many services offered.

Services offered include anemia screening, tobacco cessation, vision testing, mammogram vouchers, blood pressure, bone density, cholesterol screening, diabetes screening, HIV screening and education, safety helmets and much more.

Many agencies will have tables under the tent to do some testing, answer questions, and hand out valuable educational materials.

In addition to the services and vendors, members of the Lions Club will cook and free food will be available to residents who take advantage of the services offered. They will have a bounce house for the children as well as a snow cone and popcorn machine. Local radio station WAFC will broadcast live from the event.

Students Working Against Tobacco and Tobacco Free Partnership Raising Awareness

When it comes to Tobacco, smokeless does not mean harmless. Tobacco products like chew, dip and snuff are not harmless.

However, because they're smokeless, youth and adults may underestimate the serious health risks associated with these products. In fact, while cigarette use continues to decline, smokeless tobacco use has remained steady among Hendry's youth for more than a decade.

To help raise awareness about the dangers of smokeless tobacco, Hendry Students Working Against Tobacco, Hendry Tobacco Free Partnership and the Florida Department of Health's Bureau of Tobacco Free Florida will observe Through with Chew Week from Feb. 17 to 23.

In observance of Through with Chew Week, school SWAT programs will provide educational sessions to their peers with daily tidbits on the Dangers of Tobacco use, focusing on candy flavored and smokeless tobacco.

A Tobacco Prevention Specialist, along with two members of SWAT, will be live on WAFC for Great American Spit Out on Thursday, Feb. 21, at 8 a.m. The culmination for Through with Chew Week will be on Feb. 23, with SWAT and HTFP participating in the Annual Swamp Cabbage Festival in LaBelle.

SWAT and HTFP will have a float in the annual parade which will provide a visual on the dangers of candy flavoured tobacco with a focus on smokeless tobacco.

During the event youth will hand out palm cards with information on tobacco use and up-

coming tobacco cessation classes.

"Youth and young adults may think that smokeless tobacco is safer than cigarettes because it comes in sweet flavors such as cherry, strawberry and grape," stated Xiamora Rangel, SWAT member at Clewiston High School.

"The truth is that smokeless tobacco contains 28 cancer causing chemicals, and a 30 minute chew has the same amount of nicotine as three to four cigarettes."

Martina Marquez, SWAT Vice President at LaBelle High School stated, "Flavored tobacco products are widely considered to be starter products, establishing a pattern of tobacco use that can lead to addiction."

Health Risks

Constant exposure to tobacco juices from these smokeless products can cause oral cancers, which can form within just five years of regular use and can cause cancer of the esophagus, pharynx, larynx, stomach and pancreas.

Smokeless tobacco use can increase the risk of oral cancers by 80 percent and the risk of pancreatic and esophageal cancer by 60 percent, according to a 2008 study from the World Health Organization (WHO) International Agency for Research on Cancer.

Aside from the increased risk of cancer, using smokeless tobacco can increase the risk of heart attack and stroke. It can lead to other oral problems such as mouth sores, gum recession, tooth decay, and permanent discoloration of teeth.

Smokeless tobacco use can also increase the risk of reproductive health problems such as reduced sperm count and abnormal sperm cells for men.

Women who use smokeless tobacco may be at an increased risk of preeclampsia (a condition that may include high blood pressure, fluid retention, and swelling), premature birth, and low birth weight.

Addiction

Like cigarettes, smokeless tobacco products contain nicotine, a highly addictive and dangerous chemical. Smokeless tobacco users and cigarette smokers have comparable levels of nicotine in the blood, according to the National Cancer Institute.

"Some youth may mistakenly believe that when they start smoking or use any tobacco product, they are able to quit very easily," said State Surgeon General and Secretary of Health Dr. John Armstrong. "This type of addiction is very hard to break, and the health risks are extremely high for any tobacco product."

Tobacco Free Florida has three ways to help smokeless tobacco users quit. Those who want to quit can double their chances at success by using one of these free and convenient quit services. For more information, visit www.tobaccofreeflorida.com.

Weekly Gas Price Update

Average retail gasoline prices in Florida have risen 15.3 cents per gallon in the past week, averaging \$3.79/g on Sunday, according to GasBuddy's daily survey of 8,237 gas outlets in Florida. This compares with the national average that has increased 11.9 cents per gallon in the last week to \$3.68/g.

Including the change in gas prices in Florida during the past week, prices yesterday were 13.1 cents per gallon higher than the same day one year ago and are 38.3 cents per gallon higher than a month ago.

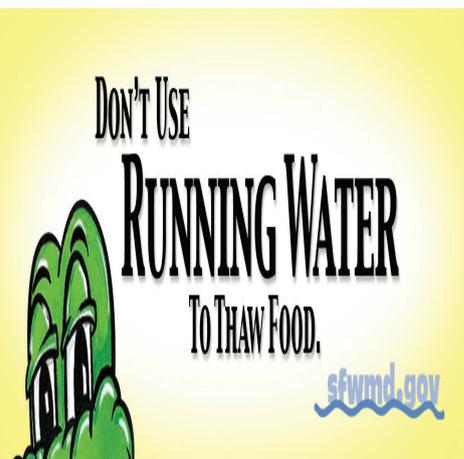

The national average has increased 42.2 cents per gallon during the last month and stands 16.7 cents per gallon higher than this day one year

ago.

"The steady climb of retail gas prices is likely to continue following double-digit increases in wholesale prices with fuel production tightening in the majority of the country's refineries," said GasBuddy.com Senior Petroleum Analyst Gregg Laskoski.

"Los Angeles has climbed to \$4.28 per gallon with a 55-cent average price increase in the past month, and that rate was surpassed in Chicago (\$4.09 average price) and Detroit (\$3.86 per gallon average), where motorists saw 63- and 64-cent respective increases over the same period.

New York crossed the \$4 threshold too."

Notice of School Board Meeting and Attorney-Client Executive Session School Board of Glades County, Florida

Pursuant to Section 286.001(8), Florida Statutes, the School Board of Glades County, Florida, will hold a Special Meeting and meet in Executive Session on Thursday, February 21, 2013, in the Glades County School Board Meeting Room, located at 400 10th Street SW, Moore Haven, Florida 33471.

The School Board will be meeting with Robert Shearman, Special Counsel; Michael R. McKinley, School Board Attorney; and Scott Bass, Superintendent of Schools, to discuss the case of Glades County School Board v. Alice Gardner, concerning the employment status of Alice Gardner, which case is pending and to which the School Board is a party. The Board was advised of School Board Attorney Michael R. McKinley's request for a meeting by Superintendent Scott Bass at the Regular Meeting of the School Board on February 14, 2013.

Any disabled individual who needs reasonable accommodations for this meeting may contact the Superintendent's Office at (863)946-0202, extension 110, prior to the date of scheduled School Board Meeting.

All concerned citizens are invited to a public hearing to be held on February 26, 2013, at 5:30 P.M., at the Hendry County School Board meeting room, Old Courthouse, 25 East Hickpochee Avenue, Labelle, Florida.

A DECISION on the proposed amendment to the projects funded from CAPITAL OUTLAY TAXES will be made at this meeting.

Inland Birding Fun: Purple Swamphen Update (PUSW)

BY MARGARET ENGLAND
Hendry-Glades Audubon

In February the Purple Swamphen (*Porphyrio porphyrio*) was added to the Official American Birding Association (ABA) Checklist. This action by the ABA Checklist Committee raises the number of species on the Official ABA Checklist to 977. The range of the introduced Purple Swamphen is limited in the United States to Southern Florida, but they could spread rapidly to other areas of the state. Purple Swamphens are an established non-native bird that is believed

to have been accidentally released in 1992 after Hurricane Andrew. Information about the Purple Swamphen is found on the University of Florida IFAS Extension's website at: <http://edis.ifas.ufl.edu>. This member of the rail, gallinule and coot family is larger than Florida's native Purple Gallinule. Purple Gallinule and Purple Swamphen both have blue/purple bodies and green wings. Purple Gallinules have yellow legs, pale blue foreheads, and a red beak with a yellow tip, while Purple Swamphen has scarlet or blood red

Purple Swamphen.

PHOTO / KEN CORREGAN

legs and foreheads. Swamphen have a very large triangular red bill. Female Purple Swamphens are similar to the male, but are slightly smaller and have a smaller frontal shield. Juvenile Purple Swamphens are duller and paler than the adults. Hatchlings are little black or brown fluff balls. The most common Purple Swamphen call is a loud, high-pitched "creek."

Purple Swamphens are aggressive territorial birds who could compete with native species for habitat and food. They live in a wide variety of

constructed and natural wetlands, wet prairies, canal edges, and marshes. According to research they are primarily vegetarians, but they have been observed eating mollusks, fish, frogs, lizards, snakes, bird eggs, and small birds.

In the spring and summer these birds are found in communal groups made up of several breeding males and females and non-breeding "helpers" who share the duties of building the nest, incubating the eggs and caring for the chicks. The breeding females in this group may

share a shallow bowl-shaped nest built on a platform made of vegetation. A canopy using some of the surrounding vegetation might be built to cover the nest. Each breeding female can lay two to seven eggs in the communal nest. The chicks hatch in 23-27 days and are able to leave the nest soon after they are born, but may remain near the nest in order to beg their parents for food.

Purple Swamphen are reported year round and are breeding at various locations south of Lake Okeechobee including Stormwater Treatment Area five (STA5). During the past five years the STA5-Clewiston (FLSO) Christmas Bird Count has reported more Purple Swamphens than any other counts in the United States.

Join birders and photographers in their quest for Purple Swamphens and other species found in at STA5 on March 2. Reservations are required for the trips lead by Hendry-Glades Audubon volunteers. Send an e-mail to Margaret England at sta5birding@embarqmail.com or call 863-674-0695 or 863-517-0202. Include your name and contact information including an emergency cell number, the date you want to attend the STA5 trip, and the number of participants in your party.

Meet at the east end of Deer Fence Canal Road at 8:30 a.m. For a schedule of STA5 trips through January 4, 2014 visit the HGAS website at: www.hendrygladesaudubon.org.

Kathryn Bronson, 86

SEBRING — On February 7, 2013, at the hospital in Sebring, Florida, Kathryn Bronson passed away at 86 years old. She was born on August 11, 1926 in Kissimmee, Florida to Henry O. and Bertha Lee Partin.

Kathryn left behind four children, Steven (Judy) Bronson of Lorida, Susan (Roger) Williams of Moore Haven, Sherry (Steve) Petti of Moore Haven and Stanley (Cheryl) Bronson of Georgia, eleven grandchildren and sixteen great-grandchildren. She was preceded in death by her husband Walter Thomas Bronson.

Funeral services were held Monday, February 11, 2013 at 11:00 am at the Ortona Cemetery Pavilion.

The family would like to thank all the people who helped make Kathryn's passing easier on the family, by their support with beautiful flowers and cards, friendship and great food. We would also like to thank Pastor Charley Watts for a wonderful service. She was a great mother and grandmother and the family will truly miss her.

Arrangements by Akin-Davis Funeral Home - Clewiston.

Kenneth J. Dale, 71

CLEWISTON — Kenneth J. Dale passed away February 13, 2013 in Clewiston.

He was born Aug. 4, 1941 in Yonkers, N.Y. to the late Jimmy and the late Bertha (Deubert) Dale.

Ken has played Santa Claus for many years. He has volunteered with many different organizations. He also drove the van for the DVA transporting people back and forth to the VA Hospital. He enjoyed the conversation and interaction with the people. Most recently he volunteered with the Hendry County Sheriff's Department. He was so proud of the community and enjoyed giving back to the community. He will be dearly missed by his family.

He is survived by two daughters, Karen McEnany, Kim Dale; grandchildren, Jason Dale, Phillip McEnany, Nicole McEnany Thompson, Rachel Dale Monteiro, Harry Poole; great grandchildren: Josiah Stephens, Zion Monteiro and Aaron Thompson.

Visitation will be Friday, February 22, 2013 from 6 to 8 p.m at Akin-Davis Funeral Home, Clewiston, FL. Interment will be in South Florida National Cemetery, Lake Worth.

Arrangements by Akin-Davis Funeral Home - Clewiston.

Glades County Woman's Club hosts fashion show

Special to the Glades County Democrat

"I never saw such unique centerpieces!"
"This event gets better every year!"

These were just a couple of the comments overheard at the Glades County Woman's Club's annual Spring Bling Fashion Show and Luncheon, held again this year at M RV Resort. Big Mama and potato soup, salads, sandwiches and desserts of every type from "nanner puddin" to red velvet cake, were all homemade and donated by members of the club to fund the scholarships they award to Glades County's graduating seniors. The tables featured beautiful purses & slippers attached to vases with jewelry dangling from each arrangement. Awww, you'd have to see it to believe it—you shoulda been there. Mark your calendar for next year. Assisting with the serving were graduating seniors Dianna Hallback, Nila Seales and Ashleigh Andrews, who are working on their community service hours—a requirement to graduate.

Guests were welcomed in a program listing Top Ten Things Only Women Understand:

10. Why it's good to have five pairs of black shoes.
9. The difference between cream, ivory and off-white.
8. Crying can be fun.
7. Fat clothes.
6. A salad, a drink and hot fudge sundae make a balanced lunch.
5. Discovering a designer dress on the clearance rack can be considered a peak life experience.

4. The inaccuracy of every bathroom scale ever made.

3. A good man might be hard to find, but a good hairdresser is next to impossible!

2. Why a phone call between two women never lasts under ten minutes.

And, the number ONE thing only women understand—other women!

Members contributed baskets containing items from barbecue grills to household items, and an original painting for a raffle. Winners are too numerous to list.

The club would like to extend a big "Thank you" to Mike Snow and David Beck

for their donation of a Swamp Buggy Ride, and an Airboat Ride, "World Class Barber Shop" in LaBelle for a year of haircuts, "Koffee Korral" for a gift certificate and Karen Charest of Buckhead Ridge for her basket donations, and of course M RV Resort for their interest in the Moore Haven community and our local youth.

Prior to their presentations, the models surprised Anne Coffey, by leading the group in singing "Happy Birthday" to her. Saturday not only was Anne's birthday, but also that of her daughter, and her pet Chihuahua.

Fashions were presented by "Boutique on Wheels", who donated a percentage of their sales to help fund the scholarships.

Pat Lucas was one of the models for the fashion show.

Special to the Glades County Democrat/Barbara Brown
 Models for the fashion show included Keely Farnam, Kim Clement, Lindsey Swaford, Laura Bedard, Sue Ilich and (not pictured) Pat Lucas.

In observance of Through with Chew Week, West Glades School SWAT program will provide educational sessions to their peers with daily tidbits on the Dangers of Tobacco use, focusing on candy flavored and smokeless tobacco. The culmination for Through With Chew Week will be on Feb. 23, with West Glades SWAT working alongside Hendry SWAT and HTPF participating in the Annual Swamp Cabbage Festival in LaBelle. The group will have a float in the annual parade which will provide a visual on the dangers of candy flavored tobacco with a focus on smokeless tobacco. During the event, youth will hand out palm cards with information on tobacco use and upcoming tobacco cessation classes.

"As a member of SWAT, I think our club is a very important influence on people. It helps students, kids, and adults know what the consequences of tobacco are. By being and knowing about SWAT you have a heads up about tobacco and its dangers so you can warn people about them. So to me and to a lot of other people, SWAT is very meaningful. It also helps a lot of people know about bad things around them in their daily lives. That's why SWAT is so important; it's good for the community and for all of the people around us." stated Carina Castano, 7th grade SWAT student at West Glades School. "The truth is that smokeless tobacco contains 28 cancer causing chemicals, and a 30-minute chew has the same amount of nicotine as 3 to 4 cigarettes." Flavored tobacco products are widely considered to be starter products, establishing a pattern of tobacco use that can lead to addiction."

Health Risks

Constant exposure to tobacco juices from these smokeless products can cause oral cancers, which can form within just five years of regular use, and can cause cancer of the esophagus, pharynx, larynx, stomach and pancreas. Smokeless tobacco use can increase the risk of oral cancers by 80 percent and the risk of pancreatic and esophageal cancer by 60 percent, according to a 2008 study from the World Health Organization (WHO) International Agency for Research on Cancer.

Aside from the increased risk of cancer, using smokeless tobacco can increase the risk of heart attack and stroke. It can lead to other oral problems such as mouth sores, gum recession, tooth decay, and permanent discoloration of teeth.

Smokeless tobacco use can also increase the risk of reproductive health problems

such as reduced sperm count and abnormal sperm cells for men. Women who use smokeless tobacco may be at an increased risk of preeclampsia (a condition that may include high blood pressure, fluid retention, and swelling), premature birth, and low birth weight.

Addiction

Like cigarettes, smokeless tobacco products contain nicotine, a highly addictive and dangerous chemical. Smokeless tobacco users and cigarette smokers have comparable levels of nicotine in the blood, according to the National Cancer Institute.

"Some youth may mistakenly believe that when they start smoking or use any tobacco product, they are able to quit very easily," said State Surgeon General and Secretary of Health Dr. John Armstrong. "This type of addiction is very hard to break, and the health risks are extremely high for any tobacco product."

Tobacco Free Florida has three ways to help smokeless tobacco users quit. Those who want to quit can double their chances at success by using one of these free and convenient quit services. For more information, visit www.tobaccofreeflorida.com.

For more information on smokeless tobacco, visit www.tobaccofreeflorida.com/smokelesstobacco.

Through With the Chew Week

This national annual health observance was established by the American Academy of Otolaryngology — Head and Neck Surgery as an educational campaign designed to prevent and reduce the use of smokeless tobacco. Through With Chew Week is now recognized by public health groups across the country. The week includes the Great American Spit Out on Thursday, Feb. 21, which encourages smokeless tobacco users to plan in advance to quit using smokeless tobacco that day, or to use the day to make a plan to quit.

Tobacco Free Florida

DOH's Tobacco Free Florida campaign is a statewide cessation and prevention campaign funded by Florida's tobacco settlement fund.

Tobacco users interested in quitting are encouraged to use one of the state's three ways to quit. To learn about Tobacco Free Florida and the state's free quit resources, visit www.tobaccofreeflorida.com or follow the campaign on Facebook at www.facebook.com/TobaccoFreeFlorida or Twitter at www.twitter.com/tobaccofreefla.

Glades County Garden Club active again

By Diana Winiecke

Special to the Glades County Democrat

With the approaching spring comes new life to the Glades County Garden Club, thanks to Judge Kirby Sullivan! He was on a mission NOT to see the club die out.

Due to illnesses and deaths in the club, we have not had a meeting since April 2011.

Judge Sullivan single-handedly searched for people to fill the necessary positions.

Our first meeting of the year was held on Feb. 4 at the pavilion in the city park. We had a great turnout and everyone was eager to get it up and going again! We had 14 people in attendance and elected officers.

- President, Sarah Ross
- Vice president, Kathy Lukas
- Secretary, Diana Winiecke
- Treasurer, Betty Walters

• Chaplain, Larry Luckey

We are late this year with our school project (plants for all fifth grade students in Glades County), but we want to thank Commissioner Donna Storter and her husband for volunteering to pick up and deliver the 150 plants. Around March 29, several of our members will go and judge them and hand out prizes.

Thanks to everyone who took on necessary duties for this coming year and we look forward for this new life to continue. Our last meeting of the year will be in May, so we have a few more months to enjoy each others company.

We want to encourage those of you who might be interested in learning about south Florida plants and meeting new people come on our and join us.

Please call Diana at 863-946-2703 or Sarah at 863-254-1384, with questions.

Glades County Library News

By Austin Moorhouse

Special to the Glades County Democrat

Residents of Hendry County may go to their local library and request a reciprocal borrow sticker to be placed on their Hendry County Library card and this will entitle you to all of the privileges of the Glades County Public Library. The resident with a Reciprocal Sticker must physically come to the Glades County Library in order to provide the necessary information to be entered into the Glades County Library System. This is a one-time required visit. A Resident of Hendry County who works in Glades County may apply directly for a library card. The Glades County Public Library may issue library cards to snowbirds and out-of-state visitors. The fee schedule is as follows: a card valid for three months for \$10, a card valid for six months \$20 and a card valid for one year is \$30.

This card entitles you to all the privileges and services of the library. What can you get with a library card? Well, now that you have your library card, you can now borrow books, DVDs, CDs or use our wireless computer services with your lap top. There are computers available in the library for use with your library card. There are also classes available on how to use your Kindle or Nook and on how to download books to your Kin-

dle or Nook. You may also download books to e-readers other than Kindle for your home computer or laptop. Audio books may also be downloaded.

On your computer at home, your laptop, or one of our computers in the library, you will have access to universal classes in 41 different major areas of study. Within each of these areas there are numerous courses in business, pleasure and continuing education. Some of these courses offer continuing education units (CEUs) for those who need them to maintain licenses and certifications etc. These free courses online are offered through the Heartland Library Cooperative. Several people are currently taking the course in photography.

Remember that the Month of February is "Love My Library Month." Feb. 14 was Valentine's Day. Give your Valentine to the library. Feb. 12 was Abraham Lincoln's birthday. How many Lincoln-head pennies will it take to buy a book for the library? Feb. 22 is George Washington's birthday. How many Washington Dollars will it take to buy a new book for the library? Come and join us during the month of February for "Love My Library Month."

Fundraiser to benefit Project Graduation

Project Graduation parents have been working hard to reach their goal for the year. They have a 'Lock In' planned, for the 2013 graduating seniors, the night of graduation. The Lock In is a supervised drug and alcohol-free party. There will be door prizes for the students to win and every student is guaranteed to leave with something. In addition to all the prizes, there will be lots of food, music, dancing and most of all an unforgettable celebration for all the 2013 graduating seniors.

Project Graduation will sell Cow Chip Bingo tickets for \$20 per ticket, with \$1000 to be given away the weekend of Chalo Nitka. If you would like to purchase a ticket, please contact Erin at 863-227-3554 or Joey at 863-227-3428.

If you would like to make a donation to Project Graduation to help us reach our goal, you can send all donations to: Project Graduation, PO Box 99, Moore Haven, FL 33471.

Public Notice

NOTICE OF INTENDED AGENCY ACTION

The South Florida Water Management District gives notice of its intent to issue a Water Use permit (permit) with conditions, Permit Number 22-00245-W, Application Number 120910-1 to LYKES BROTHERS, INC. (PALMDALE SAND MINE), 106 S.W. COUNTY ROAD 72, OKEECHOBEE, FL 34974 to allow for the renewal and modification of an existing Water Use Permit for the CEMEX Construction Materials Florida, LLC - Palmdale Sand Mine. Water use classification: Industrial water supply. Source classification is: Ground Water from Upper Floridan Aquifer from Surface Water from On-site Borrow Pit(s). Annual allocation shall not exceed 4360 MG. Maximum monthly allocation shall not exceed 661.73 MG. The following limitations to annual withdrawals from specific sources are stipulated: On-site Borrow Pit(s)- 4,107 MG. Upper Floridan Aquifer- 253 MG. The following limitations to maximum monthly withdrawals from specific sources are stipulated: On-site Borrow Pit(s)- 616.90 MG. Upper Floridan Aquifer- 44.83 MG. The duration of the permit is 20 years. The project is located in Glades County: S13,12141S/R30E - S7, 18/T41 S/R31 E. 11667 US 27, Palmdale FL 33944.

The Staff Report setting forth the staff recommendation regarding the permit, including proposed limiting conditions to provide reasonable assurances that the project meets SFWMD statutes and rules, can be obtained by contacting the Regulatory Records Management Section, during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at 3301 Gun Club Road, West Palm Beach, FL 33406, Regulation Division, by telephone at 682-6911, by e-mail at permits@sfwmd.gov, or by accessing the Staff Report directly from the District's website (www.sfwmd.gov) using the Application/Permit Search on the ePermitting page.

The District's proposed agency action as set forth in the Staff Report shall become final unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57 of the Florida Statutes before the deadline for filing a petition.

As required by Sections 120.569(1), and 120.60(3), Ha. Stat., following is notice of the opportunities which may be available for administrative hearing or judicial review when the substantial interests of a party are determined by an agency. Please note that this Notice of Rights is not intended to provide legal advice. Not all the legal proceedings detailed below may be an applicable or appropriate remedy. You may wish to consult your attorney regarding your legal rights.

A person whose substantial interests are or may be affected by the South Florida Water Management District's (SFWMD or District) action has the right to request an administrative hearing on that action pursuant to Sections 120.569 and 120.57, Fla. Stat. Persons seeking a hearing on a District decision which does or may determine their substantial interests shall file a petition for hearing with the District Clerk within 21 days of receipt of written notice of the decision, unless one of the following shorter time periods apply: 1) within 14 days of the notice of consolidated intent to grant or deny concurrently reviewed applications for environmental resource permits and use of sovereign submerged lands pursuant to Section 373.427, Fla. Stat.; or 2) within 14 days of service of an Administrative Order pursuant to Subsection 373.119(1), Fla. Stat. "Receipt of written notice of agency decision" means receipt of either written notice through mail, or electronic mail, or posting that the District has or intends to take final agency action, or publication of notice that the District has or intends to take final agency action. Any person who receives written notice of a SFWMD decision and fails to file a written request for hearing within the timeframe described above waives the right to request a hearing on that decision.

Filing Instructions
The Petition must be filed with the Office of the District Clerk of the SFWMD. Filings with the District Clerk may be made by mail, hand-delivery or facsimile. **Filings by e-mail will not be accepted.** Any person wishing to receive a clerked copy with the date and time stamped must provide an additional copy. A petition for administrative hearing is deemed filed upon receipt during normal business hours by the District Clerk at SFWMD headquarters in West Palm Beach, Florida. Any document received by the office of the SFWMD Clerk after 5:00 p.m. shall be filed as of 8:00 a.m. on the next regular business day. Additional filing instructions are as follows:
• Filings by mail must be addressed to the Office of the SFWMD Clerk, P.O. Box 24680, West Palm Beach, Florida 33416.
• Filings by hand-delivery must be delivered to the Office of the SFWMD Clerk. **Delivery of a petition to the SFWMD's security desk does not constitute filing. To ensure proper filing, it will be necessary to request the SFWMD's security officer to contact the Clerk's office.** An employee of the SFWMD's Clerk's office will receive and file the petition.
• Filings by facsimile must be transmitted to the SFWMD Clerk's Office at (561) 682-6010. Pursuant to Subsections 28-106.104(7), (8) and (9), Fla. Admin. Code, a party who files a document by facsimile represents that the original physically signed document will be retained by that party for the duration of that proceeding and of any subsequent appeal or subsequent proceeding in that cause. Any party who elects to file any document by facsimile shall be responsible for any delay, disruption, or interruption of the electronic signals and accepts the full risk that the document may not be properly filed with the clerk as a result. The filing date for a document filed by facsimile shall be the date the SFWMD Clerk receives the complete document.

Initiation of an Administrative Hearing
Pursuant to Rules 28-106.201 and 28-106.301, Fla. Admin. Code, initiation of an administrative hearing shall be made by written petition to the SFWMD in legible form and on 8 and 1/2 by 11 inch white paper. All petitions shall contain:
1. Identification of the action being contested, including the permit number, application number, District file number or any other SFWMD identification number, if known.
2. The name, address and telephone number of the petitioner and petitioner's representative, if any.
3. An explanation of how the petitioner's substantial interests will be affected by the agency determination.
4. A statement of when and how the petitioner received notice of the SFWMD's decision.
5. A statement of all disputed issues of material fact. If there are none, the petitioner must so indicate.
6. A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the SFWMD's proposed action.
7. A statement of the specific rules or statutes the petitioner contends require reversal or modification of the SFWMD's proposed action.
8. If disputed issues of material fact exist, the statement must also include an explanation of how the alleged facts relate to the specific rules or statutes.
9. A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the SFWMD to take with respect to the SFWMD's proposed action.

A person may file a request for an extension of time for filing a petition. The SFWMD may, for good cause, grant the request. Requests for extension of time must be filed with the SFWMD prior to the deadline for filing a petition for hearing. Such requests for extension shall contain a certificate that the moving party has consulted with all other parties concerning the extension and that the SFWMD and any other parties agree to or oppose the extension. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.
If the District takes action with substantial different impacts on water resources from the notice of intended agency decision, the persons who may be substantially affected shall have an additional point of entry pursuant to Rule 28-106.111, Fla. Admin. Code, unless otherwise provided by law.

Mediation
The procedures for pursuing mediation are set forth in Section 120.573, Fla. Stat., and Rules 28-106.111 and 28-106.401-.405, Fla. Admin. Code. The SFWMD is not proposing mediation for this agency action under Section 120.573, Fla. Stat., at this time.

RIGHT TO SEEK JUDICIAL REVIEW
Pursuant to Sections 120.60(3) and 120.68, Fla. Stat., a party who is adversely affected by final SFWMD action may seek judicial review of the SFWMD's final decision by filing a notice of appeal pursuant to Florida Rule of Appellate Procedure 9.110 in the Fourth District Court of Appeal or in the appellate district where a party resides and filing a second copy of the notice with the SFWMD Clerk within 30 days of rendering of the final SFWMD action.

Brighton to host NAYO tournament

Native American Youth Organization is comprised of tribes including Cherokee, Choctaw, Poarch Creek, Seminole, Seneca, and Coushatta. NAYO is one of the oldest established organizations offering sports competition for Native Americans. Each year young native athletes 8-18 years old gather to compete in basketball, baseball, and softball with the tournaments rotating between the tribes. This year the Seminole Tribe of Florida is responsible for the baseball and softball tournament and has selected Brighton Reservation in conjunction with Okeechobee to host the games. The tournament is scheduled for July 18-21 and will include teams from New York, Mississippi, North Carolina, Alabama, Louisiana, Florida, and anticipates over 50 teams.
