Torch Run to visit Moore Haven

Special to the Glades County Democrat

The Sixth Annual Law Enforcement Torch Run comes to Glades County next month. The Moore Haven/Glades County leg of the 33rd Anniversary Florida Law Enforcement Torch Run for Special Olympics will take place on Saturday, April 26 at 9 a.m.

The Torch Run begins at the parking lot of First Bank located on U.S. Hwy. 27 and West Avenue. The runners will run south bound on

U.S. 27 until they reach Third Street Avenue J where they will meet up with other participants. Once all participants are gathered at 3rd street they will all walk as a group and end the run at the Moore Haven City Park located on Avenue J and First Street. The route will take up two lanes of U.S. 27 and will cause some minor traffic delays.

For approximately 30 years, the Special Olympics "Flame of Hope" has traversed Florida in an intrastate relay of simultaneous

routes throughout the state, covering countless thousands of miles. The torch is carried by local and state law enforcement officers all the way to the Opening Ceremony of Florida's annual State Summer Games, which will be held at Disney's Wide World of Sports Complex on Friday, May 16.

The Law Enforcement Torch Run is the largest awareness and fundraising event

Exhibitors shine at youth livestock show

By Laura Mathis

Special to the Glades County Democrat

The Livestock Shows and Sale are part of a busy week leading up to the Chalo Nitka Festival. This year will go down as another success for all the exhibitors involved. Our announcer for the week was Tommy Hare.

Tommy definitely made it fun (and sometimes scary) for the exhibitors because he has taught most of them and they never knew what interesting detail he might tell the audience about them!

We opened up our shows each night proudly with prayer and the Pledge of Allegiance. Monday night, Feb. 25, one of our

Dairy Exhibitors, Destiny Everett opened in prayer and was helped by some of our Pee Wee Exhibitors, Harley Pryor and Hayden Davis in leading the Pledge of Allegiance. One of the crowd's favorite events of the week is always the Pee Wee Show, which started our

Inland Birding: Killdeer

BY MARGARET ENGLAND
Hendry-Glades Audubon

Margaret England

Killdeer breed from Newfoundland, the south rim of the Hudson Bay, as well as southern Yukon and Northwest Territories south to central Mexico and the Gulf Coast states. Most breeding in Florida occurs from March through July. The fall migration of Killdeer in Florida is normally July through November, and spring migration occurs mainly in March and April.

Killdeer are a medium-sized slender and lanky plover with a long, pointed tail and long wings. Adults have a brown back and wings, a white belly and a white breast with two black bands.

Their rump is an orange-buff. The face and cap are brown with a white forehead and they have an orange-red eye ring. They have many calls which range from sharp "dee" to a nervous, babbling thrill.

They frequently use a "broken wing act" to distract predators from their nest, which is a shallow scrape, usually in bare sand or gravel, camouflaged with stones and blades of grass. When the predator is far from the precious nest, the killdeer suddenly "heals" and flies away.

Both parents share responsibility for the eggs, which usually hatch at 24 to 28 days. The chicks, which have almost the identical markings as the adults, are able to see and forage soon after

Killdeer

hatching. They usually fledge at 25 days old.

Although Killdeer are considered shorebirds, they often live far from water and can be seen and heard in fields.

Hendry-Glades Audubon volunteers will host a birding trip on Saturday, March 22 at STA5 (Stormwater Treatment Area 5). Birders and/or photographers will meet at 8:30 a.m. at the

STA5 Deer Fence Canal Trailhead for the driving trip around the levees. To make a reservation, please email Margaret England at sta5birding@embarqmail.com or call 863-674-0695.

Everyone is invited to share their birdwatching experiences and post suggestions for featured birdwatching sites on the Hendry-Glades Audubon or The Clewiston News Facebook pages.

David and Goliath: Then and Now

BY REV. SAMUEL S. THOMAS, PH. D.+
Saint Martin's Church

The well-known story about the battle between David and Goliath (1 Samuel 17) brought a commentary from one source that caught my attention. He proffered that "the smart money would have been on David" among the crowds that were standing around to witness the fight between the seasoned and giant warrior and the small Israeli boy with no armor. His comment piqued my curiosity and I read further; he made a good point. David did not let Goliath define the fight that was to be.

David instead chose his own way of fighting against the seasoned warrior. His gift of a tunic and sword from Saul was rejected (1 Samuel 17:39); that was how the Philistine was going to fight, but he would not be the one to choose the weapons. Instead, five stones and a sling would bring Goliath down. David knew his weapons and how best to use them -- that makes all the difference. The motivations of the two also cannot be ignored. For Goliath, it was "simply another day at the office" (or battlefield in this case), and he would have fought the fight and then moved

on to the next one (1 Samuel 17:33).

For David, it was a matter of country, his people and his God that was at stake. "It's not the size of the dog in the fight, but the size of the fight in the dog," according to one aphorism; and that was the case here to change the odds. One physician pointed out that giant-sized persons tend to be clumsy, slow in motion (1 Samuel 17:4), and Samson was weighed down by armor, estimated to be about 125 pounds (ibid, v7) so that he needed a shield-bearer to go ahead of him. This will be a contest between a rapid, mobile, speedy contestant who can hit and run and then hit again, versus the lumbering giant who is slow, sluggish, hardly mobile -- the lumbering tank against the well-placed RPG.

In the downfall of Eve (Genesis 3), Satan causes Eve not to believe in herself, about what God has really said to her. He contradicts Eve and appeals to her senses (i.e. feelings) rather than her knowledge of God. David succumbs to none of these things. He knows his weapons; he accurately gauges his enemy, correctly assesses his strengths and weaknesses, he is committed to what he is doing at a very significant and profound level and he determines how the contest will take place. In our spiritual (and sometimes worldly) warfare, it is important to know our weapons and not let those who would defeat us

determine how the battles will take place.

I may not buy into your point of view, your way of looking at things, but my way may be no less valid than yours. I may listen to your persuasive arguments but that doesn't mean I have no viewpoint of my own. If I believe in what I am doing or saying, I will stand my ground. I will not be sent away in defeat with self-doubts or succumb to doing things that I think are wrong. I will make the best use of the resources at my command -- scriptures, reason, tradition, faith that has stood the test of time -- and in secular matters, likewise, the best resources I can gather. If I feel like the underdog, it will not matter, I will do my best and lay it on the line.

The Biblical accounts of what took place in times gone by are not merely, in my opinion, historical records, they have much to teach us. They were about real life then, they are about real life now. They are also a source of encouragement when we feel overwhelmed and want to give up. Sometimes it takes more than a cursory reading, but searching for what God may be saying is well worth it all. If you're doing God's work, if you're right, if you're not afraid: don't give up. God will sustain and victory will come.

FACIU Meets in Glades County

On Feb. 20, members of the Florida Agricultural Crime Investigative Unit (FACIU) held their monthly meeting at Camp David in Glades County. The members include agricultural law enforcement officers from Glades, Hendry, Charlotte, Lee, Collier, Polk and Highlands counties. The mission and purpose of the group holding monthly meetings is to network and to share valuable information regarding agricultural crimes being committed

regionally. Topics of discussion included recent crime trends and prevention of future agricultural crime. Units such as this are extremely important for protecting the ranchers and farmers from agricultural crime. Sergeant David Hardin, of the Glades County Sheriff's Office, serves as vice president of this regional FACIU Unit. Pictured speaking is Hendry County Sheriff's Office Sergeant Charlie White, president of the regional FACIU.

Women's Conference

SOUTH BAY — Greater Union Missionary Baptist church is hosting its annual Women's Conference on Saturday, March 22 at 9:30 a.m. Everyone is invited to come and fellowship with Greater Union Missionary. This year's theme is "Women of God Standing on Faith." The Church is located at 249 N. W. 9th Avenue in South bay. Elder Dr. Charlie E. Reese is the pastor. The speakers will be Sister Amanda Granger, EPPS, of Lake Wales, Fla., and Minister April Hodge, of Jacksonville, Fla.

Trust Quartet

CLEWISTON — The Trust Quartet, singing Gaither style four-part harmony, is scheduled to perform in concert on March 30 at 11 a.m. at Turning Point C.O.G., located on 207 Pine Lane, Flaghole, Clewiston. The exciting Trust Quartet, a Florida-based, Nashville-recorded mixed group, will perform their enthusiastic approach to some of the gospel's finest songs. Trust not only has great harmony, but also a unique ministering ability with song. For more information, please call 863-983-7555.

Women's Spring Retreat

CLEWISTON — WINGS (Women In God's Service) is sponsoring a spring retreat for all women on Saturday, April 5 from 9 a.m. until 2 p.m. at the Stitt Ranch (4513 W. U.S. Hwy. 27). It will be outside under the trees, so attendees are encouraged to bring a chair to sit on, a hat to wear and a Bible. There is no charge, but everyone is invited to make a \$5 donation to help cover the cost of materials, refreshments and lunch. Pre-registration is not necessary, but will help us plan for numbers! Call Alice at 983-5269 with questions or for more information.

Medical Mission Trip to Nicaragua

CLEWISTON — The Third Annual Charity Golf Classic benefiting the annual medical mission trip to Nicaragua will be held on April 5 at the Clewiston Golf and Country Club. It is a four-person scramble event. Registration will be held at 8 a.m., with a shotgun start at 9 a.m. The event is hosted by Clewiston Community Presbyterian Church. Lunch, goody bags and prizes will be included. Come support a great cause! Tournament placing prizes include: first, second and third place. Challenges include the closest to the pin, long drive, and the putting contest. There will also be 50/50 Raffle with prizes. Some of last year's big raffle prizes included a 50-inch flat screen TV, free airline tickets, a tablet and many other prizes. For more information or to get a registration sheet, please call 863-873-2547. Please e-mail, hand in or mail the entry form. The deadline for entry is April 4.

About Our Charity

July 2014 will be the sixth year that many volunteers have traveled to Nicaragua to provide medical care and medications to needy families, plus Vacation Bible School for hundreds of children. In July 2013, 72 volunteers provided medical care and medication to 1255 patients and over 400 children attended Vacation Bible School. All proceeds raised from the golf tournament will help to financially support the medical mission work and Vacation Bible School in Nicaragua.

2014 Spring Revival: Change is in the Air

CLEWISTON — Minster Belinda Knox and Woman 2 Woman Ministries invites the community to Tabernacle Witness of Deliverance Church on Friday, April 4 at 7:30 p.m. and Saturday, April 5 at 10 a.m. for the 2014 Spring Revival: "Change is in the Air." The address is 901 Harlem Academy Avenue, Clewiston, FL. All the way from Ft. Lauderdale, the speakers will be Dr. Diane Lazare, of Light of Life Worship Center, and Evangelist Latongela Allen, of Truth and Holiness Full Gospel Church. Romans 12:2 KJV states, "And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God." It is time to embrace the beauty of a new day and a new you; there is peace and freedom just for you! Come experience a life changing word and dynamic praise and worship. This event is free and door prizes will be given.

Drug therapy could someday reverse memory loss

GAINESVILLE — It may seem normal. As we age, we misplace car keys, or can't remember a name we just learned or a meal we just ordered. But University of Florida researchers say memory trouble doesn't have to be inevitable, and they've found a drug therapy that could potentially reverse this type of memory decline.

The drug can't yet be used in humans, but the researchers are pursuing compounds that could someday help the population of aging adults who don't have Alzheimer's or other dementias but still have trouble remembering day-to-day items. Their findings will be published in today's (March 5) issue of the Journal of Neuroscience.

The kind of memory responsible for holding information in the mind for short periods of time is called "working memory." Working memory relies on a balance of chemicals in the brain. The UF study shows this chemical balance tips in older adults, and working memory declines. The reason? It could be because their brains are producing too much of a chemical that slows neural activity.

"Graduate student Cristina Banuelos' work suggests that cells that normally provide the brake on neural activity are in overdrive in the aged prefrontal cortex," said researcher Jennifer Bizon, an associate professor in the department of neuroscience and a member of UF's Evelyn F. & William L. McKnight Brain Institute.

This chemical, an inhibitory brain neu-

rotransmitter called GABA, is essential. Without it, brain cells can become too active, similar to what happens in the brains of people with schizophrenia and epilepsy. A normal level of GABA helps maintain the optimal levels of cell activation, said collaborator Barry Setlow, an associate professor in UF's departments of psychiatry and neuroscience.

Working memory underlies many mental abilities and is sometimes referred to as the brain's mental sketchpad, Bizon said. For example, Bizon said, you use your working memory in many everyday activities such as calculating your final bill at the end of dining at a restaurant. Most people can calculate a 15 percent tip and add it to the cost of their meal without pencil and paper. Central to this process is the ability to keep multiple pieces of information in mind for a short duration — such as remembering the cost of your dinner while calculating the amount needed for the tip.

"Almost all higher cognitive processes depend on this fundamental operation," Bizon said.

To determine the culprit behind working memory decline, the researchers tested the memory of young and aged rats in a "Skinner box." In the Skinner box, rats had to remember the location of a lever for short periods of up to 30 seconds. The scientists found that while both young and old rats could remember the location of the lever for brief periods of time, as those time peri-

ods lengthened, old rats had more difficulty remembering the location of the lever than young rats.

But not all older rats did poorly on the memory test, just as not all older adults have memory problems. The study shows the older brains of some people or rats with no memory problems might compensate for the overactive inhibitory system — they are able to produce fewer GABA receptors and therefore bind less of the inhibitory chemical.

Older rats with memory problems had

more GABA receptors. The drug the researchers tested blocked GABA receptors, mimicking the lower number of those receptors that some older rats had naturally and restoring working memory in aged rats to the level of younger rats.

"Modern medicine has done a terrific job of keeping us alive for longer, and now we have to keep up and determine how to maximize the quality of life for seniors," Bizon said. "A key aspect of that is going to be developing strategies and therapies that can maintain and improve cognitive health."

Florida Senate approves bill banning electronic cigarette sales to minors

TALLAHASSEE—On March 18, the Florida Senate passed Senate Bill 224, which aims to prohibit the sale of electronic cigarettes and other alternative tobacco products to minors. The bill is sponsored by Senate Majority Leader Lizbeth Benacquisto (R-Ft. Myers) who released the following statement:

"Today the Florida Senate joined together in unanimous support of protecting Florida's children," said Leader Benacquisto. "Electronic cigarettes are becoming increasingly popular. However, by putting age restrictions on these harmful nicotine devices we are taking the steps necessary to keep our impressionable children healthy

and strong. I appreciate the support of the Senate and look forward to working with the Governor and our partners in the House to ensure this important bill becomes law."

CS/CS/SB 224 seeks to include electronic cigarettes under the current statute that prohibits minors from purchasing cigarettes and other tobacco products across the state. It does not change any other tobacco or nicotine-related statutes.

For more information on CS/CS/SB 224, please visit <http://flsenate.gov/Session/Bill/2014/0224>.

Fishing destinations great for kids in Florida

By Bob Wattendorf
FWC

Virtually all of Florida's fresh waters are brimming with bream, which include bluegill, redear sunfish, redbreast sunfish and spotted sunfish.

These sporty little fish are many a kid's first catch, introducing them to a lifetime of fishing fun. They provide great opportunities for shoreline fishing using simple cane poles or spinning rods. License-free freshwater fishing weekends are a great time for adults to introduce kids to fishing and see if they and you would like to take up the sport.

The Florida Fish and Wildlife Conservation Commission (FWC) schedules the first of four license-free recreational freshwater fishing days on the first full weekend in April each year (April 5-6 this year), because it is such a productive fishing time, and the weather is usually pleasant. Many of Florida's recreational sport fishes, such as black bass, bluegill and redear sunfish, move into the shallows to spawn during spring, making them more available for anglers to catch.

During license-free freshwater fishing weekends (the first weekend in April and the second weekend in June) no recreational fishing license is required; however, all other bag limit, season, gear and size restrictions apply on these dates for recreational fishing. The FWC invites you to take this opportunity to take your family, friends and colleagues fishing.

Children don't need a fishing license until they are 16, but parents may buy them one at any time and they won't expire until they are 17. This helps the FWC attain additional revenue from the Federal Aid in Sportfish

Restoration program to improve their fishing and gives the child pride in belonging to the angling community.

Fishing is a low-cost, wholesome form of entertainment that often pays for itself with healthy food for the table. An annual license (MyFWC.com/License; 888-347-4356) is only \$17.50 for residents.

To further encourage recreational fishing, the FWC will conduct a special contest during April to collect photos of anglers. All you have to do is post a photo of your family fishing in Florida's fresh waters on Twitter or Instagram with #FWC-FamilyFishing. In return for your efforts, the FWC will enter your name into a drawing for one of six surprise packages, each including a \$50 gift card, compliments of Bass Pro Shops and TrophyCatch, and another \$50 worth of assorted fishing lures, hooks, line and goodies to make your next trip even more productive.

Submitted photos must be your own, unedited pictures, and the photo must not include inappropriate content. Photos should be taken during April while freshwater fishing in Florida and include multiple anglers enjoying their day together on the water. The FWC may subsequently use the photos for outreach purposes.

In addition, freshwater anglers are encouraged to participate in the Big Catch angler-recognition program. All you need to do is catch one of 33 species of freshwater fish that exceed a specific length or weight, go to BigCatchFlorida.com, fill out some information and post a photo. Besides getting to share the excitement of your catch on the Internet, you'll receive via email a custom

certificate to print, and a discount for SportsmanOnCanvas.com.

Big Catch encourages anglers to try different species and locations, by recognizing different levels of achievement: Master Angler (five different qualifying Big Catch species), Elite Angler (10 different qualifying Big Catch species) or Specialist (five qualifying fish of the same species). It is fun and challenging for the entire family.

Here are some tips to make your bream fishing more successful. During spring, sunfish congregate to spawn in water depths from 3 to 10 feet. Bluegill continue to spawn periodically throughout summer. Bluegill opt for slightly shallower areas than redear sunfish, but it's not unusual to see them use the same bedding areas simultaneously. Crickets, grubs, sand maggots or grass shrimp will all catch bedding bluegill. Use a small hook, #6 or #8, with a split-shot sinker about 6 inches up the line, and concentrate on water less than 6 feet deep. A small float helps identify strikes. For artificial baits, a 1/8-ounce "beetle spin" with a white or chartreuse body on ultralight tackle is an excellent choice. Your local bait and tackle shop can quickly help you find what you need.

The redear sunfish, or shellcracker, is another popular panfish. Although they prefer snails and clams, redear sunfish are caught most often on earthworms around the full moon in March and April, when spawning peaks. Redear prefer hard-bottom habitat and typically begin spawning about one month before bluegill. In south Florida, shellcracker spawn as early as late February and will likely begin bedding in the Panhan-

dle around the end of May, depending on water temperatures. Shellcracker continue spawning into August.

Redbreast sunfish, also known as river bream and redbellies, are the flowing water cousins of bluegill. Redbellies are more common in rivers than bluegill, and often can be found in backwater areas with less flow. The same baits that work for bluegill will catch redbreast sunfish.

The spotted sunfish, or stumpknocker, is an often overlooked stream panfish. Apty named, stumpknockers can be found in the tangle of roots at the water's edge. Although spotted sunfish rarely exceed 8 inches, these feisty species provide great sport on light tackle. Tiny (1/16-ounce) beetle spins pitched close to shore can be deadly, particularly tipped with freshwater clam meat.

With a fishing hole within 30-45 minutes of almost everyone in Florida, the hardest part might be picking your destination. Although your neighborhood pond or a local park may be your best bet, FWC biologists created a list of some major public water bodies they think should be great bream fisheries this year. For full descriptions of the sites, access to them and specific fishing tips for these locations, see MyFWC.com/Fishing and under "Freshwater Fishing" select "Sites/Forecasts."

Instant licenses are available at MyFWC.com/License or by calling 888-FISH-FLORIDA (347-4356). Report violators by calling 888-404-3922, *FWC or #FWC on your cell phone, or texting to Tip@MyFWC.com.

LIVESTOCK

Continued From Page 1

week off and ended it as well on Thursday night just prior to the Livestock Auction.

On Monday night, the Pee Wee exhibitors paraded their animals around the ring for all in attendance to see. There were 23 exhibitors altogether. We had nine rabbits, three pigs, two goats, one dairy calf and eight beef calves. The exhibitors were each questioned about their animal by our Chalo Nitka Queen-Bailey Browning. They all did a wonderful job and received blue ribbons and medallions for their efforts.

Whitney Savoie is the leader of the "Little Rascals" Pee Wee group. The Dairy Show followed the Pee Wee's. There were nine exhibitors displaying 12 animals. These animals were classed according to age. The judge for the evening was Mrs. Debbie Clements from Okeechobee. She praised all of the exhibitors for their hard work.

The Jr. Calf Grand Champion was awarded to Jesse Espinosa with her Holstein, "Sophia." Sierra Hart took Jr. Calf Reserve Grand Champion with her Holstein, "Snowflake." Sr. Calf Grand Champion and Overall Grand Champion was awarded to Chloe Ahern with her Brown Swiss "Toodles." Collin Ahern took the honor of Sr. Calf Reserve Grand Champion as well as Overall Reserve Champion with his Holstein named "Snickers."

Collin Ahern also won Jr. Showmanship; second place Sierra Hart and third place, Jayla Ramos. Sr. Showmanship was awarded to Chloe Ahern. Second place went to Jesse Espinosa and third place, Shyla Hough. The Dairy Exhibitors are members of the "Udlerly Unique" 4-H Club led by Robbie and Kell Ahern and the Moore Haven FFA Chapter led by Phillip Cosby.

On Tuesday night, Feb. 25, the Swine Show was held. Rooter's club member Tanner Mathis opened in prayer and was joined by fellow Rooters; Brice Prowant and Lilly Everett to help lead the Pledge of Allegiance. The exhibitors did a great job showing their animals. The swine were classed according to their weights, and there were six classes ranging from 229 lbs. to 311 lbs. There were 36 entries, including one swine for the 4-H Chapter raised and exhibited by Tanner Mathis and one swine for the FFA Chapter raised and exhibited by Jaime Hingson. Mr. Don Strickland of Sarasota was the Show Judge for the evening. He awarded all of the

swine blue ribbons for their efforts.

Tracie Branch was awarded Grand Champion Swine with her 295-pound Hamp/York X. Lilly Everett was awarded Reserve Grand Champion for her Yorkshire X weighing in at 296 pounds. Mrs. Karen Andrie was our Showmanship Judge for the evening. Garrett Palladino won Jr. Showmanship. Second place went to Darcie McRoy and third place, Lowell Roberts. Olivia Everett received Sr. Showmanship. Second place went to Tanner Mathis and third place to Jordan Drayton. The exhibitors are members of the "Rooters" 4-H Club led by Ragen and Laura Mathis, and the Moore Haven FFA led by Phillip Cosby.

Wednesday night, Feb. 26, was the Steer & Commercial Heifer Show. Beefmakers'

member Bronson Bass opened in prayer and also led our Pledge of Allegiance. Eleven steer exhibitors proudly displayed their animals. The steers ranged in weight from 1,000 to 1,440 pounds and were divided into three classes according to their weights. Mr. Pat Hogue from Okeechobee presided as judge over the show. He awarded all the entries blue ribbons for their great looking animals. Ellie Goodwin won Grand Champion with her 1,305 pound steer. Lacy Green was awarded Reserve Grand Champion for her 1,350 pound steer. Home Grown Grand Champion went to Brooks Bass with his 1,265 pound SBP, LLC bred steer. Home Grown Reserve Grand Champion went to Breanna Robbins with her 1,440 pound steer bred by Lykes Brothers, Inc. Gracie Goodwin received the Jr. Showmanship award, second place went to T.J. Barfield and third place went to Kerri Hines and Honorable Mention to Lacy Green. Nathan Simmons won the Sr. Showmanship award. Second place went to Kathleen Barfield. Breanna Robbins' steer had an average daily weight

gain of 4.37 pounds, which earned her the Weight Gain buckle. The Commercial Heifer Show followed with seven exhibitors and their eight great entries. Grand Champion was awarded to Kathleen Barfield. Reserve Grand Champion went to Lacy Green. We also had a showmanship competition in the commercial heifer division and those awards went to Kathleen Barfield for Sr. Showmanship and Jr. Showmanship went to T.J. Barfield. These exhibitors are members of the "Beefmakers" 4-H club led by Calinda Chapman and the FFA Chapter led by Mr. Phillip Cosby.

Throughout the week we were graced with the presence of our 2014 Chalo Nitka Royalty. The Chalo Nitka Queen- Bailey Browning, Jr. Miss Chalo Nitka- Cassie Hart and Chalo Nitka Princess- Jayla Ramos did an excellent job presenting all the exhibitors with their ribbons and the winners with their belt buckles and special award ribbons. Glades County Youth Livestock would like to thank all of those who helped make the 2014 Livestock Shows a great success!

Florida Senate votes to reduce vehicle fees

TALLAHASSEE— On March 18, the Florida Senate unanimously passed Senate Bill 156, Motor Vehicle License Taxes, by Senator Joe Negron (R-Stuart), which will reduce certain annual vehicle registration fees for a total of nearly \$400 million in tax relief. "For the second consecutive year, the Senate has overwhelmingly supported Senator Negron's proposal to roll back vehicle fees and give broad-based tax relief to every Floridian who drives a car or truck," said Senate President Don Gaetz (R-Niceville). "This bill is the centerpiece of the \$500 million 'It's Your Money' tax cut which Governor Scott, Speaker Weatherford and I are committed to passing this year."

"The impact of this meaningful tax relief

will be felt by Florida families throughout the state for years to come," said Senator Negron. "I am grateful to Governor Scott, President Gaetz, Speaker Weatherford and my colleagues in the Senate for their continued leadership as we work to deliver broad-based tax relief to the families and businesses of Florida."

Senate Bill 156 reduces certain annual fees paid to register a motor vehicle to the amount paid prior to 2009. Based on the latest estimates, the bill reduces fees by \$395 million. Annual vehicle registration fees were raised during the height of Florida's economic decline in 2009, a year when state general revenue collections had declined more than 22 percent since their high in 2005-2006.

amongst Special Olympics Florida and law enforcement agencies. Statewide, the participating chiefs, officers, sheriff's, deputies, agents and cadets from virtually every branch of federal, state, county and municipal law enforcement, represent a total of over 300 different agencies that serve as "Guardians of the Flame."

The Torch Run began its existence at the S.O.M.E. (Special Olympics Mileage Event) Run, when a handful of officers ran the "Flame of Hope" throughout the state in an exhausting, non-stop run. Soon, law enforcement agencies throughout Florida became involved and the S.O.M.E. Run would go on to become the "Florida Law Enforcement Torch Run."

The Glades County Sheriff's Office is proud to be a part of this very special event and hopes to make the run a huge success.

Notice of Intended Agency Action

The South Florida Water Management District gives notice of its intent to issue a Water Use Permit (permit with conditions, Permit # 26-00483-W, Application 060626-25, to Alico, Inc., 10070 Daniels Interstate Court, Suite 100, Ft. Myers, Florida 33913, for the project called Alico Southeast Ranch. The project was originally permitted on June 11, 1992. The renewal of the permit is for proposed agricultural irrigation 1,170 acres of tomatoes using a flood/seepage irrigation system from the Lower Tamiami Aquifer via four existing and ten proposed wells. The annual allocation is 1,002 million gallons, the maximum monthly allocation is 268.7 million gallons and the freeze allocation is 14.97 million gallons. The property is located in eastern Hendry County, southwest of the intersection of Dooley Grade Road and County Road 835, approximately 2.0 miles west of the L-2W Canal. The lands are in all or parts of S25, 35, 36/T45S/R33E, Hendry County, Florida.

The Permit and the Staff Report setting forth the staff recommendation regarding the permit, issued on March 10, 2014, including limiting conditions to provide reasonable assurances that the project meets SFWMD statutes and rules, is reasonable-beneficial, does not interfere with any presently existing legal use of water and is consistent with the public interest, can be obtained by contacting the Regulatory Records Management Section, during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at 3301 Gun Club Road, West Palm Beach, Florida 33406, Regulation Division, by telephone at 561-682-6911, by e-mail at permits@sfwmd.gov, or by accessing the Staff Report directly from the District's website www.sfwmd.gov, using the Application/Permit Search on the Permitting page.

The District's proposed agency action as set forth in the Staff Report shall become final unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57 of the Florida Statutes before the deadline for filing a petition.

RIGHT TO REQUEST ADMINISTRATIVE HEARING

As required by Sections 120.569(1), and 120.60(3), Fla. Stat., following is notice of the opportunities which may be available for administrative hearing or judicial review when the substantial interests of a party are determined by an agency. Please note that this Notice of Rights is not intended to provide legal advice. Not all the legal proceedings detailed below may be an applicable or appropriate remedy. You may wish to consult your attorney regarding your legal rights. A person whose substantial interests are or may be affected by the South Florida Water Management District's (SFWMD or District) action has the right to request an administrative hearing on that action pursuant to Sections 120.569 and 120.57, Fla. Stat. Persons seeking a hearing on a District decision which does or may determine their substantial interests shall file a petition for hearing with the District Clerk within 21 days of receipt of written notice of the decision, unless one of the following shorter time periods apply: 1) within 14 days of the notice of consolidated intent to grant or deny concurrently reviewed applications for environmental resource permits and use of sovereign submerged lands pursuant to Section 373.427, Fla. Stat.; or 2) within 14 days of service of an Administrative Order pursuant to Subsection 373.119(1), Fla. Stat. "Receipt of written notice of agency decision" means receipt of either written notice through mail, or electronic mail, or posting that the District has or intends to take final agency action, or publication of notice that the District has or intends to take final agency action. Any person who receives written notice of a SFWMD decision and fails to file a written request for hearing within the timeframe described above waives the right to request a hearing on that decision.

Filing Instructions

The Petition must be filed with the Office of the District Clerk of the SFWMD. Filings with the District Clerk may be made by mail, hand-delivery or facsimile. **Filings by e-mail will not be accepted.** Any person wishing to receive a clerked copy with the date and time stamped must provide an additional copy. A petition for administrative hearing is deemed filed upon receipt during normal business hours by the District Clerk at SFWMD headquarters in West Palm Beach, Florida. Any document received by the office of the SFWMD Clerk after 5:00 p.m. shall be filed as of 8:00 a.m. on the next regular business day. Additional filing instructions are as follows:

- Filings by mail must be addressed to the Office of the SFWMD Clerk, P.O. Box 24680, West Palm Beach, Florida 33416.
- Filings by hand-delivery must be delivered to the Office of the SFWMD Clerk. **Delivery of a petition to the SFWMD's security desk does not constitute filing. To ensure proper filing, it will be necessary to request the SFWMD's security officer to contact the Clerk's office.** An employee of the SFWMD's Clerk's office will receive and file the petition.
- Filings by facsimile must be transmitted to the SFWMD Clerk's Office at (561) 682-6010. Pursuant to Subsections 28-106.104(7), (8) and (9), Fla. Admin. Code, a party who files a document by facsimile represents that the original physically signed document will be retained by that party for the duration of that proceeding and of any subsequent appeal or subsequent proceeding in that cause. Any party who elects to file any document by facsimile shall be responsible for any delay, disruption, or interruption of the electronic signals and accepts the full risk that the document may not be properly filed with the clerk as a result. The filing date for a document filed by facsimile shall be the date the SFWMD Clerk receives the complete document.

Initiation of an Administrative Hearing

Pursuant to Rules 28-106.201 and 28-106.301, Fla. Admin. Code, initiation of an administrative hearing shall be made by written petition to the SFWMD in legible form and on 8 and 1/2 by 11 inch white paper. All petitions shall contain:

1. Identification of the action being contested, including the permit number, application number, District file number or any other SFWMD identification number, if known;
2. The name, address and telephone number of the petitioner and petitioner's representative, if any;
3. An explanation of how the petitioner's substantial interests will be affected by the agency determination;
4. A statement of when and how the petitioner received notice of the SFWMD's decision;
5. A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
6. A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the SFWMD's proposed action;
7. A statement of the specific rules or statutes the petitioner contends require reversal or modification of the SFWMD's proposed action;
8. If disputed issues of material fact exist, the statement must also include an explanation of how the alleged facts relate to the specific rules or statutes;
9. A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the SFWMD to take with respect to the SFWMD's proposed action.

A person may file a request for an extension of time for filing a petition. The SFWMD may, for good cause, grant the request. Requests for extension of time must be filed with the SFWMD prior to the deadline for filing a petition for hearing. Such requests for extension shall contain a certificate that the moving party has consulted with all other parties concerning the extension and that the SFWMD and any other parties agree to or oppose the extension. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

If the District takes action with substantially different impacts on water resources from the notice of intended agency decision, the persons who may be substantially affected shall have an additional point of entry pursuant to Rule 28-106.111, Fla. Admin. Code, unless otherwise provided by law.

Mediation

The procedures for pursuing mediation are set forth in Section 120.573, Fla. Stat., and Rules 28-106.111 and 28-106.401-.405, Fla. Admin. Code. The SFWMD is not proposing mediation for this agency action under Section 120.573, Fla. Stat., at this time.

RIGHT TO SEEK JUDICIAL REVIEW

Pursuant to Sections 120.60(3) and 120.68, Fla. Stat., a party who is adversely affected by final SFWMD action may seek judicial review of the SFWMD's final decision by filing a notice of appeal pursuant to Florida Rule of Appellate Procedure 9.110 in the Fourth District Court of Appeal or in the appellate district where a party resides and filing a second copy of the notice with the SFWMD Clerk within 30 days of rendering of the final SFWMD action. 463931 CN 3/20/2014

SECOND PUBLIC HEARING NOTICE

Glades County is applying to the Florida Department of Economic Opportunity (DEO) for a grant under the Economic Development category in the amount of \$1,154,967.00 under the FFY 2013 Small Cities Community Development Block Grant (CDBG) program. For each activity that is proposed, at least 70% of the funds must benefit low and moderate income persons. The activities, dollar amounts and estimated percentage benefit to low and moderate income persons for which Glades County is applying are:

Activity Number and Name	Budget	LMI% Benefit
17B - Water Lines	\$ 162,000.00	At Least 51%
17B - Sewer Facilities	\$ 392,000.00	At Least 51%
17B - Street Improvements	\$ 410,967.00	At Least 51%
21A - Administration	\$ 70,000.00	N/A
21B - Engineering	\$ 120,000.00	N/A
Total \$1,154,967.00		

The project will involve water main extension, construction of a lift station and sanitary sewer force main, and street improvements with associated drainage required for the development of an automotive travel center and Logistics Training Center along US 27 within unincorporated Glades County.

Glades County plans to minimize displacement of persons as a result of planned CDBG funded activities; if any persons are displaced as a result of these planned activities, Glades County will assist with relocation payments based on uniform act requirements.

A public hearing to provide citizens an opportunity to comment on the application will be held on Tuesday, April 8, 2014 at 9:00 a.m. or as soon thereafter as possible at the Glades County, Board of County Commissioners meeting room in the Glades County Courthouse located at 500 Avenue J, Moore Haven, Florida 33471. A draft copy of the application will be available for review at that time. A final copy of the application will be made available at the Glades County Courthouse, Monday through Friday between the hours of 8:30 a.m. and 5:00 p.m. no more than five (5) working days after April 8, 2014. The application will be submitted to DEO on or before May 15, 2014. To obtain additional information concerning the application and the public hearing, contact Mr. Paul E. Carlisle, County Manager, Glades County Courthouse, 500 Avenue J, Moore Haven, Florida 33471, telephone number (863) 946-6000.

The public hearing is being conducted in a handicapped accessible location. Any handicapped person requiring an interpreter for the hearing impaired or the visually impaired should contact Mr. Carlisle at least five calendar days prior to the meeting and an interpreter will be provided. Any non-English speaking person wishing to attend the public hearing should contact Mr. Carlisle at least five calendar days prior to the meeting and a language interpreter will be provided. Any handicapped person requiring special accommodation at this meeting should contact Mr. Carlisle at least five calendar days prior to the meeting.

Pursuant to Section 102 of the HUD Reform Act of 1989, the following disclosures will be submitted to DEO with the application. The disclosures will be made available by Glades County and DEO for public inspection upon request. These disclosures will be available on and after the date of submission of the application and shall continue to remain available for a minimum period of six years.

1. Other Government (federal, state, and local) assistance to the project in the form of a gift, grant, loan, guarantee, insurance payment, rebate, subsidy, credit, tax, benefit or any other form of direct or indirect benefits by source and amount;
2. The identities and pecuniary interests of all developers, contractors, or consultants involved in the application for assistance or in the planning or development of the project or activity;
3. The identities and pecuniary interests of any other persons with a pecuniary interest in the project that can reasonably be expected to exceed \$50,000.00 or 10% of the grant request (whichever is lower);
4. For those developers, contractors, consultants, property owners, or others listed in two (2) or three (3) above which are corporations, or other entities, the identification and pecuniary interest by corporation or entity of each officer, director, principal stockholder, or other official of the entity;
5. The expected sources of all funds to be provided to the project by each of the providers of those funds and the amount provided; and
6. The expected uses of all funds by activities and amount.
