Services

Attention Consumers!
Please make sure you
are using a licensed
and insured service
professional. Many
service advertisers
are required by state
law to include their
state license
number in all adver-
tisements. If you
don't see a license
number in the ad, you
should inquire about it
and be suspicious
that you may be
contacting an un-
licensed business.
The Citrus County
Chronicle wants to
ensure that our ads
meet the require-
ments of the law.
Beware of any service
advertiser that can not
provide proof that
they are licensed to
do business.
For questions about
business licensing,
please call your city
or county
government offices.
