County doubles EMS assessment rates

By Pete Gawda
Okeechobee News

In contrast to several recent meetings of the Okeechobee County Commission, the Thursday, Sept. 9 meeting was almost routine. In a shorter than usual bimonthly meeting, commissioners finalized assessment rates for fire, emergency medical services (EMS) and solid waste collection.

Fire assessment rates will remain the same. Residential units will be assessed $100. Hotels, motels and RV parks will pay $8 per room/space. Agricultural/vacant land will pay $56 for up to five acres plus 64 cents an acre for every additional acre. Commercial and industrial rates, which are based on the size of the building will also remain the same.

The solid waste assessment increased by $13 per year to $187.40. Commissioner Clif Betts noted that the assessment was still a bargain, because in the past (before the

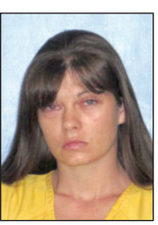
The note said, in part: "People are watching me. If I don't execute their plan they will kill my children. Please don't call the police. I need all unmarked bills. God bless you. Thank you."



Paula Rene Spigelmoyer

When the Bank of America teller received that robbery note Tuesday afternoon, she remained calm and contacted her manager. The woman standing in front of her, Paula Rene Spigelmoyer, then reportedly said that three Hispanic males were holding her children hostage and they wanted money. However, the robbery note did not indicate how much money.

As it turned out Spigelmoyer's children were fine and were, in fact, at school.

After learning the children were all right and there were no men waiting for Spigelmoyer outside the bank,

Fixing the county budget

• Charging for use of the ball field lights is just a token gesture from people that really don't know what to do, and it wouldn't amount to a puff of smoke in a wind storm even if they did charge for it. These guys have got to face the reality of the situation. They are going to have to all let go of some of their staff. I know it's a hard thing to do and I don't want anyone to lose their job, but the facts are the tax payers are being pushed to the limit of increases in their tax, no matter what tax it is, they have been raised and raised and raised until it just has to stop.

JROTC

• Once again at the parade, the ROTC unit looked disorganized—some had on hats, some did not. In the real military, the hat is worn anytime they are outdoors. Can the school not afford enough hats for everyone?

• I don't think there were enough "covers" to go around. I heard some of them saying something about not having one big or small enough to fit them. I do have to say that I've never been so proud in my whole life as I was when I saw my daughter in her uniform and "marching" with her fellow cadets. I will agree they were very disorganized. However, I can't and won't blame the kids for this. For quite a few of them, this was their first time even marching. From what I was told they haven't even practiced marching in formation.

• I don't think anyone blames the cadets for the problems. It is not their fault they are given uniforms that do not fit, or if they are not given a complete uniform. The school program should pay more attention so the kids can look good and be proud of their appearance.

Speakout

• Obama and his two recent anti-gun appointments to the Supreme Court need to heed JFK's words: "Those who make peaceful revolution impossible will make violent revolution inevitable."

Renting

• Rent in Okeechobee is outrageous. Seems like the landlords in Okeechobee think there is a abundance of wonderful high paying jobs here. Look at the rent in the surrounding areas—they are a lot cheaper. Lower the rents and you might get tenants that can work their minimum wage jobs and be the best tenants you have ever had.

• After the Hurricanes a few years back, rent seemed to sky rocket. It is still too expensive for most working people here in Okeechobee. Combine that with no jobs to be found and layoffs and cut backs it just gets worse. I am noticing that rent is going down based on the ads in the newspaper, but it simply isn't going down enough.

• Many property owners are in a difficult position. Quite often, it is not "greed" that drives up the rent prices. They need to charge enough rent to at least break even, that means covering the mortgage, taxes, maintenance and repair costs. Depending on when they purchased the rental property, the mortgage may be pretty high. And they pay full taxes—no homestead exemptions on rentals. For a family situation where you do have a steady job, it might be worth your while to look at buying a small home. Start with something you can pay the mortgage on, even if it is not as big a home as you think you need. Build up some equity and then you can trade up when things improve. Most people used to manage in much smaller homes.

Agri-Civic Center

• One of the candidates commented that the Agri-Civic Center is a big improvement over the old ag barn. Is that what they built it for? To replace the old ag barn that was used one week a year for the livestock show? Was this community put millions of dollars in debt just so the livestock show could have a nicer facility for one week a year? It certainly wasn't built for concerts—no one brings a concert to a hot oven of a barn like that. It wasn't built for the rodeos—when built it only had half as many seats as the old rodeo arena. The county commissioners who were on the board at the time need to explain just why they built that money pit.

Letter to the Editor

Lesson from the past

It has been said that if you don't learn your lesson from the past, you are bound to repeat it. I would like to ask the voters to remember a few years back in our recent history when you wrote letters to this newspaper complaining about the persons then serving as County Commissioners and the methods they were using in the management of county tax payers funds.

How many times I read your comments about how dissatisfied you were and how it was about time to throw the rascals out. Well, in the following years, you did just that and replaced most of them during the voting process. Now after a few years, memories seem to be fading. It looks like a return visit for another bite out of the apple is starting to take shape. How good is your memory? Do you remember back then and what you did to solve the problem? Don't go back to the "Good ol' days," and the old way of doing things. The fact is the good old days weren't all that good.

Why do Okeechobee County Commissioners continually go outside the County to hire contractors and advisors to perform work in Okeechobee County? Any new commissioners should look into any projects to be awarded and double check to see if any qualified, competent contractors or workmen are available locally before hiring outside the county.

Bud Dolphin
Okeechobee

We're all entitled to our opinions

Well, here's mine even though you didn't ask for it. It seems to me that there is a little confusion about what to do to cut the budget.

First BIG mistake is taking funding from our Sheriff. Have you ever thought about what would happen if this community lost it's power of enforcement? Crime WILL, not might, will run rampant. Sheriff May has done an excellent job of keeping crime under control by the power invested in him by the government. And what is the government? It is the people. He has spent relentless hours keeping crime under control.

He has made it his personal responsibility to see to it that the people of Okeechobee can sleep at night. I know he can't be everywhere and he doesn't see everything, but when he gets wind of something, he's right on top of it. He has top notch men and women working under him who are as dedicated as he is.

All of them put their lives on the line everyday for you and your families, including you, Mr. Bonner, Mr. Betts, Mr. Chandler and Ms. Helton. How do think their families feel when they do their jobs to protect your lives at the risk of their own? Who you gonna call when trouble comes your way? You guys have bitten at the chomp one too many times.

My opinion is to get rid of those four and use the money that goes in their pockets to support our local Sheriff and the great posse he has. They at least prove their worth!

Put Joey Hoover in the driver's seat and keep Ray Domer and add Gene Woods and bring back Mr. Long and we'll have a fine group of County Commissioners that will serve the people and do what's good for the community.

Second big mistake was in proving to us how petty and greedy you are by trying to collect a few measly dollars because you chose to run around wasting your gas and eating where you wanted instead of what was convenient. Those moves were your choices and we should not have to pay for your enjoyment.

I have not been able to work for over two years—my husband took a pay cut to keep his job, no overtime, no gas mileage. God supplies our every need. We trust in Him every month to make our money be enough to pay our mortgage and bills and buy food and He always does! And we always have a little left over to help someone in need.

So, before you find yourself looking for work elsewhere, my opinion is you should have a good look at your own finances and see where you can shorten your pockets. But before you do that, get on your knees and ask God what He wants you to do. He has all the answers. Praise Him and thank Him for your life and all you have...and just for the record, nothing you have is yours, everything belongs to God and He entrusts us with it to use wisely and to take care of. Count your blessings.

Jesus loves you and so do I,

Cheryl Gawda

Okeechobee City Police Department (OCPD) Officer Belen Reyna placed the woman under arrest.

"Both children were fine," said OCPD Detective Bettye Taylor. "We verified that as soon as the call came in."

Spigelmoyer was arrested Sept. 7 on a felony charge of robbery with no weapon or firearm. She was booked into the Okeechobee County Jail under a bond of $5,000. Jail records indicate she was released on bond Wednesday afternoon.

Officer Reyna's arrest report stated that the woman claimed the men were in the bank's parking lot with her children. She said the men were in a black pickup truck but she could not tell the officer the make or model of truck, his report continued.

According to the report, she told the teller to wait four hours before calling the police and that she was to meet the men holding her children at the first exit off the Florida Turnpike. Spigelmoyer never threatened the teller and was unarmed, stated Officer Reyna.

Detective Taylor said there was no truck.

"Her story had holes all in it and the surveillance camera does not back up her story," said the OCPD investigator. "Surveillance cameras did not pick up any black pickup truck in the parking lot."

The detective went on to say that Spigelmoyer was likely not thinking clearly Tuesday afternoon.

"She'd been hurt, was out of work and I think she got desperate. She also appeared to be under the influence of something," said Detective Taylor, who added that the woman was also very paranoid.

Officer Reyna's arrest report indicated that surveillance cameras showed Spigelmoyer entering the bank's parking lot, located at 207 N. Parrott Ave., at 2:32 p.m., cameras show the woman entering the bank. The alarm sounded around 2:44 p.m.

Detective Taylor stated in the report that she recovered multiple text messages from Spigelmoyer's cell phone that indicated a conversation between her and her mother. In some of those text messages Spigelmoyer asked her mother if she could borrow her car because "... she might have to go away for a while," stated the report.

In a 12:28 p.m. text, Spigelmoyer reportedly told her mother that her kids were in danger and that she had to get dressed.

Officer Reyna's report goes on to indicate that Spigelmoyer will appear in circuit court on Oct. 13 at 9 a.m.

Bull riding

Local rodeo fans were treated to three days of bull riding last weekend. The Okeechobee Cattlemen's Association sponsored a special bull riding championship on Saturday. On Sunday and Monday, bull riding events were part of the Okeechobee Cattlemen's Association Labor Day Rodeo. All of the rodeo events were held in the Cattlemen's Arena at the Okeechobee Agri-Civic Center. For PRCA rodeo results, see page 2.

county had mandatory county-wide pickup) the county had to spend additional money for the road department and inmate crews to pick up trash on road rights of way.

Both assessments passed unanimously. The EMS assessment sparked a little discussion.

Because the EMS assessment was cut in half this fiscal year, rates were doubled for the coming budget year. The assessment on residential property increased from $37 per residential unit to $74. Hotel/motel/RV park rates increased from $1 per room/space to $2. The rate for commercial and industrial property also doubled.

The on the EMS assessment was 4 to 1 with Commissioner Joey Hoover casting the lone dissenting vote.

"It's hard for me to swallow," Commissioner Hoover said of the rate schedule for commercial buildings. "Is it the size of structure or the type of business?" he asked. "I think it puts a burden on commercial properties that is not fair." Turning to other matters, the board approved rezoning a parcel of land on U.S. 441 N. at N.W. 20th Lane from commercial and residential single family to heavy commercial in order to accommodate a medical clinic.

The board also approved payment of $10,986.22 for emergency repair of the airport generator.

A public hearing was scheduled for Oct. 14 to consider abandoning all unbuilt public rights-of-way in Basswood north of U.S. 98 with the exception of the unbuilt right of way adjacent to N.W. 176th Avenue. Another public hearing was scheduled for that same date to consider abandoning an alley running south from S.W. 8th Street and east of S.W. 20th Avenue.

At the request of PNC Bank commissioners subordinated a deferred payment loan agreement in the amount of $15,000 in order for the bank to proceed with a new loan modification on a state housing initiative partnership program (SHIP) loan to avoid foreclosure.

After some discussion of the cost of providing EMS service to Buckhead Ridge and other parts of Glades County, the consensus of the commission was to offer Glades County a two-year contract with the option to adjust prices at the end of the first year. Under the proposal Okeechobee County Fire/Rescue would bill the insurance company of patients in those these areas and Glades County would pay $88,665 to cover the difference not paid by insurance. The proposal will be presented to Glade County for approval.

Commissioner Hoover suggested scheduling a workshop with Waste Management concerning the 100 acres that Waste Management is contractually bound to present to the county. County Administrator Lyndon Bonner said he was discussing some dates with Waste Management officials for a workshop on that topic as well the host fee agreement, recycling and other issues.

FHP reports 17 Labor Day traffic deaths

By Eric Kopp
Okeechobee News

According to the Florida Highway Patrol (FHP) there were 17 traffic fatalities on the state's highways during the Labor Day holiday weekend, Sept. 3-6.

According to the Okeechobee County Sheriff's Office, there were no traffic fatalities in the county during the holiday weekend.

Colonel John Czernis, FHP director, said FHP enlisted the help of reservists and auxiliary troopers in a heightened enforcement campaign known as C.A.R.E. -- Combined Accident Reduction Effort.

"The Florida Highway Patrol puts additional troopers on the roadways when we know more people will be traveling," said Col. Czernis. "The additional troopers on patrol enhances our ability to deter motorists from unsafe driving, and better positions us to catch more of those who disregard the law and put everyone they share the road with in danger."

C.A.R.E. was conducted Sept. 3-6 and during this time FHP provided assistance to more than 3,000 motorists on state highways. Troopers also made 80 driving under the influence (DUI) arrests and cited more than 5,000 drivers for speeding.

FHP troopers also issued over 1,500 citations to motorists who weren't wearing their seat belts, and issued over 14,000 citations in all.

During the period Aug. 20 - Sept. 6, FHP also took part in a national DUI enforcement campaign called Drunk Driving: Over the limit. Under arrest. In this 18-day period FHP troopers made 431 DUI arrests.

The Treasure Traders Buying Event is in Okeechobee

Hidden cash in your attic? This week visitors can CASH in on gold, silver, antiques, and collectibles.

The Treasure Traders Buying Show, a Central Florida vintage collectibles company, is in Okeechobee at the Holiday Inn Express on US HWY 441 to make offers for purchase on your gold and sterling silver jewelry and flatware, unmatched and broken jewelry, old watches, pocket watches, sports memorabilia, historical relics, old musical instruments such as guitars and mandolins, old advertising signs, old silver money and tintype pictures.

These are a few of the hundreds of items that they will make you an offer on. The Treasure Traders will find a new home for your old stuff and you'll make money in the process.

The fast-paced and ever-changing collectibles market is alive and well for the right items. The Treasure Traders has direct connections to collectors nationwide as well as knowledge of what collectors are paying and will make you a cash offer on the spot.

U.S. coins pre-1965 are very sought after by collectors right now due to their 90% silver content and bring top dollar in today's market. Some coins have even more value due to certain characteristics. Our experts can evaluate them and offer the best prices due to our contacts in the marketplace. Because gold is at an all-time high, gold coins of all types are bringing the highest prices ever and people are choosing to cash them in while the market is still at the top.

All it takes to participate in this event is to bring in anything you have which you feel may have value and we'll do the rest. Once you have an estimate of the going rate of that item in today's market, you can opt to sell it for cash or take it home for safekeeping. If you accept our offer, you will leave with cash. And, at the very least, you will leave with the knowledge of what your treasure may be worth in today's market.

A recent visitor to the show is thrilled to leave with over $1750.

Don't second-guess what The Treasure Traders may be interested in. They are buying way more than just precious metals and coins. They are constantly in contact with sports collectors who deal in everything from game-worn jerseys to old World Series tickets. They are on a first-name basis with one of the nation's leading vintage guitar experts.

At a recent show, a lady struggling to make ends meet, was thrilled to find out that her old scrap jewelry was worth $425. The next day she brought in her husband's old Gibson guitar and was delighted with the offer she was made. She traded it for close to a thousand dollars.

The friendly staff have the expertise and the resources to get the best price for your items. If they can't do that, then they'll suggest where you can go to further research your item or suggest that you hold on to it until the market for that piece is better.

Make plans to attend the show. If you have a large collection or estate, the Treasure Traders can arrange a special appointment for a one on one evaluation at the show. If that's the case, please call us at 386-837-6112 to get more information.

The Treasure Traders will be at the Holiday Inn Express Wednesday through Saturday They will be in town giving appraisals, making offers and paying cash.

Folks Are Cashing in on the Current Gold and Silver Rush

In today's economy, with real estate values in the gutter and the value of a dollar being so hard to come by, people are searching dresser drawers, jewelry boxes, lock boxes, attics and even garages for forgotten, never-used jewelry, silver sets, even dental gold.

People are coming in droves to the Treasure Traders clutching boxes overflowing with school rings, broken jewelry, vintage watches, not to mention silver coins that they've had laying around for years. With gold and silver trading at near 40 year highs, ordinary folks are reaping the benefits of the gold and silver fever that is running rampant.

Whether you have a few pieces of gold, a collection of sterling silver or coins, you should visit the Treasure Traders buying event. It's fun, informative and could put money in your pocket.

YMS defeats Sebastian Middle in soccer, volleyball matches

By Charles M. Murphy
Okeechobee News

Yearling Middle School continued their success in soccer and volleyball on Wednesday when they defeated the Sebastian Middle School Cowboys in impressive fashion.

The soccer team won 7-1 to extend their winning streak. The Yearlings went undefeated in 2009.

Angel Alvarez scored a goal to lead a balanced scoring attack. Yearling also played exceptional defense as they shut down the Cowboys top players Brandon Berg and Michael Rogers. Alejandro Jaimez led a stingy defense for Yearling, (1-0). The teams played on a field saturated with water. Yearling scored three goals in the final five minutes of the match.

In the gym, the YMS girls volleyball team defeated Sebastian 25-11 and 25-7. Lexi Ward had three aces and three assists. Delaney Osceola had three kills and two aces. Sarah Hurst had six aces and two assists. Cheyenne Nunez had two kills and one assist. Airi Nunez had 12 service aces and one kill.

Coach Bruce Conrad said Yearling has now won 25 consecutive volleyball matches.

"My four eighth graders have a chance to have three years undefeated. They are bound and determined to do it."

The team also has several seventh graders with experience. Conrad also kept six seventh graders and seven sixth graders and said the program continues to develop a lot of talent.

"The group I have is just rock solid. They were great today. They made good passes, and I've got some girls that can jump at the net," he added.

Yearling volleyball and soccer plays at Storm Grove on Monday, Sept. 13, and volleyball plays at Brighton Middle School on Sept. 20. Matches begin at 4:30 p.m.

Swim teams competed against Sebastian

By Charles M. Murphy
Okeechobee News

Sebastian River swept a swim meet with Okeechobee on Tuesday in Indian River County. The Sebastian River boys team won 139-34 while the girls squad prevailed 124-44.

Top performers for Okeechobee included the 200 medley relay which finished third, and Timmy Farrell who finished third in the 50 freestyle. The 200 freestyle and the 400 meter free style relay teams both finished third.

The girls swim team was paced by the 200 medley relay team which finished in third place. Okeechobee also had a third place finish in the 50 freestyle. Jaiden Barnhart finished third in the 100 butterfly. Celena Letcher took second place in the 100 breaststroke. The 200 meter freestyle team finished third. The team also took second and third in the 400 meter freestyle relay.

Brahman Coach Brian Turner said Sebastian River had a strong and deep team with a trio of strong swimmers in every event.

"That is what we want to achieve in the future. Building a program is a process and I feel as if we are on the way to a good start this year," he added.

Turner said the team is much further along this year than they were at this point during the 2009 season. He said their next meet against Lake Placid will be more of an indication on where the team is and where they need to be.

Bowling teams host Vero and Fort Pierce

By Charles M. Murphy
Okeechobee News

The Okeechobee High School bowling teams hosted two schools this week at Lucky Lanes. Tuesday the teams hosted the Vero Beach Indians. The boy's team won 7-0 while the girls squad also won in a shutout 7-0.

Adrian Banda had a 189 game and Noe Arroyo knocked over 513 pins to lead the Brahman boys to their first victory of the season. P.J. Jones had a 197 game and a 425 series for the Indians.

In the girls match Mary Simmons had a high game of 164 and a two game series of 307 to lead Okeechobee to their second win in three matches. Veronica Donnelly led Vero Beach with a 348 series.

On Wednesday the boys team fell 5-2 to the Fort Pierce Central Cobras. Noe Arroyo continued to bowl well with a 610 series. He had a high game of 241 pins. He was also the top bowler of the match.

The girls defeated the Lady Cobras 5-2. Tameko Hornick led the way with a high game of 172 pins. Kayla Runyon added a 310 series in two games. The girls are (2-2) on the season while the boys team is (1-3).

Okeechobee Golf and Country Club eyeing busy season

Throughout much of the country, golf courses will be seeing their final rounds of the season over the next month or two. But at the Okeechobee Golf and Country Club, the fun is just beginning when the leaves turn brown elsewhere.

"That's when we're the busiest…when other parts of the country are experiencing cold weather," said Saba Curren, 70, who prefers the title "trustee" over "owner" of the course. "We love to see the winter business, but there is something we love even more, and that's to see families and young people come out and play golf.

"I'm 70 years old and I love the older people who have played golf here for many years, but we're very focused on young people. Children have always played for free here with a paying adult, and we like to provide a challenging course for the kids from Okeechobee High School, who have been playing here since the course opened in 1965."

Located 10 miles north of Okeechobee, the course is open year 'round, closing only for one-half day on Christmas. The 18-hole course consists of the original nine holes featuring magnificent trees and the newer and wide-open back nine.

"I've had people from out of town come here and tell me that they prefer the back nine," Curren said. "I've wondered why, because the front nine has such beautiful trees and so much character. But they tell me that they enjoy the wide-open spaces because they will see hawks and deer and cows and donkeys while they play. That's the 'scenery' that they enjoy."

The non-profit course is home to approximately 300 links members and 60 annual members. Men's and women's golf associations utilize the course, and a weekly scramble is conducted involving nine holes of golf and dinner.

Terry Lanman is the golf pro for the par-72, 6,887-yard course, designed by Mark Mahannah. The course, set in a peaceful, rural atmosphere, is home to a variety of tournaments throughout the year. A first-time County Championship will be held Oct. 16-17 at the Okeechobee Golf & Country Club, where men's, ladies and junior championships will be awarded.

Recent improvements to the property have included making the greens shorter and faster, re-designing the dining room, screening in the upstairs porch, paving the swimming pool area and adding a health spa. The warm-up range featuring sand traps for 6-irons an up is accompanied by a putting green.

Those interested in learning more about the Okeechobee Golf and Country Club may call 863-763-6228.

Brahman scouting report: Avon Park Red Devils

Scouting Report

Share your news and photos for this column by email to okeenews@newszap.com

Okeechobee goes for their second straight win to begin the season when they host Avon Park tonight at 7 p.m.

Last year Avon Park derailed the Brahmans 27-14 in Highlands County.

Okeechobee will be on a high after last week's impressive victory, 34-8 at Berean Christian. Okeechobee had nearly 300 yards on the ground against the Bulldogs and they expect to try and run the ball again tonight.

Okeechobee will be without Daron Washington who suffered a fractured ankle last week. He is likely lost for the season. Washington rushed for nearly 100 yards in the first half last week.

Deforest Shanks will be counted on to lead the ground attack. He had 159 yards and three touchdowns last week. Erick McQueen and Ty'Ronte Files will also have opportunities in the backfield.

Coach Myron Jackson said Avon Park has a couple of solid weapons on offense and a good defensive unit. Garrett Taylor had an 82 yard kick return for a score last week. The Red Devils also have an experience QB in senior Tekovin Miller. Miller had a tough night in the opener against Frostproof as he was picked off five times in a 33-6 loss. Avon Park turned the ball over eight times in the game.

Coach Jackson said his team will not take anyone lightly. He said they have stressed the process to winning football this week. "It is always up to us to do what we need to do to be successful. That includes discipline, no turnovers, and no penalties."

Jackson said his strategy will be to stop the run game and force the Red Devils to pass the football, "I don't think that is something they want to major in. They will test our physical abilities and they will play hard. It's a good matchup for us."

The Brahmans will also limit Al Morris who has a shoulder injury. Files, who missed the opener with an ankle injury, could be limited to 10 snaps.

Coach Jackson said he is confident that Shanks will do a good job as the primary back, "I'm very confident in his abilities. Luckily we are pretty healthy right now."

New softball coach selected

By Charles M. Murphy
Okeechobee News

Christina Jaholkowski was introduced as the new head softball coach at Okeechobee High School on Tuesday.

The graduate of Indian River State College and John Carroll High School has four years of coaching experience as an assistant coach at her former high school. She coached under Bob Rahal.

Christina Jaholkowski

She will teach ESE inclusion students at Okeechobee High School this year.

Jaholkowski said she was very excited to get this job.

"It is a great feeling to be a part of the Okeechobee High School family," she said. "I'm excited to contribute and help it grow in academics and in athletics."

Assistant Principal Dylan Tedders assisted in the search process. He said the search went well and that several qualified candidates applied. He said he was very satisfied that the best selection was made. "We're excited. When she met with the girls, you could see they were ready to get on the field. I wish the season started tomorrow."

Tedders said the girls realize they have the talent to make a serious run at a state title this year. He said he is convinced the girls are ready to prove that they can win with the new coach.

"I think all of them will pull together because there's a prize at the end of the tunnel. No one wants to miss out on that prize," he added.

Coach Jaholkowski said she likes to lead by example. Her references on her application applauded her work ethic and her willingness to put in extra hours on the field. She emphasized that she is not a yeller and will lead by example.

"I felt my first meeting with the girls went well. There is a lot of excitement. Now we can get to know each other and our personalities and go from there," she said.

She emphasized that she was included in the entire aspects of the John Carroll program that included schedules, finances, paper work, practices, and dealing with the media. She said she feels she is ready for her first head coaching job. "I think we can compete for a state title in May. I also think we can hit the ground running. I am super excited about and thankful to be a part of the Okeechobee High School family."

Jaholkowski is also a Eucharistic Minister and Lector in Vero Beach. She was all area when she played at John Carroll in 2002.

Shawn Hays will serve as her assistant coach. He was an assistant for the varsity baseball team for the past few years.

OHS Girls volleyball team wins season opener

Okeechobee News/**Charles Murphy**

Darby Jones had seven service aces during the match with Westwood.

By Charles M. Murphy
Okeechobee News

Paige McCrary and Rebekah Bryan both had nine kills and Darby Jones had seven services aces as the Okeechobee High School Brahman Volleyball Team opened their home schedule with an impressive win over Fort Pierce Westwood, 25-12, 25-12, and 25-11 on Tuesday.

Okeechobee jumped out to early leads in all three games and were never really threatened by an athletic Westwood squad.

Okeechobee got several good serves from Sarah Davis as they won the first game. Jones had two service aces in succession late in the game.

Okeechobee led 9-1 in the second game and Kati Ward had several tough serves in the easy Okeechobee win.

The solid service game continued in the final game as Okeechobee took a 12-5 lead and cruised to victory.

Coach Todd Jones said Westwood had two girls with excellent athletic ability. He said at times they created some problems for his team. "They have the athletic ability but their volleyball skills aren't there yet. They made a couple of impressive plays.

Jones said he was pleased with the service game of the Lady Brahmans. He also praised the passers for making good scoring opportunities for the team. "I thought our sets were on task. Some of our secondary setters also did a good job. They were impressive."

McCrary said Westwood provided some competition at the net at times. She said she hit around a couple of their girls who had excellent leaping ability.

"It was a pretty fun match. I'm glad we won. I've trained and practiced a lot to improve around the net," she added.

McCrary said the team really gets along very well and works hard to improve. "We all get along fine. It's not like last year when there was a lot of drama on the team. Everybody likes each other and we work well together."

The varsity travels to Bartow for a tournament this Saturday. The Junior Varsity squad defeated Westwood 25-2, and 25-3.

The JV also did well at a tournament in Palm Beach County this past weekend. They defeated Jupiter, Wellington and Royal Palm Beach in matches played Saturday. The JV is (5-2) on the season.

Rebekah Bryan had nine kills at the net.

OHS girls golf team beats South Fork

By Charles M. Murphy
Okeechobee News

Raychel Rabon and Katlyn Haymond both scored 53 to lead the Okeechobee High School Brahman Girls Golf Team to a 29 stroke victory over South Fork and Centennial in a tri-match at the PGA Wanamaker Country Club on Wednesday.

Samantha Harrell shot 60 and Paige Rivera shot 61 for the Brahmans who improved to (3-0) on the season. The Brahmans shot 227 as a team. South Fork shot 258 and Centennial had an incomplete score because they played with only two players.

Girls Coach Lonnie Sears said he was very pleased with how Rabon and Haymond played, "It is a tough course with a lot of wind. 53 were very good scores for those girls. That is a pretty good effort for them."

Rachel Broedlel shot 61 to lead South Fork. Jessi Taylor shot 71 to lead St. Lucie West Centennial.

Sears said the golf team should know just how good they are when they match up with Jensen Beach on Monday at Eagle Marsh Country Club. Sears said the Lady Falcons are usually one of the better girl's teams in the area.

Sears also said the girls continue to work hard on their short game and their putts. He said that is the team's main weakness right now, "Some of the girls can drive the ball and knock the ball around the course but when we get to the greens we struggle. We have stressed the short game this year."

Sears said he also has a lot of competition for the final spot in the lineup each match which adds to the work ethics of several players at practice.

OHS team competes in Annual Cross Country Mike Gibson Summertime Run

By Charles M. Murphy
Okeechobee News

The Okeechobee High School Boys Cross Country Team finished fourth and the OHS Girls Cross Country Team finished fifth at the 30th annual Mike Gibson Summertime Run last weekend in Lake Mary.

The boys team was paced by senior Mauro Dominguez who finished in eighth place. He had a time of 17 minutes 28 seconds.

Shawn Horvath finished in 26th place with a time of 18:34.71. Adrian Tagle finished in 43rd place with a time of 19:20.52. Phillip Suarez finished 51st, Eric Velez 67th, Gabriel Esquire 69th, Juan Lugo 71st, and Nicholas Flood 90th.

Hagerty High School won the 5 K race, Oviedo was second, and Circle Christian School finished third.

Maria Baltazar led the girl's team with a 20th place finish. She finished the 5 K race in 22:29.96. Tabitha Henry finished in 42nd place with a time of 23:57.49. Marilu Rodriguez finished in 47th place with a time of 24:21.22. Abril Maldanado finished 53rd, Carissa Licata 56th, Crystal Garcia 76th, Racquel Gonzales 79th, Monica Hernandez 81st, Neli Perez 88th, and Yahara Cordova 89th.

Coach Julie Bohannon said the races didn't count in the team's record but was still a good workout and good practice for the younger runners on the team. "We have a lot of new runners this year and it was good to see them get the experience. Many of them had never run a 5 K race before."

Bohannon said the kids went out and represented Okeechobee High School well. She said they now have a feel for what it takes to run this kind of race.

She praised Mauro Dominguez for his eighth place finish. She said she has high hopes for him this year. She also praised freshmen runners Henry and Licata on the girl's side.

Homeowners: check requirements for building permits

By Pete Gawda
Okeechobee News

Don't do any repair work, even if it's on your own house, without checking with the building department to see if a permit is required. That's the lesson that was learned from the Tuesday, Sept. 7, meeting of the Okeechobee County Construction Industry Licensing Board.

After some discussion, the board charged Kevin Evans $750 -- $250 for each of the three provisions of the county code they claim he violated: advertising himself as a contractor when he did not have a contractor's license, violating building codes and failing to obtain the necessary permits.

As the result of an investigation building official Tim English stated that Mr. Evans had done work including framing walls, flooring, plumbing, installation of a kitchen sink, electrical wiring, deck construction and window installation. Since Mr. Evans was working on his own dwelling, he was not required to have a contractor's license. However, building permits were still required. Mr. English said that Mr. Evans had magnetic signs on his car advertising himself as a handyman even though he holds no license as a contractor.

"This would be no problem if you had gotten a permit," Chairman Tony Stark told Mr. Evans. "Everybody has to have a permit."

The only other item on the agenda was withdrawn by the building department. Monica Law, doing business as Jim Law Landstyling, had been charged with doing contractor work without a license, not displaying license numbers on permit applications and advertisements, violating building codes and not obtaining the proper permits. The building department has the option of taking this case to the court system.

Special to the Okeechobee News/**Daryl Roehm**

Special guests

On Wednesday, Sept. 1, Mike Costopoulos, local CPA and CFP with Costopoulos and Helton PA, visited the Academy of Finance Financial Planning class. Students were able to interview Mr. Costopoulos to discover the responsibilities, skills needed, educational requirements, and general working environment of a certified financial planner. The class is working on producing end of the semester financial plans for themselves. One of their first assignments was to produce a "job description" for a certified financial planner. "The students worked diligently in preparing for Mr. Costopoulos and they were rewarded for their efforts with a very informative and personable session" stated Mr. Roehm. "Mike is always very accommodating as a guest speaker and interacts very well with the students."

Annual D.A.R. History Essay Contest is open to students

The "Memoirs of Paul Revere" are being written through the eyes of fifth through eight grade students for the D.A.R. Annual American History Essay Contest.

He was more than just the famous horseman who warned that the "British are coming" at the start of the Revolutionary War. Paul Revere was an outstanding silversmith with examples of his work in museum collections.

Essays for the Grade 5 contest should be 300-600 words. Grades 6-8 essays should be600-1000 words.

High school students are invited to explore lessons from the life of Christopher Columbus that we can draw on today to bring clarity to our decisions in the face of an uncertain future. Length should be 900-1200 words.

Contest rules have been provided to Okeechobee schools. Home School students are also invited to participate. For copies of rules and further information contact, Susan H. George at 863-763-0266.

Deadline for submission Friday, Nov. 19.

NOTICE

Independent Newspapers will never accept any advertisement that is illegal or considered fraudulent. In all cases of questionable value, such as promises of guaranteed income from work-at-home programs - if it sounds too good to be true, chances are that it is. If you have questions or doubts about any ad on these pages, we advise that before responding or sending money ahead of time, you check with the Better Business Bureau at 772-878-2010 for previous complaints.

Some 800 and 900 telephone numbers may require an extra charge, as well as long distance toll costs. We will do our best to alert our reader of these charges in the ads, but occasionally we may not be aware of the charges. Therefore, if you call a number out of your area, use caution.
