Your news is our news.

Some newspapers seem to take pleasure in the bad news. Not us.

We do print "bad" news. (It IS newsworthy when things go wrong, and citizens need to know about problems.)

Still, we give most of our attention to good news - the kind you clip and tape to your refrigerator door. (This isn't difficult. The vast majority of what happens in our community IS good.)

How are we doing?

Let us know by emailing feedback@newszap.com or calling your editor.
