## Man faces first degree murder charge

### Victim shot twice with a shotgun, dumped in Clewiston sugar cane field

By Jose Jesus Zaragoza  
Clewiston News

On Wednesday, Oct. 14, Teddy Osceola, 20, found himself being chased down at the Big Cypress Indian Reservation by the mother of a 17-year-old he is now charged with murdering.

Officials say the chase, which Seminole Police put a stop to, was

a footnote in a series of events that culminated in the death of Ricky Trevino, of Collier County. Behind it all is a drug deal that went horribly awry, they said.

According to a probable cause affidavit released by the Seminole Police Department, the mother of Ricky Trevino, the victim, called police fearing that her son was inside the suspect's red pick up truck.

She had apparently gone searching for Osceola at his home in Big Cypress after her son had disappeared that Monday.

She did not know, and would

later find out, that her son's body had been dumped at a Clewiston sugar cane field.

In custody, the suspect said he and the victim had had a dispute over a "rip," which is short for a drug rip-off, earlier that week. The suspect said the victim drove to his home at Big Cypress in a black vehicle and confronted him, saying he had a gun in the car.

That's when Osceola allegedly told detectives he pulled out a shotgun and shot Trevino once in the chest after warning him "don't come closer."

Trevino reportedly turned away

to go back to the car when the suspect shot him one more time, this time in the back. Trevino slumped over and fell to the ground. The black vehicle then left the area, he said.

The suspect reportedly told officials that he had driven the truck alone to Blumberg Road, which is located just east of Clewiston, and had dumped the body on the side of the road.

The suspect told officials that when he returned home, he started taking pills before leaving later with his brother to throw the shot-

## Position may help ease jail overcrowding

### County considers proposal to hire criminal case manager

By Jose Jesus Zaragoza  
Clewiston News

With space at the local jail at a premium, officials there have relied on creative ways to house an overflow of inmates -- having them sleep on special beds that would make cots seem like luxuries, or planning to add modular units to house detainees.

These measures to address the overcrowding inmate population at the Hendry County Jail in LaBelle have only solved a portion of the problem, local leaders say.

More needs to be done, and a solution must be found in the way that the court system handles minor charges. Acting on a proposal

from the administrative office of the courts, Hendry County is considering the creation of a criminal case manager position that would do just that.

The idea is to help alleviate the ever-growing number of inmates that, at \$39.50 a day, the county must pay for. In its proposal, the administrative office of the courts quotes hard figures: a recent renovation has seen the jail capacity increase to 196 inmates, while the facility until recently fluctuated between 230 to 265 detainees.

The creation of the case manager position would obviate the need to jail based on minor infractions. The program would work similarly to systems already in place in Charlotte, Collier and Lee counties. There, the criminal case managers and judges consider the nature of the offense, employment and ties to the com-

# H1N1-Swine Flu – It's time to think about the Vaccine

By Pat Dobbins

With continued media attention about H1N1-Swine Flu and vaccines, the Hendry and Glades County Health Departments would like to keep you informed about the efforts to keep your family healthy.

The Hendry and Glades County Health Departments are working on a schedule for times and locations to make the vaccine available to the community. These vaccinations are VOLUNTARY and FREE.

We have not received our allotment of the vaccine yet, but as soon as the vaccine is shipped to our counties, it will be announced in the local newspapers.

H1N1-Swine Flu can be a threat to the health of our families.

Though many people have experienced mild symptoms, there are still others who have had severe complications with this virus and even death.

As of Oct. 13, there have been over 870 hospitalizations in Florida from the H1N1-Swine Flu Virus.

Almost 100 of these hospitalizations were pregnant women. There have been total of 121 deaths.

The majority of these deaths were people under the age of 49 and some had no known underlying medical conditions.

It is time for you to think about the vac-

cine and decide if the vaccine is right for you and your family.

If you have questions or concerns about the vaccine, please talk to your local health-care provider or the local health department. You can also call 1-877-352-3581.

Please note: Those in high risk categories will be given the first supplies of the vaccine.

They include:

Children and young adults age 6 months through 24 years

Pregnant women

People who live with or care for children younger than 6 months old

Health care workers and emergency medical services personnel

People age 25 through 64 years who have health conditions associated with higher risk of medical complications

\* For more information on flu activity, please call the Florida Department of Health's toll-free number, which provides public health information and updates on H1N1-Swine flu.

The Florida Flu Information Line is 1-877-352-3581. \*For web-based information please visit: [www.myflusafety.com](http://www.myflusafety.com) or [www.cdc.gov/h1n1flu/](http://www.cdc.gov/h1n1flu/)

## C.R.E.W. is collecting donations

C.R.E.W. (Community Rebuilding Ecumenical Workforce) is collecting donated items for a yard sale from now to Nov. 11. Please bring items to Harlem Academy Day Care in room # 12 located at 944 Harlem Academy Ave. in Clewiston. The funds gathered will be used for rebuilding our community.

## Cultural program on Miami Circle

Credited with having discovered the Mi-

ami Circle, located where the Miami River empties into Biscayne Bay, archeologist Bob Carr will make a presentation on Thursday, Oct. 22 beginning at 7 p.m. at the Clewiston Museum.

The presentation will also include information on the Native Americans who inhabited the area at the time the Miami Circle was built and what has been learned about their culture. The program is made possible by a Florida Humanities Council grant and admission is free. Prior to the presentation, the Annual Meeting of the Friends of the Museum will be held to review the year's operation and elect new Trustees. Seating is limited and it is requested that you call 863-983-2870 to reserve seating.

# A Walk in the Past: The Battle of Withlacoochie

**By Butch Wilson**  
Clewiston Museum

Like an alert sentry, the cool morning breeze captured the bugle's lonely sounding notes and carried them across the fog-laden river to a dense, foreboding swamp, where a cunning and merciless foe waited patiently.

The resounding bugle was music to the ears of the Seminole warriors that smiled in anticipation of the carefully orchestrated ambush.

It is time to take "A Walk in the Past" and read about the Battle of Withlacoochie.

The United States government officially purchased Florida in 1821, and by 1833, had signed three peace treaties with the Seminoles living in Florida.

The Treaty of Moultrie Creek relocated Seminoles to Florida reservations, forfeiting their ownership of all other Florida Lands, while the Treaty of Payne's Landing and Fort Gibson called for their removal from Florida to Indian lands west of the Mississippi River.

All three treaties were signed under stressful and intimidating circumstances that employed unscrupulous means.

Fifteen years of land encroachment, oppressive reservation life, and American policies finally sent the Seminoles on the war-path.

Simply stated, the Seminole Nation had given in to the demands of the United States government, until they had nothing more to give.

The only recourse left for them in 1835 was to fight or move west, most chose to stay and fight.

On Dec. 28, 1835, Indian Agent Thompson and five other persons were killed outside Fort King, while 50 miles away, two companies of men (108 officers and men) under the command of Major Dade were ambushed and practically annihilated.

Only three men survived the ambush; one man was killed the next day as two of the survivors were making their way back to Fort Brooke.

News of the "Dade Massacre" spread across Florida like an emotional brush fire burning out of control, feed by fear and despair.

Fleeing white inhabitants were knocking at the gates of a beleaguered military that had underestimated the military strength of the Seminole Nation.

Army and militia reinforcements from other Florida posts were soon on the march to relieve the undermanned and outnum-

bered garrisons that could so readily fall to the vengeful Seminoles, while other army units and militias outside Florida started mobilizing.

Major Gaines, who was in charge of Florida's western sector, immediately started preparing his troops in New Orleans for deployment.

He wrote General Clinch a letter, informing him of his plans to arrive at Fort Brooke by Feb. 8, 1836.

General Clinch, failed to receive General Gaines letter, but he to was making plans at Fort Drane, a fort located 30 miles from Fort Brooke.

During the month of December, Clinch received reinforcements from the West Florida militia, 650 strong, under the command of General Call (governor of Florida) and four companies of Army regulars under Lt. Col. Fanning.

On Dec. 29, 1835, Clinch marched 250 army regulars and approximately 560 mounted Florida militia toward the Seminole Nation's heartland.

Clinch was hoping to invade the Seminole Nation and launch a surprise attack using military methods that were impractical and sometimes suicidal when employed against Native Americans.

He had hoped to reach the Withlacoochie River in 24 hours, but this schedule turned into a three day ordeal because the army was encumbered with 27 wagons and heavy baggage.

The initial element of surprise was lost not only to wagons floundering in the swamps for three days, but also to the large, tower-

ing camp fires that twinkled for miles like giant fireflies in the night.

Whatever element of surprise that was left became lost when a bugler forgot and sounded reverie on the morning the army prepared to cross the Withlacoochie River.

Lady Luck smiled on General Clinch's army as scouts searched for a river crossing; they failed to discover the river's most favorable crossing point, which was fordable for both men and wagons.

Instead, a leaky canoe was discovered further upriver and used to ferry the army regulars across in small groups of eight.

This slight oversight saved General Clinch and his army from the fate that befell Major Dade and his men because a large force of Seminoles, numbering in the hundreds had prepared an ambush at

the river crossing.

However, disaster still stalked Clinch's army after the 250 regulars crossed the river in the canoe.

General Clinch chose an open perimeter along the river's edge that was shaped like a horseshoe and surrounded on three sides by heavy foliage.

It was a perfect location for ambush. Again, Lady Luck smiled a second time.

The weary men had stacked their arms and were resting nonchalantly inside the open perimeter when a scout came rushing from the woods hollering "Indians!"

Everyone forgot their weariness and went on alert, grabbing guns and forming ranks.

An officer saw a lurking Seminole and fired.

His fire was answered by hundreds of Seminole muskets.

A battle quickly enveloped, filling the perimeter with the sharp crackle of gun fire and rolling white clouds of burnt powder that drifted ghostlike through the woods.

The ranks of soldiers formed in the open perimeter became easy targets as they exposed themselves to the accurate fire of the concealed Seminoles.

The day would have been lost, save for Lt. Col. Fanning, who lead a bayonet charge and drove the Seminoles back into the swamp.

I hope you have enjoyed this story.

### Lee Hundertmark, 87

LAKELAND — Lee Hundertmark, passed away from heart failure on October 12, 2009. She had been hospitalized since October 4, 2009 due to severe injuries resulting from a fall at her residence.

Mrs. Hundertmark was born on October 3, 1922 in Kelly, N.C. She grew up in Clewiston, Fla., where she met and married Burton Wager "Bud" Hundertmark, an agronomist employed with U.S. Sugar Corp. until his retirement. Mrs. Hundertmark enjoyed extensive traveling with her husband and they eventually settled in Bunnell, FL to be close to their family.

Following the death of her husband, Mrs. Hundertmark moved to Lakeland, Fla., where her daughter and extended family reside. She was also preceded in death by her daughter, Anitra McLanahan.

She is survived by her daughter Elissa Robertson; three grandchildren, Josyane Boyer, Rebecca Robertson, and Jonathan Robertson; and two great-grandchildren, Cheyenne and Isaiah Boyer.

A memorial service will be conducted at 3 p.m, Saturday, October 24, 2009, at the United Methodist Church of Bunnell at 205 Pine Tree Lane in Bunnell, FL.

### The Devil's Beatitudes

By Pastor John Hicks

First United Methodist Church

A pastor friend of mine in Alabama shared, "Our church is just like every other church, it's full of willing people, some willing to work, and the rest willing to let them."

They said if the devil were to write his Beatitudes they would probably go something like this:

Blessed are those who are too tired, too busy, too distracted to spend an hour once a week with their fellow Christians-they are my best workers.

Blessed are those Christians who wait to be asked, and expect to be thanked-I can use them.

Blessed are the touchy. With a bit of luck they may stop going to church- they are my missionaries.

Blessed are the troublemakers-they shall be called my children.

Blessed are the complainers-I'm all ears to them.

Blessed are they who are bored with the minister's mannerisms and mistakes-for they get nothing out of his sermons.

Blessed is the church member who expects to be invited to his own church-for he is part of the problem instead of the solution.

Blessed are they who gossip-for they shall cause strife and divisions that please me.

Blessed are they who are easily offended-for they will soon get angry and quit.

Blessed are they who do not give their offering to carry on God's work-for they are my helpers.

Blessed is he who professes to love God, but hates his brother and sister-for he shall be with me forever.

Blessed are you when you hear this and think it is about other people and not yourself-I've got you.

As I thought about this list, two things immediately hit me. First, I can honestly say that throughout my years of ministry, I have met every one of these types of church members at least once. Second, there have been times I have been guilty of being one of them, and I know that I am not alone. May the Lord help us all!

There is a blessing that comes to every church member who really will love their church, and love it in the right way, and love it for the right reason. The member is blessed, as is the church!

### 'They have no morals!'

By The Reverend Samuel S. Thomas, Ph. D.+

Saint Martin's Church, Clewiston

The quotation can be attributed to a

judge in West Palm Beach who sentenced three young men to life in prison.

They had brutally attacked a mother and son and some people wondered about whether it was correct to give such harsh sentences to those who were so young and probably not fully aware of what they had done.

I have encountered this question from time to time in one form or another; it came up when four men killed a young girl in her own front yard and told the investigators that they "had nothing better to do" that afternoon.

It came up when I lived in a society where there was no death penalty, and every once and awhile a crime would be committed that was so heinous, it made some of the society want to re-institute the death penalty in a usually peaceful part of the world.

Was life in prison justified?

My answer is (1) that there are people incapable of living in society, and (2) for the protection of society they have to be separated. (Whether or not this means a death penalty is not my issue here.)

What is essential is that the society be shielded from those who would exploit it and are incapable of understanding the rights and feelings of others.

My readings on the state of the art in human behavior is that such people are very unlikely to change, and that there seems to be nothing at this stage in treatment-rehabilitation-correction to restore them to a way of living that allows for a lifestyle compatible with what society requires.

Where does the lack of development of such character come from?

Most likely, from many sources; nature and nurture, heredity and environment, culture and society itself.

A remedy, if there is one, is to look at how these young men were raised; how they were taught, what values were honored and what ones were laughed at, and see how "reality" was portrayed to them.

Did they get any encouragement to attend a church where religious values and "morals" were taught?

Did they have family that encouraged them to learn the differences between right and wrong?

Were they encouraged to have friends or belong to organizations that shared ideals like respect for others and helping those in need?

I've sympathized with immigrants who have come here and who have told me that they miss the moral instruction that their children got in school "back home" but find lacking here.

I have told them that in this society "you will have to dig it out for yourselves" because it is not as commonly supported here as it is in some other places.

I've often wondered about parents who don't take responsibility to see that their children get moral instructions ("I can't do a thing with him") and hope that they don't wind up on the front page of the papers one day, too.

Am I my brother's keeper?

Yes, and my child's keeper, too!

### How times have changed!

By Jackie Miller, Evangelist  
First Christian Church

"Indulged, permissive, petted, and uncontrolled at home, allowed to trample upon all laws, human and divine, at school, the student comes to college with an undisciplined mind and an uncultivated heart, yet with exalted ideas of personal dignity and scowling contempt for local authority and wholesome restraint."

Who said it?

When?

A professor at Davidson College in the year 1855.

Earlier still in 1780, the students at Harvard petitioned for the removal of the President of that distinguished institution.

HOW TIMES HAVE CHANGED!

Julius Caesar gained his fame as general, statesman, and author, but was forced by traffic jams to become a traffic engineer.

Ancient Rome's market place and around the Circus Maximus that Caesar was forced to bar all but pedestrians for the ten hours after sunrise.

He also instituted one-way streets and abolished downtown parking. The woman driver problem was there too. Lady Chariteers weren't permitted to drive in the city on Sundays, or during times of heavy traffic.

HOW TIMES HAVE CHANGED!

Archaeologist digging out the city of Pompeii, buried by lava from Mt. Vesuvius in 79 A.D., found loaded dice in the ruins.

It is recorded in about 309 B.C. a Greek flute player named Aristos called his orchestra out on strike because they weren't allowed to eat their lunches in the temple.

They did not play another note until their demands were met.

HOW TIMES HAVE CHANGED!

You may want to keep these bits of information for the next time some pseudo-sophisticate tries to impress you with the fact, "we live in the 21st Century."

Yes, it is true we do have our problems. We also still have the power and promises to meet those problems.

The Good News of Christ, His Church, The Fellowship of the Family of God, these bring purpose into our lives.

Bring your Space-Age problems to Christ.

He is still the same Yesterday, Today and Forever!

# Brighton Charter School volleyball team improving

Trista Osceola #3 greets members of the Brighton Charter school before Thursday's match at Yearling.

**By Charles M. Murphy**  
INI Florida

The Brighton Charter School Pemaevt Emahakv, has only sixth graders on the squad. In fact, every sixth grader in the new school at the reservation is currently on the volleyball squad.

That didn't mean a lot Thursday as the young group of Seminoles matched the older Yearling Middle School squad at the Yearlings gym in Okeechobee.

The unbeaten Yearlings did win in the end, 25-17, and 25-21, and did substitute liberally, using many of their younger players for the vast majority of the match.

Afterward, Yearling Coach Bruce Conrad was very impressed with what could become a new rival for the Yearlings.

"I was kind of disappointed," he said. "I had several of these (Brighton) girls in club. They played much better. They played well today. That's a pretty good bunch there. They played hard. I was impressed."

Conrad said the first match down in Brighton was controlled by Yearling. He said the younger Seminoles might have been a little skittish. This time they looked ready.

"It's good to see that they are getting some good coaching, I was impressed with how well they played. It's nice that we have this much talent in the area," he said.

Yearling mostly used seldom used reserves that haven't played in recent matches. Conrad said their rust showed in the results.

Seminoles Coach Pam Matthews said her program is building. This is only their first year but they have managed a (5-5) record playing against older teams. She noted coming to play at Yearling was a special experience for her team.

Okeechobee News/Charles Murphy

"They love playing against their friends and they did a good job," she said. "Their goal was to defeat the undefeated team. We didn't quite do that but we did a very good job and kept it close."

Next year the Brighton Charter School plans to add seventh and eighth grade to the school. Matthews said she feels the program is headed in the right direction.

"The program is building. This is our first year and we only have sixth graders. We will have older players next year," she said.

Yearling wraps up their season with a home match on Monday.

# Glades Central scores win over Jupiter Christian

Moore Haven, Pahokee cruise to blowout victories; Glades Day snipped in 3-point loss

By Naji Tobias  
INI Florida

BELLE GLADE - Total domination. Since Glades Central's Week 1 21-7 win over Dwyer, no opponent has come close to pulling off an upset victory.

Jupiter Christian, the two-time defending Class 1B champions, was the latest team to feel what it's like to get demolished by a superior team.

In the Raiders 34-0 smashing of the Eagles, balance was the order of this game, as both the offense and defense clicked on all cylinders.

And that's the first time this season anyone could say that about Glades Central.

For one thing, Maryshal Rothman, the Jupiter Christian quarterback, really had no chance whatsoever of making this a competitive game - not with Glades Central registering a season-high 12 sacks on him.

And especially not with Rothman, one of the state's most accomplished quarterbacks, being forced into throwing his only interception of the game on Jupiter Christian's lone trip in the red zone.

Down 27-0 in the third quarter, Jupiter Christian reached Glades Central's 15 yard line.

The Eagles would never get that far again, as Glades Central's Dominc Gibson (12 tackles, two sacks) snared the pick to end any chance for a late rally.

"Our defense was confident and excited," Gibson said of the Raiders, who are the Beef O' Brady's No. 2 all-classification team in the state this week.

"The defensive line stepped up big time, allowing us to make all those plays. This is the best we've played the whole season so far."

Robert Way (14 tackles, four sacks),

Jamorris Rowley (10 tackles, sack) and Isiah Corbett (10 tackles, sack) led the Raiders defense, limiting Jupiter Christian to 56 total yards.

Rothman (4-for-12, 55 yards, INT) admitted that he should have thrown the ball away on that big play.

It likely wouldn't have mattered if he did or not, as Glades Central's swarming defense registered a season-high 96 tackles as a team.

As for Glades Central's offense, it was lights out, as L.J. Thomas was 16-for-23 for 238 yards and two touchdowns.

Those scores were caught by Clive Walford (two catches, 24 yards) and Greg Dent (five catches, 75 yards).

Neville Brown (eight carries, 70 yards) and Carlton Lewis (six carries, 58 yards) scored Glades Central's rushing touchdowns.

And William Likely returned a 57-yard punt return for a touchdown in Glades Central's homecoming win.

"The running game worked for us," Thomas said. "Our passing game didn't have to do too much. We had a balanced offense and we had Jupiter Christian's defense on their toes the whole night."

Glades Central (7-0; No. 1 in the latest Associated Press High School Class 2A poll) stays put as the Rivals100 No. 20 team in the nation.

As for Jupiter Christian (5-2; No. 1 Class 1B team in this week's AP poll), they have lost two in a row for the first time in more than two years.

Glades Central's next two contests are District 7-2A opponents Boynton Beach and Suncoast.

They should be very easy wins for the state's No. 2 overall team, who is rated behind only No. 1 St. Thomas Aquinas - the

Glades Central's William Likely runs for his 57-yard punt return for a touchdown in the second quarter of a 34-0 homecoming win over Jupiter Christian.

INI/Naji Tobias

No. 1 USA Today team in the nation.

After the two district games, Glades Central will duke it out with Pahokee in the Muck Bowl.

**Moore Haven 47, Merritt Island Christian 7:** Fred Hall scored three rushing touchdowns in this game, as he lifted the Terriers and its fans to a big homecoming win.

Hall (11 carries, 247 yards) has now crossed the 1,000-yard threshold, with 18 total touchdowns for the season through Week 7.

Keonte White (10-for-18 passing, 118 yards, 1 TD) threw a 10-yard touchdown pass to Cassius Hallback in the second quarter.

White (six rushes, 102 yards) also scored with his legs, as he ran 33 yards for Moore Haven's final touchdown of the game.

Tanner Carter and Terry Hallback scored Moore Haven's other touchdowns.

Moore Haven (4-3) completed its non-district schedule with this victory.

Now, for the Terriers to even think about reaching its first playoff berth since 2003, they cannot lose another game this season.

And they need help from other teams in District 6-1B.

The next and final three opponents are St. John Neumann, Out-of-Door Academy and Bradenton Christian.

If Moore Haven loses to St. John Neumann tomorrow night, it's real simple what's going to happen.

The Terriers (1-2 in District 6-1B play) can kiss the playoffs goodbye.

**Pahokee 47, Coral Springs Charter 0:** In yet another Blue Devils win, it was Emmanuel Perez who, believe it or not, led the way in this one.

Perez was 9-for-11 passing, with 259 yards and three touchdowns.

Fred Pickett scored two rushing touchdowns, while Wardell Coleman and Corey

Hill added one each.

De'Joshua Johnson (four catches, 157 yards) caught one of Perez's three touchdown passes, while Chris Dunkley and Dennis Hall grabbed one each as well.

Pahokee (5-1 overall; 4-0 in District 7-2B play) is now the Rivals100 No. 80 team in the nation, down five spots from last week.

The Blue Devils, No. 2 in the latest AP Class 2B poll, is this week's Beef O' Brady's No. 16 all-classification team in the state.

**Belen Jesuit (Miami) 17, Glades Day 14:** The Gators (4-2 overall) were unable to hold on to a fourth quarter lead, as Belen Jesuit, a Class 3A team, scored 10 points to send Glades Day to its second loss in three games.

Glades Day was up 14-7 going into the fourth quarter before Belen Jesuit made its comeback.

For Glades Day, ranked No. 5 in the latest AP High School Class 1B poll, both losses this season (Belen Jesuit, Jupiter Christian) have come as a result of letting a late lead go.

The rest of Glades Day's regular season, meanwhile seems to be set up for easy wins - save for King's Academy next week, which could go either way.

**Week 8 games - all are on Friday, 10/23**

Glades Central vs. Boynton Beach - 6 or 6:30 p.m.

Glades Day vs. Berean Christian - 7:30 p.m.

Moore Haven at St. John Neumann - 7:30 p.m.

Pahokee vs. Pine Crest (**HOMECOMING**) - 7:30 p.m.

**Note:** All four teams are playing their district games this week.

Staff Writer Naji Tobias can be reached at [ntobias@newszap.com](mailto:ntobias@newszap.com).

INI/Naji Tobias

Both teams seemed ready last week, but Glades Central would emerge victorious.

## Warrior Book Fair and Family Night

On Tuesday, October 6, 2009, Westside Elementary hosted Family Night to promote the Scholastic Book Fair that was going on in the school's library. Students and Families were able to purchase great new books and accessories for themselves and for their classroom teachers. They were also able to

enjoy snacks and a great craft project while attending this event. The event lasted from 6 to 8 p.m. with prize drawings every thirty minutes for Book Fair Gift certificates. Westside students and families came together on Family Night to make the event a success and the faculty and staff wants to thank everyone for their generosity and support.

# Citizen Academy

How much do citizens really know about law enforcement? Most of what people know about law enforcement is what they see on television from crime-action TV which captivates the public's imagination.

Sheriff Steve Whidden would like to invite citizens of Hendry County to participate in this Academy to give its citizens a behind the scene look at what the men and women of the Hendry County Sheriff's Office do.

Most people have little or no first hand, accurate knowledge about this vitally important element of our community. This can put law enforcement at a tremendous disadvantage because it is human nature to fear or even mistrust what you do not understand.

Participants will spend about 2 hours a night in a classroom once a week for 14 weeks. Members will learn about call taking; what happens after you call for help; the latest trends and procedures in law enforcement as well as the duties and responsibilities of the various departments.

Those attending will also get to spend one day at a firing range learning how to handle firearms. Members will also have the opportunity to tour the various sheriffs' buildings and ride in an agency vehicle with a road patrol deputy and most of all, learn how to develop confidence in their ability to make themselves and their property less attractive to criminals.

Because the men and women are graduates of the Citizens Academy they may become involved in the newly formed volunteer programs that will be offered by the Hendry County Sheriff's Office.

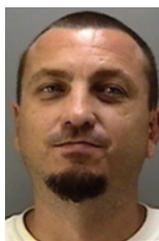

The Citizens Academy is great for anyone over 18 years of age, with a background free of felony convictions, who wish to learn more about the field of law enforcement in general and about the Hendry County Sheriff's Office. The class is FREE!! Class dates and time will be announced so please stop by and pick up your application now. If you have questions or want to learn more about the Sheriff's Citizen Academy call Lt. Susan Harrelle at 863-674-5604.

## Do-It-Yourself Halloween costumes

### Goodwill promotes "A Costume a Day, the Goodwill Way!"

Fort Myers – A recent survey by the National Retail Federation estimates that the average shopper will spend about \$10 less this Halloween than last year, and that more than 16% of us will cut costs by making costumes instead of purchasing them. Thrift stores like Goodwill hope to benefit from this trend by promoting inexpensive do-it-yourself costumes.

Goodwill Industries of Southwest Florida is encouraging people to visit their stores and website (<http://www.goodwillswfl.org>) for costume suggestions. Their "Costume a Day, the Goodwill Way" promotion features 30 inexpensive do-it-yourself costumes—

one for each day of October leading up to Halloween.

"We have a little bit of everything," says Kirsten O'Donnell, Goodwill's director of Public Relations and Marketing. "With a set of green scrubs, you don't just have to be a doctor. With a little tweaking, you could wear those scrubs and be an elf or Peter Pan. All you need is a little imagination."

For customers needing a little extra creative help, Goodwill stores will celebrate "Freaky Fridays." Each store will have one or more employees dressed in costume, designated to help guests find a one-of-a-kind creation. But customers can get costume help every day of the week.

"We've had waiters, cowboys, and even French maids looking for help with their costumes this year," says Les Grantham, manager of the Goodwill store on Daniels in South Fort Myers. Grantham adds "Since

we have new items coming in every day, our store associates are really good at helping people hunt down the things they need."

"Our shoppers can be pretty imaginative," says O'Donnell. "And it helps everyone when they buy their costumes at Goodwill. Our customers get a one-of-a kind outfit at a great price, and their purchases help support the community."

Goodwill operates 24 Retail & Donation Centers in Southwest Florida. Revenue generated from the resale of donated items funds programs and services for people with disabilities and other barriers to employment.

For a list of costume suggestions, or to learn more about Goodwill Industries of Southwest Florida, visit <http://www.goodwillswfl.org>.

## FWC presents draft for black bass management

The Florida Fish and Wildlife Conservation Commission (FWC) staff will introduce a concept for a new black bass management plan on Oct. 26, at the Florida Freshwater Fishing Coalition meeting in Orlando. The plan addresses the long-term needs of this group of sport fish, which includes Florida largemouth, shoal, spotted and Suwannee basses.

Black bass are the most popular recreational fish in the world. In Florida, they provide 822,000 anglers over the age of 16 with 14.7 million days of healthy outdoor recreation and generate more than a billion dollars in economic impact for Florida, according to the 2006 National Survey of Hunting, Fishing and Wildlife-Associated Recreation.

The FWC seeks public input at the unveiling of the draft plan. The meeting starts at 9 a.m. in the Orlando Bass Pro Shop's conference room during the inaugural meeting of the Florida Freshwater Fishing Coalition. FLFFC is a partnership of freshwater fishery organizations and anglers, representing a

cross-section of businesses, nonprofits and individuals, who have a stake in ensuring the future of Florida's outstanding freshwater fisheries. Collectively, they want to learn about and discuss lake management issues, fisheries data and research, so they can provide an informed voice to achieve the coalition's vision. Their mission is "To serve as a coalition of freshwater fishery organizations and anglers to protect our rights by providing representation in Florida government on pertinent issues that affect recreation and conservation." For more information, visit [www.FLFFC.org](http://www.FLFFC.org).

"The FLFFC is ecstatic to be able to discuss Florida's black bass management plan with the FWC at our inaugural meeting. The FLFFC and its partners are faced with many issues, including access, habitat protection and water quality," said Todd Kersey, FLFFC President. "We feel developing a plan to protect the most popular fish in Florida will go a long way in helping these issues and preserving the state's title as "Fishing Capital of the World," which is critical to Florida

economy."

The FWC's Black Bass Management Plan will ultimately provide the blueprint to ensure Florida's recognition as "The Bass Capital of the World," said Darrell Scovell, FWC's director of the Division of Freshwater Fisheries Management.

If you're interested in representing a fishery-dependent business or organization or are an avid angler with time to commit to helping the coalition, please visit [www.FLFFC.org](http://www.FLFFC.org) to reserve a seat and to provide input and guidance to the FWC on this comprehensive and innovative new plan. During the afternoon session, FWC staff will host a roundtable forum to solicit stakeholders' thoughts, reactions, ideas and suggestions to help craft the final draft that will be presented to FWC commissioners in December.

The public also may provide input at [www.MyFWC.com/fishing](http://www.MyFWC.com/fishing). Sign up for the FWC's stakeholder newsletter "FWC 4-1-1" by selecting "Contact FWC" and then "FWC 4-1-1" from the left-side popup menu.

**South Florida Water Management District**  
**Notice of Agency Action**

The South Florida Water Management District (SFWMD or District) gives notice of its Agency Action of issuance of permit number 22-00222-W for the continuation of an existing use of surface water from the SFWMD Canal (C-43) via three existing withdrawal facilities for agricultural irrigation use serving 1154 acres with an annual allocation of 1,797.78 million gallons (a maximum monthly allocation of 238.114 million gallons) pursuant to application 090223-26, for a project known as Bronson Property, for the purpose of modification and renewal of agricultural irrigation and freeze protection of 1, 154 acres of sugar cane using a seepage/furrow irrigation system. The permit is subject to 20 Limiting Conditions. The Project is located in Glades County in sections 23, 25-26, Township 42 South, Range 31 East, adjacent to the C-43, Bronson Road and southeast of Highway 78. The use is reasonable-beneficial, will not interfere with any presently existing legal use of water and is consistent with the public interest. The permit was issued September 17, 2009.

The Permit and Staff Report, including limiting conditions to provide reasonable assurances that the projects meet SFWMD statutes and rules, were issued to US Sugar Corporation, 111 Ponce DeLeon Ave, Clewiston FL 33440; Susan B. Williams, P.O. Box 171 Moore Haven, FL 33471, Sharon B. Petti, P.O. Box 949, Moore Haven, FL 33471, A. Duda and Sons, Inc., P.O. Box 620257, Oviedo, FL 32762, Walter S. Bronson, P.O. Box 426, Lorida, FL 33857; and Alico, Inc., P.O. Box 338, LaBelle, FL 33975, and can be obtained by contacting Elizabeth Veguilla, Deputy Clerk, during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at 3301 Gun Club Road, West Palm Beach, FL 33406 or by telephone at (561) 686-8800 extension 6739.

The District's agency action as set forth in the Staff Reports shall become final unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57 of the Florida Statutes before the deadline for filing a petition. The procedures for petitioning for a hearing are set forth below, followed by the procedures for pursuing mediation.

A person whose substantial interests are affected by the District's permitting decision may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57 of the Florida Statutes. The petition must contain the information set forth below and must be filed (received) in the Office of the Clerk at the SFWMD Headquarters at 3301 Gun Club Road, West Palm Beach, FL 33406. Pursuant to Rule 28-106.104 Fla. Admin. Code, any documents received after 5:00 p.m. shall be filed as of 8:00 a.m. on the next regular business day. Filings by e-mail will not be accepted. A copy of the Petition must also be mailed at the time of filing to the persons named above at the address indicated. Failure to file a petition within the 21 days of publication of notice, or other receipt of the written notice, whichever first occurs first, constitutes a waiver of any right such person has to an administrative determination (hearing) pursuant to Sections 120.569 and 120.57, Fla. Stat. as provided by Subsection 28-106.11(4) Fla. Admin. Code. The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing.

A petition that disputes the material facts on which the District's action is based must contain the information set forth in Rule 28-106.201(2), Fla. Admin. Code, including:

(a) The name and address of each agency affected and each agency's file or identification number, if known;

(b) The name, address, address, and telephone number of the petitioner, the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding, and an explanation of how the petitioner's substantial interests will be affected by the agency determination;

(c) A statement of when and how the petitioner received notice of the agency decision;

(d) A statement of all disputed issues of material fact. If there are none the petitioner must so indicate;

(e) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief; and

(f) A demand for relief.

A petition that does not dispute the material facts on which the District's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, Fla. Admin. Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the District's final action may be different from the position taken by it in this notice.

In addition to requesting an administrative hearing, any petitioner may elect to pursue mediation. The election may be accomplished by filing with the District a mediation agreement with all parties to the proceeding (i.e., the applicant, the District, and any person who has filed a timely and sufficient petition for a hearing). The agreement must contain all the information required by Rule 28-106.404 Fla. Admin. Code. The agreement must be received in the District Office of the Clerk, within ten days after the deadline for filing a petition, as set forth above.

**PUBLIC HEARING**  
**PROPOSED NEW RIVER CROSSING**  
**(Fort Denaud Bridge Replacement)**

Hendry County will conduct a public hearing for the proposed New River Crossing bridge project. The hearing will provide interested persons the opportunity to express their views concerning the location, conceptual design, social, economic, and environmental effects of the proposed bridge. The hearing will be held:

**Date/Time:** Tuesday, October 27, 2009 at 5:00 p.m.

**Location:** Hendry County Courthouse - LaBelle County Commission Chambers 25 East Hickpochee Avenue (Corner of SR 80 and SR 29) LaBelle, Florida

The proposed project involves a new bridge across the Calosahatchee River, locally known as the Okechobee Waterway, connecting SR 80 and CR 78 in northwestern Hendry County, Florida. A study is currently being conducted to provide documented information necessary for Hendry County to determine the type, location, and design of the proposed new bridge. Right-of-way acquisition is proposed. Potential encroachments on wetlands and floodplains have been identified as a result of this project and may be given special consideration under Executive Orders 11990 and 11988. Six alternatives are proposed: East Alternatives 1, 2, and 3 and West Alternatives 1, 2, and 3.

A regularly scheduled meeting of the Hendry County Board of County Commissioners will begin at 5:00 p.m. The formal public hearing for the proposed New River Crossing bridge project is on the agenda and will consist of a presentation by the County on the project and its associated impacts followed by a public comment period.

Project documents will be available for public review from September 9, 2009 until November 5, 2009 at the Barron Library, 461 N. Main Street, LaBelle. Hours of operation are Monday-Friday from 10:00 am to 5:00 pm, and Saturday from 10:00 am to 1:00 pm. The documents will also be available for review at the Hendry County Engineering Office located at 99 East Cowboy Way, LaBelle, Monday-Friday from 8:00 am to 5:00 pm.

In accordance with Title VI of the Civil Rights Act of 1964 and other non discrimination laws, public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation service (free of charge) should contact Bonnie Hanshaw at (863) 675-5222 (at least seven (7) working days prior to the hearing).

Any questions regarding the project should be directed to Shane Parker, PE, Project Manager, at (863) 675-5222, by email to sparker@hendry-fla.net, or by writing to the Hendry County Engineering Department, P.O. Box 1607, LaBelle, Florida 33975. 336858 CB/CN 10/22/09

## VFW sponsors art contest

Students in grades 9-12 are urged to enter the 29th Annual Young American Creative Patriotic Art Contest sponsored by the Ladies Auxiliary to the Veterans of Foreign Wars (VFW) of the United States.

This is an opportunity to win prizes locally as well as on the state and national levels. The 1st place national winner receives a \$10,000 scholarship plus a trip to Orlando, where the winner's art will be unveiled at the 2010 Ladies Auxiliary National Convention. Second thru eighth place winners also receive scholarships.

In addition, the 8 national winners will have their art published on the Auxiliary Web site and in the Ladies Auxiliary VFW Magazine, which goes to our members nationwide.

This is also an opportunity for students to show their patriotism for our country through their art. Students interested in participating should contact the Ladies Auxiliary Post 4185 in Clewiston located at 501 S. Francisco or call 863-983-9748 to request more information and an entry form.

Please join with other students nationally to show your creative art and express your love of our country.

community, and other variables, in deciding who would be eligible for pre-trial release.

Rather than take up additional space in jail, these people would be released and supervised by the case manager. Participants would also be required to check in with the case manager, remain in the county and receive regular telephone contacts and reminders of court dates and appointments.

Specific cases might require participants to abstain from the use of alcohol, or have random drug screens, have no contact with

a victim, have a mental evaluation, or any other requirement of the court.

Aside from dealing with new cases, the criminal case manager would work closely with the state attorney's office in identifying inmate cases that would qualify for some type of early resolution.

The full-time person would be responsible for approximately 30 defendants in the pre-trial program, with new cases added on as old ones are resolved.

The biggest consideration for the county is the cost of such a position. With Hendry County actively searching for ways to streamline its budget, the position would require the county to provide full funding, including salary, benefits, office space and

other expenses for the new title.

Altogether, the figure for the criminal case manager position is \$60,000, which the office of the courts argues can be paid through fees generated by the additional court cost fee (which has a balance of \$260,000), court facilities fee, or surplus funds through the Hendry County Probation Department.

The target date for implementation was originally January 2010, but it may be later than that; during the Oct. 13 county meeting, the item was tabled for future action.

## Murder

gun into a canal.

Seminole Police drove to the location with Osceola directing them to an "obscure dirt road" along a sugar cane field and pointed to the body off an embankment, surrounded by vegetation.

At least one additional witness came forward after the arrest, according to report. A juvenile, accompanied by his father, told detectives that he had seen Trevino approach Osceola with his hands in the air before he was shot. The juvenile witness reportedly helped Osceola load up the body in the F-150 and watched as Osceola drove away.

**Teddy Osceola.**

Both the suspect and witness claimed the shooting took place on Tuesday, Oct. 13, at about 2 a.m.

One important piece of information revealed in that testimony was that there was no black vehicle. Osceola confronted with the new information told police that he had driven Trevino to Big Cypress.

According to the report, Trevino accused Osceola of being in on a robbery that the two had been victims of. Trevino supposedly threatened to hurt Osceola and his family as payback.

"It doesn't have to be like this," Osceola

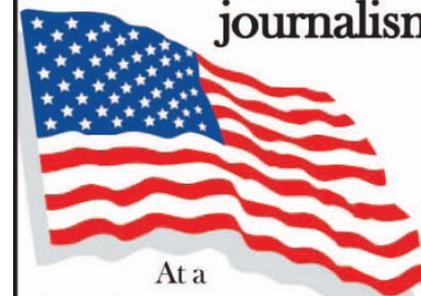

reportedly said, before cocking the shotgun and pointing it at Trevino. When Trevino raised his empty hands in the air and began to walk backwards, the suspect said he shot him in the chest. He then had problems reloading and took approximately one minute to shoot him again.

"Ricky Trevino was staggering, turned around and ran away at which time he shot again and Ricky Trevino fell to the ground," the report reads.

Friends of the suspect allegedly refused to help him load the body onto the truck. The juvenile helped him roll the body onto an ATV ramp held against the tailgate.

Osceola was transferred to the Hendry County Jail, where he was formally charged with first degree murder in the death of the Ricky Trevino.
