Detectives Ask for Help in Johnson Homicide

Former Raider football player gunned down outside Dixie Fried

The Palm Beach County Sheriff's Office still has not been able to determine who was behind a deadly shooting last week outside of a popular Belle Glade eatery. One man was gunned down late Friday, and detectives are hoping the public can be of assistance in helping to solve this latest Glades shooting.

Shots rang out, according to PBSO spokesperson Eric Davis, at approximately 11:20 p.m. at the Dixie Fried Chicken that night, striking and killing 33-year-old Roosevelt Johnson III. Little information was available

in the immediate moments following the shooting, including what may have triggered the deadly attack, but detectives responding to the scene did manage to gather a description of the shooter.

The suspect is described as a black male, approximately 5'7" tall, with a heavy build. Witnesses say the man was wearing black shorts and a gray t-shirt during the shooting.

Auditions Announced for New Community Choir

Choir in the Glades is a free choir open to 3rd, 4th and 5th graders in the Glades area

"We are convinced that music and choirs help develop wonderful citizens," said Jody Young, marketing and development director of Young Singers of the Palm Beaches.

Young, as well as other leaders of the Young Singers of the Palm Beaches brought community members and local officials together at the Dolly Hand Cultural Arts Center on Sept. 18 to announce details and upcoming auditions for their new Choir in the Glades program.

Representatives from the Palm Beach County Sheriff's Office, the Palm Beach County School Board,

Congressman Alcee Hastings' office, Sen. Joseph Abruzzo's office, Rep. Kevin Rader's office, the city of South Bay and the Community Foundation of Palm Beach and Martin Counties all came together to celebrate the new Glades choir.

The Choir in the Glades is an extension of the Young Singers program based in West Palm Beach and was a vision of the leaders of the Young Singers, who wanted to bring a choir to the children in Western Palm Beach County. After receiving a generous grant from the Community Foundation of \$165,000 for three years, Young Singers was able to make that dream come true.

In his welcoming speech at the gathering, Young said the grant was only the seed money for the program, and that it would take even more to keep the program going for the children in the Glades. Through partnerships with the Palm Beach County School Board and the Palm Beach County Sheriff's Office, among others,

FWC Division of Law Enforcement Weekly Report Palm Beach County

FLORIDA FISH AND WILDLIFE
CONSERVATION COMMISSION

Editor's Note: The following was taken directly from FWC's Division of Law Enforcement Weekly Report for Palm Beach County, week of Sept. 12 to Sept. 18.

Investigator Garzaniti responded to a complaint of an individual in Palm Beach County that reportedly may be in possession of snakes

illegally. After making contact with the subject, the subject consented to allow an inspection. He initially showed the Investigator the non-venomous snakes in his room and said that was all he had. Further investigation inside of his closet revealed three Monocled Cobras hidden under sheets. Once again, he said that was all he had. Further investigation revealed five copperheads and a white-lipped pit viper hidden under his

bathroom sink. It was then discovered that one of his snakes that was under a rock in its enclosure was a black and white spitting cobra. Initially, he stated it was a non-venomous snake. All of the venomous snakes were seized and turned over to a permitted holding facility. The subject was charged with possessing venomous snakes without a permit, and five other caging/safety violations.

Go Bold Lips for Sickle Cell

Help raise awareness for Sickle cell disease. This is a 30 day social media awareness campaign to get people talking and sharing information about sickle cell disease. Simply put your boldest lipstick on, take a photo, and post it on social media - either Facebook, instagram, youtube, and/or twitter.

Sickle cell disease is a genetic disorder that causes red blood cells to become "sickle" shaped, making it harder to flow through blood vessels.

This keeps red blood cells and the oxygen they carry getting to all parts of the body. Blocked blood flow can cause severe pain and organ damage. Complications can range from mild fatigue to more severe symptoms such as strokes, heart attacks, infections, and pain crises.

Looking for a new home? Meet...

Name: Miranda Whidden

Title: Loan Manager/Officer

Place of Employment: Everglades Federal Credit Union

What do you like to do for fun? I like to spend time with my family. We enjoy cooking and going to church.

Do you have children? I have one son. His name is Cort and he is two years old.

How long have you lived in Clewiston? I have lived in Clewiston since I was in the fourth grade. We moved here from Belle Glade, so I have been in this area my whole life. I like the small town feel of Clewiston. Everybody knows everybody. It is a nice support system.

How long have you been in this business? About 10 years.

What do you like about your job? The main thing I like about my job is helping people. I get to know our members personally and that is what separates us from the other institutions. I truly enjoy helping our members. It is very fulfilling and very rewarding to know that we helped someone go to college, or get their first car, or purchase their first home.

Why should someone come to you to buy a home versus someone else? Our rates are more competitive than other lenders. Our closing costs are less than half of what you would pay through other lenders. We service our own loans. I fight for my members and go above and beyond to help them with their wants and needs. Miranda's supervisor Marta Smith said that Miranda has great customer service. She has always been available to her members and Miranda makes people feel comfortable. She always gets answers to any questions that they might have.

How can someone reach you? I can be reached by phone at 863-983-5141 or email at loans@evergladesfcu.com, or they can stop in and see me at 1099 W. Ventura Avenue in Clewiston. I will be happy to help with any questions/concerns that anyone may have.

Q. How does the rent to own process work?

A. Rent to own is a process that is good for anybody, especially those who don't have the best credit. Renting a home can be ideal in some situations, but if you are paying rent every month to live in a house that you don't own at the end of 15 years, you have nothing to show for that. In a rent to own situation, at the end of 15 years, you own your home. Stanton Mobile Homes offers rent to own with approximately \$2,000 down and the monthly payments range from \$650-\$750. It all starts with you coming in and filling out an application.

RELIGION NEWS AND INFORMATION

When Sports and Morality Clash

BY DR. TODD BUCK
First Baptist Church of Clewiston

Dr. Todd Buck

I have to admit it, since I was about eight years old, I have been a fan (that's short for fanatic) of the Minnesota Vikings. It all started on Sunday afternoons watching Fran Tarkenton. The Purple People Eaters. The Norsemen of the Midway. Through four Super Bowl losses and various other on and off the field embarrassments, my blood has continued to run purple.

What is a person to do when their favorite team in their favorite sport has a moral problem? That's what has faced me during the last two weeks, as domestic violence center of attention moved from Ray Rice in Baltimore up north to Minnesota, with

"WHAT IS A PERSON TO DO WHEN THEIR FAVORITE TEAM IN THEIR FAVORITE SPORT HAS A MORAL PROBLEM?"

- DR. TODD BUCK

the gut-wrenching details of Adrian Peterson. I scratched my head when I saw fans cheer as Rice came onto the field prior to the second video's release. But then I looked in my closet and saw my Vikings Peterson jersey and had to ask, "If I had tickets, would I wear it?" Thankfully enough, my wife's better sense won out in my head and I left the jersey where it hung. Even in my own living room, I couldn't bear to put it on.

Originally, the Vikings were going to allow Peterson to play, announcing that they were going to 'let the justice system play out.' But then the fans continued to howl, social media lit up and then the shoe dropped: sponsors pulled out. The Vikings even received a lecture over the airwaves from America's largest beer manufacturer. Now that is morality. Then the governor lectured them as to their wrongheaded decision to allow Peterson to suit up.

No matter my starry-eyed obsession with the team of my childhood, one thing is clear: the Vikings got caught in a stampede and missed the lessons of the Ray Rice episode. Their original support evaporated and they suspended the NFL's best running back -- clearly not because of a moral quandary, but because of the bottom line.

It is clear that the Vikings, the commissioner and the entire NFL ultimately care about money over doing the right thing, every time. That's not exactly a shock to anyone, and it won't be a special report on the evening news, but it is more clear than ever. The video of a woman be-

ing dragged from an elevator did not mean Rice lost his job. The pictures of a four-year-old's battered legs and body did not mean Peterson was out. Only when sponsors ran away from the NFL shield did the suspensions happen.

But the lessons about morality and money need to be turned inward. The Bible says, 'The love of money is the root of all kinds of evil' (1 Tim. 6:10). While wealth is actually morally neutral, the levels to which people will stoop in order to gain it are astounding. Remember -- whenever someone says, 'It's not about the money,' - you can mark it down: it's definitely about the money. Greed causes people to do all sorts of (dumb) things they would not normally do.

Jesus teaches us that we must instead lay up treasures in Heaven, where no one can rob us or harm them. By loving God and serving Him instead of money, eternal happiness and joy may be ours. And that can never be lost.

If readers would like to comment on an article or suggest an idea for one, feel free to email Dr. Buck at: toddbucks@gmail.com.

FLORIDA FISH AND WILDLIFE
CONSERVATION COMMISSION

Researchers at the Florida Fish and Wildlife Conservation Commission (FWC) observed transplanted nursery-raised staghorn coral (*Acropora cervicornis*) spawning for the first time this month at Tropical Rocks, just over four miles offshore of Marathon. These corals were supplied by the Coral Restoration Foundation and Mote Marine Lab nurseries and outplanted by the FWC.

The project was made possible by the American Recovery and Reinvestment Act via The Nature Conservancy.

The FWC, in collaboration with the Conservancy and other American Recovery and Reinvestment Act partners, began construction on the Middle Keys coral nursery in late 2009 but suffered setbacks due to a coldwater kill and, later, a warm-water bleaching event.

The goal of the American Recovery and Reinvestment Act project was to expand the current nurseries, develop new nurseries and outplant high numbers of nursery-grown corals throughout the Florida reef tract and the U.S. Virgin Islands.

"This is the first time that we have seen staghorn coral spawning at the reef tract that included corals grown as part of our nursery program," said Caitlin Lusic, coral recovery coordinator for the Conservancy in Florida. "This

spawning event shows that outplanted corals have the ability to reproduce just like a natural colony and furthers our goal of creating breeding colonies of coral that can repopulate reefs on their own."

The FWC and the Conservancy are reseeded coral reefs in efforts to aid recovery of wild staghorn populations.

Staghorn coral contributes significantly to reef growth, island formation and coastal protection while providing essential habitat for a number of important reef fish.

"With this project, we developed excellent working relationships with the Conservancy and the rest of our partners," said Kerry Maxwell, coral researcher with the FWC. "Together we boosted threatened staghorn populations and realized the ultimate goal of the project: spawning. Even though the project backed by the American Recovery and Reinvestment Act is complete, I anticipate we will all continue to collaborate toward the common goal of coral reef restoration."

Florida Shots Helps Keep Kids Healthy

FLORIDA DEPARTMENT OF HEALTH

The Florida Department of Health remains committed to safeguarding the health of Florida's children by increasing immunization levels. Florida's State Health Online Tracking System (SHOTS) helps ensure that the required immunization records for child-care and school attendance are easy to locate. Florida SHOTS is a free, statewide, secure online immunization registry that helps health care providers and schools keep track of immunization records.

"The Florida SHOTS registry offers a variety of benefits for parents, physicians, hospitals, schools and pharmacists," said Dr. Celeste Philip, deputy secretary for Health and deputy state health officer for Children's Medical Services. "Better immunization levels mean better health for all of Florida's children."

Florida SHOTS allows health care providers to easily determine the immunizations a child needs based on past immunization history, age and medical conditions.

Qualified health care providers who want to get started using Florida SHOTS, with direct access to the system, can enroll online in minutes and receive account access in as little as one hour. Health care providers can learn how

to use the registry's tools and features in quick, free training segments -- at their own pace and schedule with web-based training available 24/7. All training resources are available in English and Spanish through www.flshotsusers.com/training. These trainings are available for both Vaccines for Children (VFC) program participants and non-VFC participating health care providers.

Florida SHOTS data upload feature allows health care practices to automatically update shot records from their existing medical software into the registry by batch and real time web-service upload. This increases efficiency and accuracy.

The Florida Department of Health works to protect, promote and improve the health of all people through integrated state, county and community efforts. During 2014, the Department is recognizing 125 years of public health in Florida with educational opportunities and events. Please visit www.FLHealth125.gov for more information.

Exotic Pet Amnesty Day Set for Oct. 4

FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION

The second annual Exotic Pet Amnesty Day for Palm Beach County will be Oct. 4 at the former Garden Club building in Dreher Park, behind the Palm Beach Zoo and Conservation Society and next to the South Florida Science Center and Aquarium (address: 4800 Dreher Trail North, West Palm Beach).

The public is invited to surrender any exotic animals they have been keeping as pets -- no penalties and no questions asked.

Surrendered animals will be accepted between 10 a.m. and 2 p.m.

These animals will be checked by a veterinarian and made available for adoption by experienced individuals who are capable of caring for them. Animals that will be accepted for surrender include reptiles, amphibians, mammals, birds, fish and invertebrates. Domestic animals will not be accepted.

Exotic Pet Amnesty Day is hosted by the U.S. Fish and Wildlife Service, Everglades Co-operative Invasive Species Management Area (ECISMA) and the Zoo, and is sanctioned by the Florida Fish and Wildlife Conservation Commission (FWC).

The event is free and open to the public. Live animals will be on display, and experts from the FWC, the U.S. Fish and Wildlife Service and Palm Beach Zoo and Conservation Society will be on hand for conversations and questions about exotic pets.

The surrendered animals will be made available for adoption after 2 p.m.

Exotic pet adopters must be experienced and must have already applied and been ap-

proved by the FWC.

Would-be adopters must bring their acceptance letters with them. Adopter applications can be found at MyFWC.com/Nonnatives. Becoming an adopter is free.

For additional information about this event, call the FWC's Exotic Species Hotline at 888-Ive-Got1 (888-483-4681). Exotic pet owners who cannot attend this event can call this number for assistance in finding a new home for their animal.

For more information about adopting exotic pets, visit MyFWC.com/Nonnatives and click on "Exotic Pet Amnesty Program."

For more information about the Palm Beach Zoo and Conservation Society, visit www.palm-beachzoo.org.

Good Wheels: Transportation for Everybody

BY PATTY BRANT
Staff Writer

Transportation is a vital component of anyone's life, but becomes more complicated for people who live in rural areas.

In the city, transportation is pretty available to just about everyone. But when you live in less populated areas, like Hendry and Glades counties, getting where you need to go can be pretty complicated when there is no bus service. Yes, taxis are available but they're expensive, so many people are left to rely on family and friends for rides to doctors appointments, medical procedures and shopping.

That's where Good Wheels can make a huge difference in people's lives. As a Transportation Disadvantaged service, Good Wheels has some 25,000 one-way trips in Hendry-Glades per year.

Many Good Wheels riders are elderly or disabled - and rates for them are unbelievably reasonable, but anyone is welcome to use the service and get where they're going.

Veterans needing rides to the VA Clinics should look into Good Wheels for transportation needs.

There is no special program for vets although they may qualify for one of Good Wheels other programs.

Qualifying Riders

Qualifying riders can make it to their medical appointments, mental health services, outings, college course, Walmart and more.

Need a ride to work or to a doctor's appointment? What about school or recreation. Good Wheels has an answer for many of these folks.

It does take some planning, though. If your trip is not on a regular route, you must call 24 hours in advance to schedule a pick up at home and delivery to your doctor, adult daycare, shopping, movies - anywhere.

The elderly, disabled and low income can ride anywhere they need to go for just \$1 one way - a total of \$2 round trip.

If you don't qualify for the Transportation Disadvantaged rate, you can still use Good Wheels.

SUBMITTED PHOTO

If you are on Medicaid, you need to sign up with an HMO, which, through a broker, will schedule transportation for you.

For Clewiston, Moore Haven and Belle Glade residents, regular routes include:

Clew-Belle, Monday-Friday

This regular route runs mornings and afternoons from the Clewiston Walmart beginning at 7 a.m. and makes regular stops in Clewiston on its way to Palm Beach Community College in Belle Glade. Last returning trip ends at Walmart at 7 p.m. The full route takes about two hours.

Clew-Belle Express Weekend

Saturday and Sunday the same route begins at 8 a.m. and last returning trip ends at Walmart at 5 p.m.

Moore Haven-Clewiston, Saturday Only

This route begins at 1101 Cactus Ave. in Moore Haven and has several stops five minutes apart, including 8th Street and Avenue A; Gamble Ave. and Tobias; Lee St. and Tobias; Lee St. and Tobias Ave; Ave. F and 4th St.; Ave. H and 7th St.; until arrival at Clewiston Walmart.

Remember that Transportation Disadvantaged rides are shared. Expect to be riding the van or bus with other people, who will also be picked up and dropped off - so allow extra travel time. If you live a half hour away from your destination, you will need to allow extra time to get there.

REWARD

UP TO \$5,000

To anyone who can help identify the person or persons of interest in connection with the vandalism done to the agriculture businesses of Martinez & Sons and Three G, located on Hookers Point Road in Clewiston.

Anyone with information is asked to call 561-261-0303
or 561-261-7824.

Reporting Wildlife Sightings Help Biologists

Public sightings of Florida panthers, bears going strong

FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION

When someone catches sight of a panther or black bear and reports it to the Florida Fish and Wildlife Conservation Commission (FWC), the agency's biologists may use that sighting to help research and manage those species.

Already, the public's willingness to report where they see panthers and black bears in Florida is having a positive impact on what is known about where these large mammals live and reproduce in the state. Based on two years of online public reports of panther sightings and nearly one year of online reports of bear sightings, biologists know more about what areas of Florida provide viable habitat for these species.

A total of 1,537 Florida panther sightings were reported as of June 2014, of which 275 have been verified as panthers based on photos of the animal or its footprints. This includes the first verification of a panther sighted near the Green Swamp, north of Interstate 4 in Central Florida. Primarily, the verified panther sightings are in Southwest Florida. There also were a total of 2,257 Florida black bear sighting reports as of June 2014, with more than 500 of those reports containing uploaded photographs. Sightings of bears were reported in 59 of the state's 67 counties. The FWC continues collection of panther

sightings at MyFWC.com/PantherSightings, and bear sightings at MyFWC.com/BearSightings. Here people can find information about the animals, including how to identify them, what to do or not do if they see one and a Google map making it easy to pinpoint the sighting location.

"Someone's excitement about seeing a Florida panther or black bear may translate into important scientific information if that sighting is reported to the FWC," said Carol Knox, the FWC's Imperiled Species Management section leader. "The FWC is pleased that so many people are making the effort to be citizen scientists and sharing their sightings of panthers and bears. By doing so, they are contributing to conservation of Florida's largest land mammals."

Soon, cooler weather will be on the way and more people will be resuming their outdoor pursuits. "We hope people going outdoors to hunt, hike or pursue other recreational activities remember to share their bear sightings with us, particularly if it is a mother bear with cubs," said FWC bear biologist Brian Scheick.

For a list of the many FWC wildlife sightings, surveys and hotlines in which citizen scientists are invited to participate, go to MyFWC.com/get-involved/citizen-science/. Learn more about panthers at FloridaPantherNet.org and more about bears at MyFWC.com/Bear.

Dept. of Commerce: Distorted Trade

AMERICAN SUGAR ALLIANCE

The U.S. Department of Commerce (DOC) on Aug. 26, said Mexican sugar subsidies are giving Mexico's sugar mills an unfair trade advantage.

As a result of this preliminary ruling, a duty deposit will be collected on sugar imports from Mexico until the U.S. government can complete its investigation and make a final determination in the case. A 17.01-percent duty deposit will be imposed on sugar imported from mills operated by the Mexican government. Sugar produced by the Mexican company GAM will see a 2.99-percent duty deposit and all other Mexican sugar will be subject to a 14.87-percent duty deposit.

Phillip Hayes, a spokesman for the American Sugar Alliance, issued the following statement in response:

"The DOC's finding validates our claim that the flood of Mexican sugar, which is harming America's sugar producers and workers, is subsidized by the Mexican government. The preliminary duties are important and we fully expect the final countervailing duties to be higher. One reason for our confidence about the final determination is that the DOC is now investigating

new information about Mexican subsidies.

"We also expect a positive outcome when the DOC issues its preliminary anti-dumping ruling this fall."

Mexico's government owns and operates 20 percent of the country's sugar production. In addition to this ownership, Mexico's inefficient sugar producers benefit from export subsidies, preferential government loans coupled with debt forgiveness, government cash infusions to cover operating shortfalls, and government grant programs to finance inventory, exports and inputs.

U.S. producers filed anti-dumping and countervailing duty petitions against Mexico's sugar industry on March 28.

The finding on Aug. 26 pertains to the countervailing duty petition. The DOC will issue a preliminary ruling on the anti-dumping petition in October. The U.S. International Trade Commission (ITC) recorded a preliminary ruling in May - by a 5-0 vote - that there is evidence that Mexico's dumping and subsidization is injuring U.S. interests.

Final determinations by both the DOC and ITC will likely be made early next year.

U.S. DEPARTMENT OF COMMERCE (DOC) ON AUG. 26, SAID MEXICAN SUGAR SUBSIDIES ARE GIVING MEXICO'S SUGAR MILLS AN UNFAIR TRADE ADVANTAGE.

Young Singers hopes to keep the dream alive for many years to come.

The choir is initially open to third, fourth and fifth grade students in the Glades, but program leaders hope to open it up to all grades in the coming years. Though the program is not affiliated with any schools or churches, leaders and community officials tout that the program helps develop model citizens by promoting leadership skills, improving children's self-esteem and helping them to work together as a team.

Young Singers Executive Director Beth Clark called the choir a true community choir that helps to break down social barriers. She said that of all the Young Singers alumni surveyed, 100 percent had gone on to higher education -- a statistic leaders hope to see continue in the Glades.

Chief Deputy Michael Gauger, of the Palm Beach County Sheriff's Office, said these kinds of programs help fill the void between the time when school lets out and when parents come home. With a daily average inmate population

of 2,400 at the main detention center in West Palm Beach, he said he doubted any Young Singers participants would be part of that population. These types of programs, he said, give children the opportunity to build self-esteem, give them hope and give them direction.

The Sheriff's Office is also partnering with Young Singers to help provide a van that could be used for transportation to and from rehearsals and shows.

Open auditions for students interested in participating in the Choir in the Glades will be held Nov. 8 in Belle Glade and Pahokee.

The Choir in the Glades will be broken down into two choirs, one for Pahokee and Canal Point students and one for Belle Glade and South Bay students.

Rehearsals for Belle Glade and South Bay will be held at the Community United Methodist Church in Belle Glade. Open auditions for those students will be held at the same church from 9 a.m. to 12 p.m. on Nov. 8.

Rehearsals for Pahokee and Canal Point students will be held at the First United Methodist Church in Pahokee. Open auditions for those students will be held at the same church from 1 p.m. to 4 p.m. on Nov. 8.

It is also unknown how the shooter fled from the scene, whether on foot or in a vehicle.

According to the sheriff's office, there is the possibility that Johnson was an unintended target. Witnesses say the shooter approached a group of men who were standing outside of the restaurant and opened fire with a handgun, firing off several rounds. When he was found, Johnson had multiple gunshot wounds and was already dead by the time police managed to pull up to the scene.

In an article published this week, the Palm Beach Post identified the victim as a once-promising football star whose career was cut short due to an injury, and who later found himself behind bars; including a five-year stint in prison after a deadly shooting for which he was convicted of playing a role. After being released from prison, Johnson seemed to be back on the right path, until his shooting death on Friday.

The sheriff's office is not releasing any further information and the case remains an ongoing investigation.

Anyone with information on the shooting is asked to contact the Palm Beach County Sheriff's Office, or Palm Beach County Crime Stoppers at 1-800-458-TIPS (4788).

Roundtable Discussion on Agricultural Reserve

Sept. 29 at Hutcheson Agricultural Center

The public is invited to attend a roundtable meeting on Monday, Sept. 29, to discuss issues affecting the Agricultural Reserve area of Palm Beach County.

The roundtable will be held at the Clayton Hutcheson Agricultural Center, in exhibit halls A & B, 559 N. Military Trail, West Palm Beach, from 9 a.m. to 3 p.m. No pre-registration is required.

The Agricultural Reserve covers an area of approximately 22,000 acres west of the turnpike in Southern Palm Beach County. It was established in the 1980s to preserve unique wetlands and farmlands by limiting uses to agriculture, conservation, low-density residential development, and limited non-residential uses.

The Board of County Commissioners called for a roundtable discussion following a March 2014 BCC workshop. This workshop was held in response to requests by farmers and property owners seeking to expand the development options currently available in the Agricultural Reserve. Staff was directed to meet with various interest groups, hold a roundtable discussion with representatives of each interest group and report

back for further direction.

The representatives selected by each interest group will participate at the table, but all interested members of the public are invited to attend the roundtable and interact as audience members. Additional information regarding the Agricultural Reserve roundtable can be found at http://www.pbcgov.com/pzb/planning/ag_reserve/ag_reserve.htm.

PUBLIC NOTICE

An Environmental Assessment has been completed by USDA Rural Development concerning the construction of a new 42 unit multi-family housing facility in Belle Glade, Palm Beach County, Florida.

USDA Rural Development has determined that the proposal will not significantly affect the quality of the environment for the proposed multi-family housing facility located at Township 43 South and 44 South, Belle Glade, Florida 33430. Therefore, USDA Rural Development will not prepare an environmental impact statement for the proposed action.

Any person who feels this determination is in error should submit a written statement outlining the specific environmental concerns to Joseph Mueller, Business-Cooperative Programs Director, PO Box 147010, 4440 NW 25th Place, Gainesville, FL 32614, within 15 days of the date of this Notice.

The Motives behind Flavored Tobacco

BY AMBER M. CONLEY
Florida Department of Health

"Never take candy from a stranger." This is a statement that kids hear over and over again from their parents. We constantly preach to them that although candy is a delicious treat, sometimes there are manipulative motives with such offerings.

Often this is a literal lesson, but other times, it's an analogy that represents various acts of deception we are faced with today. When discussing flavored tobacco, we have a pretty clear "candy" and "stranger."

Flavored tobacco products have become increasingly common in the United States, containing flavors such as vanilla, orange, chocolate, blueberry and cherry (CDC Tobacco use at a glance, 2011).

These deceptive tactics are being used to target youth as "starter" tobacco products and are perceived as safer and better tasting. Among many problems, the major problem here is that tobacco products, even candy-flavored, are addictive and carry serious health risks (CDC Tobacco use at a glance, 2011).

It is crucial that we recognize our children are falling victim to this misleading marketing strategy.

Under the Family Smoking Prevention and Tobacco Control Act, the sale of cigarettes containing certain characterizing flavors other than

menthol became illegal as of September 2009 (FDA Flavored Tobacco Product Facts Sheet, 2011). This ban exempts tobacco flavored products other than cigarettes. Chewing tobacco, dip, snuff, cigars, cigarillos and other flavored tobacco are still being sold in local retailers.

In Hendry County, one in five youth between the ages of 11 and 17 have tried flavored tobacco (Florida Youth Tobacco Survey, 2010). This means that the same children we see riding bikes, shooting hoops and studying are being targeted by the tobacco industry.

With such tempting marketing for youth, it is clear why our kids are experimenting with tobacco.

National polls are releasing findings that more youth between the ages of 12 and 17 are exposed to flavored tobacco products or ads than adults (Florida Youth Tobacco Survey, 2010).

It is our job as parents, teachers, coaches and members of the community to get the word out and stand up against the tobacco industry that designs these products with kids in mind.

FWC Division of Law Enforcement Report

FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION

Editor's Note: The following was taken directly from FWC's Division of Law Enforcement Weekly Report for Palm Beach County, week of Sept. 5 to Sept. 11.

Officer Hankinson responded to a snook poaching call from Jupiter Police Department on the Alternate A1A Bridge in Jupiter. The four subjects stopped in the vehicle were found to be in possession of six snook. Four of the snook were greater than the 28- to 32-inch legal slot limit. One of the snook exceeded 40 inches. All four of the subjects were criminally cited for possession of snook greater than 32 inches and two of the subjects were additionally cited for over the daily bag limit. Snook permit infractions were also issued to each subject for possession of snook without a snook permit.

Officer Haynes observed several subjects in STA-1 East exit around a structure where they had entered illegally. This structure is clearly marked "No Trespassing." He observed one male subject throwing a cast net and placing a

bass in a cooler. An inspection of the individual revealed four black bass, all of them over 14 inches. They had a cooler that was half full of tilapia, mullet and catfish. The only fishing gear they had was a large cast net. The subject who was throwing the net was issued a notice to appear for trespassing, illegal entry/exit into the STA, taking game fish by unlawful method and over the limit of black bass over 14 inches. Four black bass and one cast net were seized as evidence.

Officer Guerin, with assistance from Officers Woolrich, Webb, Spradling and Investigator Sierra, made three felony berry picking cases in the Corbett Wildlife Management Area (WMA). Three subjects were stopped by the check station operator to check for any wild game when the berries were discovered in the vehicle. Investigator Sierra spoke to the subjects in Spanish and they admitted to picking the berries in the WMA. The berries were valued at over \$300, making the felony charge of Grand Theft, and the three subjects were arrested and transported to the Palm Beach County Jail.

Douglas Crane

PALM BEACH COUNTY LIBRARY SYSTEM

Doug Crane becomes the fourth person to serve as the director of the Palm Beach County Library System. He is originally from Toronto, Canada, where he earned undergraduate degrees in History and Geography, and his Master in Library Science from the University of Toronto. Having worked in the Toronto Public Library while he went to high school and college, he is one of the few librarians who began working on his library science graduate degree right after graduation.

Doug came to the Palm Beach County Library System in 1998 as a youth services librarian in part to see what winters were like without snow. In 2000, he was promoted to be the electronic resources coordinator, overseeing the library's website and Internet training classes. In 2007, Doug became the Wellington Branch manager where he reopened the building following a major expansion. In 2013, he was selected to be the director of the Branch Public Service Division, overseeing 16 branch locations and 370 staff members.

In 2012, Doug earned a PBC Golden Palm Award for his work on the Sorter Installation Project and has received numerous Library Employee Recognition Awards. He presented a workshop called, 'Getting Things Done,' based on the book of the same name for Palm Beach County employees and SEFLIN members. A graduate of the SEFLIN Sun Seekers Leadership and the PBC Leadership Level I programs, he has also served as a mentor in the Sunshine State Library Leadership Program. Doug is a member of the Florida Library Association's Leadership Development Committee and Vice President of Education for the newly formed PBC government Toastmasters Club.

Doug, his wife, Janet, and their daughter, Sierra, live in Jupiter. His parents, brother and sister still reside in Canada with their families. Doug became a naturalized American citizen in 2009.

SCHOOL BRIEFS

The following news items have been submitted by local schools. If you would like to have your school news printed, please send to sundes@newszap.com.

Pahokee Elementary IB World School

Our school hours have changed

Pahokee Elementary School has new school hours for the 2014/15 school year. The new hours are as follows:

- Breakfast begins at 7:30 a.m.
- The first bell rings at 7:45 a.m.
- Instructional time begins at 8 a.m. Students arriving after 8 a.m. are late and will need to report to the office to receive tardy passes.
- Dismissal begins at 3 p.m. (regular school days)
- Students are released at 12:15 on early release days
- Parents are not permitted to sign students out after 2:15 p.m.

Learner Profile of the Month: Independence

Students who demonstrate independence attempt to do things for themselves.

Learner Attitude of the Month: Thinker

Thinkers work to solve problems independently and can imagine many solutions to a question or challenge.

Pahokee Middle-High School

Pahokee Middle School Tutorial Academy: From now to Dec. 18, Monday through Thursday from 3 p.m. to 4 p.m., tutoring will be available at the Pahokee Middle-High School (Middle School Campus). We need your help in making your child successful. Attendance is very important, basic skills and reading comprehension cannot be remediated if the student has poor attendance. The student must work hard and constantly practice their reading and math skills for improvement. For further information, you may contact the Main Office at 561-924-6501 or Ms. Shaw at 561-924-6568 or 561-261-0067.

Glades Day's Annual Fall Festival to be held Oct. 25.

High School News

Students visited a Christian college fair at The King's Academy on Sept. 16. It was a great outlet for information about private colleges from all over the country.

This past Monday, Sept. 22, an FAU representative visited the school and junior and senior students were able to gain knowledge about the school.

Elementary News

Lower School students sold Innisbrook products. Innisbrook is a company that offers a variety of good quality wrapping paper, bows, gifts, cookies and chocolates. The proceeds of this fundraiser will go towards the "Reading Around the World" program.
Congratulations to the 2014/15 Student Council officers: President Ruth Anne Lively, Vice President Kolton DesRoches, Secretary Julia Bristol, Treasurer Aidan Price, and Chaplain Angel Silva.

Officers: President Ruth Anne Lively, Vice President Kolton DesRoches, Secretary Julia Bristol, Treasurer Aidan Price, and Chaplain Angel Silva.

Gove Elementary School

School-wide Candy Sale

It is that time of year, Gove students will once again be selling candy to raise additional funds for our school. The funds generated from the candy sale are earmarked for incentives and special activities for the students. Several assemblies were held on Sept. 10 to explain the campaign to the students and to hear all the fabulous things they could win if they participate. Students will be rewarded daily and at the end of the campaign for the number of items sold; their names will also be announced over the loud speaker. Teachers can also be big winners by encouraging participation from their students. For example, if 50 percent of the class makes sales, teachers will be rewarded with a cookbook and a free magazine subscription; additionally, if 75 percent of the students make sales, they will receive a \$75 gift card! We thank the Parent Teacher Organization (PTO) for sponsoring and overseeing this annual fundraising initiative; we thank the parents and the community, in advance, for their continued support of this yearly event.

Café Gove

Congratulations to the following homerooms for being invited to dine at Café Gove:

Ms. De Jesus, Ms. Cooper, Ms. Garcia and Mrs. Marrero. Winners are selected weekly for demonstrating positive behavior during lunch. We thank, Dr. Riker, counselor, for promoting

positive cafeteria behavior and for recognizing exemplary homerooms.

Patriot Day

Students, faculty and staff observed "Patriot Day" by wearing red, white and blue. A moment of silence was held at 8:46 a.m. in honor of those who were killed on Sept. 11, 2001, in New York City, Pennsylvania and Washington, D.C. After a moment of silence, Ariel Taylor (grade six) sang the National Anthem over the loud speaker. We will always remember!

Commit to be Fit

Once again, students in grades three through six are using the "Commit to be Fit" planners as a reminder of their commitment to stay fit and to eat healthy. Students also use their planners to remind them of school assignments. We thank the Fine Arts Department for ensuring the use of the planners during their class time.

Upcoming Events

Sept. 25: No school
Sept. 29: Go Gold for Cancer
Oct. 1: PTO at 4:30 p.m. and SAC at 5 p.m., Title I Annual Parent Meeting at 6 p.m., and Curriculum Night at 6:15 p.m.

Crossroads Academy

Our first Open House and Sac Meeting combined will be held on Tuesday, Sept. 30 at 5:30 p.m. in the cafeteria. We encourage all parents to come out and support their children, as well as our school. Vital information will be provided on different topics of discussions. Refreshments will be served and community service hours will be given to students who bring a parent.

NOTICE

Independent Newspapers will never accept any advertisement that is illegal or considered fraudulent. In all cases of questionable value, such as promises of guaranteed income from work-at-home programs - if it sounds too good to be true, chances are that it is. If you have questions or doubts about any ad on these pages, we advise that before responding or sending money ahead of time, you check with the Better Business Bureau at 772-878-2010 for previous complaints.

Some 800 and 900 telephone numbers may require an extra charge, as well as long distance toll costs. We will do our best to alert our reader of these charges in the ads, but occasionally we may not be aware of the charges. Therefore, if you call a number out of your area, use caution.

PROPOSED CONSTITUTIONAL AMENDMENTS TO BE VOTED ON NOVEMBER 4, 2014

NOTICE OF ELECTION

I, Ken Detzner, Secretary of State of the State of Florida, do hereby give notice that an election will be held in each county in Florida, on November 4, 2014, for the ratification or rejection of a proposed revision to the constitution of the State of Florida.

No. 1 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 28 (Initiative)

Ballot Title: Water and Land Conservation - Dedicates funds to acquire and restore Florida conservation and recreation lands
Ballot Summary: Funds the Land Acquisition Trust Fund to acquire, restore, improve, and manage conservation lands including wetlands and forests; fish and wildlife habitat; lands protecting water resources and drinking water sources, including the Everglades, and the water quality of rivers, lakes, and streams; and outdoor recreational lands; working farms and ranches; and historic or geologic sites, by dedicating 33 percent of net revenues from the existing excise tax on documents for 20 years.

Financial Impact Statement: This amendment does not increase or decrease state revenues. The state revenue restricted to the purposes specified in the amendment is estimated to be \$648 million in Fiscal Year 2015-16 and grows to \$1.268 billion by the twentieth year. Whether this results in any additional state expenditures depends upon future legislative actions and cannot be determined. Similarly, the impact on local government revenues, if any, cannot be determined. No additional local government costs are expected.

Full Text:

ARTICLE X MISCELLANEOUS

SECTION 28. Land Acquisition Trust Fund.-

a) Effective on July 1 of the year following passage of this amendment by the voters, and for a period of 20 years after that effective date, the Land Acquisition Trust Fund shall receive no less than 33 percent of net revenues derived from the existing excise tax on documents, as defined in the statutes in effect on January 1, 2012, as amended from time to time, or any successor or replacement tax, after the Department of Revenue first deducts a service charge to pay the costs of the collection and enforcement of the excise tax on documents.

b) Funds in the Land Acquisition Trust Fund shall be expended only for the following purposes:

- 1) As provided by law, to finance or refinance, the acquisition and improvement of land, water areas, and related property interests, including conservation easements, and resources for conservation lands including wetlands, forests, and fish and wildlife habitat; wildlife management areas; lands that protect water resources and drinking water sources, including lands protecting the water quality and quantity of rivers, lakes, streams, springsheds, and lands providing recharge for groundwater and aquifer systems; lands in the Everglades Agricultural Area and the Everglades Protection Area, as defined in Article II, Section 7(b); beaches and shores; outdoor recreation lands, including recreational trails, parks, and urban open space; rural landscapes; working farms and ranches; historic or geologic sites; together with management, restoration of natural systems, and the enhancement of public access or recreational enjoyment of conservation lands.
2) To pay the debt service on bonds issued pursuant to Article VII, Section 11(e).
3) The moneys deposited into the Land Acquisition Trust Fund, as defined by the statutes in effect on January 1, 2012, shall not be or become commingled with the General Revenue Fund of the state.

No. 2 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 29 (Initiative)

Ballot Title: Use of Marijuana for Certain Medical Conditions
Ballot Summary: Allow the medical use of marijuana for individuals with debilitating diseases as determined by a licensed Florida physician. Allows caregivers to assist patients' medical use of marijuana. The Department of Health shall register and regulate centers that produce and distribute marijuana for medical purposes and shall issue identification cards to patients and caregivers. Applies only to Florida law. Does not authorize violations of federal law or any non-medical use, possession or production of marijuana.

Financial Impact Statement: Increased costs from this amendment to state and local governments cannot be determined. There will be additional regulatory and enforcement activities associated with the production and sale of medical marijuana. Fees will offset at least a portion of the regulatory costs. While sales tax may apply to purchases, changes in revenue cannot reasonably be determined since the extent to which medical marijuana will be exempt from taxation is unclear without legislative or state administrative action.

ARTICLE X MISCELLANEOUS

SECTION 29. Medical marijuana production, possession and use.- (a) PUBLIC POLICY.

(1) The medical use of marijuana by a qualifying patient or personal caregiver is not subject to criminal or civil liability or sanctions under Florida law except as provided in this section.
(2) A physician licensed in Florida shall not be subject to criminal or civil liability or sanctions under Florida law for issuing a physician certification to a person diagnosed with a debilitating medical condition in a manner consistent with this section.

(3) Actions and conduct by a medical marijuana treatment center registered with the Department, or its employees, as permitted by this section and in compliance with Department regulations, shall not be subject to criminal or civil liability or sanctions under Florida law except as provided in this section.

(4) DEFINITIONS. For purposes of this section, the following words and terms shall have the following meanings:

- (1) "Debilitating Medical Condition" means cancer, glaucoma, positive status for human immunodeficiency virus (HIV), acquired immune deficiency syndrome (AIDS), hepatitis C, amyotrophic lateral sclerosis (ALS), Crohn's disease, Parkinson's disease, multiple sclerosis or other conditions for which a physician believes that the medical use of marijuana would likely outweigh the potential health risks for a patient.
(2) "Department" means the Department of Health or its successor agency.
(3) "Identification card" means a document issued by the Department that identifies a person who has a physician certification or a personal caregiver who is at least twenty-one (21) years old and has agreed to assist with a qualifying patient's medical use of marijuana.
(4) "Marijuana" has the meaning given cannabis in Section 893.02(3), Florida Statutes (2013).
(5) "Medical Marijuana Treatment Center" means an entity that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils, or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers and is registered by the Department.
(6) "Medical use" means the acquisition, possession, use, delivery, transfer, or administration of marijuana or related supplies by a qualifying patient or personal caregiver for use by a qualifying patient for the treatment of a debilitating medical condition.
(7) "Personal caregiver" means a person who is at least twenty-one (21) years old who has agreed to assist with a qualifying patient's medical use of marijuana and has a caregiver identification card issued by the Department. A personal caregiver may assist no more than five (5) qualifying patients at one time. An employee of a hospice provider, nursing, or medical facility may serve as a personal caregiver to more than five (5) qualifying patients as permitted by the Department. Personal caregivers are prohibited from consuming marijuana obtained for the personal, medical use by the qualifying patient.
(8) "Physician" means a physician who is licensed in Florida.
(9) "Physician certification" means a written document signed by a physician, stating that in the physician's professional opinion, the patient suffers from a debilitating medical condition, that the potential benefits of the medical use of marijuana would likely outweigh the health risks for the patient, and for how long the physician recommends the medical use of marijuana for the patient. A physician certification may only be provided after the physician has conducted a physical examination of the patient and a full assessment of the patient's medical history.
(10) "Qualifying patient" means a person who has been diagnosed to have a debilitating medical condition, who has a physician certification and a valid qualifying patient identification card. If the Department does not begin issuing identification cards within nine (9) months after the effective date of this section, then a valid physician certification will serve as a patient identification card in order to allow a person to become a "qualifying patient" until the Department begins issuing identification cards.

(c) LIMITATIONS.

- (1) Nothing in this section shall affect laws relating to non-medical use, possession, production or sale of marijuana.
(2) Nothing in this section authorizes the use of medical marijuana by anyone other than a qualifying patient.
(3) Nothing in this section allows the operation of a motor vehicle, boat, or aircraft while under the influence of marijuana.
(4) Nothing in this law section requires the violation of federal law or purports to give immunity under federal law.
(5) Nothing in this section shall require any accommodation of any on-site medical use of marijuana in any place of education or employment, or of smoking medical marijuana in any public place.
(6) Nothing in this section shall require any health insurance provider or any government agency or authority to reimburse any person for expenses related to the medical use of marijuana.
(d) DUTIES OF THE DEPARTMENT. The Department shall issue reasonable regulations necessary for the implementation and enforcement of this section. The purpose of the regulations is to ensure the availability and safe use of medical marijuana by qualifying patients. It is the duty of the Department to promulgate regulations in a timely fashion.
(1) Implementing Regulations. In order to allow the Department sufficient time after passage of this section, the following regulations shall be promulgated no later than six (6) months after the effective date of this section:
a. Procedures for the issuance of qualifying patient identification cards to people with physician certifications, and standards for the renewal of such identification cards.
b. Procedures for the issuance of personal caregiver identification cards to persons qualified to assist with a qualifying patient's medical use of marijuana, and standards for the renewal of such identification cards.
c. Procedures for the registration of Medical Marijuana Treatment Centers that include procedures for the issuance, renewal, suspension, and revocation of registration, and standards to ensure security, record keeping, testing, labeling, inspection, and safety.
d. A regulation that defines the amount of marijuana that could reasonably be presumed to be an adequate supply for qualifying patients' medical use, based on the best available evidence. This presumption as to quantity may be overcome with evidence of a particular qualifying patient's appropriate medical use.
(2) Issuance of identification cards and registrations. The Department shall begin issuing qualifying patient and personal caregiver identification cards, as well as begin registering Medical Marijuana Treatment Centers no later than nine months (9) after the effective date of this section.
(3) If the Department does not issue regulations, or if the Department does not begin issuing identification cards and registering Medical Marijuana Treatment Centers within the time limits set in this section, any Florida citizen shall have standing to seek judicial relief to compel compliance with the Department's constitutional duties.
(4) The Department shall protect the confidentiality of all qualifying patients. All records containing the identity of qualifying patients shall be confidential and kept from public disclosure other than for valid medical or law enforcement purposes.
(e) LEGISLATION. Nothing in this section shall limit the legislature from enacting laws consistent with this provision.
(f) SEVERABILITY. The provisions of this section are severable and if any clause, sentence, paragraph or section of this measure, or an application thereof, is adjudged invalid by any court of competent jurisdiction other provisions shall continue to be in effect to the fullest extent possible.

No. 3 CONSTITUTIONAL AMENDMENT ARTICLE V, SECTIONS 10, 11 (Legislature)

Ballot Title: Prospective Appointment of Certain Judicial Vacancies
Ballot Summary: Proposing an amendment to the State Constitution requiring the Governor to prospectively fill vacancies in a judicial office to which election for retention applies resulting from the justice's or judge's reaching the mandatory retirement age or failure to qualify for a retention election; and allowing prospective appointments if a justice or judge is not retained at an election. Currently, the Governor may not fill an expected vacancy until the current justice's or judge's term expires.

Full Text: ARTICLE V JUDICIARY

SECTION 10. Retention; election and terms.- (a) Any justice or judge may qualify for retention by a vote of the electors in the general election next preceding the expiration of the justice's or judge's term in the manner prescribed by law. When a justice or judge is ineligible for retention or fails to qualify for retention, a prospective vacancy is deemed to occur at the conclusion of the qualifying period for retention for the purpose of appointing a successor justice or judge, and a vacancy shall exist in that office upon the expiration of the term being served by the justice or judge. When a justice or judge so qualifies, the ballot shall read substantially as follows: "Shall Justice (or Judge) ... (name of justice or judge) ... of the ... (name of the court) ... be retained in office? If a majority of the qualified electors voting within the territorial jurisdiction of the court vote to retain, the justice or judge shall be retained for a term of six years. The term of the justice or judge retained shall commence on the first Tuesday after the first Monday in January following the general election. If a majority of the qualified electors voting within the territorial jurisdiction of the court vote to not retain, a prospective vacancy is deemed to occur immediately following the general election for the purpose of appointing a successor justice or judge, and a vacancy shall exist in that office upon the expiration of the term being served by the justice or judge.

(b)(1) The election of circuit judges shall be preserved notwithstanding the provisions of subsection (a) unless a majority of those voting in the jurisdiction of that circuit approves a local option to select circuit judges by merit selection and retention rather than by election. The election of circuit judges shall be by a vote of the qualified electors within the territorial jurisdiction of the court.

(2) The election of county court judges shall be preserved notwithstanding the provisions of subsection (a) unless a majority of those voting in the jurisdiction of that county approves a local option to select county judges by merit selection and retention rather than by election. The election of county court judges shall be by a vote of the qualified electors within the territorial jurisdiction of the court.

(3) A vote to exercise a local option to select circuit court judges and county court judges by merit selection and retention rather than by election shall be held in each circuit and county at the general election in the year 2000. If a vote to exercise this local option fails in a vote of the electors, such option shall not again be put to a vote of the electors of that jurisdiction until the expiration of at least two years.

(b) After the year 2000, a circuit may initiate the local option for merit selection and retention or the election of circuit judges, whichever is applicable, by filing with the custodian of state records a petition signed by the number of electors equal to at least ten percent of the votes cast in the circuit in the last preceding election in which presidential electors were chosen.

(c) After the year 2000, a county may initiate the local option for merit selection and retention or the election of county court judges, whichever is applicable, by filing with the supervisor of elections a petition signed by the number of electors equal to at least ten percent of the votes cast in the county in the last preceding election in which presidential electors were chosen. The terms of circuit judges and judges of county courts shall be for six years.

SECTION 11. Vacancies.- (a)(1) Whenever a vacancy occurs in a judicial office to which election for retention applies, the governor shall fill the vacancy by appointing for a term ending on the first Tuesday after the first Monday in January of the year following the next general election occurring at least one year after the date of appointment, one of not fewer than three persons nor more than six persons nominated by the appropriate judicial nominating commission.

(2) Whenever a prospective vacancy occurs in a judicial office for which election for retention applies, the governor shall fill the prospective vacancy by appointing a justice or judge from among at least three persons but not more than six persons nominated by the appropriate judicial nominating commission. The term of the appointment commences upon the expiration of the term of the office being vacated and ends on the first Tuesday after the first Monday in January of the year following the next general election.

(b) The governor shall fill each vacancy on a circuit court or on a county court, wherein the judges are elected by a majority vote of the electors, by appointing for a term ending on the first Tuesday after the first Monday in January of the year following the next primary and general election occurring at least one year after the date of appointment, one of not fewer than three persons nor more than six persons nominated by the appropriate judicial nominating commission. An election shall be held to fill that judicial office for the term of the office beginning at the end of the appointed term.

(c) The nominations shall be made within thirty days from the occurrence of a vacancy or prospective vacancy unless the period is extended by the governor for a time not to exceed thirty days. The governor shall make the appointment within sixty days after the nominations have been certified to the governor.

(d) There shall be a separate judicial nominating commission as provided by general law for the supreme court, each district court of appeal, and each judicial circuit for all trial courts within the circuit. Uniform rules of procedure shall be established by the judicial nominating commissions at each level of the court system. Such rules, or any part thereof, may be repealed by general law enacted by a majority vote of the membership of each house of the legislature, or by the supreme court, five justices concurring. Except for deliberations of the judicial nominating commissions, the proceedings of the commissions and their records shall be open to the public.

ENMIENDAS CONSTITUCIONALES PROPUESTAS SOBRE LAS QUE SE VOTARÁ EL 4 DE NOVIEMBRE DEL 2014 AVISO DE ELECCIÓN

Yo, Ken Detzner, Secretario de Estado del Estado de la Florida, por el presente notifico que se llevarán a cabo elecciones en cada condado de la Florida, el 4 de noviembre del 2014, para la aprobación o el rechazo de una propuesta de modificación de la constitución del Estado de la Florida. No. 1 ENMIENDA CONSTITUCIONAL ARTICULO X, SECCION 28 (Iniciativa)

Título de la boleta: Conservación de aguas y tierras: dedicar fondos para adquirir y restaurar tierras objeto de conservación y recreación en el Estado de Florida. Resumen de la boleta: Provee fondos para el Fondo Fiduciario de Adquisición de Tierras con el fin de adquirir, restaurar, mejorar y administrar tierras objeto de conservación, entre ellas pantanos y bosques; y tierras que protegen los recursos hídricos y las fuentes de agua potable, incluidos los Everglades; y la calidad del agua en ríos, lagos y arroyos; playas y costas; tierras de recreación al aire libre; establecimientos agrícolas y ganaderos en actividad, y emplazamientos históricos o geológicos. Para ello se dedicará el 33% de los ingresos netos obtenidos del impuesto especial existente sobre documentos durante 20 años. Declaración sobre impacto financiero: Esta enmienda no incrementa ni reduce los ingresos estatales. El ingreso estatal limitado para los propósitos especificados en la enmienda se estima en \$648 millones para el año fiscal 2015-16 y aumenta a \$1.268 mil millones hacia el vigésimo año. Si eso traerá como consecuencia gastos estatales adicionales depende de futuras acciones legislativas y no puede determinarse. De la misma manera, tampoco puede determinarse el impacto sobre los ingresos de gobiernos locales, si los hubiera. No se prevén costos de gobiernos locales. Texto completo: ARTICULO X VARIOS

SECCIÓN 28. Fondo Fiduciario de Adquisición de Tierras.- a) Con vigencia el 1º de julio del año posterior a la aprobación de esta enmienda por parte de los votantes y durante un periodo de 20 años a partir de esa fecha de entrada en vigor, el Fondo Fiduciario de Adquisición de Tierras recibirá no menos del 33% de los ingresos netos derivados del impuesto especial existente sobre documentos, tal como se define en los estatutos vigentes al 1º de enero de 2012, enmendados de tanto en tanto, o de cualquier impuesto sucesor o de re-emplazo, después de que el Departamento de Hacienda deduzca primero un cargo de servicio con el fin de pagar los costos de recopilación y aplicación del impuesto especial sobre documentos. b) El dinero del Fondo Fiduciario de Adquisición de Tierras se empleará únicamente con los siguientes propósitos: 1) Como lo establece la ley, para financiar o refinanciar: la adquisición o mejora de tierras, áreas de agua y derechos inmobiliarios relacionados, entre ellos las servidumbres de conservación y los recursos para tierras objeto de conservación, como, por ejemplo, pantanos, bosques y hábitat de peces y vida silvestre; áreas de administración de vida silvestre; tierras que protegen los recursos hídricos y las fuentes de agua potable, entre ellos las tierras que protegen la calidad y cantidad del agua en ríos, lagos, arroyos, manantiales, y tierras que brindan recarga de agua subterránea y sistemas acuíferos; tierras en el Área agrícola de los Everglades y el Área de protección de los Everglades, como están definidas en el Artículo II, Sección 7(b); playas y costas; tierras de recreación al aire libre, incluidos senderos recreativos, parques y espacios abiertos urbanos; paisajes rurales; establecimientos agrícolas y ganaderos en actividad, emplazamientos históricos o geológicos; junto con la administración, restauración de sistemas naturales y mejoramiento del acceso público o disfrute recreativo de las tierras objeto de conservación. 2) Para el pago del servicio de la deuda sobre los bonos emitidos conforme al Artículo VII, Sección 11(c). c) El dinero depositado en el Fondo Fiduciario de Adquisición de Tierras, tal como se define en los estatutos vigentes al 1º de enero de 2012, no estará mezclado ni se mezclará con el Fondo de Ingresos Generales del Estado. No. 2 ENMIENDA CONSTITUCIONAL ARTICULO X, SECCION 29 (Iniciativa)

Título de la boleta: Uso de marihuana para algunas enfermedades. Resumen de la boleta: Permite el uso médico de la marihuana a las personas con enfermedades debilitantes, según lo determine un médico autorizado por el Estado de Florida. Permite a los cuidadores asistir a los pacientes en el uso médico de marihuana. El Departamento de Salud deberá inscribir y regular los centros que producen y distribuyen marihuana con fines médicos y deberán extender tarjetas de identificación a pacientes y cuidadores. Se aplica únicamente a las leyes del Estado de Florida. No autoriza infracciones de la ley federal ni ningún uso, posesión o producción de marihuana con fines que no sean médicos. Declaración sobre impacto financiero: El aumento de costos generado por esta enmienda para el gobierno estatal y los gobiernos locales no puede determinarse. Habrá actividades adicionales de regulación y aplicación asociadas a la producción y venta de marihuana con fines médicos. Las tarifas compensarán al menos en parte los costos de regulación. Si bien el impuesto sobre la venta se aplica a las compras, los cambios fiscales no pueden determinarse de manera razonable, dado que, si no existe una acción legislativa o administrativa estatal, no está claro en qué medida la marihuana con fines médicos estará exenta de impuestos. Texto completo: ARTICULO X VARIOS

SECCIÓN 29. Producción, posesión y uso de marihuana con fines médicos.- (a) POLÍTICA PÚBLICA. (1) El uso médico de marihuana por parte de un paciente calificado o un cuidador personal no está sujeto a responsabilidad ni a sanciones penales o civiles conforme a las leyes del Estado de Florida, excepto según se indica en esta sección. (2) Un médico autorizado por el Estado de Florida no estará sujeto a responsabilidad penal o civil ni a sanciones, conforme a las leyes del Estado de Florida, por extender un certificado médico a una persona diagnosticada con una enfermedad debilitante de conformidad con esta sección. (3) Las acciones y el comportamiento de un centro de tratamiento de marihuana con fines médicos inscrito ante el Departamento, o sus empleados, según se contempla en esta sección y en cumplimiento de las reglamentaciones del Departamento, no estarán sujetos a responsabilidad ni a sanciones penales o civiles conforme a las leyes del Estado de Florida, excepto según se indica en esta sección. (b) DEFINICIONES. A los fines de esta sección, las siguientes palabras y términos tendrán los siguientes significados: (1) "Enfermedad debilitante" significa cáncer, glaucoma, estado postictal del virus de inmunodeficiencia humana (VIH), síndrome de inmunodeficiencia adquirida (SIDA), hepatitis C, esclerosis lateral amiotrófica (ELA), enfermedad de Crohn, enfermedad de Parkinson, esclerosis múltiple u otras enfermedades para las cuales, a criterio del médico, los beneficios del uso médico de la marihuana probablemente serían superiores a los riesgos potenciales para la salud de un paciente. (2) "Departamento" significa el Departamento de Salud o su agencia sucesora. (3) "Tarjeta de identificación" significa un documento emitido por el Departamento que identifica a una persona que tiene un certificado médico o a un cuidador personal de por lo menos veintidós (22) años de edad que ha aceptado asistir a un paciente calificado en el uso médico de marihuana. (4) "Marihuana" tiene el significado otorgado al cannabis en la Sección 893.02(3) de los Estatutos de Florida (2013). (5) "Centro de tratamiento de marihuana con fines médicos" significa una entidad que adquiere, cultiva, posee, procesa (incluido el desarrollo de productos relacionados tales como alimentos, tinturas, aerosoles, aceites o ungüentos), transfiere, transporta, vende, distribuye, despacha o administra marihuana, productos que contienen marihuana, suministros relacionados o material educativo a pacientes calificados o a sus cuidadores personales y que está inscrito ante el Departamento. (6) "Uso médico" significa la adquisición, posesión, uso, entrega, transferencia o administración de marihuana o suministros relacionados por parte de un paciente calificado o un cuidador personal para ser usados por un paciente calificado para el tratamiento de una enfermedad debilitante. (7) "Cuidador personal" significa una persona de por lo menos veintidós (22) años de edad que ha aceptado asistir a un paciente calificado en el uso médico de marihuana y tiene una tarjeta de identificación de cuidador emitida por el Departamento. Un cuidador personal no puede asistir a más de cinco (5) pacientes por vez. Un empleado de un proveedor de cuidados paliativos o de un centro médico o de un hogar de ancianos puede actuar como cuidador personal para más de cinco (5) pacientes calificados, según lo permite el Departamento. Está prohibido para los cuidadores personales consumir marihuana obtenida para el uso personal y médico del paciente calificado. (8) "Médico" significa un médico autorizado por el Estado de Florida. (9) "Certificado médico" significa un documento por escrito firmado por un médico, en el que se indica que, en la opinión profesional del médico, el paciente sufre de una enfermedad debilitante, que los beneficios potenciales del uso médico de la marihuana probablemente sean superiores a los riesgos para la salud del paciente, y se indica durante cuánto tiempo el médico recomienda el uso médico de marihuana para el paciente. Un certificado médico sólo puede extenderse después de que el médico haya realizado un examen físico del paciente y una evaluación completa del historial médico del paciente. (10) "Paciente calificado" significa una persona a la que se le ha diagnosticado una enfermedad debilitante, que tiene un certificado médico y una tarjeta de identificación válida de paciente calificado. Si el Departamento no comienza a emitir tarjetas de identificación dentro de los nueve (9) meses posteriores a la fecha de entrada en vigor de esta sección, un certificado médico válido servirá como tarjeta de identificación de paciente para permitir que una persona se convierta en "paciente calificado" hasta tanto el Departamento comience a emitir tarjetas de identificación. (c) LIMITACIONES. (1) Nada de lo contenido en esta sección afectará a las leyes referidas al uso no médico, posesión, producción o venta de marihuana. (2) Nada de lo contenido en esta sección autoriza el uso de marihuana con fines médicos a cualquier persona que no sea un paciente calificado. (3) Nada de lo contenido en esta sección permite la operación de un vehículo de motor, embarcación o aeronave mientras se está bajo la influencia de la marihuana. (4) Nada de lo contenido en esta sección requiere que se infrinjan las leyes federales o pretenda otorgar inmunidad conforme a las leyes federales. (5) Nada de lo contenido en esta sección requerirá adaptación alguna para el uso médico de marihuana en ningún lugar de educación o trabajo, ni para fumar marihuana con fines médicos en ningún sitio público. (6) Nada de lo contenido en esta sección requiere que ningún proveedor de seguros de salud u organismo o autoridad del gobierno reembolse a ninguna persona por los gastos relacionados con el uso médico de marihuana. (d) OBLIGACIONES DEL DEPARTAMENTO. El Departamento deberá emitir reglamentaciones razonables y necesarias para la implementación y aplicación de esta sección. El propósito de las reglamentaciones es garantizar la disponibilidad y el uso seguro de marihuana con fines médicos por parte de los pacientes calificados. Es obligación del Departamento promulgar reglamentaciones de manera oportuna. (1) Implementación de reglamentaciones. Con el objeto de otorgarle al Departamento tiempo suficiente después de la aprobación de esta sección, las siguientes reglamentaciones deberán promulgarse a más tardar seis (6) meses después de la fecha de entrada en vigor de esta sección: a. Procedimientos para la emisión de tarjetas de identificación de paciente calificado a las personas portadoras de certificados médicos, y estándares para la renovación de dichas tarjetas de identificación. b. Procedimientos para la emisión de tarjetas de identificación de cuidador personal a personas calificadas para asistir a un paciente calificado en el uso médico de marihuana, y estándares para la renovación de dichas tarjetas de identificación. c. Procedimientos para la inscripción de Centros de Tratamiento de Marihuana Con Fines Médicos, que incluyan procedimientos para la emisión, renovación, suspensión y revocación de inscripciones, y estándares para garantizar la seguridad informática, el mantenimiento de registros, análisis, etiquetado, inspección y seguridad. d. Una reglamentación que defina la cantidad de marihuana que podría considerarse un suministro adecuado y razonable para el uso médico de los pacientes calificados, sobre la base de las mejores pruebas disponibles. Esta presunción referida a la cantidad puede contrarrestarse con pruebas del uso médico apropiado por parte de un paciente calificado en particular. (2) Emisión de tarjetas de identificación e inscripciones. El Departamento comenzará a emitir tarjetas de identificación de paciente calificado y cuidador personal, y también iniciará la inscripción de Centros de Tratamiento de Marihuana Con Fines Médicos a más tardar nueve (9) meses después de la fecha de entrada en vigor de esta sección. (3) Si el Departamento no emite las reglamentaciones, o si el Departamento no comienza a emitir tarjetas de identificación y a inscribir a Centros de Tratamiento de Marihuana Con Fines Médicos dentro de los plazos establecidos en esta sección, cualquier ciudadano del Estado de Florida tendrá derecho a valerse de recursos judiciales para obligar al cumplimiento de las obligaciones constitucionales del Departamento. (4) El Departamento deberá proteger la confidencialidad de todos los pacientes calificados. Todos los registros que contengan la identidad de los pacientes calificados deberán ser confidenciales y estar exentos de divulgación pública excepto con fines médicos o referidos al cumplimiento de la ley válidos. (e) LEGISLACIÓN. Nada de lo contenido en esta sección limitará a la legislación para promulgar leyes coherentes con esta disposición. (f) DIVISIBILIDAD. Las disposiciones contenidas en esta sección son divisibles, y si cualquier tribunal competente declara la invalidez de cualquier cláusula, oración, párrafo o sección de esta medida, o su aplicación, las demás disposiciones continuarán vigentes en la mayor medida posible.

No. 3 ENMIENDA CONSTITUCIONAL ARTICULO V, SECCIONES 10, 11 (Asamblea Legislativa) Título de la boleta: Nombramiento Eventual para Ciertos Cargos Judiciales Vacantes Resumen de la boleta: Proponer una enmienda a la Constitución del Estado en la que se establezca que el Gobernador debe cubrir las vacantes eventuales en los cargos judiciales que estén sujetos a elecciones de retención cuando los jueces o magistrados se encuentren por cumplir la edad legal para jubilarse o en el supuesto de que no califiquen para la elección de retención; y permitir los nombramientos eventuales si un juez o magistrado no se retiene en su cargo en una elección de retención. En la actualidad, el Gobernador no puede cubrir una vacante prevista hasta que termine el mandato del juez o magistrado actual. Texto completo: ARTICULO V PODER JUDICIAL SECCIÓN 10. Retención; elección y mandatos.- (a) Cualquier juez o magistrado puede calificarse para la retención, la cual se produce mediante el voto de los electores en la próxima elección general que sea anterior a la conclusión del mandato del juez o magistrado por las causas establecidas por ley. Cuando si un juez o magistrado no esté habilitado para ser retenido o no cumple con los requisitos para la retención, se producirá una vacante eventual al finalizar el periodo de calificación de retención a fin de nombrar un juez o magistrado sucesor, y se producirá una vacante en ese cargo judicial a la finalización del mandato cumplido por el juez o magistrado. Cuando un juez o magistrado califique como tal para la retención, en la boleta se deberá leer claramente lo siguiente: "Deberá el Magistrado (o Juez) ... (nombre del juez o magistrado)... de la... (nombre de la corte)... ser retenido en el cargo judicial?" Si la mayoría de los electores calificados que votan dentro de la jurisdicción territorial de la corte eligen retenerlo, entonces, el juez o magistrado continuará ejerciendo sus funciones durante un periodo de seis años. Este mandato del juez o magistrado que ha sido retenido comenzará el primer martes luego del primer lunes de enero siguiente a la elección general. Si la mayoría de los electores calificados que votan dentro de la jurisdicción territorial de la corte eligen no retenerlo, una vacante eventual se producirá inmediatamente luego de la elección general con la finalidad de nombrar a un juez o magistrado sucesor, y se producirá una vacante en ese cargo judicial a la finalización del mandato cumplido por el juez o magistrado. (b)(1) Se deberá mantener el método de elección de jueces de circuito sin perjuicio de las disposiciones de la sub-sección (a), excepto que la mayoría de los votantes en la jurisdicción de dicho circuito aprueben la opción local de elegir a los jueces de circuito mediante el sistema de selección por mérito y elecciones de retención en lugar de mediante una elección. La elección de los jueces de circuito deberá realizarse mediante el voto de electores calificados dentro de la jurisdicción territorial de la corte. (2) Se deberá mantener el método de elección de los jueces de la corte del condado, sin perjuicio de las disposiciones de la sub-sección (a), excepto que la mayoría de los votantes en la jurisdicción de dicho condado aprueben la opción local de elegir a los jueces del condado mediante el sistema de selección por mérito y elecciones de retención en lugar de mediante una elección. La elección de los jueces del Condado deberá realizarse mediante el voto de electores calificados dentro de la jurisdicción territorial de la corte. (3)a. En la elección general del año 2000 se deberá votar en cada jurisdicción territorial de circuito y de condado para decidir si el modo de elegir a los jueces de circuito y a los jueces del condado será mediante el sistema de selección por mérito y elecciones de retención en lugar de mediante una elección. Si los electores votan por no ejercer esta opción local, esta opción no podrá someterse a votación de los electores en esa jurisdicción hasta que hayan transcurrido al menos dos años. b. A partir del año 2000, cada circuito puede presentar la opción local de elección por mérito y elecciones de retención o de la elección de jueces de circuito, según corresponda, al presentar una solicitud ante el encargado de los registros estatales. Dicha solicitud deberá estar firmada por un número de electores igual a por lo menos el diez por ciento de los votos emitidos en la jurisdicción de ese circuito en la última elección presidencial efectuada. c. A partir del año 2000, cada condado puede presentar la opción local de elección por mérito y elecciones de retención o la elección de los jueces del condado, según corresponda, al presentar una solicitud ante el supervisor de las elecciones. Dicha solicitud deberá estar firmada por un número de electores igual a por lo menos el diez por ciento de los votos emitidos en el condado en la última elección presidencial efectuada. Los mandatos de los jueces de circuito y los jueces de condado serán de seis años. SECCIÓN 11. Vacantes.- (a)(1) Siempre que se produzca una vacante en un cargo judicial sujeto a la elección de retención, el gobernador deberá cubrir la vacante mediante el nombramiento de una persona entre al menos tres y no más de seis personas nominadas por la comisión judicial de nombramientos correspondiente, por un periodo que finalizará el primer martes luego del primer lunes de enero del año siguiente a las próximas elecciones generales que se efectúen al menos un año después de la fecha del nombramiento. (2) Siempre que se produzca una vacante eventual en un cargo judicial sujeto a la elección de retención, el gobernador deberá cubrir esa vacante eventual mediante el nombramiento de un juez o un magistrado de entre al menos tres personas y no más de seis personas nominadas por la comisión judicial de nombramientos correspondiente. El plazo del nombramiento comienza cuando finaliza el plazo del cargo que quedó vacante y concluye el primer martes luego del primer lunes de enero del año siguiente a la próxima elección general. (b) El gobernador deberá cubrir cada vacante de una corte de circuito o de una corte de condado, en donde los jueces sean elegidos por mayoría de votos de los electores, al nombrar a una persona entre no menos de tres y no más de seis personas nominadas por la comisión judicial de nombramientos correspondiente, por un periodo que concluye el primer martes luego del primer lunes de enero del año que sigue a elección primaria y general que se efectúe por lo menos un año después de la fecha del nombramiento. Se deberá realizar una elección para cubrir ese cargo judicial por el periodo del cargo que comienza al finalizar el periodo del cargo por nombramiento. (c) Los nombramientos se deberán realizar dentro de los treinta días desde que se ha producido la vacante o vacante eventual, excepto que el gobernador extienda el periodo por un lapso que no podrá exceder los treinta días. El gobernador deberá realizar el nombramiento dentro de los sesenta días desde que los nombramientos hayan sido certificados ante el gobernador. (d) Tal como lo establece la legislación general, deberán existir diferentes comisiones judiciales de nombramientos para el Tribunal Supremo, para cada tribunal de apelación de distrito, y para cada circuito judicial en todos los juzgados de primera instancia del circuito. Las comisiones judiciales de nombramientos deberán establecer reglamentos de procedimiento uniformes en cada nivel del sistema judicial. Tales reglamentos, o cualquier parte de ellos, podrán ser derogados por las leyes generales promulgadas con la mayoría de votos de cada cámara de la Asamblea Legislativa, o por el Tribunal Supremo de Justicia con el voto concurrente de cinco magistrados. A excepción de las deliberaciones realizadas por las comisiones judiciales de nombramientos, los procedimientos de las cámaras y sus registros deberán estar abiertos al público. 4644511 CN 8/28;9/25/2014 ON 8/29;9/24/2014

Public Notice Public Notice

STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION NOTICE OF INTENT TO ISSUE PERMIT

The Department of Environmental Protection gives notice of its intent to issue a permit to Riverlandings Motor Coach Development, LLC, Mr. Rick Smith, 5942 S.R. 80 West, LaBelle, Florida 33935, to construct and operate a 0.017 million gallon per day (MGD) domestic wastewater treatment plant that will land apply 0.017 MGD of effluent (reclaimed water) to a proposed on-site 24,000 square foot absorption field system. The facility will be located at latitude 26° 42' 37" N, longitude 81° 32' 00" W, at 5942 State Road 80 West, LaBelle, Florida 33935, in Hendry County. The plant will also receive 2,448 gallons per day of reverse osmosis concentrate water by way of its influent lift station. The Department has assigned permit file number FLA8183 13-002-DW3P to the proposed project.

The intent to issue, application file, and draft permit are available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department's South District Office, 2295 Victoria Ave., Suite 364, Ft. Myers, Florida 33901, at phone number (239) 344-5600.

The Department will issue the permit as drafted unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57, Florida Statutes, within fourteen days of receipt of notice. The procedures for petitioning for a hearing are set forth below.

A person whose substantial interests are affected by the Department's proposed permitting decision may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, Florida Statutes. The petition must contain the information set forth below and must be filed (received by the Clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Under Rule 62-1.10.106(4), Florida Administrative Code, a person may request an extension of the time for filing a petition for an administrative hearing. The request must be filed (received by the Clerk) in the Office of General Counsel before the end of the time period for filing a petition for an administrative hearing.

Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), Florida Statutes, must be filed within fourteen days of publication of the notice or within fourteen days of receipt of the written notice, whichever occurs first. Section 120.60(3), Florida Statutes, however, also allows that any person who has asked the Department in writing for notice of agency action may file a petition within fourteen days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition or request for an extension of time within fourteen days of receipt of notice shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, Florida Statutes. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, Florida Administrative Code.

A petition that disputes the material facts on which the Department's action is based must contain the following information, as indicated in Rule 28-106.201, Florida Administrative Code:

- (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, any e-mail address, any facsimile number, and telephone number of the petitioner, if the petitioner is not represented by an attorney or a qualified representative; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the determination; (c) A statement of when and how the petitioner received notice of the Department's decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the Department's proposed action; (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the Department's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and (g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the Department to take with respect to the Department's proposed action.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation under Section 120.573, Florida Statutes, is not available for this proceeding. 467307 CB 9/25/2014

Palm Beach State College Receives \$2.58 Million Hispanic Serving Institution Grant

PALM BEACH STATE COLLEGE

Palm Beach State College (PBSC) has been awarded a more than \$2.58 million U.S. Department of Education grant to provide additional academic services and support programs to further enhance retention and graduation rates of Hispanic and low-income students.

To qualify for the Developing Hispanic-Serving Institutions (HSI) Program, PBSC's enrollment had to reach at least 25 percent Hispanic in the year prior to applying. Although the Hispanic population has grown through the years, PBSC reached the required threshold last year. The Hispanic student population, the fastest growing at the College, was 26 percent in 2013/14.

Dr. Peter Barbatis, vice president of student services and enrollment management, said although the HSI grant is awarded to institutions

servicing large Hispanic populations, ultimately the entire College will benefit from the initiatives being implemented to strengthen the critical first-year experience for students, better track their progress and improve retention and graduation.

"This has great implications for the College to establish some new and exciting initiatives that can help all students. The grant will help facilitate both internal and external collaborations which promote student access, engagement, success and program completion," he said.

The College will receive the Title V grant in increments over a five-year period to implement its Pathways to Success project. The project has four key components:

- Purchase and integrate new Student Success Plan software with PBSC's Enterprise Resourcing Planning system to improve student

advising, tracking and communication

- Implement a comprehensive and intrusive case management advising system
- Pilot a learning communities program for underprepared first-time-in-college students, and
- Create professional development opportunities for faculty.

Pathways to Success is among numerous initiatives of the College's completion agenda that puts more emphasis on completion rates and provides additional resources to address barriers to graduation.

About the College

Serving 48,000 students annually, Palm Beach State College is the largest institution of higher education in Palm Beach County, providing bachelor's degrees, associate degrees, professional certificates, career training and lifelong learning. Established in 1933 as Florida's first public community college.

It offers more than 100 programs of study at locations in Lake Worth, Boca Raton, Palm Beach Gardens and Belle Glade.

Course on Neighborhood Revitalization

County offering free five-week course on neighborhood revitalization; open to public

Palm Beach County's Office of Community Revitalization (OCR) is proud to once again offer the Resident Education to Action Program (REAP), a five-week, hands-on educational program providing community revitalization and civic leadership development training. This program is intended to help residents who are interested in improving their neighborhoods.

REAP supports the formation of neighborhood associations and empowers residents to seek a better quality of life. Through this course, residents will gain knowledge of innovative ways to solve neighborhood issues.

Course topics for the five-week program include mobilizing communities for action, grant writing, partnerships/collaborations, and inter-generational programs. Residents will be eligible to apply for a grant through the America's

Next Top Neighborhood Award grant program.

Sessions are facilitated using a variety of innovative techniques, including group activities, lectures, guest speakers, individual outside work and oral presentations. The course and all materials are free, but a commitment for the entire five-week course is required. Seating is limited and available on a first-come, first-served basis.

To register for REAP or for additional information, please visit <http://www/pbcgov.com/ocr/> or contact Duane Gainer, REAP coordinator, at 561-233-5318, dgainer@pbcgov.org.

The Resident Education to Action Program (REAP) will be held in Western Palm Beach County, Pahocee Wellness Center, 360 E. Main Street, Pahocee. The program will be offered on Thursdays, Oct. 9 to Nov. 6, from 6 p.m. to 8:30 p.m.
