Newburn Johnw. T. and Wood, a former resident of Newburn, Ga., in upstairs room at the Live Oak, proceed. the evening of the same day in the city of Live Oak, on or before Saturday, the 21st of this month. The first scene of the tournament was played by Mrs. E. B. McDaniel, of Columbia, R. C., who played a good game, and the second by Mrs. A. T. Cooper, of Athens, Ga., who was instructed in the game by Mrs. T. Mays, of Athens, Ga. She played a good game and was the second. The best of both games was won by Mrs. A. T. Cooper, of Athens, Ga., and Mrs. J. W. Jones, of Columbia, R. C., who played the third game.

The American Tobacco Company has taken the lead in the commercial field by introducing a new cigarette. The new cigarette is called the "Ladies' cigarette," and is said to be specially prepared for the use of women. It is made of the finest leaves, selected by experts, and is said to be much milder than the ordinary cigarette. The company claims that it is just what the woman wants, and that it will be found to be a much better cigarette than any other. The new cigarette is now being distributed in all parts of the country, and is said to be doing very well. It is expected that the company will soon introduce a new brand of the same sort, which will be called the "Men's cigarette." The new cigarette is said to be just what the man wants, and to be much better than any other.
