Gas transmission line proposed

Possible route shows it coming through Suwannee County

By Bryant Thigpen
bryant.thigpen@gaflnews.com

A proposed natural gas pipeline could be coming to Suwannee County, according to County Administrator Randy Harris. On June 3, Harris received a letter from Sabal Trail Transmission notifying him of their plans to possibly construct a pipeline from North Alabama to Central Florida. A proposed map shows the pipeline running through Suwannee County.

The natural gas pipeline study currently under review originates in Alabama, extends to Georgia and ends in Central Florida. The proposed interstate pipeline would run for approximately 465 miles and would parallel existing rights-of-way for about 70 percent of the route, according to Sabal Trail.

Brian Fahrenthold, director of state government affairs, said Sabal Trail's efforts to develop a new natural gas transportation system in the region is in response to an industry-wide request by Florida

REDESIGNING LIVE OAK

Exchanging of ideas gives peek into Live Oak's possible future

Staff

About 55 people were at the first meeting Thursday night, June 27, to discuss the vision plan for the city of Live Oak and offer ideas, solutions and feedback.

The meeting was first in a series of three that concluded Saturday morning.

CH2M Hill's Tammy Hanlin, Joy Swenson, Alicia Hurge and Jon Mantay directed the meetings. CH2M Hill is the city's contractor for public works.

The meetings, or charette (pronounced [shuh-ret]), were an intense period of planning activity (that's one definition of charette). Each meeting built upon the last until Saturday's conclusion.

On Saturday, the group reviewed results from all the meetings. CH2M Hill will bring back a report within three weeks. At that time they will go over plans and see what money was budgeted and make recommendations from there.

Discussion centered around the city's vision plan. Folks that participated in the charette said they wanted to see more green spaces, more parking, shade trees, water features, youth activities, murals, historic signage, clock tower, branding, advertising and more.

COURT ROUNDUP

Murder, manslaughter on docket

Cole, Eilts, Hooker, Rosales could face jury next month

By Bryant Thigpen
bryant.thigpen@gaflnews.com

Three men accused of murder and a woman accused of aggravated manslaughter on a child will have a pre-trial July 8, according to the Suwannee County Clerk of the Circuit Court's Office. Attorneys representing the defendants will then request a continuance or tell the judge they are ready for trial.

Marcus Cole

Cole

Marcus Cole, 40, of 12803 225th Rd., was hosting a party and cookout at his home with 11 people in attendance. At approximately 10 p.m. on Jan. 26, six of the party goers got into a fight.

Shortly after the fight had broken up, Cole went into his home and retrieved a 30.06 rifle.

Mike Williams, 46, was about six feet away from a

ASK DR. MANTOOTH
TONSILS AND ADENOIDS

Q: What are the roles of tonsils and adenoids?

A: Tonsils and adenoids work as part of the body's immune system. The tonsils are visible at the back of the mouth; the adenoids are high in the throat behind the nose. they're not visible by looking into the mouth. It requires special instruments to examine them.

Tonsils and adenoids filter out germs that try to get into the body. Their primary role is performed during chioldhood. By age 5, for instance, adenoids start shrinking and have often disappeared completely by the teenage years. As we age, the body develops different protections in the immune system. The tonsils are two masses of tissue of the back of the throat. The emost common problem with tonsils and adenoids is recurring infection and significant enlargement which can cause difficulty with swallowing or breathing. Some orthodontists, by the way, believe that chronic mouth breathing cause by enlarged tonsils and or adenoids can cause malformation of the face and improper alignment of teeth.

Since the tonsils are clearly visible at the back of the throat, your dentist may be the first person to notice any irregularity in their appearance. On your next regular dental visit, ask for more information on tonsils and adnoids.

Parker named chief judge for 3rd Circuit

The Honorable Greg Parker assumed the responsibilities of Chief Judge for the Third Judicial Circuit on July 1. Judge Parker was elected by the 13 other judges in the circuit to serve a two-year term as Chief Judge, a position previously held by the Honorable Leandra Johnson. The Third Judicial Circuit includes Columbia, Dixie, Hamilton, Lafayette, Madison, Suwannee and Taylor counties.

Judge Parker

The Chief Judge has administrative responsibility for the seven-county judicial circuit and represents the circuit at statewide meetings and events. Judge Parker's office is located in Perry, where his caseload includes circuit civil, circuit criminal, domestic relations, probate and guardianship, mental health, and Baker and Marchman Act cases.

Judge Parker served in the United States Navy, earned a bachelors degree from the University of Florida and a juris doctorate from Florida State University. He was admitted to The Florida Bar in 1984 and has served on their Board of Governors. He was elected to serve as a circuit judge in 2008 and took office in January 2009. Judge Parker was also appointed by the Chief Justice of the Florida Supreme Court to serve on the Trial Court Budget Commission, a statewide entity that makes recommendations to the Chief Justice regarding trial court budgets and related policies.

Making a difference in our community

Looking back on your acts of kindness

Dear volunteers, partners and staff of Catholic Charities

What a difference you have made in the lives of others who are struggling. We have been busy this past year serving five counties in northeastern Florida and we could not have done what we did without you. We just wanted to take a moment and recap the hard work that has been achieved this past year. Thank you so much for your continued dedication to serving the people of your community through our agency.

Feed-A-Family Mobile Outreach

The mobile outreaches have become a huge success in order for us to assist those in need that are not able to make it to our regional office in Lake City, Florida. Along with your support and assistance, we have covered 2,792 geographic miles in traveling to the five counties we serve including Columbia, Suwannee, Hamilton, Lafayette, and Union Counties. We have been able to provide food to the many families in need in these outlying counties. We have built relationships with local governments and agencies in these areas in order to use facilities and locations to distribute food. We have also continued to partner with Cheryl Twombly from Department of Children and Families (DCF) in order to assist the people who attend these outreaches with applying for food stamps, Medicaid, and other eligible government assistance. Zach Bonner from Little Red Wagon provided Catholic Charities with backpacks and school supplies for us to provide children in need. All of these efforts have been greatly attended by our hard-working and dedicated volunteers who continue to show love in all the work they do.

Preventing Homelessness

You have helped our agency make a huge difference in helping prevent homelessness in our community. We have been able to provide food assistance, hygiene bags, clothing vouchers, life-threatening prescription assistance, and more to people in need in our community! Donations of goods, financial support, and your own personal time and effort have helped us complete many of our daily tasks here in our Lake City regional office and out on the road.

We have been able to provide emergency financial assistance and case management to families in an emergency situation in order to help them become self-sufficient again. We have built relationships with agencies in the outlying counties to provide financial assistance to people who are not able to travel to Lake City for assistance at our regional office.

Simply Cereal

Now that it is summer, many families will have to provide two extra meals per child in their household. We are asking for everyone to come together and help us gather up ALL sizes of cereal for the months of June and July. We are asking for donations of cereal in order to help the families during the summer months while the children are out of school. Feel free to mail donations or bring them by our office Monday through Friday. If you know of a family in need, please send them to our office.

Know that you have made a difference in helping families, children, elderly, veterans, and other populations in need by being an essential part of our agency! Spread the word and subscribe to the upcoming emails from our agency.

Serving together,
Suzanne M Edwards,
COO

The Great Suwannee River Cleanup 2013

Cleaning up the Suwannee and its tributaries

For the last three years, Current Problems and volunteers up and down the Suwannee River have done an amazing thing. They have removed thousands of pounds of unsightly trash and toxic garbage from one of our state's natural treasures. We recognize the magnitude of these efforts and the positive impacts they are having on the river and surrounding bottomland habitat. And we know how much other rivers in the Suwannee River basin could benefit from the same efforts. We were nervous as we entertained the idea of taking on cleaning up the great Suwannee River - knowing that it was bigger than any cleanup project we had taken on before. But seeing the overwhelming success of the Great Suwannee River Cleanup year after year, we are emboldened to expand our vision!

This year we are recruiting dedicated river cleaners to tackle not just the Suwannee, but also the Santa Fe, the Withlacoochee, the Alapaha and the Ichetucknee. These rivers suffer the same fate as the Suwannee when trash and harmful garbage accumulate on river bottoms and along riverbanks. By cleaning up the tributaries, we are helping to maintain not only the health and beauty of each river but also of the Suwannee River down to the estuaries and the Gulf of Mexico!

The 2013 cleanup will occur during a three-month window from September through November along the Suwannee River and its tributaries. Businesses, civic clubs, fishing and boating groups, churches, government agencies, non-profits, chambers of commerce, and groups of friends are all encouraged to participate. Go to the spread sheet at http://tinyurl.com/o7mct4u to determine your section based on mileposts. Then register your group, the date of your cleanup, and your river section online at http://tinyurl.com/k9p675o. Shortly after registration, your cleanup will appear on the event map. View the map at http://goo.gl/maps/qYlo. Current Problems is available to assist you as you plan your cleanup and to provide supplies (grabbers, buckets, trash bags, etc.). LifeSouth taking platelet donation mobile

Throughout July LifeSouth Community Blood Centers will be equipping its bloodmobiles in the Suwannee Valley with devices to allow the special donation of platelets.

Platelets, the component in the blood important for clotting, are needed by cancer patients and trauma patients.

"Platelets are vital, but their shelf-life after donation is only five days, so we need a continuous supply," said LifeSouth Suwannee Valley Regional Manager Lorrie Woods. "With these apheresis machines, donors can give more than five times as many platelets as with a typical blood donation."

Apheresis is from the Greek word for separate. The platelets are separated from the blood, while the other components, red blood cells and plasma, are returned to the donor through the same needle. A donation takes about 60 minutes.

"It is a special kind of donation. Because the body replaces platelets so quickly, apheresis donors are able to give as often as every two weeks," explained Woods. "We have had this option available for years at our center in Lake City, but making it available for donors on our bloodmobiles is something new."

Apheresis donors must be 17 or older, weigh a minimum of 110 pounds and be in good health. Apheresis donors must also avoid aspirin products for 48 hours prior to donation. A photo ID is also required. For additional information call LifeSouth, toll-free, at 888-795-2707.

Love INC's Cram the Van set for Aug. 10 at Walmart

Love INC
Love In the Name of Christ

Please think about our local kids who need tennis shoes, socks, underwear and personal care items!

Love INC (In The Name of Christ) will hold its annual Cram the Van event Aug.10 at Walmart in Live Oak from 10 a.m. - 3 p.m. It's not too early to remind our friends to pick up extra tennis shoes, socks, underwear and personal items for the many youngsters here in Suwannee County who need our help so they can feel good about their appearance when they return to school in the fall.

This annual event begins July 10 and runs through Aug. 10. Love INC's tennis shoe goal is 500 pair this year as the need is great, according to Love INC Executive Director Lisa Kriehn.

All items for Cram the Van can be dropped off at the new Love INC office at 122 North Ohio Avenue at the corner of North Ohio (US 129) and Conner Street before you cross the railroad tracks headed north. Office hours are 8 a.m. - 3 p.m. Monday - Friday.

Please put Aug. 10 on your calendar. If you can't drop off any of these donations prior to that day, we'll look for you between 10 a.m. - 3 p.m. at Walmart.

Love INC is a "faith based" non-profit organization in Live Oak whose mission is to mobilize the church to transform lives and communities In the Name of Christ (INC).

For more information call the Love INC office at 386-364-4673 or to learn more about Love INC, go to www.loveinc-suwanneecounty.org. *Love INC is a registered 501(C)(3) charity and operates under the tax exempt guidelines as designated by the IRS and as such all donations made to us are tax free. The Democrat says!

The American Experiment

No other constitution in the world has been copied or inspired so many others than that of the United States of America. We celebrated the birth of this great nation yesterday. The American Experiment continues despite 237 years of wars, battles, civil unrest, terrorism and economic woes.

The framers of our Constitution met during the Constitutional Convention between May 25 and Sept. 17, 1787 in Philadelphia to address problems with the then governance of the new USA. At the time, the USA was operating under the Articles of Confederation. What came out of those meetings was our Constitution.

Folks gathered in earnest on the last day of the Convention to learn of what would become of this great nation.

According to history documents, a Mrs. Powel of Philadelphia asked Benjamin Franklin, "Well, Doctor, what have we got, a republic or a monarchy?"

Franklin responded, "A republic, if you can keep it."

He knew, as as well as others, that to keep this experiment going, it was going to take the will of the people.

The republic continues because we want it to.

We must remember to be ever mindful that our Constitution affords us checks and balances to protect us from the government, not the other way around.

Happy birthday, America.

Who would have thought that a professional educator not speak to his superintendent without the worry of being fired. Because posting the job without Mr. Campbell's resignation sounds a lot like "a firing" to me! Shame on Mr. Scarborough!

■ ■ ■

The person complaining about churches dealing with homelessness in Suwannee County. I would like to know if they were talking about the ones with the food pantries, or the ones that provide food and clothing like Love INC who provides all kinds of services, or just the ones they don't go to. Take the plank out of your own eye, before you look at the speck in someone else's.

It is curious that there was enough money to pave the entire road going past Suwannee Lake ending at a single family dwelling when so many of us here in Suwannee County have to endure the deteriorating conditions of sand and lime rock roads in our neighborhoods. If we can't have our roads permanently improved, the police should at least have the authority to impound the ATVs of those law breakers who insist on contributing to our roads destruction.

This is a rave. Last Sunday was God and Country Day at Westwood Baptist Church. What a great service this was and I'd like to thank them for having this program for the people.

GUEST COLUMN

Let's GROW Suwannee!

Dennis Cason
President, Suwannee County Economic Alliance

Congratulations! Last week Suwannee County was recognized twice at the Florida Economic Development Council (FEDC) Conference in Orlando. Selected as the recipient of the Richard L. McLaughlin Volunteer of the Year Award for our 15 county North Central region was our own John Martz! The annual award honors volunteer service to the local community and state in supporting economic development initiatives. John is the chairman of our Suwannee County Council for Progress board and has been involved in economic development activities since arriving in Suwannee County in 2005 to take the position of executive vice president and CEO of Suwannee Valley Electric. We appreciate you, John!

The second honor was to have the Klausner Project chosen as the Florida Regional Project of the Year! This award recognizes "outstanding achievement in the location of a project in the state of Florida" and points to the hard work and cooperative effort among all involved in working with the project and applauds Suwannee County and our region. It was stated that this is a "signature award for Klausner, Suwannee County, the North Florida Economic Development Partnership (NFEDP), and the entire region".

Another highlight for me was to be able to participate in a panel discussion with a representative from Enterprise Florida, a representative from our region, and Thomas Mende of Klausner. The breakout session, entitled "Working With International Prospects" presented information on resources available to attract international companies as well as an overview of our work in recruiting Klausner Lumber One.

The FEDC conference is an annual event for economic development professionals, workforce, and community developers and partner organizations to aide in professional development.

Last month we told you about the Florida Rural Economic Development Study completed earlier this year by Boyette Strategic Advisors in cooperation with Enterprise Florida, Inc. (EFI). The study identified assets and opportunities of Rural Florida as well as challenging issues and then made strategic recommendations to address the issues and build upon the opportunities. These recommendations are meant to ensure success in the attraction and retention of business/industry and to provide direction for economic development efforts in Rural Florida over the next five years.

Here are a few of the suggestions from the study that are applicable to our own 15 county Rural Area of Critical Economic Concern. Many of the suggestions are to be accomplished at the state level. These include improvement in the Rural Economic Development Structure. An organizational change suggested was to rename the Rural Area of Critical Economic Concern to something that gives a more positive concept! Leadership Development ideas include programs by EFI and others to build local leadership capacity with both elected officials and economic development professionals. Another task for the Florida Department of Economic Opportunity (DEO) is to work with the Florida Legislature to effect improvements in Incentives and Funding requirements for rural areas and also to keep incentives in line with neighboring competitive states.

Many of the suggestions have to do with catalyst sites. Suggestions are made for Marketing and Communications. Marketing by the state is part of the original plan for Catalyst Sites. New suggestions include creation of a detailed informational website exclusively about catalyst sites, and using email blasts and newsletters to market to site location consultants. Suggestions for local action include enhancing the overall appearance of the Catalyst Site and adding signage at the site and along Interstate 10.

The Suwannee County Development Authority and the Council for Progress have already discussed this as well as the need for the establishment of a detailed master plan for the site.

The Rural Economic Development Study contains many additional ideas and plans. Again, I will be happy to email a copy to you if you are interested.

Let's GROW Suwannee!

Please address letters to: Letters to the editor, Suwannee Democrat, PO Box 370, Live Oak, FL 32064.

Parents living in the Branford area please register your kindergarten students for the 2013-14 Branford Elementary school year during this month to ensure that your child has an assigned teacher at open house.

Please bring the following documents with you to registration: child's birth certificate, immunization record, Florida physical, proof of residency and Social Security card.

We are excited to meet your child. For more information, please call BES at 386-935-5700. School starts Aug. 19. Open house date will be announced at a later time.

Kids get creative at Art Camp

Fourth, fifth and sixth graders painted yellow fin tuna.

The Branford High School Art Department held an Art Camp June 17 through June 20. The camp was for children in kindergarten through sixth grade, and was a fundraiser for the BHS Art Department with all proceeds going towards purchasing art supplies. This year's theme was "Abstract Naturalism", focusing on two artists, Alex Beard and Frank Stella.

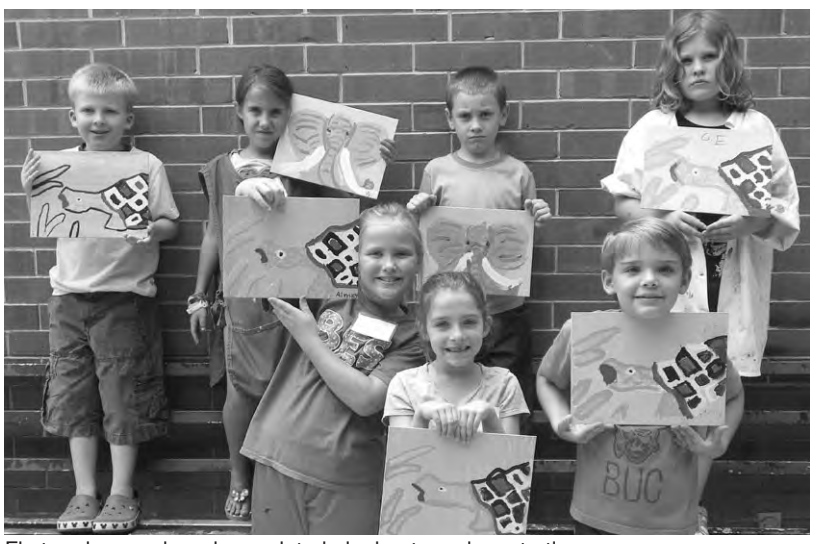
Students were divided into groups by age, with seven students in the kindergarten division, 11 first and second graders, 11 third graders, and 13 fourth, fifth, and sixth graders. The groups rotated to four classes: painting, drawing, sculpture, and paper mache.

Teachers volunteered their time and high school art students volunteered as helpers. The teacher volunteers were Vaster Fryar, Melissa Ware, Linda Whitley, Amanda Clark, and Barbara Barker. Keri Mowrer and Debbie Gilreath were parent volunteers. Students received lunch in the summer free lunch program.

Third graders displaying their owl paintings.

Bryce Ware, third grader, had fun painting an owl.

Some of the sculptures created by students at Art Camp.



First and second graders painted elephants and sea turtles.

Madison Ward, first grader, showing off her elephant painting.

CELEBRATING ACV'S 100 YEARS

Continued From Page 1A

to Florida with their business in 1976. When the ACV had an opening for a store in the Village Square five years ago, the Horsleys proposed their idea for a gift shop after touring the area for their retirement. They started with a very small space, but have since moved into a larger section of the Village Square's complex.

"We've had tremendous support from the Village residents," manager Emelie Horsley said. "We're also branching out, with customers coming in from not only the local community but from Tallahassee and Gainesville as well. Our bestsellers are the 3-dimensional greeting cards from England. Jewelry, accessories, religious and spiritual items, leather goods, and hunting and fishing gear are also popular."

Horsley recalled the first sale that Riverside Gifts ever made, occurring a few days before the shop even opened and the only merchandise inside was still packed up in boxes.

"There was this young, teenage girl walking up to the shop, looking distraught," Horsley said. "She was attending a week-long Bible study, and she had misplaced her Bible. We weren't anywhere near open yet, but I offered to look at what I had brought just in case we had something. Inside the very first box I opened up was a purple teen's study Bible - just the one she had wanted."

Also featured at Riverside Gifts are numerous books about Florida and local interests, live plants from the Horsleys' greenhouse, Seminole and Gator sports fan products, children's books and toys, and a few furniture items. The shop offers free gift boxing and wrapping for customers.

Riverside Gifts hosts special events inside the shop on occasion, such as a book appraisal day during which guests can get their books judged for rarity and value. Riverside Gifts also participates in the Village's live auction and sponsor days, and has held a free concert of the Gainesville Harmony Show Chorus, an award-winning women's a cappella group. The store also sells specialized products around the holidays, with the Christmas season being one of their busiest.

Riverside Gifts is located inside the Village Square at Advent Christian Village at 11057 Dowling Park Dr. in Dowling Park. For more information, please call the shop at 386-658-5771.

Founded in 1913, Advent Christian Village is located on 1,200 acres of woodlands and scenic landscapes overlooking the historic Suwannee River in North-Central Florida.

Gas transmission line proposed

Continued From Page 1A

Power & Light Company to provide dedicated natural gas transportation services for their power generation needs starting in May 2017.

Sabal Trail is a wholly owned affiliate of Spectra Energy Corp, a leading transporter of clean-burning natural gas. Through their multiple interstate pipeline companies, they have been providing natural gas to local utility and electric generating facilities for almost 70 years.

According to Fahrenthold, although FPL has not yet selected a company to develop, construct and operate this proposed natural gas expansion project, Sabal Trail has already began the first step in initiating several time sensitive activities to gather early input should Sabal Trail be chosen to build this pipeline system.

"The next step in our early collaborative process includes initiating communications with landowners within or near our proposed route corridor," said Fahrenthold. "Right-of-Way personnel working on behalf of Sabal Trail initiated contracts on June 3 via introductory letters."

Once constructed, the pipeline will be capable of transporting up to one billion cubic feet of natural gas per day, enough to meet the needs of over four million American homes annually.

Estimated costs for the project should Sabal Trail be selected to complete the project will be about $3 billion, however, this figure could change depending on the finalized project.

At the onset of the project, Sabal Trail will have two above-ground facilities; one will be constructed in Tallapoosa County, Ala., at the start of the pipeline and one at the end in Osceola County in Florida. An additional five stations will be added after the in-service date.

According to Sabal Trail, the company is committed to protecting the environment. Wherever possible, the new pipeline will follow existing rights-of-way to substantially limit environmental impacts and effects to landowners. These development efforts are closely monitored by federal and state environmental agencies.

Sabal Trail believes this project will create a significant amount of jobs during the construction and add capital investment and tax base in Alabama, Georgia and Florida.

tration in Suwannee County. As a result of the violation, student test scores were invalidated."

"When the irregularity was reported, the Suwannee assessment office conducted an investigation and submitted it to our office," Cowie told the *Democrat* in an email received Tuesday.

Cowie continued, "Based on the information we received from that investigation, some students test scores were invalidated and the documentation was turned over to the Professional Practices Office for them to decide if they wished to pursue further action regarding an individual(s) involved in the incident."

She said she cannot comment if any further action will be taken from there.

As previously reported, on May 30, Superintendent of Schools Jerry Scarborough wrote a letter to each guardian of each student whose FCAT 2.0 science, match and reading test scores were affected. In the letter, Scarborough said the test scores were invalidated due to "a violation of the testing protocol that has impacted the entire class." Only one class at SIS was affected.

The letter obtained by the *Democrat* from a parent of one of the children in the class shows that the child, and all others in the class, will face no academic consequences by not having a fifth grade FCAT score.

on July 16, 2012.

For three weeks and a day, Wrench was in a medically induced coma in a Gainesville hospital, suffering from multiple skull fractures, and major cuts and bruises. Eventually, Wrench started showing vast signs of improvement. She awoke from the coma on Tuesday, Aug. 7, 2012, and on Friday, Aug. 10, 2012, O'Bryan, 646 St. Andrews Circle, Rantoul, Ill., was arrested by the Champaign County Sheriff's Office out of Illinois for attempted first degree murder. O'Bryan was transferred and booked into the Suwannee County Jail on Aug. 20, 2012.

O'Bryan faces a charge of attempted first degree murder.

City Hall's proposed clock tower

Street (US 90). The project, once completed, will help guide tourists to City Hall and will notify local residents of upcoming meetings on the LED board.

CRA Director George Curtis proposed a designed clock tower to the board. With the proposed design, Curtis said it will cost about $35,000 in supplies to construct.

"You're looking at about $11,000 if the clock is shipped and installed by a company," Curtis said. "If the city handles the installation, it could run about $7-9,000. An LED board is estimated at $10-15,000."

Curtis said the clock tower will stand approximately 16 feet tall.

"It would give the city presence on Highway 90," he said.

Once the engineering process is complete, the city will look to begin construction on the clock tower.

truck his brother Abram Williams, 41, was sitting in, when Cole reportedly shot and killed him.

Abram attempted to leave in the truck when Cole reportedly shot him in the head. He passed away the following day.

Cole then took the gun back into his home.

Guests at the party witnessed the shootings and Cole admitted to shooting the victims.

Cole faces two charges of capital first degree murder.

No trial date has been set yet.

Hooker

Kenneth Glenn Hooker

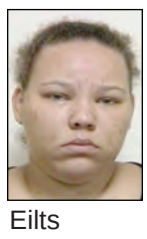
Kenneth Glenn Hooker, 44, 14439 201st Rd., Live Oak, reportedly stabbed his mother, Rose Lawson, to death. Hooker said that they had been fighting and the reason he stabbed her was because he just wanted her to listen to him.

Following the incident that occurred around 8 p.m. March 25, Hooker did not call 911 for any medical help. Lawson died as a result of the injury to her chest.

Hooker admitted to stabbing his mother and revealed the weapon he used to law enforcement officers.

Hooker faces a charge of second degree murder.

No trial date has been set yet.



Eilts

Morgan Anna Eilts

Morgan Anna Eilts, 19, 7962 SE 125th St., Jasper, was arrested as a result of the events occurring in Suwannee County during 2010, which caused the death of an infant child.

According to the Suwannee County Sheriff's Office, Eilts admitted to sitting the infant down on a coffee table, bumping its head on the table accidentally too rough. The victim told authorities that she was frustrated and irritable during the month of September 2010.

Eilts told authorities that on one occasion she pulled the three-month-old victim up by her legs, leaned them into her chest and jerked them down. Another time, while frustrated with her husband, Eilts admitted to grabbing the crying victim's arm, squeezing it and bending it. Eilts said she heard a cracking noise where she had her hand, reports show.

During the investigation, Eilts also demonstrated how she had shaken the infant back and forth, holding the baby's shoulders close to the throat.

Records show that Eilts also admitted to holding the infant up in the palms of her hand while in the tub, when the baby accidentally slipped from Eilts' hands and hit her head pretty hard on the bottom of the tub.

According to the SCSO, these events occurred between Sept. 1, 2010 and Oct. 15, 2010. The three-month-old infant died on Oct. 20, 2010, authorities say.

After a lengthy investigation that included gathering medical evidence, Eilts was arrested on Thursday, May 31, 2012, according to records from the SCSO.

Eilts faces charges of aggravated manslaughter on a child and neglect of a child.

If the case is not continued, this trial could be Aug. 26-30.

Rosales

Antonio Rosales

Antonio Rosales, 46, was indicted on Aug. 19, 2011, for first degree murder. He will stand accused of strangling and beating his Suwannee Correctional Institution cellmate, 63-year-old Andres Islas, to death in March 2011.

Third Circuit State Attorney Jeff Siegmeister told the *Democrat* Monday that his office will seek the death penalty.

At the time of the killing, Rosales was serving a life sentence for kidnapping, attempted felony murder and sexual battery on a victim under 12, all offenses from Seminole County originating in 2003, according to the DOC.

Islas was sentenced in 1996 and was serving more than 40 years for armed robbery, grand theft, drug possession and aggravated assault, among others.

Rosales faces a first degree murder charge.

If the case is not continued, this trial could be Aug. 26-30.

INDEPENDENCE DAY

Celebrating the birth of our country! Fifty-six men signed the Declaration. Eighteen men were less than 40 years old. Three of them were still in their 20's. All but two men had families.

1) The CRIME:

Treason was the crime for signing the document and the penalty was death by hanging. John Hancock had a price of 500 pounds on his head. His signature was the largest. He said, "His Majesty could now read my name without glasses."

2) The COURAGE:

Benjamin Franklin said, "Indeed, we must all hang together, or assuredly we shall all hang separately." Stephen Hopkins [who was past 60] said, "My hand trembles, but my heart does not."

3) The COST:

Fifty-six men signed the document. Nine died of wounds or hardships during the war. Five were imprisoned and brutally treated. Several lost their wives. One lost his three children. Twelve lost their homes in fire, 17 lost everything they owned. NO ONE DEFECTED or VIOLATED HIS PLEDGED WORD. Today comes at a HIGH PRICE! Prov. 14:34 "Righteousness exalts a nation, but sin is a reproach to any people."

Suwannee River Jubilee draws quartets and southern gospel lovers

Submitted

The Suwannee River Jubilee 25th Anniversary drew large crowds recently at the Spirit of the Suwannee Music Park in Live Oak. The event's performers included the Dixie Echoes, Ken Turner and Valor III, the Ward Sisters, the Rebels Quartet, the Inspirations, Chuck Wagon Gang, the Diplomats and the Freedom Hill Quartet.

The Suwannee River Jubilee has been held in the same spot for 25 years in the Amphitheatre at the Spirit of the Suwannee Music Park in Live Oak. This year's crowd enjoyed good weather and great singing from Wednesday, June 12, through Saturday, June 15, with the Dixie Echoes continuing to host the event. The Dixie Echoes have been together for many years and have sung all over the country, developing a large following of fans of southern gospel.

Among the wonderful musical groups entertaining at the Suwannee River Jubilee's 25th Anniversary was the Chuck Wagon Gang, which recently celebrated its 75th year in the gospel music business. Over the years, the gospel group has made changes in its lineup as the founders retired from the group and grandchildren and other family and friends took over and carried on the wonderful tradition with a very similar sound to the original Chuck Wagon Gang.

Joyce Croft, known for the hundreds of gospel songs she and her husband, Reverend Colbert Croft, have written over the years, is always a fixture at the Suwannee River Jubilee and this year was no exception. Joyce and Colbert hosted the annual bean supper and gospel sing on Wednesday night before the event officially kicked off the next day. She also works with children of guests to put on a stage performance of gospel music with a large participation each year.

For more information on the Suwannee River Jubilee and the Spirit of the Suwannee Music Park's other events, please visit www.musicliveshere.com.

Local students qualify for world's largest rodeo

Live televised event will be July 14-20

Fallon Ratliff in a barrel event.

Submitted

Suwannee High School students Fallon Ratliff and Amber Moffat have earned a position on the Georgia National High School Rodeo team and will be traveling with fellow teammates to Rock Springs, Wyoming, July 14-20 to compete at the 65th annual National High School Finals Rodeo (NHSFR).

Fallon is a junior at SHS where she is on the varsity volleyball team, an FFA member and shows swine in the livestock show and sale. She competed in SJRA for three years and Georgia High School Rodeo for two years. Fallon is the daughter of Dale and Kay Ratliff of Live Oak. She enjoys rodeoing every weekend with her family and horses, where she competes in barrel racing and pole bending. Fallon plans to finish up her high school career while rodeoing, then compete in college.

Amber is involved in the BETA Club and National Honor Society at SHS. She is the daughter of Jack and Patty Moffat of Live Oak. Amber has competed in Georgia Junior/High School Rodeo Association for the past five years. Her events are barrels, poles, goats and breakaway. Amber is also a member of SJRA, Live Oak and Branford riding club, NBHA FL08 and Professional Cowboy Association. Amber's future plans are to continue her education at a rodeo college.

Featuring more than 1,500 contestants from 41 states, five Canadian Provinces and Australia, the NHSFR is the world's largest rodeo. In addition to competing for more than $200,000 in prizes, NHSFR contestants will also be competing for more than $350,000 in college scholarships and the chance to be named an NHSFR National Champion. To earn this title, contestants must finish in the top 20 - based on their combined times/scores in the first two rounds - to advance to Saturday evening's final round. National champions will then be determined based on their three-round combined times/scores.

The Saturday championship performance will be televised nationally as a part of the Cinch Town Tour telecast series on RFD-TV. Live broadcasts of each NHSFR performance will also air online at NHSRATV.com, powered by iHigh.com. Performance times are 7 p.m. on July 14, and 9 a.m. and 7 p.m. each day thereafter.

Cool off summer swim lessons

Suwannee Parks and Recreation is currently offering swim lessons for children aged four to 12. Lessons will be held Mondays through Thursdays, with Fridays available as rain-out replacement days, at the Billy Jernigan Pool Facility located at 1301 Walker Ave. in Live Oak.

Sessions run through July 5 and from July 15 through July 25. Classes will meet from 9 to 9:45 a.m. and from 5:45 to 6:30 p.m. Prices are $50 per child. For more information or to register please visit www.suwanneeparksandrecreation.org, call the Suwannee Parks and Recreation offices at (386) 362-3004, or visit them at 1201 Silas Dr. in Live Oak.

For those that already know how to swim, the Billy Jernigan Pool Facility is also available to enjoy until Aug. 16. For a $2 entrance fee, visitors can swim Mondays through Fridays from 12 to 3 p.m. and Sundays from 10 a.m. to 12:30 p.m. and from 1 to 3:30 p.m.

Family swim nights are held at the pool on Fridays from 6:30 to 8 p.m. Families can enter together for only $2 per group; children must be accompanied by a parent or adult family member.

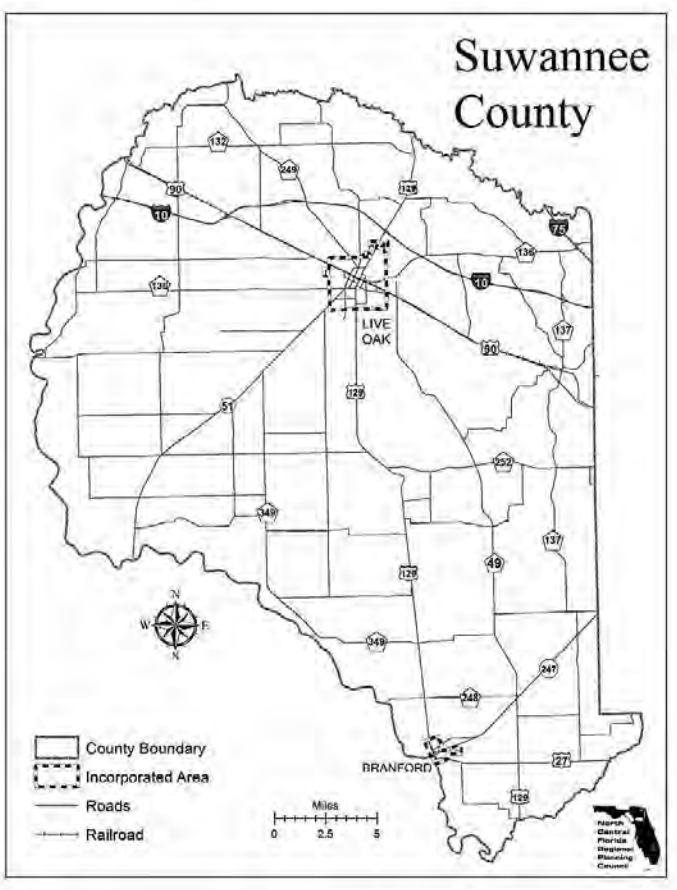
NOTICE OF LAND USE CHANGE

The Board of County Commissioners of Suwannee County, Florida, proposes to change the use of land within the area shown on the map below, by amending the text and Future Land Use Plan Map of the Suwannee County Comprehensive Plan, hereinafter referred to as the Comprehensive Plan, as follows:

CPA 13-01, an application by the Board of County Commissioners, to amend the text and Future Land Use Plan Map of the Comprehensive Plan, based upon an evaluation completed by the County, to reflect changes in state requirements pursuant to Section 163.3191, Florida Statutes, as amended.



The first of two public hearings will be conducted by the Board of County Commissioners to consider the amendment, conduct a first reading of the ordinance adopting the amendment and consider transmittal of the amendment to the Florida Department of Economic Opportunity. The public hearing will be held on July 16, 2013 at 6:30 p.m., or as soon thereafter as the matter can be heard, in the Judicial Annex Building, 218 Parshley Street Southwest, Live Oak, Florida. The title of said ordinance reads, as follows:

AN ORDINANCE OF SUWANNEE COUNTY, FLORIDA, RELATING TO AN AMENDMENT TO THE TEXT AND FUTURE LAND USE PLAN MAP OF THE SUWANNEE COUNTY COMPREHENSIVE PLAN, PURSUANT TO AN APPLICATION, CPA 13-01, BY THE BOARD OF COUNTY COMMISSIONERS OF SUWANNEE COUNTY, FLORIDA, UNDER THE AMENDMENT PROCEDURES ESTABLISHED IN SECTIONS 163.3161 THROUGH 163.3248 FLORIDA STATUTES, AS AMENDED; PROVIDING FOR AMENDING THE TEXT AND FUTURE LAND USE PLAN MAP OF THE COMPREHENSIVE PLAN BASED UPON AN EVALUATION COMPLETED BY THE COUNTY TO REFLECT CHANGES IN STATE REQUIREMENTS PURSUANT TO SECTION 163.3191, FLORIDA STATUTES, AS AMENDED; PROVIDING SEVERABILITY; REPEALING ALL ORDINANCES IN CONFLICT; AND PROVIDING AN EFFECTIVE DATE

The public hearing may be continued to one or more future dates. Any interested party shall be advised that the date, time and place of any continuation of the public hearing shall be announced during the public hearing and that no further notice concerning the matter will be published.

At the aforementioned public hearing, all interested persons may appear and be heard with respect to the amendment and the ordinance adopting said amendment on the date, time and place as referenced above.

Copies of the amendment and the ordinance adopting said amendment are available for public inspection at the Office of the Director of Planning and Zoning, located at 224 Pine Avenue, Live Oak, Florida, during regular business hours.

All persons are advised that, if they decide to appeal any decision made at the public hearing, they will need a record of the proceedings and, for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Persons with disabilities requesting reasonable accommodations to participate in this proceeding should contact 352.463.3169 (Voice & TDD) or via Florida Relay Service 800.955.8771.

Toy show brings vintage fun to Wellborn

The Wellborn Community Association will be host site of the North Florida Nostalgic and Collectible Toy Show on Saturday, July 20, from 10 a.m. to 3 p.m. This event will feature vintage, classic and collectible toys, dolls, and action figures, as well as comic books, board games, and model trains and cars. Fun items from pop culture icons like Barbie, G.I. Joe, Marvel and D.C. superheroes, Star Wars, Star Trek, Nascar, and more will be on display and for sale.

There will be Southern-style barbecue, cold drinks, and other food and refreshments available. Door prizes will be given out at various times throughout the day.

Admission is $3 per adult, while children 10 and under get in free. Attendees that bring in an advertisement for the Toy Show save $1 on admission. Active military and veterans with I.D. also get in free. All profits from admissions will be donated to the Southern Knights Street Rodders Car Club to benefit “Operation Shoebox,” which benefits our deployed military.

Floor rights for early buyers are $10 and they will be allowed in at 8:30 a.m. Children will not be permitted to enter until 10 a.m.

The North Florida Nostalgic and Collectible Toy Show will take place at 1340 8th Ave. in Wellborn on Saturday, July 20, from 10 a.m. to 3 p.m. The next planned Toy Show will be on Saturday, Nov. 16, 2013. For more information or to purchase floor rights, please call (386) 935-4583 or e-mail donr@windstream.net.

Horseshoe Beach's Third Annual Community Fireworks

Friday, July 5. Lots of family fun, fresh local seafood, great barbecue, food vendors, Red Cross Bloodmobile, Dixie County Humane Society, crafts, music and much, much more. It will be held at the famous Fireworks Island, just across the road from the Horseshoe beach Cafe. This years' show will be in honor of former Mayor Katherine Hutchinson.

It has been said that Horseshoe's fireworks show was one of the best around last year. Enjoy a small town atmosphere with a big city fireworks show.

So get out early and get a good spot and make a full day of it. Vendors will be setting up around 12 p.m.

The 2013 "Fireworks Team" will be managed by Dennis Buckley, Jimmy Butler, Day Cherry, John Cherry, Dan Cherry, Panama Paul, Dennis and Laura Wigglesworth.

Vendors will set up free. Call Dennis for more information at 352-498-5986.

Save the Cats of Live Oak Aluminum Can Drive

Please help us help them. Save your aluminum for recycling. Recycle trailer located in vacant lot next to Dairy Queen. Donations of kitty food, wet food, litter and money to help with expenses can be taken to Thrift Store, 303 East Howard Street, next to Suwannee Democrat. We need your help to help them. Spay, neuter, medications, food, litter and money contributions. We are a non-profit group 501C3 being applied for. For more information, call Barney at 386-364-1006.

Save the Cats of Live Oak
Volunteers Needed

T.N.R. campaign to save Live Oaks ferel cats has been started. Feral and stray cats will be trapped, neutered and returned to where they were trapped. All kittens & friendly cats will be adopted out.

Donations needed: Cat food, wet & dry, money for neutering, traps, carriers, cages, food & water containers etc. Anyone interested in helping in any way please contact Barney at 386-364-1006 or Ray Cobb 386-688-0036.

Save the Cats of Live Oak
Donations Needed

Food barrels for donations of wet & dry food as well as litter are located at Tractor Supply (Lake City and Live Oak) Winn-Dixie, Dollar General Stores, Freds, Downtown Cafe & Big Wheel Market Place. Other items needed include $ for spay & neuter, blankets, totes, towels, building supplies, services of a carpenter. Please call for additional info 386-364-1006. Non-profit 501C3 being applied for.

Save the Cats of Live Oak
Adoptions Available

We have several beautiful, cuddly kittens, male & female, all have been spayed & neutered, checked for FIV, leukemia and rabies shots. Special donation rate $30. To have these things done at a vet clinic would cost over $100. We are a 501-C3 non-profit reserve. Also need donations of kitten food, dry food and tidy cats litter. Bring donations to Big Wheel Market Place, 317 W. Howard St or Downtown Cafe, Tractor Supply or Freds. Call for additional information Barney 386-364-1006.

FREEDOM IS HERE

RELIGION

Praying for the nation

By John Whittington

2Chronicles 7:14 If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.

IF

"If" means we have a choice. It's conditional. It means that some aspect of the outcome is going to be up to us!

MY PEOPLE

Not some other people, but God's people. Two million Christians from all over Brazil took to the streets of Sao Paulo this past weekend for their "March for Jesus." This was doubled from the one million of 2012! God still has a people!

WHO ARE CALLED BY MY NAME

That means not just that you call His name, but that He recognizes you as one of His own! This is about recognition. When people see you do they recognize that you're a believer? Do you live a lifestyle that separates you from the world?

WILL HUMBLE THEMSELVES

We've been blessed in this nation. America has been prosperous and free. The words from the song, "God shed His grace on three," have been fulfilled. We must always acknowledge God as the source of all blessings. The first "sin of Sodom" listed in Ezekiel 16:49 was pride. Pride says "I did this myself." Humility realizes God gave me even the breath in my lungs to live and do.

AND PRAY

Think about this for a moment. God is saying for His people who are called by His name, people who know God, to pray. Just like any marriage needs communication to thrive, so our relationship, our covenant with God needs communication. And such praying is difficult. For example, I preach every Sunday morning. Now, I've gotten on rabbit trails before, but I've never stopped in the middle of a sermon and said, "Man I got so distracted, I stopped preaching!" But my mind has wondered like that during prayer! That's why we're commanded to watch and pray

AND SEEK MY FACE

What is the face of God?

* The countenance of God
* The Glory of God
* The character of God
* The attributes of God

The beauty of God

Seek the Lord through worship and His Word!

AND TURN FROM THEIR WICKED WAYS

But I thought they were God's people. I thought they were called by His name. Just because the people of God are praying and seeking doesn't mean the rest of the country is turning back to God. We, as the people of God, have to set the example by publicly turning from our wicked ways and publicly turning to God!

THEN WILL I HEAR FROM HEAVEN

* It doesn't matter if they hear from the police station
* It doesn't matter if they hear from the court house
* It doesn't matter if they hear from the white house
* It doesn't matter if they hear from the business district
* It doesn't matter if they hear from the entertainment industry
* As long as God Almighty hears from heaven!
* That's the highest location!
* That's the highest authority!
* That's the place that has everything you and I would ever need!

AND WILL FORGIVE THEIR SIN

Hallelujah! There's no need to inebriate your guilt with drink, or numb it with drugs. God can totally eliminate it, by casting your sins away from you as far as the east is from the west!

AND HEAL THEIR LAND

These are perilous times in which we live. I understand this could be the end times. But until the end, I want to live a victorious life. I want to live in a land with a testimony. I want to live in a land that's been healed and restored by God! So I urge you to join me and pray for America as we celebrate Independence Day!

Warning to false prophets

By Hugh G. Sherrill
ems-hugh43@comcast.net

"Woe to the shepherd who destroys and scatters the sheep of my pasture!" says the Lord in Jeremiah 23:1. Jeremiah 23 is a most interesting passage of scripture. It speaks of the regathering of God's people back to the land that God gave them. Jeremiah is sometimes called "the weeping prophet". Jeremiah was wholly committed to God. He suffered persecution from his own people because of the topic of his prophecies. He, by inspiration from God, told of the scattering of the people; but also of the gathering of the people back to the land God gave them. Even though persecuted by his own people, he never lost compassion for them.

God has always had a number of men to prophesy of the coming judgment of God. The word to prophesy is capable of two meanings. One is foretell; in others words as inspired by God to tell of future events that have not been previously recorded. The other is forthtell; that's a preaching of the word that has already been written. The Word of God is complete today, so we only have forthtellers. They warn of events that are to happen that has already been recorded. Jeremiah was a foreteller; his prophecies were not previously known or recorded. The things he warned the people about are some of the same things we ought to be warned about today.

A man today that feels the call of God to preach the Word has to be careful not to let the world interfere with his messages. Jeremiah told the truth even though it was not the proper or popular thing to do. Today we need to hear the message: "WOE to the shepherd who destroys and scatters the sheep". Woe is a word used many times in the New Testament. It is used up to 10 times in the book of Revelation. Some of its meanings are: agony, anguish, curse, dejection, distress, gloom, heartache, misery, etc. None of these are things we want in our lives, so God's woe is to the shepherd that scatters the flock.

As we continue to study this chapter, we can see in verses 9-29 how strongly he denounces false teachers (preachers). To paraphrase, He says in V.9: My heart is broken because of the prophets; V.10: For the land is full of adulterers. Does this sound like our land? V.10 goes on to imply that nothing pleasant is left, only evil, because of the false prophets. Again does this sound like America? V.11 for both prophet and priest are profane; in others words they have crossed the threshold and polluted the Word of God. V.12: Therefore their ways will be slippery and disaster will be brought on them. I have heard all my life that compromising the Word of God is like being on a slippery slope. Once you are on it, it is hard to get off.

Jeremiah gives us the solution in verse 22: "But if they had stood in my council, and had caused my people to hear my words, then they would have turned them from their evil way and from the evil of their doings".

So, pastors/teachers, we need to hear the words of Jeremiah. We will be held accountable.

HEART MATTERS

By Angie Land

Happy Birthday America! Let's bear in mind the freedom we enjoy as citizens. Freedom is what we celebrate as Americans, and is indeed a powerful thing. However, anything powerful also brings a measure of risk and uncertainty. Yes, having freedom means that no one makes our choices for us, but this brings the liability of those choices…whether they produce blessing or suffering, the results are ours to claim. May we never cease to understand this truth.

Given that the driving force behind America's birth was religious freedom, it is strange that while our country is associated with independence, Christians have long convinced the world that we are anything but free. It is the common perception that Christians have a long list of impossible rules to live by, (hence their sour dispositions.) In his book "A Scandalous Freedom", author Steve Brown tells the following story:

Abraham Lincoln went to a slave market. There he noted a young, beautiful African-American woman being auctioned off to the highest offer. He bid on her and won. He could see the anger in her eyes and could imagine what she was thinking, "Another white man who will buy me, use me, and then discard me." As Lincoln walked off with his "property", he turned to the woman and said, "You're free."

"Yeah. What does that mean?" she replied.

"It means that you're free."

"Does that mean I can say whatever I want to say?"

"Yes," replied Lincoln, smiling, "it means that you can say whatever you want to say."

"Does it mean," she asked incredulously, "that I can be whatever I want to be?"

"Yes, you can be whatever you want to be."

"Does it mean," the young woman asked hesitantly "that I can go wherever I want to go?"

"Yes, it means you are free and can go wherever you want to go."

"Then," said the young woman with tears welling up in her eyes, "I think I'll go with you."

Galatians 5:1 says, "*It is for freedom that Christ has set us free. Stand firm then and do not let yourselves be burdened again by a yoke of slavery."* God gives us freedom because He wants us to choose Him. Picture this newly freed young woman living and perhaps even serving in Lincoln's home…not because she must, but because she chooses, out of gratitude and for her own protection. In her world, there would always be one waiting to take her back to slavery. No, she would not stay free on her own…and neither will we. Our culture and our own desires will lay the same trap for us, so if we want to stay free, we too will stay close under the protection of the One who grants our freedom!

God is after a relationship with you and me…not a list of rules. "*Where the Spirit of the Lord is, there is freedom."* (2 Corinthians 3:17) Healthy relationships always reflect freedom rather than bondage. Experience real freedom…it's your choice…because your heart matters.

Blessings, Angie
