

MURDERER BARELY ESCAPES LYNCHING

Italian Baker in New York Stabs Man To Death.

WOMAN WOUNDED IN THE FIGHT

Italian Escaped but is Soon Captured by Police and is Hurriedly Sent to Jail to Escape the Wrath of an Angry Mob.

New York, Jan. 19.—The custom of an Italian baker to leave his heavy delivery basket in the dark hallway of an east side tenement while he delivered his wares through the house, today, resulted in a quarrel in which Pasquale Totoriello, aged 45, was killed and his niece, Mrs. Maria Totoriello, aged 30, so badly wounded that she will probably not recover.

Both victims were stabbed. Mrs. Totoriello identified the baker, Salvatore Ferrari as the man who killed her uncle and caused her own injuries. He was captured a few minutes after the stabbing after a short, sharp chase by the police.

The baker had disregarded frequent warnings not to leave the basket in the hallway, where any one passing through would fall over it in the darkness. When the janitor himself fell over the basket today he decided to have the matter settled.

A quarrel followed, and Totoriello and his niece with to the janitor's assistance.

When Ferrari was captured a few minutes later and brought back to the cement house for identification, the officers and their prisoner were surrounded by an angry mob, and the policemen had to fight their way out.

FRENCH CABINET RESIGNS.

President Loubet Will Begin To Get New Members at Once.

Paris, Jan. 19.—The Combes ministry presented its resignation to President Loubet at the Elysee palace this morning, and the president accepted it, but asked the ministers individually to carry on their functions until a new cabinet is formed.

M. Loubet will begin the consideration of the formation of a new cabinet this afternoon. He has summoned the president of the senate, M. Fallieres, and the president of the chamber of deputies, Paul Doumer, to the Elysee for conferences. These conferences will determine whom M. Loubet will invite to form a ministry. M. Rouvier continues to occupy the first place, but his chances are less certain than of first, owing to the belief that a Rouvier cabinet would not last long on account of the international relations of the parliamentary groups.

New Companies in Chile.

New York, Jan. 19.—During last year, says a Herald dispatch from Valparaiso de Chile, 59 mite, agricultural and nitrate banking companies have been incorporated with a total capital of about \$30,000,000. Several foreign firms with \$8,000,000 capital, were also formed. Commercial and industrial enterprises of all kinds, representing hundreds of millions, continue to be organized. Nitrate exports and customs receipts show large increases.

Contest Filed Against Adams.

Denver, Colo., Jan. 19.—At a joint session of the two houses of the general assembly Tuesday afternoon to take action on the contest filed by James H. Proby for the office of governor, the contest of Adams for an extension until 2 o'clock Saturday afternoon of the time to submit an answer to charges made in the papers, was granted by a vote of 41 to 34. By the same vote the legislature decided to proceed at once with the taking of testimony in the contest.

Held Fraudulent Election.

Peabody, Colo., Jan. 19.—In a deposition Mrs. Blanche Shaw, presented in a hearing in the district court, charges that she assisted Chief of Deputies E. H. Wilson, in making out names of fraudulent registration and received pay from him for so doing. Mrs. Shaw has been in custody since the grand jury began investigating the election frauds, and the deposition was taken in order to secure her freedom.

Hearing Given Ex-Postmaster.

Valdosta, Ga., Jan. 19.—Deputy United States Marshal Goodwin returned from Brunswick, where he carried out Gilbert Meeks, the alleged defunct postmaster at Nichols, for a commitment trial. Meeks was arrested by Officerman, Saturday, without any trial and he and the officer went to Brunswick. The commitment trial was held before Commissioner Dunwoody and Meek's bond was set at \$2,500. His alleged short-coming had been \$2,000. The amount out from Douglas in relation to the bondsmen having settled seems to have been in controversy. It is doubtful if they will be held for the criminal proceedings against Meeks.

MORMONS STEER CLEAR OF LAWYERS

Declares Prof. Talmage Before Senate Committee.

SWAYNE TRIAL BEFORE HOUSE

Senator Smoot's Trial Still in Progress Before Committee—Impeachment of Judge Swayne is Being Argued by Members of the House.

Washington, Jan. 19.—When the Smoot investigation opened today before the senate committee on privileges and elections Professor James E. Talmage, of the Utah state university was sworn. He was born in England and has been a Mormon all his life. He testified that he is the author of the book called "Articles of Faith," which he prepared at the request of the first presidency. The book was approved and published by the church. He also revised the last edition of "The Pearl of Great Price." He was a member of the high council of Utah state in 1884. At the request of Attorney Worthington for Senator Smoot, Professor Talmage gave a detailed description of the organization of the Mormon church, together with the authority held by the various quorums.

The apostles as a body have no authority over the first presidency except in their advisory capacity, said the witness. Church courts were described and Senator Overman asked if the parties to suits in the church courts are permitted to have counsel. The witness replied that they do not have legal counsel as it is the purpose of the church to steer clear of the lawyers.

A number of letters showing the action of the church in appeals of land cases was shown to Professor Talmage. He identified the signatures and the letters were offered in evidence to prove that the church authorities seek to have disputes settled amicably, but that they do not prevent the taking into vicia court is such matters as involve questions of law.

In the House.

Washington, Jan. 19.—Argument in the Swayne case was opened in the house today by Mr. McCall (Mass.). The picture of a judge presented yesterday by Mr. Cockran (N. Y.), he said, though ideal was as unattainable as it was sublime. The argument of Mr. Palmer (Pa.) that we "either condemn or we do not condemn Judge Swayne for his actions," he did not believe valid. The constitution gives the house to right to impeach federal officers for treason, high crimes and misdemeanors. He reviewed briefly the charges against Judge Swayne and said he had no difficulty in reaching the conclusion that he should vote against all of the articles of impeachment.

In the Senate.

Washington, Jan. 19.—President Pro Tempore Frye, of the senate, today appointed Messrs Foraker and Gorman as tellers on the part of the senate to count the electoral vote on Feb. 8.

A bill authorizing the county of Sunflower, in Mississippi, to construct a bridge across the Sunflower railway, was passed.

Mr. Stone was then recognized to speak on his resolution for directing an investigation into the charges of election frauds.

Separated but Soon Remarried.

Harrisburg, Ill., Jan. 19.—Finding they could not live without one another after being separated by the courts for two months, J. S. Frier and Mrs. Jane Frier, 58 and 57 years of age respectively, were reunited in marriage by Justice J. O. Vinson. They had been married 36 years and lived happily until a few months ago, when the wife filed a suit for divorce in the Gallatin county court. Two months ago the decree was granted. Finding life unbearable without his companion of so many years, he wrote to her at Shawneetown, Ill., and told her so and asked for a reconciliation. She arranged a meeting in this city and they were married.

Trainmen Will Strike.

Philadelphia, Jan. 19.—W. G. Lee, vice grand master of the Brotherhood of Trainmen stated today that 95 per cent of the 12,000 members of the union had voted to give the grievance committee authority to call a strike of trainmen employed by the Pennsylvania Railroad company, if necessary, to secure the repeal of the company's order making firing by brakemen compulsory. This is the main grievance of the trainmen. The vote was counted in this city.

Pauper Leaves \$600,000.

Batavia, Ill., Jan. 18.—Daniel Matana, an eccentric old man, who died in his hut on the banks of the Fox river two months ago, and who for years had lived on the charity of kind-hearted neighbors, was possessed of property valued in probate court yesterday at \$600,000. For years the old man lived alone, having by his extreme frugality driven his wife and son from his home. His neighbors considered him a pauper, and neither wife nor son knew of his wealth.

SHIP BUILDERS GO OUT ON BIG STRIKE

All Work Suspended On Russian War Vessels.

SITUATION IS NOW THREATENING

Large Force of Military and Police Are Sent to the Scene—Reported Assassination of Trspoff Unfounded. News from Tokio.

St. Petersburg, Jan. 19.—Early this morning the employes of the Neva Shipbuilding works decided to support the strikers of the Putiloff and Franco-Russian works. Subsequently 12,000 of the men of the Neva works informed their managers that they had gone out on a general strike.

The situation is regarded as threatening.

The strike at the Neva works involves the suspension of the construction of submarine boats of the protector type, which was being carried out under the supervision of an American engineer, and also the work on two vessels similar to those of the volunteer fleet and several gunboats and torpedo boats, besides the preparation of war material urgently required for naval and military purposes. The completion of the gunboats and torpedo boats had been ordered within two months.

Large forces of military and police have been sent to the works. It is feared that the men employed at the Obukhoff steel works will join in the movement, thus adding 20,000 to the ranks of the strikers.

Unfounded Report.

St. Petersburg, Jan. 19.—The report circulated by a London news agency that General Trspoff, former chief of police at Moscow, had been assassinated while on his way to this city is unfounded.

The general has arrived in St. Petersburg.

News From Tokio.

Tokio, Jan. 19.—The Japanese captured the British steamer Rawtrej in Tsu straits yesterday morning. The vessel was carrying provisions, ship-building materials, etc., from Kiao Chou, the German port on the Shaung Tung peninsula, to Vladjostok. She was taken to Sasebo. The capture of another steamer is reported, but no details have been received. The prize court at Sasebo has not yet rendered decision in the cases of any of the captured steamers recently taken there for trial.

Tokio, Jan. 19.—The navy department announces that 17 officers and men were lost with the torpedo boat commanded by Lieutenant Nagali in the attack on the Russian battleship Sevastopol at Port Arthur, Dec. 14. The commander of the Japanese third squadron reporting the details of the night attack on the Sevastopol Dec. 14, said that while searching for the Russian ships a torpedo boat commanded by Lieutenant Nagala became lost from its companions and there was anxiety for the safety of the boat and crew.

A Japanese staff officers made the statement today that Japanese regulars accompanied the Russian raiders in their recent expeditions planned to cut the line of Japanese communications.

Ice Gorge at Louisville, Ky.

Louisville, Ky., Jan. 19.—The crest of the rise in the Ohio river which dislodged the gorge 4 miles above Louisville, and caused considerable damage to shipping, reached here today. One small pleasure steamer, one coal boat and a coal barge were torn from their moorings today, but were captured after a lively race, at the head of the canal. The steamer Morning Star, which was placed in a hazardous position by yesterday's crush of ice, was released today and taken into the canal for safety.

King of Bunco Men Dead.

New York, Jan. 18.—"Ike" Vail, for almost half a century known throughout this country and Europe as the "King of Bunco Men," is dead at the age of 70. He passed away under an assumed name at the home of his nephew in the Bronx and probably will be buried near his birth place, Fishkill-on-the-Hudson. Estimates as to the money accumulated by Vail during his palmy days agree that he must have taken considerably more than \$1,000,000, but he spent it quickly, and was finally driven to picking pockets.

Texas Courts Want Mrs. Duke.

Nacogdoches, Tex., Jan. 19.—District Attorney Imboden said tonight that he had asked the governor to secure requisition papers for Mrs. Alice Webb Duke on the indictment charging her with swindling E. A. Blunt by securing from him a loan of \$8,000 based upon false allegations that she and C. F. Taylor had purchased the Redfield tobacco farm from S. F. B. Morse, when, in fact, both she and Taylor had been legally warned not to set foot on the place. Mr. Imboden also states that Mr. Hobb, who built the house on Redfield, has \$1,500 due him.

E. H. Jones, Pastor M. E. Church, Grove, Md., writes: "About seven or eight years ago I had a very severe cold which physicians said was very near pneumonia, and which they afterwards pronounced consumption. Through a friend I was induced to try a sample of Foley's Honey and Tar, which gave me so much relief that I bought some of the regular size. Two or three bottles cured me of what the physicians called consumption, and I have never had any trouble with my throat or lungs since that time."
