## Good Health to the Children

Children especially are fond of dainties, and the housekeeper must look carefully to their food.

As good cake can be made only with good eggs, so also a cake that is healthful as well as dainty must be raised with a pure and perfect baking powder.

Royal Baking Powder is indispensable in the preparation of the highest quality of food. It imparts that peculiar lightness, sweetness and flavor noticed in the finest cake, biscuit, doughnuts, crusts, etc., and what is more important, renders the food wholesome and agreeable to young and old.

### Crystal Camp W. O. W.

And it came to pass that Dame, surnamed Carter, wandered off from his home in Ocala.

After some days of travel he came to the river called Crystal in the Land of Citrus.

Here is the place at which I shall gather together a large camp of the w.o.w.

And it came to pass that after several days' tarrying in the land of his friends the Crystalites they beseeched him, this man Dame, to aid them in getting timber for a camp of the w.o.w. Hence it will be seen that this man's fame as a w.o.w. had gone before him.

So rapidly was the timber of the forest brought in that Dame sent for some of his friends in the Land of the Marionites beseeching them to make haste to the Land of Citrus on the banks of the river called Crystal that they might be of service when the festive goat should make his appearance in the forest among the "green timber."

The Marionites hastened to the banks of the river called Crystal, and after a bountiful repast at the hotel called Elwin, proceeded to the Crystal forest where they found the goat in a more unruly mood than they had even guessed.

After much wrestling and a "warm" time, the unruly horned beast was conquered; not, however, without many "heated" pleadings from the candidates who had decided to wander into the forests of woodcraft.

And the commander of the council, named Bowman, arose to his feet and spake unto the gathered multitudes saying, "A feast is prepared for you; depart not therefore until ye have partaken thereof."

The feast was composed principally of bivalves gathered in the river called Crystal than which no land or sea produces finer.

This feast was prepared by this man Bowman, who is also ruler of the town named Crystal River.

And the hungry choppers followed their exalted ruler to the place of the feast and ate thereof with a determination to destroy it all.

In their work of destruction they failed, as the exalted ruler of Crystal camp had anticipated their hunger and provided enough for men of double their hunger and storage capacity.

After the feast two of the medicine men of the camp, named Armstrong and Davis, made straightway for the river which is called Crystal, saying, "Come this way all ye that would take a pleasant journey down the beautiful stream which is rightly named Crystal."

Verily, verily I say unto you, the way those Marionites scrambled to get aboard the pretty craft that was to carry them on their pleasure journey would make it seem that they had never set eyes on a body of water larger than the Sea of Caldwell near unto their home in the Land of the Marionites.

Therefore when the hours had started again to be numbered with one figure all decided that the time for rest had arrived and acted on the decision without a dissenting murmur.

The Marionites departed when the day broke for their homes, all declaring that the camp known as Crystal Number 120 w.o.w. was IT.

Crystal Camp No. 120 is composed of the choppers named hereafter: Hon. E. T. Bowman, C. C.; C. J. Blanton, A. L.; F. E. Weatherbee, banker; E. F. Vidal, clerk; H. E. Charpie, escort; C. W. Arnold watchman; J. S. Thornton, sentry; H. M. Taylor, camp physician; C. C. O'Neill, H. G. Miller and S. A. Fackler, managers; Wm. Holloway, Lem Turner, W. E. Arnold, W. S. Sweat, G. P. Parnelle, D. S. Ashburn, J. W. Turner, C. L. Furnis, C. Y. Barnes, A. F. Arkebaner, G. C. Edwards, T. S. Harvey, F. P. Gillooley, T. E. Head, J. B. Winn, J. K. Eubanks, J. W. Willis, J. J. Priest, L. S.

Waldron, W. S. Knight, J. C. Knight, R. D. Smith and J. M. Waddington. There were strange choppers in the camp of the Crystalites, among them A. J. Kinsey, of the town called Lakeland in the Land of Polk.

### In Honor of Mrs. Benjamin.

Friday afternoon Mrs. D. W. Davis entertained delightfully in compliment to Mrs. C. F. Benjamin, of Alexandria Bay, N. Y. Mrs. Benjamin was always very popular in Ocala and during her first visit home since her marriage she has been muchly feted, having been the guest of honor at quite a number of affairs.

The Davis home was beautifully decorated with dogwood, etc., and was very sweet and "woody." Mrs. Davis and her mother, Mrs. Piatt and Mrs. Benjamin received. The latter looked lovely in a gown of white voile and was very charming and gracious.

There were about thirty guests, and the party was very informal.

In the diningroom Mrs. W. W. Condon, Miss Annie Sharpe and Miss Edith Piatt served light refreshments.

During the afternoon Mrs. R. G. Blake, Mrs. M. C. Looney and Mrs. Harry Lapham sang and the afternoon was greatly enjoyed by Mrs. Benjamin and other guests.

Friday night Mr. and Mrs. W. W. Condon entertained Mr. and Mrs. Benjamin and several other friends at a beautifully appointed dinner.

### Proper Treatment of Pneumonia.

Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind, however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith of Sanders, Ala., who is also a druggist, says of it: "I have been selling Chamberlain's Cough Remedy and prescribing it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by the Anti-Monopoly Drug Store. m

### Close of the Revival Services.

The revival services which have been going on at the Baptist church for the last three weeks has closed and the Rev. M. F. Ham, who has been conducting them, departed for other fields, carrying with him the blessings and benedictions of those who were constant attendants at his meeting here.

An enthusiast himself, he aroused great interest, and standing room was nearly always at a premium at the nightly meetings.

Large accessions were made to the churches and a genuine revival spirit it was created.

Rev. and Mrs. Ham was followed the last night from the church to the hotel through the streets by a large crowd of young people, singing the songs made popular at his meetings, and the parting of the minister with young converts was truly an affecting scene.

We trust the good seed he planted in Ocala, finding lodgment in good soil, will steadily develop into an abundant and glorious harvest.

### Women's Kidneys.

Women are more often afflicted with kidney disorders than men, but attribute the symptoms to diseases peculiar to their sex, while in reality the kidneys are deranged. Nervousness, headache, puffy or dark circles under the eyes, pains in the back are signs of kidney trouble that must not be ignored or a serious malady will result. Foley's Kidney Cure has restored the health of thousands of weak, nervous, broken down women. It stops irregularities and strengthens the urinary organs. It purifies the blood and benefits the whole system. m

## WE EAT MEAT

To grow strong. Unless we get good meat we may as well let it alone. There is no strength in tough meat—instead of giving it takes strength to digest it. It pays to be careful in buying meat—be sure to get the best—tender and choice. Pay a little more if need be and put something in your stomach which will put flesh on your bones and strong blood in your veins.
