The Fair Changes Hands

Mr. R. C. Carter has disposed of the "Fair" to Messrs. Webb & Stamps, of Hawthorne, and these gentlemen will immediately assume charge of same, will put in a stock of dry goods and notions, making groceries a secondary consideration or side line.

Mr. Webb has been a merchant in Hawthorne for the past thirteen years, and Mr. Stamps for the past three years, and both gentlemen are thorough merchants.

This paper hopes them abundant success.

Mr. Carter will return to his position on the railroad, the attractions of which he found it impossible to overcome.

He made many friends during his stay in Ocala and it is hoped that he will make our city his headquarters.

Baby Show.

Don't forget the date of the great baby show, Thursday afternoon, April 13th. There will be three classes of babies, as follows:

Class A—All babies under one year old.

Class B—Babies from one to three years.

Class C—Babies from three to five. It is hoped that there will be a great crowd of babies present and lots of people present to witness the baby show.

We are requested to ask the Presbyterian ladies to bear in mind the contributions promised by them some time ago when this entertainment was first proposed.

PRaise FOR YOUNG IZLAR.

Wartmann and Sistrunk Booked For Prominent Positions.

Special to the Ocala Banner.

Tallahassee, April 4.—The mettle of both Wartmann and Sistrunk, comprising the Marion delegation, was pretty thoroughly tested in the house caucus last night and if the beginning is prophetic of the end Marion's old time strength in the Florida lower house will be restored. In the organization and contest for the various attaches Sistrunk and Wartmann had a hard proposition to face with two candidates for the only office for which Marion aspired, that of page. Young Valmore Izlar and George Reddick, both bright specimens of Marion's coming young men, were on hand. It was very soon developed that neither could be elected and it was very doubtful if even one could be should the other withdraw. However, the latter plan was decided upon. Reddick was the stronger of the two owing to the longer residence of his family in the state. The situation was placed before Izlar and he was allowed full choice, to remain if he desired and the delegation would continue to work and vote for him to the last or to withdraw and give Reddick, the small possible chance, as it seemed then, to get. Izlar proved his young democracy and manhood, withdrew and himself worked like a Trojan for his former competitor. His actions are today receiving the strongest praises of the delegation and others. Young Izlar will be heard from in the future.

But with all this the members from Marion won by the "skin of the teeth," Reddick receiving only 34 votes. He won on the first ballot but with not a single vote to spare. He was nominated by Ed Wartmann in a most eloquent little speech.

Both Wartmann and Sistrunk are slated for excellent committee appointments, the new speaker having both a high personal and political regard for them as well as being cognizant of their ability. Wartmann will probably be on the committee on roads and highways, military and finance and taxation. Sistrunk will undoubtedly be on the judiciary committee and take a most important part in its deliberations. He can practically, also, have his choice of other committees.

One thing should be a cause of congratulation this session, viz: the Marion delegation will work together in perfect harmony.

Charlie Moore, son of Rev. L. W. Moore, of Ocala, is here and a candidate for clerk of some house committee. His friends are working for him and he will probably be landed.

The Marion delegation have headquarters at the Bloxham hotel. Sistrunk's vagrancy bill and Wartmann's automobile bill are slated to create not a little interest.

Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine E. H. Wolfe, of Bear Grove, Ia., cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which affected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." Tydings & Company guarantee them at 50c. m

Rev. and Mrs. Charles Frederick Benjamin, who have spent the past six weeks in Ocala the guests of the latter's sister, Miss Annie Sharpe, and her uncle and aunt, Mr. and Mrs. McClymonds, left Wednesday for their home at Alexandria Bay, New York. Their visit in Ocala was a very delightful one to their friends as well as to themselves and it is sincerely hoped that they will return very soon. Mr. and Mrs. Benjamin were accompanied on their visit to Ocala by their young friend, Master Clyde.

The Meeting of The Card Club

Miss Jeanie Woodrow entertained the young ladies belonging to the card club Friday afternoon at the home of her sister-in-law, Mrs. D. S. Woodrow, who assisted her most charmingly. The others besides the club members present were Mrs. Albert Birdsey, Misses Mona Hiller, Shirley Montgomery and Edna Delp. There were four tables of progressive whist, about twenty rounds of this interesting game being played. Miss Mona Hiller won the prize for games and Miss Sara Harris, the prize for points. After the games an ice course was served.

Death of Mr. Lawson

Mr. J. O. Lawson, after a short illness, died at his room over the Seed Store late Tuesday night. He was fifty-two years of age and did a small merchandise business.

The funeral took place at the old cemetery Wednesday afternoon, Rev. L. B. Warren conducting the service. Messrs. Smith & Roberts were the undertakers in charge.

Mr. Lawson is survived by two daughters, Miss Cordie Lawson and Mrs. Taylor Strohmman, of this city, who have the sympathy of their friends in their bereavement.

A Ray of Light for Good Laws

Bright and Mrs. Bright's sister, Mrs. Murray and her beautiful little daughter Margaret, of Toronto, Canada, who have been spending the past four months in Ocala, left Saturday for their home. Mr. and Mrs. Caporal, also of Toronto, who have been with them for some time, will remain in Ocala for several weeks longer and will continue to occupy the cottage on South Third street that the Bright's have had for the winter.

Editor Henry Watterson, of the Louisville Courier-Journal, is visiting in France, Italy and Spain. He says that France is not bragging much about it but has 130,000 miles of good roads, while the United States, with all her hot air performances, outside of cities has only 3,000 miles of macadamized roads. We must get to work.

Yes, dear friends, continue to send in those "reminders" of allegiance and loyalty and affection so the good Ocala Banner may go on preaching the gospel of love, peace, tolerance and good government.

A Riddle.

What is that which is given,
Yet taken as well,
Which makes life a heaven,
Yet sometimes a hell?
Come, lovers; come, sweethearts,
The answer is this—
A sweet little,
Fleet little,
Neat little
Kiss!
—Walter Pulitzer, in Life.

A Daredevil Ride

Often ends in a sad accident. To heal accidental injuries use Bucklen's Arnica Salve. "A deep wound in my foot from an accident," writes Theodore Schuele, of Columbus, O. "caused me great pain. In electing editor Geo. W. Wilson, of the Times-Union, as president of the Florida Press Association, the association gets an executive head who is one of the "biggest of the bunch"—big in body, brain and heart. It would have been hard to make a better selection.—Pensacola Journal.

Mr. P. V. Leavengood went down to Tampa Tuesday afternoon, having been called there on account of the critical illness of his wife's little niece, Louise Schoefn. The little one is not expected to live.
