RESOLUTIONS

Adopted by the Bar of Ocala in Respect to the Memory of General Robert Bullock.

The death of General Robert Bullock, at his home in Ocala, Florida, on Thursday, July 27, 1905, brings unfeigned sorrow to the members of the bar of Marion county, with whom, with their predecessors, he had been intimately associated in various official relations, as well as a member of said bar, for fifty-six years.

General Bullock was a native of North Carolina, having entered upon a life of varied experiences in that state three score and sixteen years ago. Before attaining his majority he moved to this state, which has ever since been his home. In early manhood he was united in marriage to that most excellent woman, Amanda L. Waterman, who for fifty-two years was the joy and pride of his life, and whose death caused a heart to bleed, ceasing only when it beat no longer. They raised a large family, among the number being the honored judge of this judicial district.

While General Bullock was not to a great extent learned in that which is taught in the colleges, his strong mind was stored with that useful knowledge to be learned in the school of life; and this, with an eloquent and forceful delivery, placed him in the forefront of the public speakers of the state. He possessed the confidence of the plain people, and they heard him gladly. This confidence was gained because they knew him to be honest with them.

Probably no matter of great concern in this state in the past fifty years, shaping its history and destiny, but received the impress of his influence if for the good, and his opposition if he thought it bad.

He was an active soldier in the Indian war of 1856, a brave and efficient officer, moving from the rank of captain to that of brigadier general in the Confederate army; an efficient member of the 51st and 52nd congresses of the United States, besides holding, to the satisfaction of the people, several important official positions in this county, and at his death the incumbent of the county judgeship.

That the appreciation of the private life and public services of our distinguished citizen by the members of this bar, may be made a matter of record, and as expressive of our feelings, be it therefore

Resolved, That in the death of General Bullock Marion county has lost a faithful, efficient and upright official, and the state of Florida one of the most honored and distinguished citizens, whose wise counsel and successful services in the many places of high trust which were committed to him, whose superb patriotism and

unswerving devotion to high principles and the best interests of his state has left an unperishable imprint upon the times in which he lived and a fixed place in the hearts of his fellow citizens.

Resolved further, That in the true and spotless life which he lived through a long period of years, in which he touched at almost every angle the various experiences to which mortality is subject, he has left a record behind him worthy of emulation by all who wish the esteem of their fellow citizens while they live and an honored memory when they have passed off the stage of mortal existence.

Resolved further, That although not engaged in active practice, the members of the bar honor his memory and are proud to have his name enrolled among those of our profession, and point to his spotless integrity in all things as the chief characteristic which marks the career of every successful and honorable member of the legal profession.

Resolved further, That we tender our sympathies to the members of the family of the deceased, and join with them in their sorrow in this hour of their bereavement, but rejoice, as they too may do, in the fact that the shadows of the dark hour are illuminated by the memory of the bright and spotless record which General Bullock left behind him here and doubtless carried with him into the world beyond the veil.

Resolved further, That these resolutions be presented at the next term of the circuit court of Marion county, with request that they be spread upon the minutes of the court, and published in the newspapers of the city of Ocala, and in further honor of the memory of our deceased brother lawyer, and distinguished fellow citizen, we move that court stand adjourned for the day.

A Worm Killer.

J. A. J. Montgomery, Puxico, Wayne Co., Mo., writes: "I have little twins girls, who have been bothered with worms all their lives. I tried everything to relieve them which failed until I used White's Cream Vermifuge; the first two doses brought four worms from one of them, the next two doses, twelve, one of them measuring twelve inches; the other child was only relieved of four worms. It is a most excellent medicine."

White's Cream Vermifuge is good for children.

It not only destroys worms, it helps the child to perfect growth, wards off sickness. Sold by all druggists. m

She Obeyed Her Mother.

Mother—Why did you let him kiss you?

Edith—Well, he was so nice about it. He asked—

Mother—The idea! Have n't I told you you must learn to say "No?"

Edith—That's what I did say. He asked me if I'd be very angry if he kissed me?

A BASEBALL POEM.

BY SHORTY-NOT.

To and fro, to and fro,
Backward and forward,
Duval surprised the fans,
Fully two hundred.
Fast as a streak of light,
Darting from left to right,
Went the white ball.
Smoother than tongue can tell,
Every assist was swell,
Bravely they played it well—
Great pitcher, Duval.

Grounders to left of them,
Grounders to right of them
Pop ups above them,
Volleyed and thundered;
When the Used to Be's won out
Every soul there about
Gave them a mighty shout—
Fully two hundred.

Grounders to left of them,
Grounders to right of them,
High flies behind them,
Into their gloves come;
Nothing can tell them nay,
Nothing can come their way
Bothering them Friday,
From Camp to Crom.

When shall their glory fade?
Oh, the fine form displayed,
Like a backslider, swayed
Back from his high balls;
Yes, there were heaps of cause
For the prolonged applause;
Nothing escaped their paws—
From Welch to Duval.

Schneider at Back of them,
Duval in front of them,
Camp, Chambers, Anderson
And Gerig on the field,
While on the outfield
Welch, Bishop, Crom.
These are the ones who play
Baseball on Friday;
Oh, what a brave array
For Ocala fandom.

(With apologies to Tennyson.)
Come and see the game Friday,
August 4. Game called at 3:30 p. m.
Admission. 25 cents.
Meet me at the ball game.

Rheumatic.

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop. Sullivan House, El Reno, O. T., writes, June 4, 1902: "I take pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." 25c, 50c and \$1.00. Sold by all Druggists. m

Noble Gift to a Noble Cause.

Bishop Conaly, of the Roman Catholic church, says an Associated Press despatch, has received a check from a Los Angeles, Cal., man for \$225,000 as a donation to the Home of the Little Sisters of the Poor. The bishop declined to make known the name of the benefactor.

Peculiar Disappearance.

J. D. Runyan, of Buttrville, O., laid the peculiar disappearance of his painful symptoms, of digestion and biliousness, to Dr. King's New Life Pills. He says: "They are a perfect remedy for dizziness, sour stomach, headache, constipation, etc." Guaranteed at Tydings and Co. Price 25c. m

Wanted to be Correct.

A careful obituary writer, desiring to be exact, says: "It may have been 10 o'clock when he crossed the river; but we were not certain about it, as the clock had been losing time, and the only watch in the house was suffering from a broken mainspring."

Cures Sciatica.

Rev. W. L. Kiley, L. L. D. Cuba, New York, writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment; the first application giving my first relief. I can give it unqualified recommendation. 25c, 50c and \$1.00. Sold by all druggists. m

IN MEMORIAM.

The gentle spirit of Mrs. Elizabeth Grant Johnson, after a brief illness of less than two days, unexpectedly took its flight from its earthly tenement in a frail and sensitive body into the presence of her divine Redeemer on Monday morning, the 26th day of June, at Augusta, Ga.

Funeral obsequies, using the beautiful ritual of the Episcopal church, of which she was a member, with full organ and vocal church music, were held at twilight on the twenty-eighth, when the casket covered with daisies, and followed by friends, was removed to the train to be conveyed to Savannah, there to be interred in beautiful Laurel Grove cemetery, under the moss draped trees, by the side of loved ones who had preceded her to the life eternal.

During the latter years of her life, Mrs. Johnson, who had experienced the chastening of many sorrows, found congenial companionship, and a loving welcome in the home of her cousin, Mrs. Annie B. Hopkins, and she gave in return the love and gratitude of a loving heart. She entered with earnestness and enthusiasm into all the benevolent work of her philanthropic cousin as they planned and worked for the poor and friendless around Orange Lake, and later at a mission station at Augusta, Ga.

Like her blessed Master she loved to go about doing good to all she had opportunity.

She made many friends among those who esteemed her for her loving spirit and kindly deeds.

She had often expressed the wish that she might not survive the cousin whose hospitable home she shared, and God in his mercy granted this praying of her heart, and now in one of the many mansions of the blessed she awaits the coming of one who will hear the welcome plaudit, "Come ye blessed of my Father, inherit the kingdom prepared for you." * * * "Inasmuch as ye have done it unto one of the least of these my disciples ye have done it unto me."

A FRIEND.

Herbine

Renders the bile more fluid and thus helps the blood to flow; it affords prompt relief from biliousness, indigestion, sick and nervous headaches, and over-indulgence in food and drink. G. L. Caldwell, Agt. M. K. and T. R. R., Checotah, Ind. Ter., writes, April 18, 1903: "I was sick for over two years with enlargement of the liver and spleen. The doctors did me no good, and I had given up all hope of being cured, when my druggist advised me to use Herbine. It has made me sound and well." 50c at all druggists. m

Texas Talk.

Some of the produce commission men of the country are worse than the highway robber who holds his victims up at the point of a six-shooter and robs them of their money. They promise good prices until they get the truck growers' produce, then steal the proceeds outright.—Yoakum Times.

That is expressing it in very strong but truthful terms. Some reliable and equitable means must be found by which to market produce and protect the shipper from robbery before trucking will be a success.—Gonzales Inquirer.

A little son came to the home of Mr. and Mrs. M. M. Little Friday morning.
