Ocala House Millinery

MILLINERY AND HATS

And There's Your Difference Too!

MRS. MINNIE A. BOSTICK

Ocala House Millinery

ANNOUNCEMENT

We wish to announce to the public that we will close out our entire stock of Men's, Ladies' and Children's Shoes and Rubbers at cost.

We intend going out of the business soon to come early and get a good fit.

We guarantee an exceptional bargain.

STANDS LIKE A STONE WALL

Turns Cartwheels, Horses, Hogs—Is Practically Indestructible

If you are going to close your store now and want the building, or land, or you are going to build a store or warehouse, I have the building, land, and warehouse you need.

I am the man to build it for you.

I have the experience, knowledge, and skill to make it the best building you can have.

I will build it for you at the lowest cost.

I will guarantee it to last as long as you live.

I will guarantee it to be fireproof.

I will make it strong enough to withstand any storm.

I will build it so that it will never need painting.

I will build it so that it will never need repairs.

I will build it so that it will never need any work.

I will build it so that it will never need any labor.

I will build it so that it will never need any care.

I will build it so that it will never need any attention.

I will build it so that it will never need any expense.

I will build it so that it will never need any cost.

I will build it so that it will never need any trouble.

I will build it so that it will never need any worry.

I will build it so that it will never need any anxiety.

I will build it so that it will never need any care.

I will build it so that it will never need any labor.

I will build it so that it will never need any work.

I will build it so that it will never need any repairs.

I will build it so that it will never need any painting.

I will build it so that it will never need any stove.

I will build it so that it will never need any heating.

I will build it so that it will never need any water.

I will build it so that it will never need any gas.

I will build it so that it will never need any heat.

I will build it so that it will never need any fuel.

I will build it so that it will never need any light.

I will build it so that it will never need any power.

I will build it so that it will never need any money.

I will build it so that it will never need any labor.

I will build it so that it will never need any care.

I will build it so that it will never need any attention.

I will build it so that it will never need any expense.

I will build it so that it will never need any cost.

I will build it so that it will never need any trouble.

I will build it so that it will never need any worry.

I will build it so that it will never need any anxiety.

I will build it so that it will never need any care.

I will build it so that it will never need any labor.

I will build it so that it will never need any work.

I will build it so that it will never need any repairs.

I will build it so that it will never need any painting.

I will build it so that it will never need any stove.
