

THE Ocala BANNER.

The paper "Of the People, for the People and by the People."

ESTABLISHED 1866.

OCALA, FLORIDA FRIDAY, APRIL 19, 1901.

DOLLAR A YEAR.

MOTTO: THE BANNER, BELIEVING THOSE AT THE TOP WELL ABLE TO TAKE CARE OF THEMSELVES, HAS TAKEN ITS STAND IN THE BARRICADES WITH THE COMMON PEOPLE, AND ITS FIGHT WILL BE MADE FOR THE BETTERMENT OF THOSE AT THE BOTTOM.

Don't forget to see the dress goods for Easter at M. Fishel's.

Miss Minnie DeVane is the guest of her sister, Mrs. P. V. Leavengood.

Miss Wartmann, of Citra, was the guest of Miss Irma Porter this week.

Mr. Borland and Mr. Kyle Wartmann, of Citra, were registered in the city last Monday.

Our spring goods are arriving daily. Come and inspect them. They are beautiful. M. Fishel.

Mr. Will Sage was in the city Sunday and Monday, the guest of his brother, Mr. Charles Sage.

Pleasant Purgative Pellets contain no calomel. Nothing better. Price, 15 cents, at Tydings & Co's.

Ocala is an extremely peaceful and quiet city. There is rarely a scene of violence. Scandals are likewise rare.

If you want neat, artistic, up-to-date job printing call at the Ocala Banner job rooms or send in your orders.

Messrs. R. L. Anderson and Otis T. Green are in Tallahassee and will perhaps shed some side lights on the convict lease scandal.

The State Fair Association has fixed the time for holding the state fair in November so it will conflict in no way with the festivities of gala week.

Mr. John D. Buckalew, of Jamesburg, N. J., who has been spending the winter in Ocala, departed for his home last Tuesday. Ocala hopes that he will make his visits annually.

Miss Eva Haines, of this place, who left here several years ago to do missionary work, was married a few weeks ago in North Carolina to a Mr. Bell.

If troubled by a weak digestion, loss of appetite, or constipation, try a few doses of Chamberlain's Stomach and Liver Tablets. Every box warranted. For sale by Anti-Monopoly Drug Store.

One of the most important and interesting gatherings of the year will be the thirteenth annual convention of the Young People's Society of Christian Endeavor, which convenes at Daytona tomorrow.

Boys' knee pants in endless variety and at low prices, too. M. Fishel.

The Ocala Banner regrets to learn that Miss Nellie Beck has retired from the newspaper tripod. She is one of the most gifted and brilliant writers in Florida. Her quitting the profession is a loss to journalism.

Miss Agnes Burford returned to Ocala last Monday to complete her visit to her uncle, Hon. R. A. Burford. Miss Burford is a charming young lady and her friends are delighted to have her in Ocala again.

Borated Talcum Powder, nicely perfumed, 10c per box, at Tydings & Co's drug store.

Mr. S. B. Hubbard, Jr., has inaugurated a popular movement in Jacksonville—he is giving a half holiday to his employes on Saturday. His example will probably be followed by all jobbing and wholesale houses in the growing metropolis.

Terkeeween is the best liniment on earth. Sold and guaranteed by Tydings & Co.

Mr. Frank G. Perkins and Mr. Copley Amory were very much pleased with their inspection of the cassava fields in this county, and we have reason to hope that their visit will result in much good to those interested in the cassava industry.

Habitual constipation is the door through which many of the serious ills of the body are admitted. The occasional use of Prickly Ash Bitters will cure and remove this distressing condition. Anti-Monopoly Drug Store, special agents. 4-12

The Salvation Army will probably locate a colony near Miami. The colonizing schemes of the "army" have been quite successful in Colorado and other states and ought to be more so in the lovely section near the Sagie City. Already an Eden, what will it become with the life, tambourine and drum?

The Best Prescription for Malaria, Chills and fever is a bottle of Grove's Tasteless Chill Tonic. It is simply iron and quinine in a tasteless form. No cure, no pay. Price 50 cents.

Golf Tournament.

The golf tournament was held last Friday and Saturday afternoons, and was very successful.

On Friday afternoon there were nine entries for the gentleman's handicap. Those contesting were as follows: Messrs. Edward Hiller, H. A. Ford, G. K. Robinson, Hugh Haley, C. H. Lloyd, L. R. Chazal, Z. C. Chambliss, T. T. Monroe and D. S. Williams.

The first prize was won by Mr. Edward Hiller, who made the links in 68 strokes, handicap 29, net score, 39. Mr. Hugh Haley made it — strokes, handicap, —, net score, 53, winning the second prize.

On Saturday afternoon the following were the entries for the ladies' handicap: Misses Esther Weathers, Emily Ford, Emily Stotesbury, Louise Gamsby, Minnie Gamsby, Claude Bond, Mona Hiller, Margaret Eagleton, Hazel Hiller and Ethel Robinson.

The first prize was won by Miss Louise Gamsby, scratch, whose score was 85. The second prize was awarded Miss Emily Stotesbury, scratch, whose score was 88.

These contests will be held once a month from now on during the summer, for the encouragement of the players.

The Ocala links are rapidly becoming very popular, and the membership of the club gradually increasing.

Anyone wishing to become a member can consult Mr. David S. Williams, secretary of the club.

The Best Remedy for Rheumatism—Quick Relief From Pain.

All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks, of Troy, Ohio, says: "Some time ago I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies but got no relief until I was recommended by Messrs. Geo. F. Parsons & Co., druggists, of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me that it is the best remedy for muscular rheumatism on the market." For sale by the Anti-Monopoly Drug Store.

Prominent Visitors.

Ocala has been honored with the presence of quite a number of republican officials during the week.

We name Hon. J. N. Stripling, United States district attorney for the northern district of Florida; Hon. John F. Horr, United States marshal, same district; Hon. Walter G. Robinson, register, United States land office, Gainesville; Hon. —, Gibbens, law partner of Hon. E. R. Gunly, of Tampa; D. H. Peacock, deputy United States marshal, and others.

We do not know what, if any, is the political significance of the visit of these distinguished gentlemen.

Perhaps they were here estimating the value to Ocala of a public building.

Of course it goes for the saying that Ocala will pocket the public building at the next session of congress.

White Man Turned Yellow.

Great consternation was felt by the friends of M. A. Hogarty, of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was yellow jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all stomach, liver and kidney troubles. Only 25c. Sold by Garrett & Gerig Druggists.

Whist Club Entertained.

Last Friday afternoon the Young Ladies' Whist Club held its first meeting in some time, having been suspended during Lent. They were entertained in a most delightful manner by Miss Claude Bond. Whist was played until quite late, when delicious refreshments were served. The club prize, a handsome picture, was won by Miss Florrie Crook, and the visitor's prize, a copy of "The Cardinal's Snuff Box," was captured by Miss Mary Platt. The club will meet this afternoon with Mrs. D. S. Woodrow.

You Know What You Are Taking

When you take Grove's Tasteless Chill Tonic, because the formula is plainly printed on every bottle, showing that it is simply Iron and Quinine in a tasteless form. No cure, no pay. 50c.

In Memoriam.

The following resolutions were passed by the Ocala Lodge No. 19, Knights of Pythias:

WHEREAS, The Supreme Ruler of the Universe in His wisdom has seen best to remove from our midst our friend and brother, Charles J. Garrett, and, whereas, we know that He doeth all things well, therefore be it

Resolved, That we deeply deplore the death of our brother and shall miss him from our presence, but that we bow with humble submission to the will of our Supreme Ruler.

Resolved, That we extend our heartfelt sympathy to the wife and other loved ones of our departed brother in this bereavement.

Resolved, That a copy of these resolutions be spread on the minutes; a copy sent to his bereaved family, and a copy furnished the papers for publication.

Overland to Missouri.

Mr. B. F. Hall, a prominent farmer of this county, and a subscriber to the Ocala Banner, has exchanged his farm between Ocala and Fellowship for property in Missouri, and he and his three boys left for their new home overland in a covered wagon this week.

Mr. Hall expects to make the trip in about two months. He will save railway fare—about \$125—will see a good deal of country, and when he reaches his new home will have a good wagon and team with which to begin operations.

He sent his wife in advance by rail to get the home in order.

The best wishes of the Ocala Banner go with these good people.

Hospital Removed.

The directors of the Marion County Hospital have rented the Duffy property, just opposite the Finch house, in the fourth ward, and are having the same fixed up for the hospital. Several hundred dollars are being spent in repairs. The hospital will have its own kitchen and dining room and various other conveniences. In about three weeks it will be ready for occupancy, and the furnishings will be moved to it from the Baptist Witness building, where the hospital has been located for several years.

The Best Blood Purifier.

The blood is constantly being purified by the lungs, liver and kidneys. Keep these organs in a healthy condition and the bowels regular and you will have no need of a blood purifier. For this purpose there is nothing equal to Chamberlain's Stomach and Liver Tablets. One dose of them will do you more good than a dollar bottle of the best blood purifier. Price 25 cents. Samples free at the Anti-Monopoly Drug Store.

Ocala's Contemplated Sugar Mill.

Major Charles H. Campbell, so well known throughout the state, and who gave life and impetus to the Ocala Exposition, now proposes another grand enterprise for Marion county in the establishment of a sugar mill, with a capital stock of \$10,000. With such spirit and determination to back it, the enterprise is an assured success.—Jacksonville Floridian.

A Delightful Dance.

Last Friday night the young gentlemen of the Nine O'Clock German Club gave their young lady friends a most delightful dance in the Ocala House parlors. There were eight couples participating and a number of spectators present. It was the last dance of the season and was thoroughly delightful in every particular.

COOL YOUR BLOOD

In All Cases of Itching
Burning and Scaly
Humors with

CUTICURA RESOLVENT

Of all the remedies for cooling and cleansing the blood and circulating fluids of itching, burning, scaly humors, none approach, in specific action, the wonderful properties of CUTICURA RESOLVENT. It neutralizes and resolves away (hence its name, Resolvent) scrofulous, inherited, and other humors, which float in the blood, and which give rise to swellings of the glands, pains in the bones, and torturing, distiguring eruptions of the skin and scalp, with loss of hair.

CUTICURA RESOLVENT extends its cooling, purifying influence by means of the pores to the surface of the skin, allaying irritation, inflammation, itching, and burning, and soothing external humors, because of its power to neutralize HUMOR-GERMS which float in the blood and circulating fluids. It exerts a purifying influence upon the bowels, liver, and kidneys, thus removing a common cause of yellow, mothy, greasy skin, and more or less of pimples, blotches, and blackheads. Many forms of debility, for which no cause can be discovered, are due to the presence of humors in the blood, bones, and fluids. CUTICURA RESOLVENT possesses, in the highest degree, *humor expelling properties*, and at the same time acts as a gentle aperient, diuretic, and digestive. It promotes the general health, while insuring the expulsion of humors which manifest themselves in the obscure forms of rheumatism, gout, kidney pains, and liver troubles.

Mothers are assured of the absolute purity of CUTICURA RESOLVENT and its freedom from any ingredient that is in the least objectionable in action, taste or odor. It is therefore readily taken by children of all ages and conditions, and should be freely given on the first appearance of humors, whether simple, scrofulous, or hereditary. It is also a mother's remedy, regulating and strengthening the maternal functions, while purifying the system of ulcerative weaknesses and humors.

It is economy to take it on every occasion possible, while using warm baths of CUTICURA SOAP to cleanse the skin of crusts and scales and soften the thickened cuticle, and gentle applications of CUTICURA Ointment to allay itching, inflammation, and irritation, and soothe and heal externally, as the readiest means of insuring speedy, permanent, and economical cures, and realizing that greatest of human blessings, "a skin without blemish and a body nourished with pure blood."

Complete External and Internal Treatment for Every Humor, \$1.25. Consisting of CUTICURA SOAP (25c.), to cleanse the skin of crusts and scales and soften the thickened cuticle; CUTICURA OINTMENT (50c.), to instantly allay itching and irritation and soothe and heal, and CUTICURA RESOLVENT (50c.), to cool and cleanse the blood. Sold throughout the world.
