THE BEST REMEDY FOR FLUX.

Mr. Joan Mathias, a well known stock dealer of Pulaski, Ky., says: "After suffering for over a week with flux, and my physician having failad to relieve me, I was advised to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, and have the pleasure of stating that the hair of one bottle cured me." For sale by J R Farrior.

Farrior.

Section Foreman Williams is now engaged in putting the roadbed through town in better fix than it has ever been; we are glad to note the improvement, but it will be needed that way to be in keeping with the new brick depot.

Did the Executive committee meet? If so, what did they do? We heard the met and made one "resolve," adjourned sine die, and—well, the responsibility rests on them. Probably some had rather be beaten than to preserve harmony.

Messrs. W. T. Duncan, T. J. Watts, A. L. Thornton and P. R. Bettison, were in the city Tuesday, and we are told they were here to look out a site for a new depot; we hope such was their mission and that they succeeded, for if a place ever needed one, Chipley is that place.

Maj. A. Lewis, the tobacco kink of Bonifay was with us saturday. The Major says, notwithstanding the storm he yet has some of as fine tobacco as can be shown anywhere; his crop, on the land and in the barns, has been examined by experts from Gadsden county, and pronounced as good as the best.

Mr. J. H. We enjoyed the time spent with him very much,

VERNON DOTS.

Very heavy rains have visited this section almost every day for past two weeks. The storm destroyed the prospects for fodder and cut short the corn crop.

The Democratic Executive Committee met Monday, but transacted very little business of importance.

Mr. G. L. Bledsoe had quite a footrace trying to catch a negro the Deputy Sheriff left in his charge until he could get the jail keys, last Saturday. The "scared nigger" distanced his pursuer with ease, and escaped

The steam mill is running regularly and a large gin house is being erected to be ready for the fall cotton.

Mr. J. W. Howell is on Pine Log looking after his drive of some ten thousand logs and since the rains began he is beginning to wear a smile, as it was all that he needed to be successful with his year's contract.

The King Naval Stores Co. are having quite a number of small "shacks" built for their laborers to stay in for the fall cutting of boxes.

With a few exceptions of chills, our community is unusually healthy, as our idle physicians prove.

Your Vernon correspondent was sick two weeks ago but is hearty again, and will let you hear from us pretty regularly in the future.

About one month ago my child, which is fifteen months old, had an attack of diarrhoea accompanied by vomiting I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and it was under his care for a week. At this time the child had been sick for about ten days and was having about twenty-five operations of the bowels every twelve hours. and we were convinced that unless it soon obtained relief it would not live. Chamberlain's Colic Cholera and Diarrhoea Remedy was recommended, and I decided to try it. I soon noticed a change for the better; by its continued use a complete cure was brought about and now it is perfectly healthy. C. L. Boggs Stumptown, Gilmer Co., W. Va. For sale by J. R. Farrior.
