A VILLAGE BLACK SMITH SAVED HIS LITTLE SON'S LIFE.

Mr. H. H. Black, the well known village blacksmith at Grahamville, Sullivan Co. N. Y. says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had doctors, and used many medicines but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tongue mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drugs and may be given as confidently to a babe as to an adult. For sale by Dr. J. M. Jones.
