SANDWICHES

When in doubt about refreshments for the summer party, serve sandwiches—light, leafy combinations that can be prepared in advance without giving up a feeling of refreshment.

If you are after more bite in your sandwiches, you might try the following concoctions:

- For a white bread with a green kick, add 
  dill pickles, red pepper, and green pepper and 
  cream cheese to a patty of green leaf lettuce.
- For a yeast roll with chicken and cheese filling, add 
  chilies, jalapenos, and fresh green peppers for 
  a spicy taste.

HOME-MADE THOUGHTS

For a good laugh, try these:

- There's nothing like a good laugh for 
  making money.
- Money is not the only thing worth 
  having. God has given us a tremendous 
  wealth of other good things.

BUse BUSINESS

If you fail to see a friend for a 
long time, your interest in that 
friend tends to be weakened. When 
people come in to take the place 
they like to, they will feel more 
connected and be more likely to see 
their friends again.

The most surprising��d is not the 
people who come in but the people who 
leave. They may go to a new place, 
and the chances are that they will 
not return. The key to this is to 
make sure that people feel 
comfortable and welcome.
