ECZEMA REMEDY.

DANVILLE, PA., Jan. 7th, 1902. The Hancock Liquid Sulphur Co., Baltimore, Md.

Gentlemen: I have had an aggravated case of eczema for over twenty-five years. My hands were unsightly a great part of that long period. I have used seven fifty-cent bottles, and one jar of your Sulphur Ointment, and now I feel as though I had a brand new pair of hands. My case has been such an aggravated one; it has cured me, and I am certain it will cure any one if they persist in using Liquid Sulphur according to directions. BUTLER EDGAR.

The customary breeze delayed its coming until a late hour, but it arrived at last and relieved the oppression. Miss Carter is making quite a success of her boarding house. She does this as she does everything else—with her whole heart in it. What a pity that she is not still at the head of our schools. She has the great faculty, so necessary to successful teaching, of bringing out all there is in a pupil, and making them self-reliant. Dr. W. L. Hughlett expects to leave in a few days to attend the American congress of tuberculosis, which convenes in New York city on June 2nd, as one of two delegates from Florida, the other being Dr. Liel, of Jacksonville. The colonel says he would like to spend the summer here, but the women folks want to go home. He has his little granddaughter, Miss Sophia Baldwin, with him the past season. The early fall will find them back again.

How To Gain Flesh

Persons have been known to gain a pound a day by taking an ounce of SCOTT'S EMULSION. It is strange, but it often happens. Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, which he could not do before, and that is the way the gain is made. A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

Scott's Emulsion. The little Jimmie, the baby boy of Mr. J. P. Cooper, after a lingering illness, passed away into the great beyond to await the coming of the loved one behind. It is a golden rule in the which reaches from the court here. Send OTT & BOWNE, 100-115 Pearl Street, New York.
