A DRAGON HUNT.

It Took Place In Turkey and Was a Great Success.

"Yes, I wunst hunted dragons, and the hunt was successful, too," said a sailor.

"It was in Eyoub, the native quarter of old Constantinople. I lived there with my wife, a Circassian gal, Fatmah by name, and, comin' home from the calf one night"—

"Calf?"

"Sure! Calf. Don't you know what a calf is? Kind of restaurant where you eat and drink and smoke. But where was I?"

"You were coming home."

"Well, as we come home from the calf Fatmah grabbed my arm, pointed to the moon and give a loud yell. The full moon behind the domes and minarets was goin' into an eclipse. I laughed, but Fatmah says:

"'A dragon, O my beloved,' she says. 'Is tryin' to devour the moon!' she says. 'If the faithful slay it not, there will be no more moonlight,' says she—'never!'

"Then, by tar, begun the biggest racket I ever hear. All Eyoub was on a dragon hunt. From every housetop the faithful fired blunderbusses at the moon in the hope of killin' the dragon.

"When we got home I tried to explain to Fatmah what an eclipse was, but she thought I was laughin' at her. So I gave up my explanations, and, with a pistol, each of us joined in the hunt, bangin' away at the dragon from the winder turn and turn about.

"By crinus, we got him! The hunt was a success! The dead dragon dropped off the moon, and she floated round and silvery wunst more, above the palms and minarets standin' black agin the pale sky.

"Fatmah claimed it was her shot what landed him, but I was always convinced it was my own."—New Orleans Times-Democrat.

THE TREATY TREE.

Where Penn and the Delaware Chiefs Exchanged Tokens.

The "treaty tree," the original American Hague, where our first peace congress was held, with William Penn on the one side and the Delaware chiefs on the other, was a mighty elm that stood at Shackamaxon, on the banks of the Delaware river. Kensington, one of the suburbs of Philadelphia, now surrounds the spot.

As was customary on such occasions, the parties to the treaty exchanged belts of wampum, and the belt said to to have been given Penn on this occasion is now in the collection of the Pennsylvania Historical society. It consists of eighteen strings of black and white beads, and in the center are two figures, representing a European and an Indian, with hands joined in friendship. In exchanging tokens with the chiefs Penn said:

"The friendship between you and me I will not compare to a chain, for that might rust, or the falling tree might break. We are the same as if one man's body were to be divided into two parts. We are all one flesh and blood." When the Indians handed Penn the wampum belt of peace they said:

"We will live in love and peace with William Penn as long as the sun and the moon shall endure."

The treaty tree was blown down in a windstorm March 10, 1810. Its age, estimated by rings, is 283 years. The William Penn society erected a marble column upon the site as a permanent monument.—Kansas City Star.

The Overtired Conductor.

When the horse cars were in existence there was a greenhorn known as John who conducted on the Thirteenth and Fifteenth street lines. He boarded with his two aunts, who lived on Catharine street, between Thirteenth and Broad. One day his aunts thought they would take a ride with John and see how he was getting along, so they waited for his car. Soon the car began to get crowded and passengers got off and on at every square. John began to get angry. At last he became so exasperated at having to stop so often that when an old lady asked him to stop at Chestnut he bawled out: "I'm darned sick and tired pulling the bell. It's nothing but stop here and stop there, stop here and stop there. Away with youse all down to Catharine street with me aunts, and you get out in a bunch."—Philadelphia Ledger.

Two of a Kind.

"Come, come," cried the brusque and hustling real estate man, "why do you pay rent when you might own a home?"

"I—I don't pay rent," replied the startled stranger.

"Then you own a home?"

"N-no."

"That's strange. May I ask your business?"

"I'm a real estate dealer."—Cleveland Plain Dealer.

Taking the Count.

James—I wish you hadn't told father to count ten when angry. Mother—Why? James—He has time to get the switch. He used to use his hand when he licked me.—New York Journal.

FAY-SHOLES TYPEWRITER

Acknowledged the best machine on the market
Equipped with

UNIVERSAL KEYBOARD

Has Tabulator on every machine.

Lightest shift, lightest running. The champion speed writers of the world use the Fay-Sholes. More Fay-Sholes in use in Florida than any other machine. For sale by

R. C. DAVIS & Co.,

Jacksonville, Florida.

Furnished Rooms for Rent

With or Without Board

Located right on the Indian River near the Inlet and the best fishing.

We need a **Rider Agent** in every town and can offer an opportunity to make money to suitable young men who apply at once.

$8.50 PUNCTURE-PROOF TIRES ONLY $4.80 PER PAIR

Regular Price $8.50 per pair. To Introduce We Will Sell You a Sample Pair for Only $4.80 NAILS, TACKS OR GLASS WON'T LET OUT THE AIR (CASH WITH ORDER $4.55)

NO MORE TROUBLE FROM PUNCTURES.

Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

Notice the thick rubber tread "A" and puncture strips "B" and "D," also rim strip "H" to prevent rim cutting. This tire will outlast any other make—SOFT, ELASTIC and EASY RIDING.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is $8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only $4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price $4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.

DO NOT WAIT but write us a postal today. DO NOT THINK OF BUYING a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.

HEAD CYCLE COMPANY, Dept. "J L" CHICAGO, ILL.
