UNALTERABLY OPPOSED

To His Daughter's Marriage, a Kentucky Farmer Obtruded a Funeral on the Nuptials

Telling his daughter, Mable, that her marriage would be more than he could bear, the old man went out in the yard and blew off the top of his head with a shotgun.

is especially adapted for turpentine men, sawmill men, or any one where a temporary fire-place is needed. The cut herewith gives a front view of this invention and shows how same can be attached to any frame building, either where fire-place would be built, or can be set in window.

It is made of the best galvanized steel, is light, strong and durable. This portable fire-place can be moved from place to place and taken down or set up in a very few minutes, thereby saving an expense which would incur in making a chimney of sticks and mortar or brick.
