What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription."

The answer is that "Golden Medical Discovery" is a most potent alterative or blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia), bowels (as mucous diarrhea), bladder, uterus or other pelvic organs. Even in the chronic or ulcerative stages of these affections, it is often successful in affecting cures.

The "Favorite Prescription" is advised for the cure of one class of diseases—those peculiar weaknesses, derangements and irregularities incident to women only. It is a powerful yet gently acting invigorating tonic and nervine. For weak worn-out, over-worked women—no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formulæ of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines.

The words of praise bestowed on the several ingredients entering into Doctor Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native, American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.

PIMPLES

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing at last. My face was full of pimples and blackheads. After taking Cascarets they all left. I am continuing the use of them and recommending them to my friends. I feel fine when I rise in the morning. Hope to have a chance to recommend Cascarets."

TERRIBLE CRIME OF A WISCONSIN MAN

Shot His Sweetheart's Mother as She Stood at the Church Door

Oakfield, Wis., June 3.—At the close of Sunday's services at the Methodist church Grant Pool, 35 years old, shot and killed Mrs. E. H. Orvis as she was shaking hands with Rev. Sabin Halsey, pastor of the church, who was standing at the vestibule door to greet members as they left the church.

Pool had occupied a pew directly in front of Mrs. Orvis and he followed her to the door. As Mrs. Orvis grasped Rev. Halsey's hand Pool drew a revolver and fired three shots in rapid succession. One bullet entered the woman's heart, causing instant death. Mrs. Orvis fell into the arms of her husband.

Rev. Halsey asked the congregation to remain and offer a prayer for the woman. The communicants, however, were so startled that they fled from the church. The pastor remained and prayed over the body. Pool fled from the church and was arrested.

For some time Pool had been trying to win the affections of Miss Grace Orvis, 25 years old. The parents informed Pool of their objections to his attentions to the daughter, and it is thought that this was the cause of the murder.

BANK ROBERS IN KANSAS

Cuba, Kan., June 3.—Four men robbed the State Bank of Cuba yesterday and escaped with between $6,000 and $8,000 after a fight with citizens. No one was shot. Posses are in pursuit.

After the vault had been ransacked, the robbers went to the Rock Island depot and intimidating the agent by a display of their revolvers, set the signal to stop the fast mail, which was about due. They evidently intended to board the train and escape. The train was late, however, and tired of waiting, the robbers boarded a hand car and disappeared in the direction of Belleville. The robbers all wore masks.
