

Dr. Pierce's Favorite Prescription

Is a non-secret, non-alcoholic and most potent invigorating, restorative tonic and strengthening nervine, especially adapted to woman's peculiar requirements by an experienced specialist in the treatment of her diseases.

Nursing mothers will find "Favorite Prescription" especially valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a priceless boon to prepare the system for baby's coming and to render the ordeal comparatively easy and painless.

Over-burdened women in all stations in life whose vigor has been undermined by exacting social duties, over-work, frequent bearing of children, will find "Favorite Prescription" the greatest strength giver ever employed. It can do no harm in any state or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, backache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary specks or spots floating before eyes, have disagreeable, pelvic catarrhal drain, ulceration, prolapsus, anteversion, retroversion, or other displacements of womanly organs from weakness of parts, will, whether they experience many or only a few of the above symptoms, find relief and, generally, a permanent cure by using faithfully and fairly persistently Dr. Pierce's Favorite Prescription.

This world-famed specific for woman's weaknesses and peculiar ailments is a pure glyceric extract of the choicest native, medicinal

roots without a drop of alcohol in its make-up. All its ingredients are printed in plain English on its bottle-wrapper and attested under oath. Dr. Pierce thus invites the fullest investigation of his formula knowing that it will be found to contain only the best agents known to the most advanced medical science of all the different schools of practice for the cure of all woman's peculiar weaknesses and ailments.

Dr. Pierce's Lotion Tablets and Antiseptic Suppositories may also be used with great advantage conjointly with the use of the "Favorite Prescription" in all cases of ulceration, and in pelvic catarrh. They cost only 25 cents a box each, at drug stores or, sent by mail, post-paid on receipt of price in stamps by Dr. Pierce whose address is given below.

If you want to know more about the composition and professional endorsement of the "Favorite Prescription," send postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for his free booklet treating of same.

You can't afford to accept as a substitute for this remedy of known composition a secret nostrum of unknown composition. Don't do it.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put-up by old Dr. Pierce over 40 years ago. Much imitated, but never equaled. They cleanse, invigorate and regulate stomach, liver and bowels, curing biliousness and constipation. Little sugar-coated granules—easy to take as candy.

BROUGHT HOME TO BRITONS

The Yellow Peril Making Itself Felt in the Streets of London

London, June 4.—The problem of Asiatic labor, which has been a source of great trouble recently in Canada, Australia, South Africa and other parts of the empire, has now been brought closer home. At the present time there is serious trouble in the East End of London owing to the engagement of Chinese crews for British ships, and within the last week or two desperate riots have been prevented with the utmost difficulty.

The difficulty has arisen, over the action of several shipping firms in engaging Chinese crews, to the exclusion of British and other European sailors, some hundreds of whom have not had a ship for months past.

The National Seamen's and Firemen's Union has taken the matter up and is picketing every shipping office where Chinamen are dealt with. In the house of commons, Mr. Havelock Wilson, one of the labor members and himself an officer in the seamen's order, asked the government for particulars in regard to the recent disturbances. Mr. Churchill in reply said that the recent unusual increase in the number of Chinese seamen shipped in the United Kingdom ports was receiving prompt and searching attention and must be regarded as a matter of serious concern. Any case in which sufficient evidence was available of a boarding house keeper having supplied a crew, Chinese or otherwise, would be considered with a view to legal proceedings.

The object of shipowners in shipping Chinese crews, the leaders of the union assert, is to have men serving whose accidents are not likely to lead to compensation claims. To this it is added that the Chinese on an average accept a lower rate of wages than the Europeans, as well as a cheaper dietary scale.

SOUTH LAKE WEIR

The Atlantic Coast Line has added a passenger coach to the local morning freight between Leesburg and Ocala, the coach being left at Ocala during the day and returning by the evening freight. This is a convenience which is highly appreciated by the traveling public. The fare between Weirsdale and Ocala has been reduced five cents each way, while the fare between Weirsdale and Jacksonville has been increased considerably. Truly, the ways of the railroads are, like those of the Almighty, "past finding out."

Mrs. Eugene H. Gates has gone to Green Springs, on Old Tampa Bay, where she will conduct the music for the hotel there for the season.

The high wind of last week leveled a large number of pines on our road to Weirsdale, several of which fell across the road.

C. S. Gates, F. Lytle, S. Lehman and E. S. Upham attended the land sales in Ocala on Monday.

Mr. Wm. Stapp of Oxford was a visitor in town a few days since, looking after the interests of Wilson & Toomer's fertilizers, of which he is agent.

We hear many expressions of satisfaction at Mr. W. D. Carn's nomination to the legislature at the recent primary. Mr. Carn as superintendent of schools has been very popular with our people, and has many friends, and so far as we know, no enemies, in this part of Marion.

The melon growers are shipping their crop right lively now. Mr. Joseph Johnson sent out three cars a few days since which we hear spoken of as being the finest in the place. Mr. J. F. Sigmon, the Groff brothers, Mr. Nelson Williams and Mr. Paris Hector are also in the swim, but there is a general complaint of short crop and small melons on account of dry weather.

The contest between Messrs. Edwards and Galloway for the position of sheriff looks to many in this section like one between good beef and bad whiskey.

Mrs. J. E. Adams started on Wednesday for her old home near Greenville, Georgia, for an extended visit. She was accompanied by her son, Mr. B. Frank Adams, who has secured a position in a hotel in Greenville.

The union Sunday school will observe Children's Day next Sunday with appropriate exercises, including an address by the beloved pastor, Rev. Lawrence Jones, commencing at 10 o'clock a. m.

A number of good showers the past week have been greatly appreciated and materially improved the prospects for the fruit and other crops.

Mrs. S. L. Bowen, of Wayne, W. Va., writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did I could not walk straight. I took Foley's Kidney Remedy. One dollar bottle and part of the second cured me entirely." Foley's Kidney Remedy works wonders where others are a total failure. Sold by all druggists.

SUPERVISOR OF REGISTRATION

To the Democratic Voters of Marion County—I have been urged by many friends to become a candidate for supervisor of registration, and have decided to enter the race. My record is well known. My official acts while sheriff of the county and my character as a citizen and a democrat are probably known to most of you.

I wish to emphasize the fact that if you elect me to this office the business will be attended to by myself in person.

Furthermore, nothing shall be done in the office to favor any particular individual, party or faction, but all shall receive absolutely just and impartial treatment.

While the salary of this office is very small, yet under the law the supervisor has great power and it is of the utmost importance to every citizen that this power should be administered with justice and with care for the rights of all.

The people of this county have been kind to me in times past and this I greatly appreciate. If elected, I will do what is right to all concerned.

I hereby announce myself a candidate for the office of supervisor of registration, subject to the primary of June 16th, 1908, and will appreciate the support of my fellow citizens.
