

**THE LAKE WEIR DISTRICT**

**Oranges and Grapefruit Thrive and Vegetables and Melons Are Also Grown—Growers at Half a Dozen Places**

(Staff Cor. New York Packer.)

Lake Weir, Fla., July 31.—Lake Weir is always one of the interesting places for all people who love nature and nature's perfection in water, forest and lands, cultivated or wild. Lake Weir is located about midway between Ocala and Leesburg. Beautiful Lake Weir country has not a superior in Florida as a resort for pleasure or an advantage for horticulture or agricultural productions. Lake Weir is a body of water four or five miles wide and seven miles long. Its water is as pure and clear as an Adirondack spring, with pure white sand beaches, and surrounding are some of the finest orange groves in the state, covering its high banks, its level plains and fertile valleys. Lake Weir Park is becoming one of the resorts of Middle Florida. R. L. Martin, Ocala, Fla., owns many acres here which he is giving away to the right kind of people in building lot sizes for advancement of Lake Weir as a resort for both winter and summer residents. Mr. Martin is a real estate dealer but he is not at present selling real estate here, but is actually giving away land to those who wish to build a home for winter or summer comfort or pleasure.

C. J. Smith also owns some fine building lots here on the banks of Lake Weir, is postmaster, general

merchant and manager of many fine orange groves in this vicinity. Mr. and Mrs. Smith also own and manage the Smith Cottage hotel, where the Packer man is most comfortably located at the present time.

**Eastlake**

Eastlake is next in line south on the banks of Lake Weir, and is a most thriving resort as well as a prolific orange growing section. Among the most up-to-date orange growers here is G. E. Snow, one of the most successful growers of oranges and grapefruit in Florida.

J. G. Lege, a buyer, packer and shipper of oranges and grapefruit, has a fine home here at Woodmar. Mr. Lege makes a specialty of early Parson Brown oranges, and is considered one of the most successful dealers in the state.

**Stanton**

Stanton is on Lake Weir. Frank Lytle is manager and owner of 150 acres of orange and grapefruit groves. Mr. Lytle is an expert authority on citrus fruit culture, and says the crop in this vicinity, the Lake Weir country, will be rather short of last year's production but the quality will be much better than last season and the fruit is much more advanced in both size and maturity.

Mack Jamison grows melons, cantaloupes, potatoes and other vegetables, and if anyone doubts Mack's success he has only to look at the improvements in the past year, consisting of a fine new house and graded grounds. Other improvements are promised and are sure to be fulfilled. Dr. H. G. Spooner has a fine home

**Treasures Found in Our American Forests.**

That our American forests abound in plants which possess the most valuable medicinal virtues is abundantly attested by scores of the most eminent medical writers and teachers of this and other countries. Even the untutored Indians had discovered the usefulness of many native plants before the advent of the white race. This information, imparted freely to the whites, led the latter to continue investigations until to-day we have a rich assortment of most valuable American medicinal roots.

Dr. Pierce, of Buffalo, N. Y., believes that our American forests abound in medicinal roots for the cure of most obstinate and fatal diseases. If we would properly investigate them, and, in confirmation of this conviction, he points with pride to the most marvelous cures effected by his "Golden Medical Discovery," which has proven itself to be the most efficient stomach tonic, liver invigorator, heart tonic and regulator, and blood cleanser known to medical science. Dyspepsia, or indigestion, torpid liver, functional and even valvular and other affections of the heart yield to its curative action.

The reason why "Golden Medical Discovery" cures these and many other affections, is clearly shown in a little book of extracts from the standard medical works which is mailed free to any address by Dr. R. V. Pierce, of Buffalo, N. Y., to all sending request for the same.

To aid in healing old sores, or ulcers, apply Dr. Pierce's All-Healing Salve to them while taking the "Golden Medical Discovery" to purify and enrich the blood. Dr. Pierce's All-Healing Salve is cleansing and pain relieving. It destroys the bad odors arising from suppurating, or running, sores and puts them in the best possible condition for healing.

The "All-Healing Salve" is a superior dressing for all open, running, or suppurating, Sores or Ulcers. For healing open wounds, cuts and scratches it is unsurpassed.

If your medicine dealer does not have the "All-Healing Salve" in stock mail 50 cents in postage stamps to Dr. R. V. Pierce, Buffalo, N. Y., and you will receive it by return post.

In treating all open sores, or ulcers, boils, carbuncles and other swellings, it is important that Dr. Pierce's Golden Medical Discovery be taken persistently to purify the blood and thereby remove the cause of the trouble. It is in the blood that the great battle of health has to be fought. The ulcer and the sore are simply the scarlet flowers of disease, with roots running down into the blood. These roots must be eradicated or the disease will break out afresh. "Golden Medical Discovery" cleanses the blood of all foul and poisonous accumulations, pushes out the dead and waste matter, and thus purifies the entire life current. Disease in the flesh must die out when it is no longer fed by foul blood. "Golden Medical Discovery" effectively cures disease in the flesh by curing its cause in the blood.

Not less marvelous, in the unparalleled cures it is constantly making of woman's many peculiar affections, weaknesses and distressing derangements, is Dr. Pierce's Favorite Prescription, as is amply attested by thousands of unsolicited testimonials contributed by grateful patients who have been cured by it of catarrhal pelvic drains, painful periods, irregularities, prolapsus

and other displacements caused by weakness, ulceration of uterus and kindred affections, often after many other advertised medicines and physicians had failed.

Nursing mothers and over-burdened women in all stations of life, whose vigor and vitality may have been undermined and broken-down by overwork, exacting social duties, the too frequent bearing of children, or other causes, will find in Dr. Pierce's Favorite Prescription the most potent, invigorating, restorative strength-giver ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a priceless boon to prepare the system for baby's coming and rendering the ordeal comparatively painless. It can do no harm in any state, or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, backache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary specks or spots floating before eyes, have disagreeable pelvic catarrhal drain, prolapsus, anteversion or retroversion or other displacements of womanly organs, from weakness of parts, will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by using faithfully, and fairly persistently, Dr. Pierce's Favorite Prescription.

Both the above mentioned medicines are wholly made up from the glyceric extracts of native, medicinal roots. The processes employed in their manufacture were original with Dr. Pierce, and they are carried on by skilled chemists and pharmacists with the aid of apparatus and appliances specially designed and built for this purpose. Both medicines are entirely free from alcohol and all other harmful, habit-forming drugs. A full list of their ingredients is printed on each bottle-wraper.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. Easy to take as candy.

**NOTICE OF APPLICATION FOR A PARDON**

Finley, judge, presiding and thereupon sentenced to imprisonment in the state prison for the term of his natural life, the execution of which sentence he is now undergoing.

Dated at Ocala, Florida, on this the 23rd day of July, A. D. 1908. Joe Williams, Petitioner.

**DISAGREEABLE AT HOME**

Lots of men and women who are agreeable with others get "cranky" at home. It's not disposition, it's the liver. If you find in yourself that you feel cross around the house, little things worry you, just buy a bottle of Ballard's Herbine and put your liver in shape. You and everybody around you will feel better for it. Price 50 cents per bottle. Sold by Anti-Monopoly Drugstore.

**SOUTH LAKE WEIR**

Division Superintendent Boswell of the S. A. L. with several others, was here on Wednesday of this week, coming in over the branch in his railway auto, and states that work will commence at once to extend the track to the hard road running from Weirsdale to the hotel and loading platforms will be put in at points suitable for loading fruit. A spur is also to be built to the lake from Lehman's crossing and a dock built. Better service is promised all around. "So mote it be."

Mr. and Mrs. Brown, who left on Monday, the 20th, on a wedding trip to Washington, New York and other places, returned on Sunday and have been spending the week at Mr. Brown's old home in Webster.

Mr. Delevan Upton of Jacksonville spent a night here a few days since, the guest of the Pleasant Hills house. Mrs. Colbert and children of Ocala made a visit the past week to her sister, Mrs. A. M. Reed, at this place. Mr. A. P. Rast, who has been for some time visiting with Mrs. Rast at their old home in Norwalk, took advantage of the excursion rates to visit his daughter in St. Petersburg, and on his return on Monday tarried over night at Weirsdale.

here and as the doctor was not at home the writer cannot give particulars as to crops and prospects.

**South Lake Weir.**

This is another progressive section of the Lake Weir country and some fine homes and grove properties are located here. Among the best is the "Pleasant Hills House," Col. E. S. Upham owner and P. M. Oleson manager. Here is located one of the finest grove properties in the state. There is a fine home and a grove as near perfect as good management can make it. S. Lehmann is principally a grape grower and wine manufacturer, yet he grows vegetables if the market looks good. Mr. Lehmann's wines are of Florida product but as they are manufactured by an expert of foreign experience the quality is of the best. Mr. Lehmann also grows vegetables and fruits of other varieties than grapes, including pears and apples. He is about the only apple grower in Florida.

**Weirsdale**

Joe Johnson grows watermelons as a principal crop and shipped eight cars of No. 1 melons this season and as an after crop will have 400 pounds of the famous blue watermelon seed for sale.

N. W. Williams grows watermelons as a principal crop and other vegetables in season.

E. Duval has a fine orange grove. E. Schnitzler was out but the writer was informed that oranges of the Lake Weir quality are his specialty.

**Oklawaha**

Oklawaha is one of the progressive little shipping points and while not a large one has some of the best land and most up-to-date shippers in this Lake Weir country. Among them are A. W. Yongue, merchant and postmaster, who has an orange grove, peach orchard and grows vegetables when conditions are favorable.

R. Marshall has a fine peach orchard and grows a general crop of vegetables in season.

J. J. Smith was not at home when the writer called but is said to be an up-to-date grower of vegetables and melons.

**Candler**

While the Packer man wrote up Candler in part last week Candler deserves writing up every week. There is not a more progressive section in old Marion county than Candler and while peaches of the early variety are of special interest as a leading crop, yet some of the finest orange groves in Florida are located here. Among the growers are J. Y. McKinney, who has 22 acres of orange grove, 25 acres in peaches and grows watermelons during the season which sell at the proper profitable price. Mr. McKinney also grows everything else in farm products, which tends to self sustain a ranch of this kind.

S. H. Cauthen is an all round farmer and vegetable grower who will have at least 1,000 bushels of sweet potatoes for fall and winter shipment and grows other vegetables in season.

J. F. Worick has one of the really fine peach orchards here and grows vegetables in season for market.

C. Kline has 12 acres of a model orange grove. Clean cultivation is Mr. Kline's method of culture and the Packer man walked over the whole 12 acres and did not see a weed or blade of grass. The crop of oranges is fine

**Eat What**

**You want of the food you need Kodol will digest it.**

You need a sufficient amount of good wholesome food and more than this you need to fully digest it. Else you can't gain strength, nor can you strengthen your stomach if it is weak. You must eat in order to live and maintain strength. You must not diet, because the body requires that you eat a sufficient amount of food regularly.

But this food must be digested, and it must be digested thoroughly. When the stomach can't do it, you must take something that will help the stomach.

The proper way to do is to eat what you want, and let Kodol digest the food.

Nothing else can do this. When the stomach is weak it needs help; you must help it by giving it rest, and Kodol will do that.

**Our Guarantee**

We could not afford to make such an offer, unless we positively knew what Kodol will do for you. It would bankrupt us. The dollar bottle contains 2 1/2 times as much as the fifty cent bottle.
