200 pairs of Men's Oxfords all leathers and all sizes for \$2.25. They are worth from \$3 to \$3.50. The Globe, the cheapest store in the city.

THREE REELS AT THE

BERLIN AGAIN TONIGHT

The Berlin theater had big crowds last night and everybody said it was a good show. There has been a great looking up on the stories of Bluebeard and the Pied Piper of Hamelin today, and no matter how much young America may want to join the navy, he will fight shy of the submarine branch of the service.

The "Indian Idyl" this evening is a fine story of oriental love and hate, and "Just for a Loaf of Bread" is a subject with a good lesson. The other four subjects are interesting and amusing, and altogether you can't get so much out of ten cents anywhere else.

REAL ESTATE AND INVESTMENTS

Rooms 27 and 28, Holder Block

OCALA, FLORIDA

The man who waits for a proven, producing proposition before investing will always pay every cent the stock is worth. It's the man who takes a chance on the ground floor that really gets the cream. Always investigate and act with due caution but you will lose out entirely and every time if you wait for a "cinch." Equal parts of nerve and common sense will be found a very palatable dose and a combination hard to beat.

If you want to buy a home in Ocala, I can offer you one of the very few places on the market on Oklawaha avenue.

Frontage is 96 feet and the lot runs back 480 feet. House is one story containing five rooms, kitchen and bathroom; city water, gas, electric light and modern plumbing; stable and servant's house in yard. Price, \$2,300, half cash and balance spread over three years.

If you want to build a store building to rent I have a lot on Fort King avenue between the Pittman building and the new building just erected by Guerrant & Carmichael. Frontage is 43 feet by 110 feet deep. The building now on it is old but rents for enough to pay interest on the investment. Price is \$850.

OAKRIDGE lots on the Shady Grove hard road and within the city limits can be bought for \$75 to \$90; 100 feet front by 125 feet deep; 10¢ cash and \$1 per week. Free deed in case of death. No taxes to pay until 1909. Map and prices on application.

WOODMAR. This property is on the most beautiful lake in Florida, on a bluff which rises from 25 feet to 75 feet above the level of the lake. The A. C. L. railroad runs between the edge of the lake and the bluff. Four years ago when I platted this property and offered to sell lots I was laughed at by many and the word "fool" more than once dropped in connection with this property. Try and buy back for me the lots I have already sold and come and see me. I have raised the price once and will raise again until another Mr. Flagler sees the beauties of the place and then he can have it if he will pay the price. The streets are all planted to shade trees and water works installed—good water too. But a lot now. You can buy on terms but you can't buy them at a discount. Map and prices on application.

DEATH OF AN OLD CITIZEN

A letter from Mrs. Carroll at Hendersonville received today stated that little Morris was much better and able to be out of doors for a short time.

Three great big white men, all two-thirds drunk, were wrangling at the A. C. L. northbound train today, one accusing another of robbing him of \$18 last night, but was anxious to have him settle the matter for one or two dollars, and the third member of the trio was trying to get the accused to fork up the two dollars, but he could only raise 15 cents. Marshal Bull was called in to try the case, but the plaintiff would not have the man arrested and there was nothing the marshal could do. In addition to the booze imbue of him, one of them had a quart bottle he was "taking to his poor sick wife."

We have a most exquisite line of fancy imported china in many different pieces. The Anti-Monopoly Drugstore.

Fate Miller, the Martel cattle man, was in town today and remarked that the rain was beginning to tell on the ponds, which are filling up.

Messrs. Fort and Lucius, who had to close their barbershop for a few days in deference to the dengue, are out today and hope to be in full swing again tomorrow.

When you want stationery, go to a stationery store. The Ocala News Company has the best and most up-to-date line in Ocala.

Messrs. Fort and Lucius, the barbers, are in receipt of an electrical message machine for the face and scalp. It is up to date, as are the boys who run the shop.

We are displaying the largest and best selected line of perfumes, toilet powders, toilet waters, soaps, etc., in Central Florida, and will take pleasure in showing you the line. The Anti-Monopoly Drugstore.

Dr. Anderson's big, fourteen-room, double apartment house on Fort King avenue is rapidly being completed. This house will be something new for Ocala and will doubtless prove a good investment.

W. J. Crosby of Citra went down to Inverness today to join his family who are visiting friends there and he will return with them tomorrow.

Do not forget that DeWitt's Little Early Risers are the best pills made. They are pleasant little pills that are easy to take and are prompt and gentle. We sell and recommend them. Sold by Anti-Monopoly Drugstore.

Marshal Bull was called today to administer with his rifle a quietus to a cat, which was acting suspiciously like it had rabies at the home of Mr. C. A. Shaw.

Mr. J. W. Sanders of Early Bird, formerly of Ocala, who owns the lot on South Third street between Mr. F. E. Harris' residence and the railroad, let the contract today to Mr. Edward Sweat, the carpenter and builder, to build two eight-room houses on the property, work to commence very soon.

A card from P. V. Leavenwood, business manager of the Banner, now at Coshocton, Ohio, announces that fall is being perceptibly felt in the air up there.
