ISRAEL AND THE TORAH

The following beautiful address was delivered by Master Raphael Risen, on the anniversary of his thirteenth birthday at a public confirmation of the 5th of September at the home of his parents, Mr. and Mrs. Risen, No. 1732 Northwest avenue, Baltimore, Md., at which important family event Mrs. Ed Carmichael, of Ocala, was the guest of honor. It was a brilliant gathering:

My Dear Parents and Friends: This is the most important day of my life. For today I am admitted into the Brotherhood of Israel. Today I become a full-fledged Jew, and, therefore, I take upon myself the duties and responsibilities that rest upon every member of the House of Israel. No longer may I be a thoughtless child that knows not and cares not for anything better than the pleasure and the satisfaction of the moment. From today on I must always be conscious of the grand privilege that I possess in being a Jew, and I must try to prove myself deserving of this great blessing and of the many other blessings that have been showered upon me from the first moment of my life.

What a glorious thing it is to belong to that people that has given the world such great and valuable gifts!

How proud should he be that bears the name Jew! For what other race or nation is there that can say, as Israel can, "I have been a blessing to mankind?" What other people have given the world that which alone can make the world happy, the belief in the one, only God, the ten commandments, the law of morality, of justice, of goodness and of love.

This thought my friends, the thought of the greatness of my people, fills my heart with pride and gratitude. I am happy to belong to that undying race that has been the teachers of mankind. I am proud to be a member of that people which in spite of cruel oppression and relentless hatred has shown to the world an example of devotion to God and of love to man. I am thankful to bear the name of the nation that has preferred to suffer contempt, malice and martyrdom, rather than give up its beautiful ideals and which, under all circumstances, has been distinguished for morality, sobriety, for its beautiful home life, its sublime spirit of love and charity, its patriotism, its faith.

May I prove myself worthy of the privilege of belonging to the Jewish people. May my life be distinguished by the same zeal for our religion, by the same love for the beautiful ideals of our Torah, by the same spirit of goodness and benevolence that our people has possessed for all you have done for me. How can I ever hope to thank you enough, dearly beloved father, for the constant care and affection you have showered upon me all these years? And you, dear mother, can I ever make any return for all the love and tenderness which you have shown me? How shall I show my appreciation and my love for you both? You have been my true friends from my childhood days. You have been my advisors and instructors. You have tried to grant me every wish, to satisfy my every desire. You have worked, and labored, and hoped, and prayed that I might grow up strong, any happy. Many an anxious day, many a sleepless night have you spent watching over me tenderly, when I lay tossing on a bed of sickness. You have rejoiced at my success, you have grieved at my disappointments. And every moment of my life you are planning how to add to my happiness, how to improve my health, to make of me a good and useful man, a worthy son of Israel.

For all this love, for all this tender care, my dear parents, I cannot hope to thank you enough. I can only try to deserve your love and your kindness by trying to live as you would wish me to live, by endeavoring to become a good man, a true Jew. May God reward you by blessing you and your dear ones with long life, health, success and happiness. And all these friends, our country, Israel and all mankind, may the Lord bless with peace, prosperity and everlasting joy. Amen.

SUMNER COUNTY TIMES SOLD

Mr. J. C. B. Koonce has sold the plant, subscription list and good will of the Sumner County Times, published at Sumterville, to Mr. S. N. Graham, who will conduct the paper in future. Mr. Koonce's health was such that he could not continue the business. The Times is one of the best weeklies in the state and is a valuable piece of property. We wish Mr. Graham abundant success with it.

George Angell the venerable editor of Dumb Animals, Boston, is not pleased with either Taft or Bryan for president. He does not like Taft because he proposes to carry out Roosevelt's policies and that means war—a thought he cannot endure. Mr. Angell is for Oliver Wendell Holmes as his presidential choice.

The plunder crop is fine this year and many of the farmers out Berlin way are buying up hogs to fatten on this food. Among those who will go largely into the business are Mabe Phillips, William DeHon, John Freyermouth, Mr. Taylor and others. Mr. DeHon has gone to Gulf Hammock to get the stock.

For prompt relief in cases of weak back, headache, inflammation of the bladder, urinary disorders, kidney troubles and rheumatic pains, there is nothing as good as DeWitt's Kidney and Bladder Pills. The effect of these pills is shown in a very little while. In fact, you will feel better the next morning, as they act promptly. They are antiseptic. Be sure you get DeWitt's. We sell and recommend them. Sold by Anti-Monopoly-Druggists.

A SOCIAL IN TAMPA

Henry Blount was the guest of honor yesterday evening at the home of his parents, Mr. and Mrs. B. W. Blount, on Plant avenue. He is one of the brightest members of the Junior Baraca class of the First Baptist church and his guests last night were his classmates and also the members of the Junior Philathea class. There were about twenty-five young people present and guessing contests, merry conversation and social intercourse made the time pass delightfully.—Tampa Tribune.

Cards are out announcing the marriage of Miss Eudora Lee Campbell, of Atlanta, to Mr. Walter Lee Haynie, of Tampa. The wedding will take place Thursday afternoon, October 1st, at the home of the bride's mother, No. 232 Capital avenue. This hymeneal event has more than passing interest to a great many Ocala people, because the fair bride was born and practically reared in this city. Her father was the late Charles Campbell, who for many years was superintendent of the Ocala Water Company, and a brother of the present manager, Mr. J. A. Campbell. The bride is a bright, intelligent young lady, possessed of many admirable traits of character. The groom-to-be is a promising young business man of Atlanta.

RE-UNION RATES

Round trip rates to the Tampa Confederate re-union from Ocala will be \$2.45.

DEBS' RED SPECIAL

Socialist Candidate Now Making a Railroad Tour of the Country

Sacramento, Cal., Sept. 24.—Eugene V. Debs, Socialist candidate for President, who is touring the country in his "red special train," will at least beat the record for trips for this kind. McKinley once sped through the states in a special train, and so did Roosevelt, but neither covered as much territory as Debs will have done when his campaign ends.

Mr. Debs travels in a special of two cars and engine, one being a combination day coach and baggage car, and the other a sleeper and dining car combined. It is called "The Red Special," and it will travel 30,000 miles before completing the trip. It will make 500 stops, which are scheduled, and many others which conditions will arrange.

The train left Chicago Aug. 31 for the West. On Saturday, Sept. 5, it had arrived at Denver, Salida and Leadville. Monday it was down in Salt Lake City and Ogden, Utah. The next day it arrived at Las Vegas, Nev., and San Bernardino, Cal. On Wednesday, Thursday and Friday it traveled up the California coast, stopping at the principal towns. The train reached this city Saturday, Sept. 12.

From here it departed for the Northwest and then a return to the northern tier of states just eastward.

Carries Passengers

The "Red Special" carries hundreds of passengers every day. Any person is permitted to get on the train at any stop and ride as far as he likes at the rate of 2 cents a mile. Meals on the train cost 50 cents each. There are

REAL ESTATE AND INVESTMENTS

Rooms 27 and 28, Holder Block OCALA, FLORIDA

The man who waits for a proven, producing proposition before investing will always pay every cent the stock is worth. It's the man who takes a chance on the ground floor that really gets the cream. Always investigate and act with due caution but you will lose out entirely and every time if you wait for a "cinch." Equal parts of nerve and common sense will be found a very palatable dose and a combination hard to beat.

If you want to buy a home in Ocala, I can offer you one of the very few places on the market on Oklawaha avenue.

Frontage is 96 feet and the lot runs back 480 feet. House is one story containing five rooms, kitchen and bathroom; city water, gas, electric light and modern plumbing; stable and servant's house in yard. Price, \$2,300, half cash and balance spread over three years.

If you want to build a store building to rent I have a lot on Fort King avenue between the Pittman building and the new building just erected by Guerrant & Carmichael. Frontage is 43 feet by 110 feet deep. The building now on it is old but rents for enough to pay interest on the investment. Price is \$850.

OKARIDGE lots on the Shady Grove hard road and within the city limits can be bought for \$75 to \$90; 100 feet front by 125 feet deep; 10% cash and \$1 per week. Free deed in case of death. No taxes to pay until 1909. Map and prices on application.

WOODMAR. This property is on the most beautiful lake in Florida, on a bluff which rises from 25 feet to 75 feet above the level of the lake. The A. C. L. railroad runs between the edge of the lake and the bluff. Four years ago when I platted this property and offered to sell lots I was laughed at by many and the word "fool" more than once dropped in connection with this property. Try and buy back for me the lots I have already sold and come and see me. I have raised the price once and will raise again until another Mr. Flagler sees the beauties of the place and then he can have it if he will pay the price. The streets are all planted to shade trees and water works installed—good water too. Buy a lot now. You can buy on terms but you can't buy them at a discount. Map and prices on application.

At every stop workers get on to ride to the next and thus get into touch with the train they sent out. Every afternoon passengers have been carried from small stations to the city where an evening meeting is to be held. Debs and all the special train party and all their fellow workers who board the train for short trips have their meals together.

At practically every stop there has been a crowd on hand to welcome the Socialist candidate. There has been no lack of enthusiasm at most of the meetings.

EXPECTS BRYAN'S ELECTION

John W. Gates is Inclined to Bet Against Taft and Hughes (New York World.)

At intermittent periods when the reporters were able to arouse him from the dejection caused by missing the double-header baseball game between the Giants and the Pittsburghs on Friday, John W. Gates, who arrived yesterday on the belated Cunard liner Mauretania, gave his views on state and national politics.

Hughes, he prophesied, will be defeated by fully 150,000, while Taft's chances of winning the Presidential race are in no sense bright.

"Republicans who are New Yorkers whom I have talked with are not going to vote for Hughes, you can gamble on that, and from what I have learned since I have been on the Mauretania it's a safe bet that there isn't a Republican on the vessel who will vote for his re-election.

Question of Personal Liberty

"It's not a question of Hughes's fight against the race track. It's a question of personal liberty. Why, if this thing goes on a man who bets a lady a box of gloves will have to go to jail. Personally I don't care whether horse racing is held in this country or not. It is the principle of the thing that is objectionable."

The financier declared that many prominent Republicans he had come in contact with abroad showed a decided apathy toward President Roosevelt's candidate, Mr. Taft, chiefly because the latter's election would establish a dangerous precedent whereby the nation's Chief Executive would pick his successor. As far as he had been able to learn, Mr. Gates said that prominent Republican financiers had no fear of the financial outcome in the event of Mr. Bryan's election.

One prominent banker from Ohio, he said, had told him positively that if he registered this fall he would surely vote for Bryan. This same banker had always been a staunch Republican. Mr. Gates declared that among the American tourists at least 85 per cent were Republicans, and of this number fully 25 per cent will cast their votes for Bryan or else not vote at all.

DRUNKENNESS DOES NOT EXCUSE THE DEED

(Plant City Courier.)

The town marshal of Wildwood was shot to death on Monday in a most brutal and cowardly manner by one of his fellow citizens who, it appears, happened to be drunk at the time. This murderer when he is placed on trial for his awful crime will no doubt offer as an extenuating circumstance the fact that, being drunk, he was not in full possession of his reasoning faculties and therefore should not be held to a strict account for his acts during the period of his inebriety.

We, of course, do not know what the particular court which tries this man will hold, but we do know that in many courts drunkenness has been made an excuse for almost every form of crime in the catalogue of crime. Any court that is influenced by such an excuse is a disgrace to the commonwealth in which it sits and makes itself a stench in the nostrils of all justice-loving people and any jury that would allow such a circumstance to weigh with them in arriving at a verdict are themselves a menace to the peace and dignity of the community in which they live.

In heaven's name, why should drunkenness, which should itself be a statutory crime, be considered an excuse for the violation of any of our laws? Is the marshal of Wildwood any the less dead because his assailant happened to be drunk? Will the widow and fatherless children derive any comfort from the fact that the brain that controlled the hand that held the gun that sent the deadly bullet through the marshal's heart, was fired and demonized by alcohol? Has the law of the land been any the less broken because the perpetrator happened at the time to be under the influence of drink? In ninety-nine cases out of

Cured Hay Fever and Summer Cold

A. J. Nusbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar in the yellow package, and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." Sold by all dealers.
