E. W. PARKER

Mr. E. W. Parker, aged 76 years, died at Candler yesterday, where he has been living for the past years.

It is evident that some of the men who sell milk in Ocala are not conversant with the fact that engaged in such business they must not only have a permit but must have their cattle examined by the city meat and milk inspector, Dr. Guerrant.

Ex-Gov. W. S. Jennings of Jacksonville, who has spent the past month with his cousin, W. J. Bryan, touring the country in behalf of the Peers' candidacy for president, is back, and says all signs point to the election of Mr. Bryan.

Mr. Pat Randall, the owner of the famous Conner orange grove and Mr. Henry Mason, of the same place, will run a race from Conner to Silver Springs and return tomorrow in their respective motor boats.

Capt. J. H. Brooks and wife visited their old home at Martel yesterday and had many pleasant chats with old friends and neighbors.

Dr. Guerrant's horse hospital is now formally open. It has three patients all in the course of convalescence.

Mr. Tom Leitner and daughter, Mrs. Wister, came down from Anthony today accompanied by a very pretty and sweet grandchild of Mr. Leitner.

Captain Adams, of South Lake Weir was in town today and said the S. A. L. railroad had a gang of men at work putting in a switch to the lake front just west of the old Dr. Chase grove.

Mr. Business Man, the newspapers are the hardest, most incessant and most effective workers in the field building up the community from which you draw your trade.

Edgar Ferdon, a former contractor and builder of this city, now located in Ocala, returned last night.

Among those who are enjoying a pleasant outing at Lake George from the Conner section are Mr. P. L. Dursoe, Mr. and Mrs. Tom Randall, Mr. and Mrs. Alonzo Long, Mr. and Mrs. D. L. Graham and Miss Rebecca Counts.

RESOLUTIONS OF RESPECT

Passed by Tulula Lodge, I. O. O. F., in Memory of Thomas J. Owen

Whereas, it has pleased Providence to remove from our midst our brother, Thomas J. Owen, who had been one of the faithful members of this order and who in its incipient days was one of the pillars that upheld the life of the lodge and materially assisted in rescuing it from failure, and set it on its way to prosperity and usefulness; and

Resolved, That we mourn the death of this exemplary brother with sincere regret and spread these resolutions on the minutes of our proceedings, extend condolences to the family of the deceased, have them published in our local papers and send copies of same to those near and dear to the departed brother, who in the years that are past stood so loyally by Tulula Lodge, of Ocala, and whose kindly disposition and loving heart beat in sympathy with the needy and depressed and was ever ready to lend a helping hand and express words of sympathy to those in distress.

HANDSOME BUILDINGS IN OCALA

The Times-Union of Tuesday has the following to say of Ocala's slightly imposing buildings and homes:

"Not many cities can claim a more convenient and useful building than Ocala, in naming the Holder block. A three-story structure, taking up almost half a square in two directions, on the front side of the building, at the main entrance is located the bureau of the Florida Times-Union, perhaps more commonly known as Florida's great daily. There the stranger can obtain any information relative to the news and the city in general, even the town's people oftentimes seek certain knowledge that can only be obtained through a bureau of this nature.

On passing into the building one is confronted by a large elevator and service complete. In the offices are located doctors, lawyers and the heads of the largest business enterprises in Marion county. There are hardly any of the walks of life that cannot be attended to by the different branches and professions that have offices in this building. In another part of the building there are stores of different nature and one can do their buying and look after their business in general without even going to another part of the city. Hardly a traveling man visits the city and leaves it without having some business in some part of this building.

"For a long time a part of the building was used in the capacity of an opera house, until the offices were so generally sought after that Mr. Holder was advised to alter the interior and make way for the incessant and much needed demand for offices. Now that the Florida Times-Union has taken the main entrance space to be used as a bureau of the city feels proud for the fact that convenience is and has always been sought after the world over.

"Ocala not only feels proud of her wonderful resources and rapid strides she has made within the past few years, but of her beautiful homes that adorn the city driveways and avenues in every direction. Some present a spectacular appearance to the visitor and it is not uncommon to hear the remark that she has some of the finest homes in the state. In fact there has been much talk by those that pass in and out of the city about the beautiful houses and palatial homes that materially go to make up the appearance and add to the neatness of the city.

"Among many of the homes referred to is the new house recently completed by Col. W. N. Camp, which stands in the front ranks. This magnificent home during its course of construction attracted the eyes of the building world and architects who looked upon the main entrance space to be used as a bureau of the city feels proud for the fact that convenience is and has always been sought after the world over.

"The best of all teachers is experience. C. M. Harden, of Silver City, North Carolina, says: 'I find Electric Bitters does all that's claimed for it. For Stomach, Liver and Kidney troubles it can't be beat. I have tried it and find it a most excellent medicine.' Mr. Harden is right; it's the best of all medicines also for weakness, lame back, and all run down conditions. Best too for chills and malaria. Sold under guarantee at all drugstores, 50c.

IT CAN'T BE BEAT

Mr. J. B. Cappelman has about recovered from a spell of dengue.

Mrs. Holland of Fivay is visiting her daughter, Mrs. Nellie Geiger, for a few days.

Mr. W. L. Colbert and children of Ocala spent Sunday with his sister, Mrs. J. A. Luffman.

The chicken pill at Mrs. Young's Wednesday night was quite a success, and all seem to have had a nice time, especially one couple.

Mr. Daniel Cappelman and Mr. Randall Geiger spent Sunday in Anthony. Must be some attraction.

Miss Lillie Young and brother, Casper, made a quick trip to Higgley Saturday and returning home Sunday. While there they were the guests of Mr. and Mrs. Manning.

Mr. Daniel Cappelman leaves Monday for Gainesville, where he will enter the University of Florida.

Miss Nonie Long of Ocala has been visiting her sister, Mrs. T. C. Clayton, the past few days.

Mr. H. D. Outlaw is back again with Tiller & Co.

Mrs. W. J. Young and daughter, Miss Daisy, expect to leave in a few days for Camilla, Ga., to visit her brother and sister.

From all appearances wedding bells will ring in Fort King ere many days pass.

Mr. Simpson of Eastlake spent Sunday afternoon with his sister, Miss Harriet Simpson.

MORE OCALA FACES

In Tuesday's Times-Union were striking likenesses of Rev. C. C. Carroll, pastor of the First Baptist church of Ocala and John P. Galloway, Marion's popular sheriff and Mr. George MacKay, who has built more phosphate plants and splendid mansions than any man who has followed the architect and builders' trade in Ocala.

The article says: "Rev. C. C. Carroll, pastor of the First Baptist church, Ocala, Fla., was born in the year 1876, at Waco, Tex., son of Dr. B. H. Carroll. He was graduated at Baylor University, Waco, Tex., in 1898; was sergeant of Troop G, First Texas Volunteer Cavalry for six months; soon after he took a post graduate course in English in Chicago University in 1899, and was vice president of Mt. Lebanon College, La., 1898-1900, and was ordained at Mount Lebanon, La., on April 1, 1900. He was pastor of churches in Natchitoches, La., Calvert, Tex., Havana Cuba, and Ocala, Fla.; vice president for Florida of the Y. P. U.; president educational commission Florida Baptist convention; member of state mission board, and of the trustee board of Columbia College. Mr. Carroll has already made a record, yet he is only 32 years of age, and his life work appears to have just started.

"Ocala can boast of one of the most efficient and painstaking sheriffs ever in office. Mr. John P. Galloway, the present incumbent, was recently appointed by Gov. Broward. His popularity in Marion county has gained him prominence and power in the community to the extent of lessening burdens that might have been otherwise. By nature he is fearless and cool-headed when trouble brews. He is worthy and deserving of the title the townspeople have seen fit to call him—honest and happy 'John'."

JOSEPH T. CLEMENT APPOINTED A LIEUTENANT

Washington, Sept. 27.—The War Department yesterday made public the names of ninety-one persons appointed second lieutenants from civil life as the result of the competitive examinations at Fort Leavenworth, Kans., in July. The unusually large number is due partly to the increase in the coast artillery corps authorized by Congress and partly to the fact that the graduating class at West Point in June did not contain a number of men, as is frequently the case. The list includes Joseph T. Clement of Dannelton, appointed to the field artillery.

THEIR HONEYMOON NEVER ENDED

Berlin, Sept. 29.—Overcome with despair at the sudden death of her husband, Frau Brand took her life. Dr. L. Brand and his wife, who had been married over 19 years, were known as the "honeymooners," because they were so much in love with each other that they always acted as if they were bride and bridegroom on their honeymoon.

Dr. Brand returned from a call, complained of heart trouble, and before his wife could call a physician he was dead. She closed down the windows, opened all the gas jets and, lying down near her husband, she passed into death with him.

Comfortable furnished rooms for rent. Apply to No. 127 Fort King avenue.

DAVID S. WOODROW REAL ESTATE AND INVESTMENTS

Rooms 27 and 28, Holder Block OCALA, FLORIDA

The man who waits for a proven, producing proposition before investing will always pay every cent the stock is worth. It's the man who takes a chance on the ground floor that really gets the cream. Always investigate and act with due caution but you will lose out entirely and every time if you wait for a "cinch." Equal parts of nerve and common sense will be found a very palatable dose and a combination hard to beat.

If you want to buy a home in Ocala, I can offer you one of the very few places on the market on Oklawaha avenue.

Frontage is 96 feet and the lot runs back 480 feet. House is one story containing five rooms, kitchen and bathroom; city water, gas, electric light and modern plumbing; stable and servant's house in yard. Price, \$2,300, all cash and balance spread over three years.

If you want to build a store building to rent I have a lot on Fort King avenue between the Pittman building and the new building just erected by Guerrant & Carmichael. Frontage is 43 feet by 110 feet deep. The building now on it is old but rents for enough to pay interest on the investment. Price is \$850.

OAKRIDGE lots on the Shady Grove hard road and within the city limits can be bought for \$75 to \$90; 100 feet front by 125 feet deep; 10% cash and \$1 per week. Free deed in case of death. No taxes to pay until 1909. Map and prices on application.

WOODMAR. This property is on the most beautiful lake in Florida, on a bluff which rises from 25 feet to 75 feet above the level of the lake. The A. C. L. railroad runs between the edge of the lake and the bluff. Four years ago when I platted this property and offered to sell lots I was laughed at by many and the word "fool" more than once dropped in connection with this property. Try and buy back for me the lots I have already sold and come and see me. I have raised the prices once and will raise again until another Mr. Flagger sees the beauties of the place and then he can have it if he will pay the price. The streets are all planted to shade trees and water works installed—good water too. Buy a lot now. You can buy on terms but you can't buy them at a discount. Map and prices on application.

CHOSE HER CHAUFFEUR

Elopement of an Atlanta Heiress With the Young Man Who Drove Her Car

Atlanta, Sept. 28.—Miss Sylvia Speer, the 17-year-old daughter of W. A. Speer and sole heiress to a fortune of more than \$1,000,000, was secretly married to her chauffeur, Russell Thomas, about 20 years old, at the Congregational church here yesterday, Rev. Mr. Atkinson officiating.

The marriage license was procured by W. B. Thomas, a railroad contractor and father of the young man. Besides the young man's father, there were present only a few of his friends.

Following the wedding the young couple took the train for Washington, W. A. Speer, father of the youthful bride, the son of a former treasurer of Georgia and is the present head of the wealthy wholesale firm of John Silvey & Co. of this city. His wife is the only daughter of the late John Silvey, and young Speer is her only child. She is, therefore, sole heiress to the large Silvey fortune, which is estimated at considerably more than a million.

Thought He Had No Eye to Business

Something more than a year ago young Russell Thomas applied to Mr. Speer for a position and was given employment at the store. Mr. Speer's attention was attracted to the fact that the young man had more of a mechanical than a business turn of mind, and when he purchased for his daughter a handsome six-cylinder car, young Thomas was quickly educated in the operation of it and was given the position of chauffeur. From time to time since then there have been rumors in society circles that Miss Speer was too deeply interested in him.

Mr. and Mrs. Speer, the young lady's parents, were much disturbed and agitated when they learned shortly after noon that the wedding had taken place. They have not followed the young couple, but will make every effort to have them come back and at least to agree on some terms of separation until they are older.

Mr. Speer stated this afternoon that, although a chauffeur, the young man came of good family, and that his chief objection to the marriage was the extreme youth of his daughter.

A GHASTLY OBJECT LESSON

Indiana School Children Marched Past the Dead Bodies of Two

Kokomo, Ind., Sept. 29.—Believing that the local option law would cut off the whisky supply, Charles Threper and Charles and William Lindley on Sunday took a jug of whisky to Gravel Pit to have a farewell drink.

Threper and William Lindley were found dead in the gravel pit today and Charles Lindley was found lying near the house in a drunken condition.

Teachers and pupils of the Green-town school near the pit marched past the dead bodies to give the children an object lesson in temperance.

GEER HAS THE GIRL

Elopement of a Middle-Aged Virginia Preacher With a Lass of Sweet Sixteen

Quince, Va., Sept. 29.—A sensational accident occurred at Witsels, this county, a few days ago, when Elijah Geer, a Dunkard preacher, a married man with three small children, eloped with a young girl, a Miss Kinsler, said to be 16 years old. They got in a buggy and drove to Charlottesville, from which place Geer wrote a letter of six pages to his wife saying that she could take all his earthly belongings; that he never expected to see her again and never return, as he had the girl and she was all that he desired in this world.

The girl also wrote to her father that their intention was to travel a long while and marry afterward.

Nothing had been heard from them since the letter was received, and intimate friends say they tried to get to Canada.

Mormon preachers had been known to be in association, and correspondence, with the Rev. Geer from both Canada and Utah.

THE JOKE WAS ON HARRY

Philadelphia, Sept. 29.—Harry Muttler of New York street plays his best practical joke for some time to come. And his last joke is on him.

Friends of Miss Annie Blakely of 2319 Allegheny avenue prepared a surprise party for her, who is 14 years old, "found" a large pumpkin in a corn field near School lane, hollowed it out and put a candle in it. Then he carved a face out of the rind to fit the top of his head.

When the festivities were at their height the guests heard a scream in the kitchen. Rushing out they found a strange figure with a pumpkin head.

"Don't somebody please help me!" pleaded a muffled voice. When the pumpkin was removed, Harry explained the cause of his fright. He had extinguished the conflagration he had pushed the pumpkin down over his ears.

ROOSEVELT CONTRIBUTION

Of Fifty Dollars to a Monument to Gen. Stephen D. Lee

Vicksburg, Miss., Sept. 29.—With an appropriate letter of request, President Roosevelt yesterday sent a check for \$50 upon his personal account in Washington to be contributed to the fund for the \$10,000 Stephen D. Lee monument now being secured. Secretary of War Wright did likewise and Gen. G. M. Dodge sent \$50.

BRIDE PROVED TO BE BALKY

Miss Jennie Spalding Jilted Lewis Strang, the Auto Champion

New York, Sept. 29.—The World says: "Married? Me? Well, not in this act. You just tell Lewis Strang to change his gear—or, rather, his press agent," declared Jennie L. Spalding, a showgirl with the Folies of 1908, as she hurried back to her dressing room after the matinee in the New Theater.

And she fled from all further inquiry as naturally as she did from Strang, the daring automobile race driver, when plans were made for a race to Stamford before dawn for a matrimonial cup.

According to the correspondents in that city, Miss Spalding caused City Court Judge Martin J. Gray to wait at the church (or the Hotel Carlton) until 2 a. m., when Strang appeared in a dust-smeared car and announced that the wedding was off.

Got License in Stamford

Strang took out a marriage license in Stamford on Friday afternoon, giving his age 23 and the prospective bride's 21. "She is Miss Jennie L. Spalding," he said, "a daughter of William Spalding of Hartford, Ky." John H. Tyson, whose famous Isotta-Fraschini car Strang drove to victory in the Briarcliff Cup race, was with him.

Tyson and Strang then went to Proprietor Edwards of the Carlton, and arranged for a wedding breakfast for nine. Next they motored to the home of Judge Gray and asked him to tie the knot. Strang then hurried back to New York to get his bride.

At 1:30 o'clock Judge Gray and a party of Strang's friends were waiting at the Stamford Hotel for Sfrang and the prospective bride and bridegroom to arrive. They had gone to Stamford in an auto brought by Mr. Tyson. The longer they waited the more impatient they became.

Missed His Bride at Theater

At 1:45 Mr. Tyson called up the theater. He couldn't understand the delay. He was sure of the car Strang drove. He was told that the show had been over two hours. At 2 a. m. Judge Gray went home.

He had hardly left when there was a racket outside and Strang's auto drove up at the hotel. Strang was alone. He explained that he had met Miss Spalding at the theater, but instead of going to Stamford she insisted upon being driven to the Hotel Carlton, in West Fifty-fourth street, Manhattan, where she lives.

"She insisted upon three more days to consider marrying," Strang said, and I took her to her home and bid her good-by. I told her it was our final parting." The disappointed party then returned to New York.

Check for \$1,000 as Gift

Mr. Tyson, who had a check for \$1,000 drawn to Strang as a wedding gift, tore it up.

"Never mind, Lewis," he said, "you'll get a better present by and by. While I'm sorry for you, I guess I'm glad you are going to get married and give up the racing game. Because, you know, you'd have to give it up if you were married."

Strang said: "I have known Miss Spalding four years. We have been the best of friends, and for several months it was known we were to be married. She is known on the stage as Louise Alexander. She knew all about my visit to Stamford to get the wedding license, and I cannot understand her stand, unless it is that she has changed her mind about leaving the stage."

"She had promised to give up the stage in December, and we were to keep the marriage secret meantime. Well, it leaked out, and members of her company heard it. They teased her, and I have an idea that may have caused her to change her mind. Everything was all right yesterday when I went to Tiffany's with her roommate, Miss Lassalle, and bought a wedding ring."

Strang went to Stamford again and asked how long the license would be good. He was told it would be good any time.

In spite of the sensational created the boy's statement was taken as that of an irresponsible child.

WOULDN'T TIN HAVE COST MORE? A Somewhat Improbable Jail Story from Wisconsin

Crandon, Wis., Sept. 29.—The fact that the wall of the jail here, which apparently is of concrete blocks, is really tin, painted and furrowed to look like concrete, was discovered soon after Charles Otto was arrested on a larceny charge.

Next morning he was gone. The imposing looking wall of the jail had been cut open from the outside with a can opener.
